No. 22 Chairman—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, presented Report No. 22, as follows:—

"Mr. Chairman, our Committee of Chairmen at a meeting this morning felt that the business of The Conference was moving along up to that point, but it has not moved quite as fast this afternoon as we had hoped that it might.

I was told, and have been told by quite a few persons around The Conference, that there won't be very many Delegates in their seats on Monday. I said, 'I do not believe that.' I think we have come here to finish the business of The General Conference, and while there might be some instances in which Delegates would be compelled to leave their places, I do not believe we have come here to stay a while and then shirk the last responsibility that is put upon us. There are important matters yet to be presented.

Therefore I am urged by the Committee of Chairmen to bring this to your attention and to urge you to stay by your duties as Delegates."

Announcements—Lud H. Estes—Leon T. Moore

Announcements were made by Lud H. Estes (Memphis—SE) Secretary and by Leon T. Moore (Philadelphia—NE) Secretary-Designate of The General Conference.

Thanks—Gavel—Bishop J. Waskom Pickett

Bishop J. Waskom Pickett, the Presiding Officer, made the following statement:—

"Will you permit the Chair to express his profound personal appreciation for your co-operation and great courtesy.

One further personal word, please. This gavel, which you have made it unnecessary for me to use, has its history all before it. The Delegates from the oldest Central Conference in Methodism bought it and presented it for use here, in order that they may put it into the Museum of History of The Methodist Church in India for its use on the first occasion when a Bishop elected in the Central Conference presides.

It was brought here to the table inside of a beautiful jewelled box from the land of Tibet, a box made of brass and copper, with many semi-precious stones encased.

That land of Tibet remains one of the India's neighbors, not yet open

to the Gospel. The Indian Church is praying that as it happened in Nepal in the past Quadrennium, so may it happen to Tibet in the next, the Gospel may penetrate a hitherto closed area."

Bishop Jose Pedro Pineheiro of The Methodist Church of Brazil

Bishop Rolando Zapata of The Methodist Church of Mexico

Bishop Hyunki J. Lew of The Methodist Church of Korea

The General Conference stood, and applauded.

Second—Special Mention—Alexander K. Smith

Alexander K. Smith (Philadelphia—NE), Chairman of the Standing Administrative Committee on Courtesies and Privileges, made the following statement:—

“Bishop and Brethren: A word of tribute to whom tribute is due is always in order. There are many persons to whom Methodism is greatly indebted, either directly or indirectly. It would be the happy privilege of this Conference to present in person a great many about

whom a word of tribute is in order. However, we cannot do that.

Will you permit the Chairman of your Committee on Courtesies, that it may be entered into the record, merely to make mention in passing and in recognition of the following:

Dr. William J. Elliott, who was formerly Treasurer of the Board of Missions, from 1918 to 1948.

Dr. E. D. Kohlstead, the first General Secretary of the Division of National Missions. For 17 years he served in that office.

Dr. J. Edgar Skillington of the Central Pennsylvania Conference, a Parliamentarian without superior.

Dr. Marion J. Creeger, the General Secretary of the General Commission on Chaplains, representing thirty-nine Communions, and formerly a District Superintendent in the New York East Conference.

Mr. J. Robert Nelson, of Geneva, Switzerland, Secretary of the Committee on Faith and Order of the World Council of Churches, and a Methodist.

Dr. Momolu Dukuly, a Delegate in our midst from Liberia, and Secretary of the State of the Republic of Liberia, who was the leader of his Delegation at the Bangdung Conference.

Dr. Hiram G. Conger who is in charge of the exhibits, as he has been for nine successive General Conferences. He has verily earned his crown the hard way."

*Third—Resolutions of Thanks—James W. Henley—Adopted
By Standing Vote*

Alexander K. Smith (Philadelphia—NE), Chairman of the Standing Administrative Committee on Courtesies and Privileges, presented James W. Henley (Tennessee—SE), Secretary of the Committee, for the presentation of the following Resolution of Thanks:—

"Mr. Chairman: I have been commissioned by your Committee on Courtesies to bring a few words of appreciation to a great host of people. When the Delegates to this Conference arrived we were greeted by a message from Bishop Coors in which he said, 'It is our earnest desire to make your stay here as pleasant as possible.' Before coming we learned that this year marks the centennial of Minnesota Methodism. Your cordiality has made us feel that it would take just that long to prepare so beautifully and so effectively for the entertainment we have received. Our stay has been pleasant, indeed, Bishop Coors.

So we would like now to say thank you for all the things which together have made this General Conference memorable: Things like the genial hospitality of the people of Minneapolis and St. Paul, and the indefatigable work of Committees in anticipating and planning for all our needs. The dedication of heart and mind on the part of our hosts has contrived to make your work seem effortless, at least to casual Delegates.

Perhaps this is the very essence of true hospitality. With all you have neglected nothing as you have prepared for our coming. How can we hope to express our gratitude to any degree of adequacy. Time, we believe, will reveal this 1956 General Conference to have been one of the great assemblies in all Methodist history. If this is

so the credit will have been due not only to those who have brought together legislation enacted here, but also those who have prepared the physical and spiritual conditions under which our deliberations were held.

We who are Delegates to this Conference therefore say thanks, sincere and heartfelt thanks. Especially and in particular we express our thanks to the General Committee on Entertainment and to our local hosts, to Bishop D. Stanley Coors of the Minnesota Area, and to Mr. Fran H. Faber, General Chairman, and to the members of all the Standing Committees on Entertainment.

We are grateful to your Methodist Churches and to their ministers who have opened their pulpits, prepared for the entertainment of special gatherings, and served us in a fine way. We would also express appreciation for the cordiality and generosity of many other local Protestant groups, mentioning particularly the Westminster Presbyterian Church.

Thanks to the city of Minneapolis for its courtesies and the use of its Auditorium, and the friendly services of its public servants. Thanks to the hotels, the press, the radio and the television stations. Thanks to the secretaries and typists and ushers and pages.

In a very special way, thanks to our Conference Secretary, the Reverend Lud H. Estes, and to those who have labored with him. Thanks to Dr. James R. Houghton, song leader, and to Mr. Thure W. Frederickson, organist, who have led us in our worship and song.

We are greatly indebted to the Editors and Publishers of the *Daily Christian Advocate*. Without their knowhow and devotion this Conference would have been grievously impaired.

To all Boards, Agencies and Commissions involved in inspirational Programs, to visiting choirs and special speakers who have enriched our lives we say our hearty thanks.

We express gratitude to the Bishops for their leadership and unwearied attention to the affairs of The Conference. And we shall remember with gratitude the representatives of our Methodism in other lands and the fraternal visitors from other Communions.

To all these and many others we say our words of thanks. But this is not enough. There has been One among us whom we serve. There have been high moments when our hearts were strangely warmed by His nearness, and the eyes of our minds were opened by His holy touch. To Christ be the Kingdom, the power and the glory forever. Amen.

Mr. Chairman, I move that the Delegates of like mind with the sentiments of this paper so indicate by standing.

Alexander K. Smith, Chairman
James W. Henley, Secretary

The motion being duly seconded the Resolutions of Thanks were adopted by a unanimous standing vote and applause.

Remarks—Bishop Paul E. Martin

Bishop Paul E. Martin, the Presiding Officer, made the following statement:—

"I am confident many of us would have liked to have joined with

the Delegates who have expressed by standing their appreciation for these Resolutions and thereby have adopted the Resolutions. No Conference has ever been entertained in a finer way than has this General Conference. I think it is a source of satisfaction to all of us tonight that Mrs. Coors, the wife of Bishop Coors, who sustained an accident a few days ago, is sufficiently recovered to be with us for this service."

The following **Sunday Evening Service** was then held:—

THIRTEENTH DAY, MONDAY, MAY 7, 1956

MORNING SESSION

Opening—Bishop Ivan Lee Holt

Pursuant to adjournment, the 1956 General Conference of The Methodist Church, convened in the closing session of the Thirteenth Day, Monday, May 7, 1956, at 8 A.M., in the Municipal Auditorium at Minneapolis, Minnesota, with Bishop Ivan Lee Holt, of the Saint Louis Area, South Central Jurisdiction, in the Chair, who made the following statement:—

I am asking Dr. Houghton to announce the hymn.

And I desire to make this brief statement about the Devotional Service.

As you saw in an earlier issue of the *Advocate*, Bishop Tippet was to conduct the Devotional Service. We have decided this morning to have a hymn and a prayer at the opening of the business session inasmuch as there will be a Devotional Service at the close.

That Devotional Service will be a service in which the President of The Council of Bishops concludes this General Conference with a message from himself and The Council.

In view of that fact, although Bishop Tippet was ready to speak, we are asking Bishop Tippet immediately after the singing of this hymn to lead us in prayer.

Hymn No. 73—James R. Houghton ()*

James R. Houghton (*) (New England—NE), General Conference Director of Music, announced Hymn No. 73, "Be Still My Soul: The Lord Is On Thy Side," and then led The General Conference in the singing of the Hymn, The General Conference standing.

Alexander K. Smith (Philadelphia—NE), Chairman of the Standing Administrative Committee on Courtesies and Privileges, was recognized by the Presiding Officer, Bishop Ivan Lee Holt, and presented four Resolutions and one communication, and moved that they be printed in the Journal of The General Conference, without reading, as follows:—

First—Bishop Clare Purcell—H. Paul Mathison

H. Paul Mathison (Alabama—SE) for the Delegates from the Birmingham Area, Southeastern Jurisdiction, presented the following Resolution of Appreciation of Bishop Clare Purcell (DB-143), Resident Bishop of the Birmingham Area:—

Mr. Chairman and Members of this General Conference:

The Presiding Officer for the opening session of this General Conference was Bishop Clare Purcell. Bishop Purcell is a native son of the State of Alabama. He entered the Methodist ministry and served for many years as Pastor and Presiding Elder.

At The General Conference held in Birmingham in 1938, he was elected and consecrated Bishop. For many years he has served as Chairman of the Commission on World Service and Finance. Recently, he served as President of The Council of Bishops.

He has served the Church with distinction in the office of Bishop. The warmth of his personality and spirit makes glad the hearts of those who know him.

Bishop Purcell has not been alone in his outstanding work for the Church. He married a wife who has been most helpful, co-operative, and understanding and who has added her charm and graciousness to the work of her husband.

Since he will retire at the next session of the Jurisdictional Conference, this General Conference of The Methodist Church, meeting in Minneapolis in this the year of our Lord 1956, does hereby record our appreciation and esteem for Bishop Purcell for his outstanding and untiring service and devotion in the Church of Jesus Christ.

Respectfully submitted,

H. Paul Mathison and Members of the Delegation of the Birmingham Area

Second—Mrs. James Maxwell Pritchard ()—Chester A. McPheeters*

Chester A. McPheeters (Detroit—NC) in behalf of the members of the Detroit Annual Conference Delegation, presented the following Tribute to the American Mother of the Year, Mrs. James Maxwell Pritchard (*) of the St. Mark's Methodist Church of Detroit, Michigan (DB-144):—

"Mrs. James Maxwell Pritchard, Detroit, Michigan was chosen the 'Outstanding Mother of the Year' by the American Mother's Committee, Mrs. Daniel Poling, President of the American Mother's Committee, announced.

"Mr. and Mrs. Pritchard lost their first child. After adopting two girls, they had a son, Dale, now 38 years of age, A family of five children of a dying mother were the next to be adopted by the Pritchards. These were followed by a boy from a broken home, and twins now 14 years of age. Ten in all were adopted. And every child is a Christian and an active member of the Church. At the request of the Juvenile Court, Mrs. Pritchard has served for a number of years as a foster mother to delinquent girls. She now has seventeen girls assigned to her home.

"We join the nation in honoring Mrs. Pritchard and take a special pride in the fact that she is an active member of The Methodist Church—St. Mark's Church—Detroit."

Chester A. McPheeters, *Chairman*
Detroit Annual Conference Delegation

Third—A. Thomas McIlwain

Presented the following tribute to A. Thomas McIlwain (North Mississippi—SE) (DB-145) from the General Board of Pensions of The Methodist Church:—

"At the time of launching the Crusade for Christ, just after the Second World War, the Secretaries of all Agencies in the Church presented their requests for funds to carry on adequately their Programs. The Secretaries of the Board of Pensions gave as the amount needed in an Endowment Fund one hundred million dollars. It seemed a fantastic sum then, but the Endowment Funds in the General Fund and Conference Funds have now reached the sum of seventy-five million, and it will reach the goal of one hundred million before long.

"There has been a thrilling advance in Missions since the Second World War, but it is no more thrilling than the advance in Pensions.

"A man who has had a part with his Associates, in this great advance, in this service to the ministers of Methodism from the humblest preacher to the most influential Bishop, is retiring this year, Dr. A. Thomas McIlwain.

"Dr. McIlwain is a Mississippian, and before he entered the ministry, he was a banker. Through his business experiences and his call to the ministry, God was preparing him for the great service he was to render Methodism in its Pension Program. When he became Secretary of the Missouri Corporation, there were Conferences in the South whose annuity rate for retired ministers was as low as six or seven dollars. Now there are several Conferences in the South whose

annuity rate has gone to fifty dollars and over. More than any other influence in this advance has been the indefatigable labor of the Officers of the Missouri Corporation.

"Dr. McIlwain over the years has planned meetings of pension leaders in the Southern Conferences, and in these meetings has developed the enthusiasm for increasing the income of retired ministers. Dr. McIlwain has a clear mind and a devoted heart, and he has inspired Conferences as well as he has aroused pension leaders to do more and more for the retired ministers of Methodism. As he comes to the end of his service, this General Conference recognizes his outstanding contribution to a great cause, and Methodist preachers through the years will be indebted to him."

Fourth—J. Wesley Hole ()—James R. Houghton (*)*

Presented the following Resolution of Appreciation of J. Wesley Hole (*) (Southern California-Arizona—W), Chairman of the General Conference Commission on Entertainment and Program, and of James R. Houghton (*) (New England—NE), General Conference Director of Music, from the General Conference Commission on Entertainment and Program (DB-146) :—

"For the last four years J. Wesley Hole has served as Chairman of our Commission on Entertainment for this General Conference. At one of the sessions this past week Mr. Hole presented the members of the Minneapolis Committee as Hosts to the Conference and spoke very generous words of appreciation regarding his Co-workers on the Commission on Entertainment. These Co-workers desire to take these moments to unite in a tribute of appreciation to our Chairman. His thorough understanding of the responsibilities of our Commission, his administrative ability, his unfailing kindness and courtesy at all times, have made our work with him an unforgettable experience. We wish to express, in this public way, our gratitude to him and our affection for him.

"The Commission on Entertainment appreciates the helpful work of Dr. James R. Houghton, who from his great experience and ability and by his noble Christian spirit has added greatly to the beauty and worship of our sessions."

Members of the Commission on Entertainment

Fifth—Donita McCulloh ()*

Presented the following communication (DB-147) from Donita McCulloh (*) :—

"General Conference of The Methodist Church, care Bishop Donald Harvey Tippet, Curtis Hotel, Minneapolis, Minn.

"I want to thank you for all you have done for me through your messages and your prayers. I am lots better and am still improving. Best wishes to The General Conference. My church friends here at home and everywhere are meaning so much to me while I am sick. God bless you all too.

Smith (Philadelphia—NE), and the members of the same for the splendid manner in which they had handled all matters germane to the business of this Committee.

Resolution—Chester A. Smith (*)—Herbert S. Wilson (*)

Chester A. Smith (*) (New York—NE) presented a Resolution (DB-148) concerning Herbert S. Wilson (*) (Delaware—C) which was adopted on his motion, duly seconded, as follows:—

“Whereas, Zions Herald of February 1, 1956, gave the information that Herbert S. Wilson of Pocomoke City, Maryland, was a Delegate to thirteen General Conferences, including The Uniting Conference.

“Resolved, That we congratulate Mr. Wilson upon this unusual record and extend to him our sincere good wishes that he may greet the years ahead with the words of our great poet Edwin Markham on his eightieth birthday, ‘Come on. I am ready for you.’”

Chester A. Smith (*) (New York—NE) expressed his gratitude for the recognition given him as being the oldest members in terms of service in this General Conference.

Statement—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement:—

Now permit the Chair just a brief word and then the Chairman of the Committee of Chairmen a brief word.

For the five General Conferences of our United Church, the Committee on Presiding Officers has called me to the Chair in what it has been hoped might be the concluding session.

Now, I remember that at Boston we ran into three or four controversial measures and it was necessary for someone else the next morning for about an hour to preside in concluding that session.

I have concluded the other Conferences.

May I say to you Members of The Conference two or three things about our business today.

In the first place, we have had two meetings of the Chairmen of the Committees, Chairmen whom you have selected. It is amazing to discover that in only one instance, perhaps two, are there Minority Reports. The Reports that come to you today are not Reports which have caused any very great discussion, and they are almost unanimously approved by the Committees in question.

Now it seems to me, that if, therefore, there was that sort of approval behind those Reports, and those Reports being in the main not

of a controversial nature, it is altogether possible, in spite of the vast amount of business before us, for us to finish the business of this Conference in a session.

The Chairmen of the Committees agree with me on that, and what we hope for is your very earnest co-operation.

Now, the second thing I want to say is that in spite of the fact that at San Francisco we had a five-hour session in closing the Conference, a number of men said to me they felt that every matter received consideration. We had three or four controversial matters that day, or we might have adjourned earlier.

I don't know of any controversial matters to come before us now, and I hope that with your co-operation we will be able to transact a great amount of business in this particular session. I know we can.

If all of you bear in mind that these Reports have been thoroughly discussed in Committees, there is very little likelihood of anybody's adding anything by way of contribution to the discussion, and they come to you with almost unanimous recommendation from your Committees.

That brief statement I wanted to make as I open this session, and I call on the Chairman of the Committee of Chairmen for a statement.

No. 24—Chairmen—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, made Report No. 24 for the Committee, with the following statement:—

Mr. Chairman and Members of The General Conference: I think that all of you have noticed that your Committee of Chairmen has made a real and conscientious effort to bring before this General Conference all of the matters of major importance, particularly those that might elicit a good deal of debate, during the earlier sessions of The Conference. I think you appreciate that. I feel that you should, and no major issue has been denied all the time it should have.

May I say also that, having been in a number of General Conferences, I have never seen one in which the spirit of Christian fair play was more genuinely exemplified than in this one. I am sure that will be the case this morning. We simply ask you, the Committee of Chairmen, to co-operate fully with our Presiding Officer and with the suggestions which come from the Committee for the presentation of the Reports.

General Conference Procedure—A. Wesley Pugh—Adopted

On motion of A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, duly seconded, the following actions were taken separately to guide The General Conference of The Methodist Church in the business of today, Monday, May 7, 1956:—

First—Complimentary Resolutions

That any Complimentary Resolutions be referred to the Standing Administrative Committee on Courtesies and Privileges, for printing in the *Daily Christian Advocate*, without reading.

Second—Speeches for and Against

That for the remainder of The Conference, speeches for and against any Report be limited to two, *provided*, however, that this Rule shall not operate to deprive the Chairman of any Committee of his right to a concluding speech not exceeding three minutes. This has no effect upon the previous Rule of one speech on each side for amendments, but we are asking you to restrict yourselves just a little bit more, if you are willing to do so.

Third—Rules Suspended for Reports

That the Rule requiring the printing and publishing of Reports one day in advance of their presentation, be suspended, for the purpose of receiving and acting upon any Reports which are published in the *Daily Advocate* of today, and also upon any Reports which were unable to be published today.

Fourth—Recess—Final Adjournment

That The General Conference be in recess for twenty minutes, beginning at eleven o'clock, and that it set as a possible time of adjournment, 2 P.M.

Fifth—Amendments in Writing

At the request of the Journal Secretaries, and to save much valuable time for The General Conference and to help in the accuracy of the 1956 Journal, urged all those who make motions, or amendments to prepare them in writing in advance, if possible, sending them to the Document Secretary by the Pages.

No. 10—Credentials—Elmer E. Mathews (*)

Elmer E. Mathews (*) (New Jersey—NE), Chairman of the Standing Administrative Committee on Credentials, presented Report No. 10 of the Committee, and moved its adoption without reading. The motion, duly seconded, prevailed. For Report see Appendix, page 1213.

Motion of Elmer E. Mathews (*) (New Jersey—NE), Chairman of the Standing Administrative Committee on Credentials, duly seconded, prevailed, that any substitution

No. 1—Credentials—Per Diem Protection—Lud H. Estes

Motion of Lud H. Estes (Memphis—SE), Secretary of The General Conference, duly seconded, prevailed, approving the seating of substitutions of Reserve Delegates on the opening day, Wednesday, April 26, 1956, as a matter of precaution for the record. For Report see Appendix, page 1185.

Calendar—Charles D. White—A. Wesley Pugh

Consideration of and action on the Reports of the various Standing Legislative Committees on the Calendar was entered into, under the guidance of Charles D. White (Western North Carolina—SE), Calendar Secretary, and A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen.

No. 3—Enabling Acts and Legal Forms—"Southeastern Asia Central Conference Election Of Bishops"—William S. Evans—Kenneth W. Adams—Withdrawn

For Report—Joe T. Salem ()*

Joe T. Salem (*) (Northwest Texas—SC) spoke in favor of the Report as follows:—

“Mr. Chairman, with your permission and permission of the Members of this Conference we would like to make a statement regarding this Resolution of Love In Action, in favor of its adoption.

Dear Brethren, we have been thinking seriously about this Resolution for some time, and in all humility I want to say that we have prayed diligently about it.

America is enjoying prosperity. We are the wealthiest nation upon the face of this earth. We are living in luxury. The Methodist Church has its share of this abundance. We are blessed in so many, many ways, with many talents. We have an abundance of everything.

My friends, the world is in dire need of many of the things which we have, in dire need of food and of shelter and of clothing and of the Gospel of Christ. Half of the people of the world go to bed hungry every night. The average span of life in countries in Europe and Africa is less than half of that of ours. The Gospel of Christ needs to be disseminated to over one-third of the people of the world.

This Resolution is in regard to Love In Action. The first Commandment that Christ taught his disciples and teaches us today is to love God with our heart and with our soul and with our mind and with our strength. The second Commandment is to love our neighbors as ourselves. Loving our neighbors as ourselves means sharing abundance with our neighbors wherever they may be and whatever needs they may be in need of.

My friends, our giving to World Missions has been only on an average of \$1.23 per capita; that is all. This is in the midst of our abundance and plenty. A third of a penny a day is all that we have been contributing to World Missions.

My friends, we endorse in this Resolution a Program, the Quadrennial Program presented and adopted by our Church. We also endorse and we want to co-operate with the Finance Program of the Council on World Service. But in order to meet the needs of the peoples throughout the world, of which our Lord will approve, we can go beyond our giving by contributing more to Mission Specials.

At the Communion service at the beginning of this General Conference we heard our Bishop say, ‘And He died for you, our Christ died for you and for me.’ That statement meant more to me that morning than at any other previous time. Our Christ died for us. What are we going to do for Him? We hope and pray that the Lord’s will be done and that this Resolution be adopted, and that in the forthcoming Quadrennium we do more, we give more of our means and of our time and of ourselves to the extension of God’s Kingdom upon this earth.”

The Report was adopted. For Report see Appendix, page 1756.

The American Bible Society is recognized Agent through which The Methodist Church translates, publishes and distributes the Scriptures. Miss Georgia Harkness (*) (Troy—NE) spoke to Report No. 5 as follows, and moved its adoption. The motion was duly seconded.

“I should like to speak briefly to this Report and a related subject, and knowing the pressure of time upon us, I assure you that my remarks will be brief.

You note that in this statement it is affirmed that the World Federation of Methodist Women unite four million Methodist women around the world in one great Fellowship.

The related subject to which I wish to speak is to express a word of appreciation as one of these four million women for what you did last Friday afternoon.

Very few women will enter the Ministry of The Methodist Church.

Nearly all of these four million women will rejoice that now you have removed the last vestige of sex inequality from our organizational structure, and in their name I wish to thank you.

You gave me last Friday night a very gracious and altogether undeserved tribute. It was a heart warming experience which I cherish.

I wish, however, to say that there are two groups in particular to whom such honor is due. One is the group of 300 or more women, Approved Supply Pastors, who have pioneered the way in small rural churches under difficult conditions. They have proved their worth.

The other group to which I wish to speak a special word of appreciation is the men of this Conference who swept away all restrictions. We women of too little faith would have accepted a halfway measure, but not you, and we appreciate the generosity of spirit which has brought this to pass. You did it because you believed in Christ there is neither male nor female, but we are all one in Christ Jesus.

And to you in positions of authority, let me again in the name of these four million women urge you not to accept into Full Connection any but women of the highest qualifications, the highest qualifications not only in educational equipment but in those personal and spiritual qualities which are most essential.

And for my sisters in the Methodist ministry I wish to pledge you under God, for without His help we can do nothing, that we shall do our utmost to measure up to your confidence and to dispel your fears. We ask your prayers.

And now to get back to the main business at hand. It is, I think a symbol of our splendid unity in Christ that this Report was not drafted by a woman, but by one of the men of our Committee. I heartily approve it. I urge its adoption and retention in the *Discipline* of Paragraph 2035 which affirms the position of the World Federation of Methodist Women."

consent of The General Conference to add a paragraph (DB-153) to Report No. 1.

To avoid confusion for worshipping congregations during the period when revision is being planned, The Methodist Publishing House is directed to continue the 1952 edition without change during the 1956-60 quadrennium.

For Report see Appendix, page 1678.

Nolan B. Harmon (Virginia—SE), as Book Editor of The Methodist Church, spoke to Report No. 10 of the Standing Legislative Committee on Ritual and Orders of Worship, as follows:—

"This is a recommendation that the Book of the *Discipline* be thought of as a Book which shall be made entirely a Book of Methodist Law and that the Ritual Service shall be included in the Book of Worship, and perhaps some of them in the back of the Hymnal.

Notice that this is not a direct recommendation, but expresses a hope.

Let me say that there are some of us who have been working upon this, planning, hoping, that at some later General Conference we may be able to recommend that out—that in one book there shall be placed all this service, offices of the Church, the *Discipline* to be kept a Book of Law.

You are adding to this *Discipline* with every one of your Resolutions and with every one of your Reports. I am speaking now as Book Editor of the Church. You are making it to become a larger volume and at the same time your preachers are saying, 'Please keep that *Discipline* down.'

Now, we cannot do both. I am not sure the time has come yet to take from the *Discipline*, the Ritual which has been in there since 1792, the first *Discipline*. I am not ready myself to vote for that change, but something will sooner or later have to be done.

This simply empowers that further study and further consideration."

No. 3—Ritual and Orders of Worship—"To Establish A Commission On Worship"—Nolan B. Harmon—Amendment—Chester A. Smith (*)—Out of Order—Report Adopted

Nolan B. Harmon (Virginia—SE), Chairman of the Standing Legislative Committee on Ritual and Orders of Worship, presented Report No. 3 for the Committee, Calendar No. 108, Subject, "To Establish A Commission On Worship," DCA No. 9, page 408, columns 1 and 2, and moved its adoption. The motion was duly seconded.

Amendment—Chester A. Smith ()—Out of Order—Nolan B. Harmon—Bishop Ivan Lee Holt*

Chester A. Smith (*) (New York—NE) moved to amend Report No. 3 by instructing the Commission, created by Report No. 3, to change the word, "wine" in the Sacrament of The Lord's Supper to the word, "cup." (DB-154).

The motion to thus amend being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same as follows:—

"Mr. Chairman and Members of The General Conference: I move to amend the Report by instructing the Commission to change the word 'wine' in the Sacrament of the Lord's Supper to 'cup' because (1) wine does not state the fact; it is not wine that is used but grape juice, which I believe Jesus used; (2) the use of wine offends many sincere conscientious people; and (3) because cup is the word used by Jesus in instituting the Lord's Supper:

"And he took the bread, and gave thanks and brake it, and gave unto them saying, 'This is my body which is given for you; this do in remembrance of me.'

"Likewise also the cup after supper, saying, 'This cup is the new testament in my blood, which is shed for you.'

"We have made some important changes in this General Conference. I rejoice we gave Full Clergy Rights to Women because it was an act of justice long overdue and because it will end, as I understood it, any further attempt to unite The Methodist Church and the Protestant Episcopal Church, to which I am opposed.

"Let us now change the word 'wine' to 'cup,' being the cup which was hallowed by the Master when he used it in instituting the Lord's Supper.

"I trust, Mr. Chairman, that The General Conference will adopt this change in the words previously used. The word 'wine' was used, as I remember it in two or three different cases in the Sacrament of the Lord's Supper. We have gotten it out of all the places except one, it

just remaining now in one place, and I think it would be a very great advance, as we have made some advances here in this General Conference, I think it would be a very great advance in Methodism to change the word 'wine' to the word 'cup' and thus use the word which the Master used when he instituted this holy and precious Sacrament."

Point of Order—Amendment Out of Order—Nolan B. Harmon—Sustained—Bishop Ivan Lee Holt

Nolan B. Harmon (Virginia—SE), Chairman of the Standing Legislative Committee on Ritual and Orders of Worship, spoke to the proposed amendment of Chester A. Smith (*) (New York—NE), as follows:—

"I respectfully suggest to the Chairman that this motion is out of order in connection with this particular Report. We are not now revising the Ritual. We are simply calling for the creation of a permanent Commission having to do with the Order of Worship, Rituals and the like, and this, sir, I respectfully submit is out of order."

R. F. Curl: Mr. Chairman, we are requested to delay this matter until Bishop William C. Martin returns, if that is agreeable to you and The Conference.

Bishop Holt: Very well. We will present the Committee on Conferences."

Conferences—C. Cooper Bell—G. Lemuel Fenn—Walter L. Hunt (*)—Donald E. Holbrook (*)

C. Cooper Bell (Virginia—SE), Chairman of the Stand-

ing Legislative Committee on Conferences outlined the procedure for the presentation of Reports from the Committee as follows:—

All matters pertaining to Conferences in the Local Church to be presented by G. Lemuel Fenn (Oklahoma—SC);

All matters relating to the Annual Conference to be presented by Walter L. Hunt (*) (Wyoming—NE);

All matters relating to The General Conference to be presented by Donald E. Holbrook (*) (Michigan—NC).

No. 6—Conferences—Constitutional Amendment—“Additional Lay Members in the Annual Conference”—Walter L. Hunt (*)—Substitute—George H. Atkinson (*)—Accepted—Walter L. Hunt (*)—Adopted

Walter L. Hunt (*) (Wyoming—NE) presented Report No. 6 of the Standing Legislative Committee, Calendar No. 125, Subject, “Additional Lay Members in the Annual Conference,” DCA No. 9, page 412, columns 1 and 2, and moved its adoption. The motion was duly seconded.

Substitute—George H. Atkinson ()—Accepted—Walter L. Hunt (*)—Adopted*

George H. Atkinson (*) (California-Nevada—W) moved as a substitute for Report No. 6 of the Standing Legislative Committee on Conferences which reads as follows:—

The Constitution of The Methodist Church shall be amended by inserting in Section VII, Article I, after the words “traveling preachers in Full Connection with it” the following: “**Together with as many Lay Members from each Charge as there are Ministers in Full Connection serving that Charge on a Full-time basis, and *providing* that each Charge shall have not less than one Lay Member.**”

the following (DB-156):—

“The Constitution of The Methodist Church shall be amended by inserting in Section VII, Annual Conferences, Paragraph 21, Article 1, 1952 *Discipline* of The Methodist Church, after the first sentence, the following sentence, ‘**EACH PASTORAL CHARGE SERVED BY MORE THAN ONE MINISTER IN FULL CONNECTION SHALL BE ENTITLED TO TWO LAY MEMBERS.**’”

so that Paragraph 21 of the 1952 *Discipline* of The Methodist Church, as amended, will read:—

“Section VII. Annual Conferences, Paragraph 21. Article 1. The Annual Conference shall be composed of all the traveling preachers in Full Connection with it, together with a Lay member elected by each pastoral charge. **EACH PASTORAL CHARGE SERVED BY MORE**

THAN ONE MINISTER IN FULL CONNECTION SHALL BE ENTITLED TO TWO LAY MEMBERS. The Lay Members shall be at least twenty-one (21) years of age, and shall have been for the four years next preceding their election members of one of the constituent Churches forming this union, or of The Methodist Church."

The proposed substitute of George H. Atkinson (*) (California-Nevada—W), being duly seconded, George H. Atkinson (*) (California-Nevada—W) spoke to the same as follows:—

"I am a layman. Mr. Chairman, I wish to move the following substitute, and if I get a second, I should like to speak briefly to it. I move that we substitute for what is suggested, these words: "The Constitution of the Methodist Church shall be amended by inserting in Section 7, Article 1, after the first sentence, the following sentence:

'EACH PASTORAL CHARGE SERVED BY MORE THAN ONE MINISTER IN FULL CONNECTION SHALL BE ENTITLED TO TWO LAY MEMBERS.'

Mr. Chairman, I am entirely in favor of the general purport of this Report. What we want to do is to strengthen the Annual Conferences, and we want to have good Laymen, and as many good Laymen at our Annual Conferences as we can get, and we have been trying to do this for several years; however, this motion—the Report as given—says 'as many Laymen, or Lay Members, as there are Pastors,' and that means in some Conferences occasionally there will be three or even four.

This is a Constitutional Amendment. It has got to be passed by all the Annual Conferences. There is a certain amount of misgiving by small churches to give the big churches more power, and some of those who have considered it feel if we limit the additional number to two, it will have a much better chance of going through the Conferences. I don't think it would make much difference in the purport. I would hope that the people would accept that."

Walter L. Hunt (*) (Wyoming—NE) accepted the proposed substitute of George H. Atkinson (*) (California-Nevada—W) for the Committee, there being no objection raised by any member of the Standing Legislative Committee on Conferences, or by any member of The General Conference.

Report No. 6 of the Standing Legislative Committee on Conferences was then adopted, as amended by substitution. For Report see Appendix, page 1410.

Bishop Ivan Lee Holt, the Presiding Officer, in announcing the vote of The General Conference on Report No. 6 of the Standing Legislative Committee on Conferences, containing the aforesaid Constitutional Amendment, stated that Report No. 6 was adopted by more than the two-thirds majority vote as required by Section III. Amendments. Paragraph 10 of the 1952 *Discipline* of The Methodist Church.

No. 7—Conferences—“Unifying Work Of Boards Of World Peace, Temperance And Social And Economic Relations”
—Walter L. Hunt (*)—Chester A. McPheeters—Bishop
Ivan Lee Holt—Harold A. Bosley—Chester A. Smith (*)
—John W. Chittum (*)

Walter L. Hunt (*) (Wyoming—NE) presented Report No. 7 of the Standing Legislative Committee on Conferences, Calendar No. 126, Subject, “Unifying Work Of Boards Of World Peace, Temperance, And Social And Economic Relations,” DCA No. 9, page 412, column 2, and moved its adoption. The motion was duly seconded.

Suspend the Rules—John W. Chittum (*)—Ordered

John W. Chittum (*) (Northeast Ohio—NC) moved to suspend the Rules of Order for the consideration of and action on four items related to this Report. The motion, duly seconded, was adopted by more than the required two-thirds majority vote, after John W. Chittum (*) (Northeast Ohio—NC) gave the following reasons for his motion:—

“Mr. Chairman, it seems that there are about four items related to this. Maybe we should have a Suspension of the Rules in order to consider them.

I have listed here not only the item that we have now, which is before us on the permissive legislation, to unite these Boards at the Annual Conference level, but also have in mind the action which I believe is still pending or withheld by the Co-ordinating Council back on page 112 of the *Daily Advocate*.

There is also a proposal, and I am not sure whether this was passed or not, on page 375, Calendar 82, which set up the structure of the Board of Temperance.

There is one other item on page 476, column 1, which is the recommendation, again, precisely on this same point. It is Recommendation 2 which refers to an Inter-Board Commission.

I would move, Mr. Chairman, the Suspension of the Rules so that these could all be taken care of together, or be considered together, if that is in order.”

Chester A. McPheeters—Question—Answer—Bishop Ivan Lee Holt

Chester A. McPheeters (Detroit—NC) raised a question concerning Report No. 2 of the Co-ordinating Council and its recommendation concerning Social Action Boards (See DCA No. 3, page 112 column 2, and the pending Report No. 7 of the Standing Legislative Committee on Conferences as follows:—

“I raise the question about the recommendation of the Co-ordinating Council. That is a little different matter than the Annual Conference level. You are now, as I understand it, authorizing the merging in the Annual Conference of these Commissions, but the Co-ordinating

Council recommends, and I believe the Sub-Committee stated, the Church recommends that there be a continuing study as to whether these Boards should be merged on the General Conference level.

I think there is a bit of difference there.

Bishop Holt: Yes. Your Report refers to the General Conference level; this, to the Annual Conference level. Is that your point?

Chester A. McPheeters: Yes."

Speaks to Report—Harold A. Bosley

Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, spoke to Report No. 7 as follows:—

"I am speaking for the Committee on the State of the Church.

Reference has been made to page 476, column 1, point 2, in which our Committee by unanimous action attempted to deal with this subject of several Memorials on both the Local Church, and Annual Conference, and the Jurisdictional Conference level. It is quite all right with us if in any action we take here now, on the Annual Conference level, we reach a decision.

We will be glad to move that as a part of our Report, at this point when our Report comes up."

Against Report—Chester A. Smith ()*

Chester A. Smith (*) (New York—NE) spoke against Report No. 7 as follows:—

"I think in view of the fact that we have not combined these Boards on the total church level, we ought not to permit an Annual Conference to combine them there. I think they will do much better work if they remain separate, as they now are, and different members of the Annual Conference serve on these several different Boards. They will do better work, I think, if we retain them as separate Boards, although if we combine them I trust we will delete this and thus keep the Annual Conferences from combining them on the Annual Conference level."

Closes Debate—Walter L. Hunt ()*

Walter L. Hunt (*) (Wyoming—NE) closed the debate for the Committee as follows:—

"Mr. Chairman, in view of the fact that the proposed legislation is permissive, any Annual Conference that so desires may continue their separate Boards. This makes it possible for a unification, if desired.

We move the adoption."

Report No. 7 was adopted. For Report see Appendix, page 1411.

No. 8—Conferences—"Earlier Meeting Date For General Conference"—Donald E. Holbrook (*)—Embree H. Blackard—Paul V. Galloway—Mallappa Vittal (*)—Not Adopted

Donald E. Holbrook (*) (Michigan—NC) presented Re-

port No. 8 of the Standing Legislative Committee on Conferences, Calendar No. 225, Subject, "Earlier Meeting Date For General Conference," and moved its adoption. The motion was duly seconded.

Against Report—Embree H. Blackard

Embree H. Blackard (Western North Carolina—SE) spoke against Report No. 8 as follows:—

"Mr. Chairman, I am opposed to the adoption of this Resolution. It is a Constitutional matter. The date has been set in the *Discipline* of the Methodist—the Methodist Episcopal, and the Methodist Protestant, and the Methodist Episcopal Church, South, also The Methodist Church, for practically 150 years.

I do not think we at this time ought to adopt such an Amendment to the Constitution—in these, the last and closing moments of our Conference. If we should have our General Conference earlier in the year, it would take our Preachers and the Laymen out of their local churches during the Lenten season at the time when they are needed there the most.

I also would like to remind you that if we would meet in Minneapolis in January or February, most of us would have to buy high boots, heavy overcoats, red flannels, and everything that goes with a temperature of 40 degrees below zero!

In the Committee on Conferences, the only argument that was presented in favor of this was the fact that it would permit Conferences to incorporate in their Budgets the Apportionments. I understand that several of our Conferences, including our brethren in the Richmond Area, have already included in their Budgets the Apportionments which we have adopted. I know that people from Virginia are very wise, but following their example, I believe that most of the rest of us can do likewise.

I am opposed to the adoption of this report."

Speaks for Committee—Donald E. Holbrook ()*

Donald E. Holbrook (*) (Michigan—NC) replied for the Committee as follows:—

"Mr. Chairman, it was discussed at some length. It was passed 46 to 3. It doesn't have to be held in January, February, or March, but it may be held now, if this is adopted. It has been brought out time and time again—if the Conference follows so close to the Annual Conferences that things get jammed up and the workings of the Conferences cannot be put into effect at the Annual Conferences, it can be held at another time."

For Report—Paul V. Galloway

Paul V. Galloway (Oklahoma—SC) spoke in favor of Report No. 8 as follows:—

"I think it is good for one reason: On the Commission on Entertainment there are one or two cities that we considered going to at this time. We could have gotten in at the last of March or some other time, but they were closed. Some of these auditoriums are closed four

or five years ahead of time. I think it gives us enough flexibility to make it better."

Against Report—Mallappa Vittal ()*

Mallappa Vittal (*) (Hyderabad—OS) spoke against Report No. 8 as follows:—

"The wording here is 'between January first . . .' Now, this wording will upset practically the Overseas Delegates who have to travel miles and miles. I come from ten thousand miles—from India. I have to leave my place about two months before the settled time of The General Conference. And there may be many more who have come, like me, leaving their hearts and their homes.

January, being just after the Christmas time, I think this must be the most welcome festival for Christians throughout their lives in the year. I feel that everybody has to be in his home then. Therefore, this will greatly cause inconvenience to all of us.

As such, I move against this. Thank you."

Count Vote—William H. Wilcox (*)

Report No. 8 of the Standing Legislative Committee on Conferences, containing a proposed Constitutional Amendment, a Count Vote was taken, under the direction of William H. Wilcox (*) (Oklahoma—SC) and resulted as follows:—Total vote cast 615; necessary to adopt 410; for the Report 359; against the Report 256. Report No. 8 was not adopted. For Report see Appendix, page 1411.

Amendment—Edward P. O'Rear—Out of Order—Embree H. Blackard—C. Cooper Bell—Ruling—Bishop Ivan Lee Holt

Edward P. O'Rear (Southern California-Arizona—W) moved to amend by deleting the words, "*January first*," and substituting therefor the word, "**EASTER**," so that Report No. 8, as amended, will read:—

Article II of Division Two, Section I (Par. 6) of the Constitution of The Methodist Church shall be amended by substituting for the words "*in the month of April or May*" the following: **between EASTER and June first**, so that the Paragraph would then read: Article II of Division Two, Section I (Par. 6). The General Conference shall meet **between EASTER and June first** once in four years, beginning with such year and at such place as shall be fixed by the Uniting Conference, and thereafter at such time and in such place as shall be determined by The General Conference or by its duly authorized Committees.

Point of Order—Embree H. Blackard—C. Cooper Bell—Ruling—Bishop Ivan Lee Holt

Embree H. Blackard (Western North Carolina—SE) raised the Point of Order that Report No. 8 of the Standing Legislative Committee on Conferences had already been

acted upon and therefore was not subject to amendment, unless reconsidered.

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, stated that the Committee supported the Point of Order raised by Embree H. Blackard (Western North Carolina—SE).

Question—Erwin F. Bohmfalk—Answer—C. Cooper Bell

Erwin F. Bohmfalk (Central Texas—SC) asked a question which was answered by C. Cooper Bell (Virginia—SE). Chairman of the Standing Legislative Committee on Conferences, as follows:—

"I raise a question concerning this. It is a question of information. It did not come to the Committee and, therefore, I have to vote against it. Can someone inform us just what the situation is relative to this matter at the present time and why it seems necessary to raise this.

C. Cooper Bell: Mr. Chairman, in answer to that, Dr. Nolan Harmon and some other Brothers of The Conference submitted a Resolution bearing on this, and if Dr. Harmon is present, I shall ask the privilege of having him present it to you."

Speaks to Report—Nolan B. Harmon

Nolan B. Harmon (Virginia—SE) spoke to Report No. 30 as follows:—

"The Committee of Chairmen asks that attention be directed to the fact that this Conference has grown so large under its present ratio of representation and election that it may be, by the time the next General Conference comes, we shall be called upon to elect more Delegates or will elect more Delegates than the 800 which the Constitution says is our upper limit of this General Conference. And if men are elected under this ratio of one for every 70 so that you say you have 825 elected Delegates, what will you do with those 25 extra ones? Who will be seated and who will not be seated?

We felt that by raising the ratio allowing the Annual Conference to elect one Clerical Delegate for every 75 members, the limits would not be reached and felt that that was worth considering and we so moved and brought the recommendation to the Committee on Conferences."

Question—Erwin F. Bohmfalk—Answer—A. Wesley Pugh

Erwin F. Bohmfalk (Central Texas—SC) asked a further question which was answered by A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, as follows:—

“Have they determined the number of additional persons who will have to be received into Full Connection in an Annual Conference before this maximum is reached?”

A. Wesley Pugh: Mr. Chairman, if you would allow, I was associated with Dr. Harmon in this matter and the Committee of Chairmen, and this additional fact was in our minds that, even at this General Conference, if the Conferences which are entitled to be represented including those in China, had sent Delegates, we would now have more than 800 in this body.

Therefore, it seemed that we should not assume that our Chinese brethren will not be represented at the next General Conference. If they should be, we would come up with a Conference which is beyond the Constitutional limit of 800. That ought to be in your mind also.

Erwin Bohmfalk: Thank you, sir, that answers the question.”

Substitute—Lynn J. Radcliffe—Ruling—Bishop Ivan Lee Holt

Lynn J. Radcliffe (Ohio—NC) moved as a substitute for Report No. 30 of the Standing Legislative Committee on Conferences, the following Constitutional Amendment relating to the membership of The General Conference of The Methodist Church (DB-157):—

Amend Section I. General Conference, Paragraph 5. Article 1, of the 1952 *Discipline* of The Methodist Church, by deleting the numeral “800” in line two, and substituting therefor the numeral “900,” so that Paragraph 5. Article 1 of Section 1. General Conference, will read, when amended, as follows:—

Par. 5. Article I. The General Conference shall be composed of not less than 600 nor more than 900 Delegates, one half of whom shall be Ministers and one half Lay Members, to be elected by the Annual Conferences.

The motion to thus substitute was duly seconded.

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following ruling:—

“Very well. You are on the Report, and this Report provides for 75 members of the Annual Conference in order to be entitled to a Conference Delegate, and I would think that we must necessarily consider this Report. If after that Dr. Radcliffe desires to move his Constitutional Amendment, why, we will entertain it.”

Statement—Lloyd F. Worley

Lloyd F. Worley (New York East—NE) made the following statement:—

"We have just adopted on page 552, No. 243 (Report No. 26 of the Standing Legislative Committee on Conferences, DCA No. 11, page 552, column 1, Subject, 'Membership in Annual Conference for Missionary Minister.' Editor) which I think raises a very real question as to whether Missionary Ministers are to be counted in the Annual Conference from which they are sent for General Conference representation or whether they are to be counted from the field. It mentions active relationship. It would appear that they might be counted in the Conference from which they are sent, but we should have some decision. A decision against the missionary field would certainly in many cases considerably limit the representation from the missionary fields and that is a very important matter."

Statement—Lynn J. Radcliffe

Lynn J. Radcliffe (Ohio—NC) replied as follows:—

"Mr. Chairman, I don't care how we proceed in the parliamentary manner in this thing, but if we do not consider mine as a substitute, it certainly is germane to this Report. We should then vote this Report so that we have a vote and then go ahead and vote on the Constitutional Amendment."

Amendment to Report—Chester A. Smith ()*

Chester A. Smith (*) (New York—NE) moved to amend (DB-158) Report No. 30 by deleting the numeral "seventy-five" in lines two and six at the top of column 1, page 555, DCA No. 11 and substituting therefor the numeral "seventy."

Ruling—Bishop Ivan Lee Holt

"Wouldn't it be, Brother Smith, tantamount to the same thing if The Conference wishes to continue 70 to defeat this particular Report without making it necessary to move an amendment?"

I think if you defeat this then you leave it at 70."

Lay on the Table—Percy D. Wilson

Percy D. Wilson (North Alabama—SE) moved that Report No. 30 of the Standing Legislative Committee on Conference lay on the table (DB-159) until the proposed Constitutional Amendment of Lynn J. Radcliffe (Ohio—NC) should be considered and acted upon.

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement:—

"Well, it has been moved and seconded that Brother Radcliffe's

motion with reference to the change in Constitution be considered along with this particular Report."

Committee Yields Floor—Donald L. Holbrook (*)

Donald E. Holbrook (*) (Michigan—NC) speaking for the Standing Legislative Committee on Conferences, yielded the floor for the consideration of and action on the proposed Constitutional Amendment of Lynn J. Radcliffe (Ohio—NC), there being no objection raised by any member of the Committee, or by any member of The General Conference.

Substitute Presented—Lynn J. Radcliffe

Lynn J. Radcliffe (Ohio—NC), at the request of Bishop Ivan Lee Holt, the Presiding Officer, presented his proposed Constitutional Amendment as follows:—

Amend Section I. General Conference. Paragraph 5, Article 1 of the 1952 *Discipline* of The Methodist Church, by deleting the numeral "800" in line two, and substituting therefor the numeral, "900"

so that Paragraph 5, Article I, as amended, will read:—

"Section I. General Conference

Paragraph 5. Article I. The General Conference shall be composed of not less than 600 nor more than 900 delegates, one half of whom shall be Ministers and one half Lay Members, to be elected by the Annual Conferences."

The motion to substitute was duly seconded.

Speaks to Motion—Ray H. Nichols (*)

Ray H. Nichols (*) (Northwest Texas—SC) spoke to the pending matter as follows:—

"I think The Conference should be advised of the danger here in voting on this Amendment. If we pass it here that is no assurance that the Annual Conferences will approve. We still face the legal possibility of coming up four years from now with an illegal Conference. I think we would be wise to vote down this Amendment and adopt the Majority Report because we would not be assured that the legal problem would not arise even if we approve it here."

Statement—C. Cooper Bell

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, made the following statement:—

"Mr. Chairman, speaking for the Committee, as I indicated, this came from the Committee on Chairmen, and I am going to yield, sir, my position to speak last to Dr. Pugh who is Chairman of the Committee of Chairmen, and we shall hear from him for just a minute."

Speaks to Substitute—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC) spoke to the pending matter as follows:—

“Mr. Chairman, I do not think the Committee of Chairmen had any very considered opinion about how this should be done. I believe that most of them felt that The Conference would not want to extend the total membership to include more people; that The Conference probably is large enough now, but I do not believe that they cared much about that.

I think all they wanted to bring before you was the possibility that you would meet in four years from now with a Conference that is beyond the Constitutional limits. If you feel that nine hundred is not too large a representation from a great Church such as ours, then you should vote that. If you think that that is large enough, then vote to defeat that and sustain the Report of the Committee.”

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, ruled as follows:—

“The Committee on Conferences was willing to yield to Dr. Radcliffe for his motion, and we are therefore voting on that Constitutional Amendment.”

Statement—C. Cooper Bell

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conference, made the following statement:—

“May I say this, that the position stated by Dr. Pugh is certainly the attitude of the Committee on Conferences.”

Count Vote—William H. Wilcox (*)

A count vote on the Constitutional Amendment, proposed by Lynn J. Radcliffe (Ohio—NC), was taken under the direction of William H. Wilcox (*) (Oklahoma—SC), Secretary for Count Votes, and resulted as follows (DB-160):—

Total vote cast 642; necessary two-thirds 428; for the proposed amendment 464; against proposed amendment 178.

The proposed Constitutional Amendment of Lynn J. Radcliffe (Ohio—NC) was adopted by more than the required two-thirds vote of The General Conference.

Rule 11—Voting Procedure Invoked—C. Cooper Bell

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conference, called attention to Rule 11. Voting Procedure, which reads as follows:—

Rule 11. VOTING PROCEDURE

Voting shall be by a show of hands unless otherwise ordered by The Conference. An "aye" and "no" vote if taken, shall be signed ballot. A count vote may be ordered on call of any member supported by one-third of the Members present and voting, in which case the Delegates shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken or when the Previous Question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the Report of the Secretaries on a count vote, or an "aye" and "no" vote. The count shall be made by members seated next to the aisles, who shall be designated by the Secretary of The General Conference, and whose names shall be printed in *The Daily Advocate*.

and stated while the Tellers were tabulating the result of the Count Vote there were some Reports of the Standing Legislative Committee on Conferences that could be considered and acted upon, as they would cause no discussion. The General Conference considered and acted on the following Reports of the Standing Legislative Committee on Conferences:—Nos. 26, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41 and 42. See pages 920-942.

No. 30—Conferences—"Ratio of Representation of Delegates to General Conference Membership"—C. Cooper Bell—A. W. Pugh—Roy R. Roudebush (*)—Ralph Taylor Alton—D. Trigg James, Sr.—Lynn J. Radcliffe—John R. Van Sickie (*)

Consideration of and action on Report No. 30 of the Standing Legislative Committee on Conferences, Calendar No. 257, Subject, "Ratio of Representation of Delegates to General Conference Membership," DCA No. 11, page 554, column 3 and page 555, column 1 was resumed.

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, stated that if the Constitutional Amendment submitted to the Annual Conferences changing the limit of membership in The General Conference, be approved by the Annual Conference, the provisions of Report No. 30 of the Standing Legislative Committee on Conferences, changing the ratio of membership from "seventy" to "seventy-five," would be null and void.

Speak to Pending Matter—C. Cooper Bell—A. Wesley Pugh—Roy R. Roudebush ()—Ralph Taylor Alton—D. Trigg James, Sr.—Lynn J. Radcliffe—John R. Van Sickie (*)—Amended—Adopted*

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, A. Wesley Pugh

(North Indiana—NC) Chairman of the Standing Administrative Committee of Chairmen, Roy R. Roudebush (*) (North Indiana—NC), Ralph Taylor Alton (Wisconsin—NC), D. Trigg James, Sr. (Holston—SE), Lynn J. Radcliffe (Ohio—NC), and John R. Van Sickle (*) (Rock River—NC) all spoke to the pending Report.

Amendment—Ralph Taylor Alton—Accepted—C. Cooper Bell

Ralph Taylor Alton (Wisconsin—NC) moved to amend Report No. 30 by adding the words (DA-161) :—

"IF THE PROPOSED AMENDMENT TO ENLARGE THE LIMITATION OF THE GENERAL CONFERENCE IS NOT RATIFIED BY THE ANNUAL CONFERENCES,"

so that Report No. 30, as amended, will read :—

Upon consideration of the motion presented on the floor of the Conference by Nolan B. Harmon and referred by The Conference to the Committee, and in an effort to guard against the election of more Delegates to the 1960 General Conference than permitted by Div. II of Sec. 1, Art. 1, of the Constitution *Discipline* Par. 53, we recommend that in Par. 501 of the *Discipline* the word "seventy" in the first sentence shall be changed to "seventy-five" so that the sentence shall read:

"The General Conference shall be composed of one ministerial member for every **seventy-five** Ministerial Members of each Annual Conference and one additional Member for a majority fraction thereof and an equal number of Lay Members, all of whom shall be elected by ballot and by a majority vote **IF THE PROPOSED AMENDMENT TO ENLARGE THE LIMITATION OF THE GENERAL CONFERENCE IS NOT RATIFIED BY THE ANNUAL CONFERENCES.**"

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, accepted the proposed amendment of Ralph Taylor Alton (Wisconsin—NC) for the Committee, there being no objection raised by any member of the Committee, or by any member of The General Conference, Report No. 30 was adopted, as amended. For Report see Appendix, page 1433.

Questions—D. Trigg James, Sr.—Ralph Taylor Alton—Lynn J. Radcliffe—Answers—C. Cooper Bell—Bishop Ivan Lee Holt—John R. Van Sickle ()*

Later during the morning session D. Trigg James, Sr., raised a question which was answered by Bishop Ivan Lee Holt, C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, Ralph Taylor Alton (Wisconsin—NC), Lynn J. Radcliffe (Ohio—NC) as follows :—

"Will the chair please state to The Conference what our action on the Amendment to Report No. 30, Calendar Item 257, on page 554 is?

If the conclusion of the matter is that in case the Amendment to the Constitution lifting from six to nine hundred members, does not leave this Report in force as amended, then would not the 75 instead of the 70, be the factor?

Bishop Holt: The Chair understood that if the Constitutional Amendment does not carry the motion of Dr. Bell, the Chairman of the Committee on Conference, was to take the ratio back to 70.

Bishop Holt: No, if it does not carry? Well, let's get Dr. Bell's motion again.

C. Cooper Bell: Mr. Chairman, it seems that there is a bit of confusion about that. As I recall it, the Constitutional Amendment was made as a substitute motion for this Report of the Committee.

Bishop Holt: That's right.

C. Cooper Bell: It was carried. Therefore, this Report of the Committee bearing on that has been laid aside for us.

Bishop Holt: Yes, but a motion was introduced by you or by Dr. Pugh, with reference to this matter. It concerns this, and the Conference is anxious to know what happens in this quadrennium if it does not carry.

C. Cooper Bell: It seems to me that if you wish to change the ratio from 70 to 75, provided the Constitutional Amendment does not carry, this would be approved on the condition that the Constitutional Amendment did not carry.

D. Trigg James, Sr.: Mr. Chairman, I should like to yield to the gentleman who made the motion concerning this 75.

Ralph Taylor Alton: Mr. Chairman, I made a motion and I understood it was accepted by the Committee, and then passed by the body. This would add to the wording in that Report, after the word, "seventy-five," the phrase, "if the proposed Amendment is not ratified."

It did not seem to me that passing the Constitutional amendment cancelled out this Report of the Committee under those circumstances at all, but that this Report of the Committee was then passed by the body as an alternate, if the Amendment should not carry.

C. Cooper Bell: The question I raise, Mr. Chairman, is did we vote on that? I did not understand that we did.

Bishop Holt: Yes, it was voted on.

Lynn J. Radcliffe: I would like to clarify it by adding the words, "If the Amendment does carry the number shall be 70."

Spell it out.

Bishop Holt: Just a minute, please. You have a question, Dr. Bell. What is your answer to the question?

C. Cooper Bell: That is already there, as I understand it, isn't it?

Bishop Holt: Dr. Bell feels that it is already there in the motion, in the Report that was adopted."

Clarifying Resolution—John R. Van Sickle ()—Adopted*

John R. Van Sickle (*) (Rock River—NC) spoke to the pending matter and moved to amend Section I Composition,

Paragraph 501, Item 1 of the 1952 *Discipline* of The Methodist Church, by adding at the close of the first sentence in Paragraph 501, Item 1 (DB-162), the words:—

"PROVIDED, HOWEVER, THAT IF THE AMENDMENT TO THE CONSTITUTION, CHANGING THE MAXIMUM NUMBER OF DELEGATES TO 900 IS NOT APPROVED BY THE NECESSARY VOTE OF THE ANNUAL CONFERENCES, THAT THE FIGURE BE CHANGED FROM SEVENTY TO SEVENTY-FIVE."

so that the first sentence will read, as amended, as follows:—

Paragraph 501. 1. The General Conference shall be composed of one Ministerial Member for every seventy Ministerial Members of each Annual Conference and one additional Member for a majority fraction thereof, and an equal number of Lay Members, all of whom shall be elected by ballot and by majority vote, **PROVIDED, HOWEVER, THAT IF THE AMENDMENT TO THE CONSTITUTION CHANGING THE MAXIMUM NUMBER OF DELEGATES TO 900 IS NOT APPROVED BY THE NECESSARY ANNUAL CONFERENCE VOTE THAT THE FIGURE SEVENTY BE CHANGED TO SEVENTY-FIVE."**

Speaks to Amendment—A. Wesley Pugh—C. Cooper Bell

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, and C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, spoke to the pending amendment as follows:—

A. Wesley Pugh: "It would seem to me this would be all right. If this were not something that would make it very clear to The Conference, I was going to move that we refer it or defer it until after Recess, until Dr. Bell and two or three of us could get together and offer something that could be clear.

I think this is clear, however.

C. Cooper Bell: It is clear.

Bishop Holt: Are you ready to vote?

If you favor this amendment, lift your hands; opposed?

It is done."

The proposed amendment of John R. Van Sickie (*) (Rock River—NC), being duly seconded, was adopted. For Report, see Appendix, page 1433.

Refer to Judicial Council—Lloyd F. Worley—Adopted

Worley (New York East—NE) moved to refer to The Judicial Council for a Declaratory Decision, the question as to whether the membership of a Minister on missionary service shall be counted on the mission field in which he is serving or in his home Annual Conference, for representation at The General Conference, said question being

contained in Report No. 26 of the Standing Legislative Committee on Conferences, DCA No. 11, page 552, column 1, Subject, "Membership in Annual Conference for Missionary Minister."

Question—Embree H. Blackard—Ruling—Bishop Ivan Lee Holt

Embree H. Blackard (Western North Carolina—SE) asked:—

"Would it be possible for us to vote that if the Constitutional Amendment on which we are now voting it not passed, that we adopt Report No. 30 of the Standing Legislative Committee on Conferences?"

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, replied:—

Very well, but let's deal with this other matter. If you will refer to The Judicial Council the question raised by Brother Worley, lift the hands; down; opposed.

The matter is referred to The Judicial Council."

No. 11—Conferences—"Local Church Commissions"—Reconsidered—Merrill B. McFall—Amendment—Frank M. Templin—G. Lemuel Fenn—Not Adopted—Report Re-adopted

Merrill B. McFall (Indiana—NC) having voted for the adoption of Report No. 11 moved a reconsideration of Report No. 11 of the Standing Legislative Committee on Conferences, in order that a member of the Indiana Delegation,

who had tried but was unable to get the floor at the time of the consideration of and action on Report No. 11 of the Standing Legislative Committee on Conferences, for the purpose of making an amendment for the good of the Church.

Report No. 11 of the Standing Legislative Committee on Conferences, Calendar No. 228, Subject, "Local Church Commissions," DCA No. 11, page 549, columns 1 and 2, was reconsidered, the motion of Merrill B. McFall (Indiana—NC) for reconsideration of the same having been duly seconded.

Amendment—Frank M. Templin—G. Lemuel Fenn—Not Adopted—Report Readopted

Frank M. Templin (Indiana—NC) moved to amend Report No. 11 of the Standing Legislative Committee in the following manner (DB-163):—

"I move that all references to the Commission on Social and Recreational Activities be deleted from this Report No. 11, and that the Commission on Christian Social Relations here established be a third optional Commission, and that the language of the Report be made throughout to conform to this change. Further, that the name of the present optional Commission on Social and Recreational Activities be changed to the Commission on Fellowship and Recreational Activities."

The motion to thus amend, being duly seconded, Frank M. Templin (Indiana—NC) spoke to his proposed amendment as follows:—

"The three busiest Commissions in my own church are the Commission on Education, the Commission on Membership, and the present optional Commission on Social and Recreational Activities. It carries on the functionings of all fellowship in the congregation—the dinners, the coffee hours, the recreational activities—with 150 boys playing soft ball in season under lights. It is an important function of the church.

They meet regularly and do their job well. I feel that it is altogether possible that there are other congregations who have used this Commission to advantage. I see no reason to relegate it to the status of a Committee.

I am fully in accord with the Report in its effort to establish this additional Committee, and want it, but I do not want the other commission done away with."

Closes Debate—G. Lemuel Fenn

G. Lemuel Fenn (Oklahoma—SC) closed the debate for the Standing Legislative Committee on Conferences with the following statement:—

"It was the thought of the Committee on Conferences that the present optional Committee on Social and Recreational Life could function just as well as a Committee as it can function as a Commis-

sion. We felt that we did not wish to increase the number of the optional Commissions, neither did we wish to increase the number of the mandatory Commissions.

There was a great deal of request that there be an optional Commission on Christian Social Relations, and we thought that it was important to put it there and to remove the other to a status of a Committee, which still leaves it permissible and in a place where it can function properly."

Amendment—Frank M. Templin—Not Adopted—Report No. 11 Readopted

The proposed amendment of Frank M. Templin (Indiana—NC) to Report No. 11 of the Standing Legislative Committee on Conferences, on being put to the vote of The General Conference, was not adopted.

Report No. 11 was then readopted. For Report see Appendix, page 1415.

The motion to thus amend, being duly seconded, William R. Guffick (New Jersey—NE) spoke to the same as follows:—

"In many of our churches the Director of Music has only a professional relationship to the church. More than that, it has come to my attention that in some cases the Director of Music is not a Methodist and not a member of the church. I hope that these words will be deleted."

A. Ray Grummon (Illinois—NC) moved to amend Report No. 4 (DB-165) by deleting the word, "*Director*," and substituting the word, "**MINISTER**," in line eight of Paragraph 224, so that Paragraph 224, as amended, will read:—

Paragraph 224. The following persons are by virtue of their offices, members of the Commission on Education: the Pastor, Church-School Superintendent, Division Superintendents, Membership Cultivation Superintendent, Director of Christian Educational (or Educational Assistant) if any, **MINISTER of Music**, if any, and Church-School Secretary. The Woman's Society of Christian Service, **Methodist Men**, and the Methodist Youth Fellowship shall elect one representative each to membership in the Commission on Education. In addition, Members-at-Large, the number to be determined by the Quarterly Conference, may be elected upon nomination of the Committee on Nominations or the Pastor after consultation with the Church-School Superintendent and the Chairman of the Commission on Education. The Commission shall elect annually from its membership a Vice-Chairman, a Secretary, and such other Officers as it may determine.

"The Commission on Education may organize a Committee on Fellowship and Recreational Life composed of representatives of the Children's, Youth and Adult Divisions and such other members as may be determined by the Commission on Education. It shall recommend plans to the Commission on Education for a comprehensive

Program of Recreation. It shall be the responsibility of this Committee to supervise the Program of Recreation. In the small church the Commission on Education may designate a Director of Recreation instead of appointing a Committee."

J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, accepted the proposed amendment of Charles P. Bowles (Western North Carolina—SE) for the Committee, no objection being raised by any member of the Committee, or by any member of The General Conference.

Question—Roy T. Henwood—Answer—Bishop Ivan Lee Holt

Roy T. Henwood (Wyoming—NE) asked a question which was answered by Bishop Ivan Lee Holt, the Presiding Officer, as follows:—

"Mr. Chairman, is Brother Guffick's deletion cancelled by the change of the word 'MINISTER'?"

Bishop Holt: Yes, that is correct."

Question—Merrill C. Johnson—Answer—J. Earl Moreland ()*

Merrill C. Johnson (New York—NE) asked a question which was answered by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, as follows:—

"Mr. Chairman, does this action contravene the action we took only a few moments ago of making a Committee on Recreational Life a Quarterly Conference Committee?"

J. Earl Moreland: No.

Bishop Holt: The Chairman says it does not.

J. Earl Moreland: My understanding, Mr. Chairman, is that this fits into the vote The Conference has already taken. I could be in error."

Information Requested—Frank M. Templin—J. Earl Moreland ()—Bishop Ivan Lee Holt—Charles P. Bowles*

Frank M. Templin (Indiana—NC) asked for information on the pending Report No. 4 and received the following answers:—

"Mr. Chairman, I still believe, and I ask for information, that there is a difference between a Quarterly Conference Committee and a Subcommittee of the Commission on Education. Is there not?"

J. Earl Moreland: I thought one provided for the selection of the Committee. It is official approval. And the other for the relationship, Mr. Chairman. But I would not press the point.

Frank M. Templin: If that is the Chair's decision then I would like to make a speech.

Bishop Holt: Well, the Chair is uncertain about that. I think you had better make your speech."

Speaks to Report No. 4—Frank M. Templin—Explanation—Charles P. Bowles

Frank M. Templin (Indiana—NC) spoke to Report No. 4 of the Standing Legislative Committee on Education as follows:—

"I am not interested in seeing this activity, all of the Fellowship Program of the entire congregation, all of the recreational activities which may have been sponsored and engineered in the main by Methodist Men, I am not interested in seeing this all thrown into a Subcommittee of the Commission on Education. The Commission on Education has more than it can get done now, and it will not have time to take care of this Major Program of the church's activity.

I hope that you will at least give this the dignity of remaining a Quarterly Conference Committee and not pigeonhole it in the Commission on Education."

Explanation—Charles P. Bowles

Charles P. Bowles (Western North Carolina—SE) explained his amendment which had been accepted by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, as follows:—

"Mr. Chairman, it was my thought that this would simply implement the Committee of the Quarterly Conference and give direction as to how it should be set up and carried on."

Questions—Frank LaMont Henninger—Answers—J. Earl Moreland ()—Recess*

Frank LaMont Henninger (Central Pennsylvania—NE) asked some questions which were answered by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, as follows:—

"Mr. Chairman, I desire to ask a question with regard to the provision in Paragraph 229, the first column, page 238, which states that the Fourth Quarterly Conference 'shall elect,' and then lists certain Officers. Those elections now occur in the Quarterly Conference prior to the beginning of the Church School year.

Is it the thought behind this Report that these Officers now elected in the Fourth Quarterly Conference shall take office immediately, or at the beginning of the Church School year?

J. Earl Moreland: At the beginning of the Church School year, as in the past, Mr. Chairman.

Frank LaMont Henninger: And the Church School year is October 1.

J. Earl Moreland: That is the normal time.

Frank LaMont Henninger: It will mean, then, that some of these who are elected in the Fourth Quarterly Conferences for Spring

Annual Conferences will not take office until perhaps eight or nine months following their election.

J. Earl Moreland: Oh, no. Our understanding is that it will take place, Mr. Chairman, at the beginning of the Church School year. There is a great variety of dates for Annual Conferences, but we think the principles will be established here. If we are in error we will change it.

Frank LaMont Henninger: In the Spring Annual Conferences, the Fourth Quarterly Conference may come between January and March. They will not then take these offices until after October 1.

J. Earl Moreland: Perhaps we need to spell out more clearly, Mr. Chairman, the specific date."

Statement—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement:—

"The Chair suggests that we hold this in abeyance until after Recess. You have already reached the Recess hour, or almost. Let's see if it is not adjusted by the Chairman of this particular Committee.

There are three or four persons whom I must recognize before we adjourn for recess. I recognize the Secretary of the Council of Bishops first."

Bishop Roy H. Short, of the Nashville Area, Southeastern Jurisdiction, and Secretary of The Council of Bishops of The Methodist Church, was recognized and announced the Convenors (DB-166) selected by The Council of Bishops, for the organization of the General Boards and Commissions of The Methodist Church for the quadrennium 1956-1960, as follows:—

No. 2—Judicial Administration—Reconsidered—Amendment—J. Henry Chitwood—Not Adopted—John R. Van Sickle (*)—Report No. 2 Readopted

J. Henry Chitwood (North Alabama—SE) moved a reconsideration of Report No. 2 of the Standing Legislative Committee on Judicial Administration, Calendar No. 109, Subject, "Payment of Expenses of Retired Members of the Judicial Council Attending General Conference," DCA No. 9, page 408, column 3, adopted Saturday afternoon, May 5, 1956, for the purpose of making an amendment.

The proposed amendment of J. Henry Chitwood (North Alabama—SE), on being put to the vote of The General Conference, was not adopted.

Separation of Church and State, and on his motion, duly seconded, it was adopted as follows:—

"Whereas, this General Conference has received a request for recognition and financial support of the organization known as Protestants and Other Americans United for the Separation of Church and State;

Reconvene—Bishop Ivan Lee Holt—James R. Houghton (*)

Bishop Ivan Lee Holt, the Presiding Officer, called The General Conference of The Methodist Church to order, after the Recess period, stating that James R. Houghton (*) (New England—NE) would announce the Hymn, and lead in its singing.

James R. Houghton (*) (New England—NE), General Conference Director of Music, announced the "Hymn for the Living Church," written by Lynn J. Radcliffe (Ohio—NC), a member of this General Conference, found on page 504 of the *DCA* No. 10, column 3, and led The General Conference in its singing.

No. 26—Conferences—"Membership In Annual Conference For Missionary Minister"—Reconsidered—C. Cooper Bell—Referred

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, moved a reconsideration of Report No. 26 of the Committee, Calendar No. 243, Subject, "Membership In Annual Conference For Missionary Minister," *DCA* No. 11, page 552, column 1, which had previously been referred to The Judicial Council for a Declaratory Decision. The motion, duly seconded, prevailed.

C. Cooper Bell (Virginia—SE), Chairman of the Standing Legislative Committee on Conferences, then moved that Report No. 26 of the Standing Legislative Committee on Conferences be referred to the General Conference Commission on the Structure of Methodism Overseas, stating that the missionary personnel involved in Report No. 26 would much prefer to have it referred to the General Conference Commission on the Structure of Methodism Overseas

for their consideration of and action on, rather than just adoption by The General Conference or its referral to The Judicial Council for a Declaratory Decision. The motion to refer, being duly seconded, was adopted and Report No. 26 of the Standing Legislative Committee on Conferences referred as indicated. For Report see Appendix, page 1426.

No. 4—Education Resumed—J. Earl Moreland (*)—Philip C. Edwards—Frank M. Templin—G. Lemuel Fenn—Adopted

Consideration of and action on Report No. 4 of the Standing Legislative Committee on Education was resumed.

J. Earl Moreland (Virginia—SE), Chairman of the Standing Legislative Committee on Education, stated that during the Recess period an agreement had been reached between the members of The General Conference, who had previously spoken to Report No. 4, which resulted in the rewriting of Paragraph 229.1 by deleting the word, "*fourth*" in the first line of Section 1 and the insertion of the words, "*or Church School year,*" following the words, "ensuing Conference year," in line three of said Section 1 so that Section 1 of Paragraph 229, as amended, will read as follows:—

1. The Quarterly Conference shall elect, to serve from the beginning of the ensuing Conference year OR CHURCH SCHOOL YEAR: (a) the Church School Superintendent (Par. 143.5); (b) the Membership Cultivation Superintendent and the three Divisional Superintendents, all to be nominated by the Church School Superintendent-elect with the approval of the Pastor in consultation with the Director of Christian Education; (c) a Director of Christian Education or Educational Assistant, if desired (Par. 143.7, 234). Vacancies in the interim between Quarterly Conferences shall be filled by the Commission on Education, the Pastor concurring, subject to confirmation by the Quarterly Conference.

Questions—Philip C. Edwards—Answers—J. Earl Moreland ()*

Philip C. Edwards (Baltimore—NE) asked questions which were answered by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, as follows:—

"Do we understand that the amendment regarding the Commission on Social and Recreational Life was included in this Report being accepted by the Chairman?"

J. Earl Moreland: We talked with the man who made the motion and it was our understanding there would be no interference with the very large churches that wanted to have this under the Quarterly Conference as a separate Commission. That was the agreement. Is that satisfactory?

Philip C. Edwards: Does the wording so state?

J. Earl Moreland: We would put the words that—I apologize for not mentioning this, Mr. Chairman—that in parenthesis before this amendment proposed by Dr. Bowles, I believe, yes—that it would be optional for larger churches, put that in parenthesis.”

Question—Frank M. Templin—Answer—J. Earl Moreland ()*

Frank M. Templin (Indiana—NC) asked a question which was answered by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee on Education, as follows:—

“If this is agreeable, then I see no reason for this Paragraph which sets up an optional Commission—indicated as being providers of legislation for the sake of those churches large enough to need their use. Why could it not remain in that category?

J. Earl Moreland: That was our idea.”

Speaks to Pending Question—G. Lemuel Fenn

G. Lemuel Fenn (Oklahoma—SC) spoke to the pending question, as follows:—

“This matter of Recreational Commissions to be optional, and so stated—I object. I object to it being included. That would increase the number of optional Commissions to three. It was the thought of the Committee on Conferences that we should hold those Committees to four mandatory and two optional, and I oppose the inclusion as an optional Committee.

The matter has been referred to a Quarterly Conference Commission which gives its status and that, we think, is where it ought to be, and I hope that that will not be included as a third optional Committee.

Thank you, sir.”

Moves to Amend by Deletion—Philip C. Edwards—J. Earl Moreland ()—Not Adopted—Report Adopted as Amended*

Philip C. Edwards (Baltimore—NE) moved to amend Report No. 4 by deleting Section 10, Paragraph 230 relating to Social and Recreational Life, which reads as follows:—

“The Commission on Education may organize a Committee on Fellowship and Recreational Life composed of representatives of the Children’s, Youth and Adult Divisions and such other members as may be determined by the Commission on Education. It shall recommend plans to the Commission on Education for a comprehensive Program of Recreation. It shall be the responsibility of this Committee to supervise the Program of Recreation. In the small church the Commission on Education may designate a Director of Recreation instead of appointing a Committee.”

said Section 10 having been accepted by J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative

Committee on Education, without objection from any member of the Committee or any member of The General Conference, as an amendment proposed by Charles P. Bowles (Western North Carolina—SE).

The motion to delete was duly seconded.

J. Earl Moreland (*) (Virginia—SE), Chairman of the Standing Legislative Committee, closed the debate with the following statement:

"May I say just a word? We are trying to meet both situations which obtain across our Church. Approximately 15 per cent of the churches would be served by this deletion; approximately 85 per cent of the churches that are small churches still in Methodism need to have a relationship with a Major Commission such as Education, in order to give it status, and not only status but a vitality in practice. We were seeking to meet both situations which obtain across our Church."

The motion of Philip C. Edwards (Baltimore—NE) to delete Section 10 of Paragraph 230, on being put to the vote of The General Conference, was not adopted.

Speaks to Report—W. Sproule Boyd—Henry M. Bullock

At the request of W. Sproule Boyd (Pittsburgh—NE), Chairman of the Sub-Committee preparing Report No. 14, Henry M. Bullock (Mississippi—SE), General Secretary of the Editorial Division of the General Board of Education

of The Methodist Church and Editor of Church School Publications, spoke to Report No. 14 as follows:—

"Mr. Chairman and Brethren: Three years ago when I became your Editor, I realized what a tremendous task it was, as we all realize about this Church School Literature.

We have made a lot of progress and I will not dwell on the success because of the fact that there is much more to be done. We still have thousands of our Church School members who are being denied instructions in what The Methodist Church believes. We have thousands of our Church School members who will never hear of the emphasis on the Local Church from anything they have in Sunday School. That has been true of the Youth Emphasis, the Stewardship Emphasis, and the Crusade for World Order, because many of our churches are not using our own materials.

Will you give us all the support you can in order that the Church School Literature may in every Local Church in Methodism undergird the work of the Church? Our people have a right to be taught the warm heart of Aldersgate, the clear mind of Wesley's doctrine, the passion of Wesley for Social Justice, and the world-girdling world parish which he practiced. People will never hear of these things in our Church except from the pulpit. That means many of the children will never hear it unless they hear it from Methodist Church School Literature. Please give us your support not only in the Resolution but in every Local Church."

No. 1—Correlation and Editorial Revision—"Duties Of District Superintendent"—Murray H. Leiffer—Lud H. Estes—Adopted

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, presented Report No. 1 of the Committee, Subject, "Duties Of District Superintendent," DCA No. 10, page 514, column 1.

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, made the following statement, in presenting Report No. 1 of the Committee:—

"Please turn to page 504 DCA. The title on page 504 should read, "The Committee on Correlation and Editorial Revision."

The Memorials from the Committee of Reference will be found on page 512, Report No. 1. This Report grows out of two recom-

mendations from Legislative Committees: Report No. 5 Calendar 13, from the Committee on Lay Activities, which was reported unanimously by 67 members of that Committee; Report No. 3 Calendar 27, from the Committee on the Ministry, with a favorable Report of 53 to 5, with one non-concurring vote.

The action recommended here under Report No. 1 has the full approval of both Chairmen, who are also on the platform this morning. Also, a somewhat similar Resolution was adopted, and one phrase in that will be incorporated with this statement.

If desired, I will read the statement and explain the intent. Otherwise, Mr. Chairman, the motion would be to adopt. I am not a member of the body, and therefore, cannot make the motion."

On motion of Lud H. Estes (Memphis—SE), duly seconded, Report No. 1 was adopted. For Report see Appendix, page 1179.

No. 2—Correlation and Editorial Revision—"Election Of Commission Chairmen And Organization Of Commissions"—Murray H. Leiffer—Ray W. Ragsdale—Adopted

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, presented Report No. 2 of the Committee, Subject, "Election Of Commission Chairmen And Organization Of Commissions," DCA No. 10, page 504, columns 1 and 2, and on motion of Ray W. Ragsdale (Southern California-Arizona—W), duly seconded, Report No. 2 was adopted. For Report see Appendix, page 1180.

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision explained the purpose of Report No. 2 of the Committee, as follows:—

"Report No. 2 is submitted in lieu of Report No. 8, Calendar 10 from the Committee on Membership and Evangelism. It has the approval of the Chairman of that Committee. It will also replace the action taken on Saturday based on a small portion of Calendar 101. It has the approval of Mrs. Brooks, Chairman of the Committee on Missions, who presented that material.

Bishop Holt: What does it do, Dr. Leiffer?

Murray H. Leiffer: The intent, sir, is to place the election of the Chairman of the Commissions of the Local Church in the Fourth Quarterly Conference, thereby giving the Commission Chairmen more status and insuring better leadership in many instances."

No. 3—Correlation and Editorial Revision—"Women And The Traveling Ministry"—Murray H. Leiffer—James S. Chubb—Adopted

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, presented Report No. 3 of the Committee, Subject, "Women And The Traveling

Ministry," DCA No. 10, page 504, columns 2 and 3, and on motion of James S. Chubb (Nebraska—SC), duly seconded, Report No. 3 was adopted. For Report see Appendix, page 1181.

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, made the following statement regarding Report 3 of the Committee:—

"Report No. 3 changes neither the intent nor effect of the action previously taken concerning women and the traveling ministry. It does simplify the statement and it makes it clear that other Paragraphs than the ones specified therein, 321 to 356, also apply. Such Paragraphs, for example, as the laws on ministerial education, appointment, location, and trial of a minister, obviously must govern women as well as men in the traveling ministry."

No. 4—Correlation and Editorial Revision—"Membership Of General Boards, Agencies And Commissions; Commission On Promotion And Cultivation"—Murray H. Leiffer—Bishop Ivan Lee Holt—R. F. Curl—Adopted

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, presented Report No. 4 of the Committee which had not been published in the DCA. Subject, "Membership On General Boards, Agencies And Commissions; Commission On Promotion And Cultivation," with the following statement:—

"There is a fourth Report which we must make on inconsistencies between two items of adopted legislation. Since we have not been able to bring the Chairmen of the Committees together, on this matter, we report the inconsistency.

On page 112, column 1, the Co-ordinating Council recommended and the body adopted, the Rule that the number of members of Boards and Agencies should remain the same.

This morning the Commission on Promotion and Cultivation was altered. This alteration would appear to have the same total number of voting and non-voting members *officio* and *ex-officio*. However, previously the interpretation has been that non-voting *ex-officio* members were not members of the Board itself. In this instance, according to Paragraph 750 of the present *Discipline*, there are on the Commission 19 voting members and an indefinite number of non-voting members. The new legislation specifies 24 voting members and 23 non-voting members.

We leave this with the Conference to resolve.

Mr. Chairman, may we thank the Chairmen of the Legislative Committees for their co-operation on literally scores of items, which has saved probably hours of floor discussion."

For Report see Appendix, page 1182.

Inquiry—Bishop Ivan Lee Holt—Reply—Murray H. Leiffer

Bishop Ivan Lee Holt, the Presiding Officer, made the following inquiry:—

"Dr. Leiffer, before you leave may the Chair ask you what Committee Chairmen are involved in that? Dr. Curl is involved I know."

Murray H. Leiffer (Southern California-Arizona—W), Chairman of the Standing Administrative Committee on Correlation and Editorial Revision, answered as follows:—

"R. F. Curl (Southwest Texas—SC), Chairman of the Standing Legislative Committee on Temporal Economy, and Chester A. McPheeters (Detroit—NC) representing the Co-ordinating Council."

Statement—R. F. Curl—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, stated that R. F. Curl (Southwest Texas—SC), Chairman of the Standing Legislative Committee on Temporal Economy, desired to speak to the pending matter.

R. F. Curl (Southwest Texas—SC), Chairman of the Standing Legislative Committee on Temporal Economy, made the following statement:—

"Mr. Chairman and Members of The Conference: We have been working on this with Brother Leiffer and his Committee and with some of the Members of the Co-ordinating Council. I have just been in conversation with the Secretary of the Co-ordinating Council. It is his opinion that there is a discrepancy of one item, in the total membership of the Commission on Cultivation as proposed for the coming Quadrennium.

The Commission itself thinks that there is a reduction in membership. I think that if it is in order we might pass a motion leaving it with the Commission on Promotion and Cultivation and the Co-ordinating Council to work out the discrepancy of one member as proposed in this legislation."

Motion of R. F. Curl (Southwest Texas—SC), duly seconded, prevailed that the pending matter, membership of the Commission on Promotion and Cultivation be left with the Commission on Promotion and Cultivation and the Co-ordinating Council to adjust the discrepancy as proposed in this legislation.

No. 17—Presiding Officers—H. Hughes Wagner—Bishop William C. Martin

H. Hughes Wagner (New England—NE), Chairman of the Standing Administrative Committee on Presiding Officers, presented Report No. 17 of the Committee, designating Bishop William C. Martin, of the Dallas-Fort Worth Area, South Central Jurisdiction, to assume the Chair in case Bishop Ivan Lee Holt should care to leave the Chair after 12 o'clock noon, and made the following statement:—

"Mr. Chairman, it was announced by the Committee on Presiding Officers yesterday that you would be the Presiding Officer until 12:00

o'clock today. I do not know how many more Reports are left. If you could close it up within the next half hour or so we would be delighted to have you continue. This being the eve of retirement we don't know whether you are up to this strenuous business or not. Bishop William C. Martin, of the Dallas-Fort Worth Area, is behind you and is ready to preside whenever it seems expedient.

All I will say is that you are there and Bishop Martin is ready. I will leave it to your godly judgment."

**Tribute to Bishop Ivan Lee Holt—Chester A. Smith (*)—
Bishop William C. Martin—Adopted**

Chester A. Smith (*) (New York—NE) was recognized, and on his motion, duly seconded, the following Tribute to Bishop Ivan Lee Holt, was adopted by The General Conference with a standing vote and applause:—

"Mr. Chairman and Members of The Conference: I intended to present this motion a little later, but in view of the fact that our Presiding Officer may be changed I desire to present it now, sir, as a matter of privilege:

Whereas, our Presiding Officer of this day, Bishop Ivan Lee Holt, is ending his active service as a Bishop of The Methodist Church, and as a result of his retirement this will be the last General Conference over which he will preside, always with such ability, fairness and gracious courtesy, this being the Fifth General Conference for the concluding hours of which he has presided; and

Whereas, The General Conference is not only the law-making body of The Methodist Church but one of the most distinguished Church law-making bodies of America and the world; and

Whereas, The Council of Bishops is one of the greatest of the Executive Church bodies in Christendom, being composed of men of the highest character, outstanding intellectual ability, and of kindly and friendly spirit; and

Whereas, Bishop Holt has served with distinction for 18 years as a member of The Council of Bishops, and as a result of such service has endeared himself to preachers and laymen of the Annual Conferences over which he has presided, and of the Areas of which he has been the leader as their Bishop;

Therefore Be It Resolved, That we, the Members of The General Conference, 1956, express to Bishop Holt our admiration and affection for his kindly and friendly spirit which has endeared him to all of us. He has earned our sincere gratitude for the outstanding service he has rendered to The General Conference, to the Church at large, and to the Kingdom of Heaven. He is a splendid exemplar of all those great virtues for which Methodism and the Kingdom of Heaven stand in the world. We are thankful for his life and work and service which have so richly earned for him the affection of all who know him. We know he will not be idle in his rest, but will continue in other ways his work for the people and for the Master, whom he has served with such fidelity and success. We wish him many more years of life, of happiness and of usefulness.

I move its adoption by rising vote."

The motion, duly seconded, was unanimously adopted by a standing vote amidst great applause.

Bishop William C. Martin, of the Dallas-Fort Worth Area, South Central Jurisdiction, put the motion for the adoption of the Tribute, and made the following statement:—

“There is no need certainly to take a vote on this Resolution. It is unanimously and enthusiastically adopted.

Now that I am up here, Mr. Chairman and Members of The Conference, I have a feeling that despite his approaching retirement our Presiding Officer will have an abundance of physical vitality to carry us through the remainder of the session, and it will really be unnecessary to have a change in the Chairmanship of this Conference.”

Thanks—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, expressed his heart-felt thanks to Chester A. Smith (*) (New York—NE), and the Members of The General Conference, for the Tribute paid to him.

Statement—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee of Chairmen, made the following statement:—

“Mr. Chairman, could we respectfully suggest that hereafter we follow the Rule which we established this morning: that if there are Complimentary Resolutions they be presented with the Subject and referred to the Committee on Courtesies for printing.”

No. 11—Missions—“Board Of Missions Proposed Legislative Changes (Supplementary Report Grouping Changes In Legislation On Church Property)”—Mrs. Frank G. Brooks (*)—Lynn J. Radcliffe—Merrill C. Johnson—Philip C. Edwards—Amendment Not Adopted—Report Adopted

Mrs. Frank G. Brooks (*) (North Iowa—NC), Chairman of the Standing Legislative Committee on Missions, requested Lynn J. Radcliffe (Ohio—NC), Vice-Chairman of the Committee to present Report No. 11 of the Committee.

Lynn J. Radcliffe (Ohio—NC), Vice-Chairman of the Standing Legislative Committee on Missions, presented Report No. 11 of the Committee, Calendar No. 102, Subject, “Board Of Missions Proposed Legislative Changes (Supplementary Report Grouping Proposed Changes In Legislation On Church Property)” *DCA* No. 9, page 406, columns 2 and 3, and page 407, columns 1 and 2, and moved its adoption. The motion was duly seconded.

Amendment—Merrill C. Johnson—Not Adopted

Merrill C. Johnson (New York—NE) moved to amend Report No. 11 by deleting Section 10, *DCA* No. 9, page 407, column 1, which reads as follows:—

10) A contractual obligation for the building shall not be entered into by the church until the church has cash on hand, pledges payable during the construction period, and a loan (where necessary) or written commitment for a loan, which will provide funds necessary to assure prompt payment of all proposed contractual obligations.

and substituting therefor the following (DB-168) which reads as follows:—

A contractual obligation for a building shall not be entered into by the church until the church has on hand in cash and tangible assets at least 40 per cent of the estimated cost, and that for the remainder of the estimated cost cash and/or pledges payable during the construction period, and the loan where necessary or written commitment for a loan which will provide funds necessary to assure prompt payment of all proposed contractual obligations.

The proposed amendment of Merrill C. Johnson (New York—NE) being duly seconded, Merrill C. Johnson (New York—NE) spoke to the same as follows:—

“It seems to me, Mr. Chairman, that the proposal of the Committee of this Report is a good one, in that it tightens the control to include the whole of the building program. However, by omission of the legislation which we have had in the *Discipline* since shortly after the depression we are now opening up the other end of the legislation. So that a church, except by arbitrary prevention on the part of a District Superintendent or Bishop, may enter into a building program with not one red cent in cash.

I should like to see this amendment carried.”

Lynn J. Radcliffe (Ohio—NC) spoke to the pending amendment as follows:—

“Mr. Chairman, may I say this is a matter on which The General Conference should vote. Dr. Merrill Johnson has presented one side. His side is that we should continue the Rule which we have followed in the past, that 50 per cent of the cost shall be available in cash and tangible assets—

Bishop Holt: I think 40 per cent, Dr. Radcliffe. That was his proposal. Am I not right?

Merrill C. Johnson: Yes, sir.

Lynn J. Radcliffe: May I say if you favor that there is no use debating it, let's vote it. The Committee does not favor that. We considered it and we voted 63 to 9 that this new legislation does provide adequate safeguards. If you will follow the steps, the written consent of the District Superintendent, the approval of a Quarterly Conference, a church meeting of all members, then the approval of a District Board, a Board on which the District Superintendent is a member, a Board which should not be a rubber stamp—it is nominated by the District Superintendent, it is elected by the Annual Conference—if we cannot trust the basic body of Methodism and the appointed Officers to do their job, I do not see how we can get adequate protection.

Against Amendment—Philip C. Edwards

Philip C. Edwards (Baltimore—NE) spoke against the proposed amendment of Merrill C. Johnson (New York—NE) as follows:—

“Mr. Chairman, I am rising to oppose the amendment, by virtue of the fact that this reinstitutes in the *Discipline* the use of the words “tangible assets.” This is very flexible terminology which has been subject to interpretation in wide variations across our Church. Not only has this been opposed by the Committee, but it was opposed by the Board of National Missions which uses this in its exercising of control and supervision over Church Extension. They feel it has been very difficult to interpret this word, and therefore it is their recommendation that it not be continued.

I hope that we will not accept the amendment.”

Amendment—Merrill C. Johnson—Not Adopted

The proposed amendment of Merrill C. Johnson (New York—NE) on being put to the vote of The General Conference, was not adopted.

Report No. 11 was adopted. For Report see Appendix, page 1623.

Question—Ralph Taylor Alton—Answer—Lynn J. Radcliffe

Ralph Taylor Alton (Wisconsin—NC) asked a question concerning Report No. 11 of the Standing Legislative Committee on Missions, Calendar No. 102, Subject, "Board of Missions Proposed Legislative Changes (Supplementary Report Grouping Proposed Changes in Legislation on Church Property)," DCA No. 9, page 406, columns 2 and 3, and page 407, columns 1 and 2, with special reference to Paragraph 192, page 406, column 3, which was answered by Lynn J. Radcliffe (Ohio—NC) for the Standing Legislative Committee on Missions, as follows:—

"On page 406, under Report No. 11, Calendar Item 102, the question is: Does the wording here under Paragraph 192 also involve the purchase of land for a new church or parsonage?

Mrs. Frank G. Brooks: Mr. Radcliffe will speak to that question.

Lynn J. Radcliffe: The matter of site is very carefully covered and clearly assigned for consideration. The matter of site is very clearly cared for. (Section 2, Paragraph 192.)

"The District Board of Church Location and Building shall approve all proposed local church building sites, ascertaining that such sites, etc.' It is all in there very clearly spelled out."

Appreciation Harry Denman (*)—Ray W. Ragsdale—Adopted

On motion of Ray W. Ragsdale (Southern California—Arizona—W), Chairman of the Standing Legislative Committee on Membership and Evangelism, duly seconded, the following Resolution of Appreciation of Harry Denman (*) was adopted (DB-169):—

RESOLUTION OF APPRECIATION HARRY DENMAN

The Standing Legislative Committee on Membership and Evangelism

wishes to express its deep appreciation of the constant and creative work that is being done by Dr. Harry Denman and his able Staff of the General Board of Evangelism.

Harry Denman is "Mr. Evangelism" in Methodism, and much of the great upsurge in Evangelistic interest and zeal in our time is traceable to this man of God, and his associates.

(Signed) Ray W. Ragsdale, Chairman

No 10—Membership and Evangelism—"Personnel Of General Board Of Evangelism"—Reconsidered—Ray W. Ragsdale—Amended—Readopted

Ray W. Ragsdale (Southern California-Arizona—W), Chairman of the Standing Legislative Committee on Membership and Evangelism, moved a reconsideration of Report No. 10 of the Committee, Calendar No. 15, Subject, "Personnel Of General Board Of Evangelism," DCA No. 5, page 189, columns 2 and 3, in order to present a substitute Report to correct some errors. The motion to reconsider, being duly seconded, was adopted.

Ray W. Ragsdale (Southern California-Arizona—W), Chairman of the Standing Legislative Committee on Membership and Evangelism, moved to amend Report No. 10 of the Committee by deleting all of the black-face type at the bottom of the Report, lines 22-40 inclusive, and which reads as follows:—

" . . . three youth members, twenty-three years of age or under at the time of their election, nominated by the National Conference of Methodist Youth, and elected by the Board. In making the nominations to the Board, the National Conference of Methodist Youth, in consultation with the appropriate Staff of the Board involved, shall consider suggestions of nominations made by Annual Conference Methodist Youth Fellowships and State or similar units of The Methodist Student Movement. Vacancies shall be filled by the Board upon nomination by the National Conference of Methodist Youth. The Chairman of the Program Area of Christian Witness of the National Methodist Youth Fellowship Commission shall be one of the three youth members."

and substituting therefor the following:—

"TWELVE MEMBERS FROM THE CHURCH AT LARGE, TO BE ELECTED BY THE BOARD: AND THREE YOUTH MEMBERS, TWENTY-THREE YEARS OF AGE OR UNDER AT THE TIME OF THEIR ELECTION, NOMINATED BY THE NATIONAL CONFERENCE OF METHODIST YOUTH, AND ELECTED BY THE BOARD. IN MAKING THE NOMINATIONS TO THE BOARD, THE NATIONAL CONFERENCE OF METHODIST YOUTH, IN CONSULTATION WITH THE APPROPRIATE STAFF OF THE BOARD, SHALL CONSIDER SUGGESTIONS OF NOMINATIONS MADE BY ANNUAL CONFERENCE METHODIST YOUTH FELLOWSHIPS AND STATE OR SIMILAR UNITS OF THE METHODIST STUDENT MOVEMENT. THE CHAIRMAN OF THE PROGRAM AREA OF CHRISTIAN WITNESS OF THE NATIONAL METHODIST YOUTH FELLOWSHIP COMMISSION SHALL BE ONE OF THE THREE YOUTH MEMBERS.

“Vacancies occurring during the Quadrennium shall be filled in the following manner: those occurring among the Bishops are to be filled by The Council of Bishops; those occurring in the memberships of the Jurisdictions are to be filled by the Bishops of the Jurisdiction in which the vacancies occur; those occurring in the Membership at Large are to be filled by the Board itself; and those occurring among the Youth Members are to be filled by the Board upon nomination by the National Conference of Methodist Youth.”

No. 19—Membership and Evangelism—“Report Of Committee On Materials For Training In Church Membership, Page 635 Of The 1956 Quadrennial Reports Of Boards And Commissions”—Ray W. Ragsdale—Lester R. Minion—Amendment—Harold S. Swales—William R. Guffick—Amendment Lost—Report Adopted

Ray W. Ragsdale (Southern California-Arizona—W), Chairman of the Standing Legislative Committee on Membership and Evangelism, stated that he was not in harmony with Report No. 19, and acting under the provisions of Rule 35 of the Rules of Order, which reads as follows:—

**Rule 35. COMMITTEE CHAIRMEN NOT IN
HARMONY WITH REPORT**

When the Chairman of a Committee is not in harmony with a Report adopted by the Committee, it shall be his duty to state the fact to the Committee, which shall elect one of its members to represent it in the presentation and discussion of the Report in The Conference; but if, in such a case, the Committee shall fail to select a representative, the Chairman shall designate a member to represent the Committee, and said representative shall have all the rights and privileges of the Chairman in relation to such Report.

and that he was requesting Lester R. Minion (Rock River—NC) to present Report No. 19.

Lester R. Minion (Rock River—NC) presented Report No. 19 of the Committee, Calendar No. 121, Subject, "Report Of The Committee On Materials For Training In Church Membership, Page 635 Of The 1956 Quadrennial Reports Of Boards And Commissions," DCA No. 9, page 410, column 3 and page 411, column 1, and gave the reasons for his presentation of Report No. 19 of the Committee, as follows:—

"You have heard the reason why I am here. I was Chairman of the Sub-Committee that brought in this Report.

You will notice we had 58 on our Committee. Fifty-seven voted for and one against and the Chairman was the one who voted against.

The General Conference of 1948 instructed the Board of Education and Board of Evangelism to create a Joint Committee on Materials for Training for Church Membership.

This Committee was set up and developed these Manuals for three age groups, and a Manual to guide the Pastor. These were published in 1951 and have been widely used throughout the Church, and we want to recommend these Manuals, and I presume there will be no debate at this point.

However, our second point is that we request the Pastors to consider the advisability of using one of our Methodist Catechisms in their Course of Instruction for children. I will be glad to debate this, but I don't think this is the time.

Our Committee did feel that while these Manuals were excellent they are lacking at the point of Scriptural references and we believe our children should be sure to learn great verses of the Scriptures, John 3:16, the Ten Commandments and so on.

The Catechism has succinct, compact and brief answers to any questions that will originate, and we know that the Church for centuries has had Catechism classes for children. We do not say that Pastors must use them, but we ask that the Pastors consider the advisability. I hope that the Conference will approve our report."

Lester R. Minion (Rock River—NC) moved the adoption of Report No. 19, and the motion was duly seconded.

Amendment—Harold S. Swales—Lester R. Minion—Henry M. Bullock—Bishop Ivan Lee Holt—Amendment Not Adopted—Report Adopted

Harold S. Swales (Central New York—NE) moved to

amend Report No. 19 by deleting the last paragraph, which reads as follows:—

"We request Pastors to consider the advisability of also using one of our Methodist Catechisms in their course of instruction for children."

The motion to thus amend, being duly seconded, Harold S. Swales (Central New York—NE) spoke to the same, as follows:—

"I was on this Committee. I was under the impression that we did have an approved Catechism. I have discovered since that there are no such publications. It is true that our Methodist Publishing House does print some Catechisms, but there are no approved Catechisms. Therefore, I think it would be very unfortunate to have such legislation passed today."

Closes Debate—Lester R. Minion

Lester R. Minion (Rock River—NC) closed the debate on the pending amendment of Harold S. Swales (Central New York—NE) as follows:—

"Louis F. W. Lesemann wrote a Catechism, all of you know. He was a very highly respected member of the Rock River Conference back in 1914. It has been used ever since. It is on sale in our store. We also have a 'Methodist Child's Membership Manual' by Bishop Costen J. Harrell and others. I think the Pastors could judge for themselves and use one of these that are provided by our Methodist Publishing House."

Statement—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement:—

"Now, the Chairman, of course, announced the adoption of this Report, but on the insistence of the Chairman of the Committee that someone had an amendment to propose, I decided that the House would give me permission to hear that man whom I didn't see when he took the floor, but perhaps the best thing to do is to vote on this Amendment."

Speaks to Pending Amendment—Henry M. Bullock

Henry M. Bullock (Mississippi—SE) General Secretary of the Editorial Division of the General Board of Education of The Methodist Church and Editor of Church School Literature, spoke to the pending amendment of Harold S. Swales (Central New York—NE) as follows:—

"Mr. Chairman, as a member of the Committee which produced the Manuals, perhaps it is pertinent to say that there is a new edition of the Manual for Children which does have carefully planned questions at the beginning of each chapter, which does spell out passages of Scripture to be memorized in many of the chapters. Therefore, it does seem to meet many of the needs, but it does not fall into the educational weaknesses of a Catechism."

Amendment—Harold S. Swales—Not Adopted

The proposed amendment of Harold S. Swales (Central New York—NE), on being put to the vote of The General Conference, was not adopted.

Report No. 19 of the Standing Committee on Membership and Evangelism was adopted. For Report see Appendix, page 1537.

Closing Remarks—Ray W. Ragsdale

Ray W. Ragsdale (Southern California-Arizona—W), Chairman of the Standing Legislative Committee, gave the following challenge to The General Conference for the quadrennium 1956-1960:—

"Mr. Chairman, in closing the work of our Committee, may I say that these are destiny-laden days. Christianity is challenged by varying brands of secularism, and we must respond with a total devotion to Christ if we are to win in the battle for the minds and hearts of men.

Seventy million people in the United States have no contact with the Church. Forty million young people are in no Sunday School. Four million babies are born annually. By 1975 the population of the United States will rise to a staggering 228,000,000 people.

Just to hold our own in this expanding America, we must win three million persons for Christ and His Church in the next four years. We must win 360,000 a year on profession of faith to offset our normal losses. If we keep pace with the expanding population, we must win 600,000 in 1957, 700,000 in 1958, 800,000 in 1959, and 900,000 in 1960. Even so, such gains will only scratch the surface. We must have a new concern for the unchurched. We must enlist and inspire hundreds of thousands of laymen to live a life of witnessing.

The goal of our striving must be nothing less than personal and social redemption, a new man, with a new heart, making a new world."

No. 13—Temporal Economy—"Commission On Promotion And Cultivation"—Reconsidered—Amended—John R. Van Sickle (*)—R. F. Curl—Chester A. McPheeters—Re-adopted

John R. Van Sickle (*) (Rock River—NC), a member of The General Conference and Secretary of the Co-ordinating Council of The Methodist Church, moved a reconsideration of Report No. 13 of the Standing Legislative Committee on Temporal Economy, Calendar No. 145, Subject, "Commission On Promotion And Cultivation," DCA No. 9, page 434, column 3, and page 435, columns 1 and 2, and gave the following reasons for his motion:—

"The Committee on Correlation is still in a fog about the matter which was acted on this morning and referred, in the matter on page 434 DCA, Report No. 13, Calendar No. 145. The Agencies of the Church have brought its membership into correlation with the recommendation of the Co-ordinating Council, but because of the conflict here, I should like to move reconsideration to get this straightened out. It seems to be impossible to do it through reference and I would now move that Report No. 13, Calendar 145, be reconsidered so I can make another motion that will cover it."

Amendment—John R. Van Sickle ()—Adopted*

John R. Van Sickle (*) (Rock River—NC) moved to amend Report No. 13 of the Standing Legislative Committee on Temporal Economy, by deleting (DB-170) the words, "*one Minister and one Layman*," found in lines six and seven in the first paragraph of bold-face type, found on page 434, bottom of column 3, and column 1, page 435, Section 2 of Paragraph 750, DCA No. 9, and substituting therefor the words, "**ONE REPRESENTATIVE**," so that the first paragraph in bold-face type, as amended, will read:—

Beginning with line 14, delete the words: *three Bishops selected by The Council of Bishops, etc.*, to the end of the Paragraph and substitute the following: **Six Bishops, one from each Jurisdiction; six members at large, three Ministers and three Laymen chosen from the Church at large, nominated by The Council of Bishops and elected by The General**

Conference; ONE REPRESENTATIVE from each Jurisdiction elected by the Jurisdictional Conference thereof on nomination of its College of Bishops: the General Secretary (or General Secretaries) of the several General Boards and Agencies participating in World Service Funds or in Funds raised through the Week of Dedication or the Fellowship of Suffering and Service; the President of the Woman's Division of Christian Service; the Chairman of the Advance Committee; and the Chairman of the Week of Dedication Committee.

John R. Van Sickie (*) (Rock River—NC) stated:—

"It is my understanding from the Committee on Correlation and Editorial Revision that this will bring this membership in line with the action of the Co-ordinating Council."

Substitute for Amendment—R. F. Curl—Bishop Ivan Lee Holt

R. F. Curl (Southwest Texas—SC) moved as a substitute for the proposed amendment of John R. Van Sickie (*) (Rock River—NC) the following (DB-171):—

"That the Commission on Promotion and Cultivation be made the one exception to the provision of the Co-ordinating Council in its Report No. II, '1. General Agency Membership,' adopted Wednesday, May 2, 1956, barring any increase in the membership of any General Board or Agency."

The motion to thus substitute being duly seconded, R. F. Curl (Southwest Texas—SC) spoke to the same as follows:—

"I think that the Committee on Temporal Economy would back me up in a substitute motion that I would like to make. The Commission on Promotion and Cultivation is a new organization set up only in 1952. I think all of us would agree that it is fairly necessary that there should be represented on the Commission on Promotion and Cultivation certain Groups and Agencies. All of those Agencies which are to participate in the funds raised through the work of this Commission should have representation.

Personally, I should not like to have the South Central Jurisdiction lose any of the representation. I do not think you would like your Jurisdiction to lose any of its representation on this important Commission. I would therefore move as a substitute that we make the one exception in the case of the Commission on Promotion and Cultivation and authorize this increase in membership, which I believe will be an increase of four or five. Nobody seems to know exactly what the increase would be. I am told one time it is an increase of one; then I am told it is an increase of five, and I believe that is the largest figure that I have heard.

I would move as a substitute that we do authorize the increase in this one instance to conform with the recommendations of this Report."

Statement—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement:—

"Now the Report has been reconsidered and is before you, and an amendment has been offered that there be one representative from each Jurisdiction. What Dr. Curl has done has been, as the Chair understands it, to speak in favor of the Report as it now appears. That is correct, isn't it, Dr. Curl?"

R. F. Curl: Yes.

Bishop Holt: So if you consider the amendment and vote it down, then you are on the original Report."

Speaks to Pending Matter—Chester A. McPheeters

Chester A. McPheeters (Detroit—NC) spoke to the pending matter, as follows:—

"The Co-ordinating Council brought its Report to this General Conference at a time when we were not crowded for time, and we had ample time to deliberate. This General Conference went on record as recorded on page 112, *Daily Christian Advocate*, at the top of the page, that we believed that these Boards and Agencies should be numbered as of the 1952 *Discipline*. We considered it throughout the four years, and came to that conclusion, although there were many requests that there be increases.

Now, twice before in this Conference there have come Reports which would have increased certain Boards. We called the attention from the floor of this Conference to that fact and in these cases these Boards acceded.

It seems to me, Mr. Chairman, that this Commission on Promotion and Cultivation could well afford to conform itself to the action of this General Conference as of that time."

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following statement of the parliamentary situation:—

"Your vote is on the amendment, one from each Jurisdiction. If you favor this amendment, lift your hands; down; opposed.

The amendment is not carried."

Point of Order—John R. Van Sickle (*)—Sustained

John R. Van Sickle (*) (Rock River—NC) raised the following Point of Order:—

"You should have called for the vote on the substitute first, because I think that confused a lot of the voting."

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, made the following ruling:—

"Very well, very well. The Chair did not do that because he felt what Dr. Curl was advocating was the Report as it appears here, and if the amendment were defeated, then you would adopt that Report, but if that is not the case, and you want to vote on the substitute, we will vote on the substitute."

Speaks for Amendment—Chester A. McPheeters

Chester A. McPheeters (Detroit—NC) spoke in favor of the proposed amendment of John R. Van Sickle (*) (Rock River—NC) as follows:—

"In other cases no exceptions were requested. This is an exception in one case, and might open the way for many other exceptions, Mr. Chairman."

Against Amendment—R. F. Curl

R. F. Curl (Southwest Texas—SC), Chairman of the Standing Legislative Committee on Temporal Economy, spoke against the proposed amendment of John R. Van Sickle (*) (Rock River—NC) as follows:—

"Mr. Chairman, I am told that in at least two instances there have been increases in membership on some of the Agencies. I do not know whether that is true or not. I have not kept a close check myself, but what I am pleading for is that my Jurisdiction and your Jurisdiction shall be represented by two people on the Commission on Promotion and Cultivation. The proposed amendment would take away one of the representatives from each of the Jurisdictions on this Commission.

I think we need the grass roots foundation for each and every one of our Agencies."

For Amendment—Chester A. McPheeters

Chester A. McPheeters (Detroit—NC) spoke for the proposed amendment of John R. Van Sickle (*) (Rock River—NC) as follows:—

"As I said before, the other Boards and Agencies where there were proposed increases, acceded to the will of this Conference. Now we are in a different spot. You have the substitute and you have an amendment, but still there has been no disposition upon anybody's part to say, "We will accede to the will of this Conference," and that is what it seems to me some of us—many of us—and I think the majority of us—would prefer that this Commission likewise accede to the will of this Conference, that its number shall not be more than the 1952 *Discipline* provides."

Substitute Not Adopted—R. F. Curl

The substitute motion of R. F. Curl (Southwest Texas—SC) to make an exception of the Commission on Promotion and Cultivation in regard to its personnel, on being put to the vote of The General Conference, was not adopted.

Amendment—John R. Van Sickle ()—Adopted*

The amendment of John R. Van Sickle (*) (Rock River—NC) to Report No. 13 of the Standing Legislative Committee on Temporal Economy, on being put to the vote of The General Conference, was adopted.

Henry Chitwood (North Alabama—SE) had not been adopted, he did not recall The General Conference taking any further action on said Report No. 2.

Bishop Ivan Lee Holt, the Presiding Officer, put the motion on the readoption of Report No. 2 of the Standing Legislative Committee on Judicial Administration, and Report No. 2 was readopted. For Report see Appendix, page 1517.

Second:—Add the following paragraph at the close of the Report:—

WHEN HE, OR HIS SURVIVING WIDOW AND DEPENDENT CHILDREN BECOME CONFERENCE CLAIMANTS, THE EPISCOPAL FUND SHALL PAY A PENSION ON ACCOUNT OF HIS SERVICE AS A BISHOP, AND HIS ANNUAL CONFERENCE, OR CONFERENCES, ON ACCOUNT OF HIS APPROVED SERVICE THEREIN.

so that Report No. 2, as amended, will read as follows:—

The Committee recommends the following: That Paragraph 435, Section 2, of the *Discipline* be amended by changing the period at the close of the Paragraph to a comma and adding these words: "**and upon such certification he shall receive a pension from the Episcopal Fund on account of his service as a Bishop and from the Annual Conference**

or Conferences on account of approved service rendered respectively thereto."

so that the Paragraph as amended shall read:

A Bishop may voluntarily resign from the Episcopacy at any session of his Jurisdictional Conference. A Bishop so resigning shall surrender to the Secretary of his Jurisdictional Conference his Consecration Papers, and he shall be furnished with a Certificate of his resignation which shall entitle him to membership as a Traveling Elder in the Annual Conference of which he was last a member, or its successor, and upon such certification he shall receive a pension from the Episcopal Fund on account of his service as a Bishop and from the Annual Conference, or Conferences, on account of APPROVED service respectively thereto.

WHEN HE, OR HIS SURVIVING WIDOW AND DEPENDENT CHILDREN BECOME CONFERENCE CLAIMANTS, THE EPISCOPAL FUND SHALL PAY A PENSION ON ACCOUNT OF HIS SERVICE AS A BISHOP, AND HIS ANNUAL CONFERENCE, OR CONFERENCES, ON ACCOUNT OF HIS APPROVED SERVICE THEREIN.

Chester A. Smith: What percentage of the employees of The Publishing House are Negroes?

Oscar Thomas Olson: Your Legislative Committee does not know the answer to that administrative question.

Chester A. Smith: Do you think it is a fair question to ask, sir?

Oscar Thomas Olson: I do not think it is a question to come before a legislative body at this moment.

Chester A. Smith: I regret, sir, that we have not been able to secure the information from the Chairman."

Amendment—Chester A. Smith (*)—Ruling—Bishop Ivan Lee Holt—Not Germane

In connection with the consideration of and action on Report No. 13 of the Standing Legislative Committee on Publishing Interests, Chester A. Smith (*) (New York—NE) proposed an amendment, which was ruled on by Bishop Ivan Lee Holt, the Presiding Officer, as follows:—

"Mr. Chairman and Members of The Conference: This will be my last attempt to speak on this particular matter!

I move, Mr. Chairman, as an amendment on page 410, column 2, bottom of the column and top of column 3, *Daily Christian Advocate*, to the Report, by adding to the words at the end of the Report, ending with, "... for its study and action." the following:

We instruct the Commission on Fine Arts to change the word "wine" in the Sacrament of the Lord's Supper to the word "cup" wherever the word occurs.

I was ruled out of order previously, and I think perhaps rightly, by the Chairman, who is always so fair and splendid; but I think now, Mr. Chairman, I have a right to move that a Commission be instructed, because as I understand the law, The General Conference has a right to instruct Commissions.

So, therefore, I move that the Commission be instructed to change the word "wine" to the word "cup."

Ruling—Bishop Holt: The Chair would have to say that this Report of the Committee on Publishing Interests is merely referring this matter under consideration, which is the Hymnal for Youth, to the Worship Commission. I don't see how this particular amendment is germane to this Report.

I think there is no doubt but that in view of your repeated efforts to change this, Brother Smith, the Commission on Worship will certainly take into consideration what you have done here. However, I cannot see that it applies in this particular Report.

Chester A. Smith: Well, I certainly accept your ruling because of

my high regard for you personally, and I hope that the Commission will consider what you have said and that they will adopt your suggestion."

Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee on Plan of Organization and Rules of Order, presented Report No. 3 of the Committee, DCA No. 10, page 465, columns 1, 2 and 3; page 466, columns 1, 2 and 3; page 467, columns 1, 2 and 3; page 468, columns 1, 2 and 3; page 469, columns 1, 2 and 3; page 470, columns 1, 2 and 3, explaining the various changes in the same for the 1960 General Conference of The Methodist Church, and requested common consent to make four corrections.

The General Conference unanimously granting the request, the following four corrections were made:—

First:—*DCA* No. 10, page 465, column 1: delete the word “*of*” in “I. Opening of Organization,” and substitute therefor the words, “**Session and,**” so that the amended line will read under “A. Plan of Organization,”

“I. Opening **SESSION AND** Organization.”

Second:—Insert on page 466, column 3, *DCA* No. 10, under, “2. Legislative Committees,” in line seven of the first paragraph following the words, “to the Conference,” the following inadvertently omitted from Report No. 1, adopted Monday, April 30, 1956, which reads as follows:—

“*provided, however, Reports and proposals from the regular Councils and Special Commissions of The General Conference may be made directly to The Conference.*”

Third:—Delete the words, “*and Church Extension,*” in line four of “(6) Missions,” page 467, column 1 of *DCA* No. 10, so that the amended “(6) Missions,” will read as follows:—

“(6) Missions. To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to the Board of Missions, and to the interests and activities made by the law of the Church the concern of this Board.”

Fourth:—Delete the capital bold-face words, “**ROUND TRIP SECOND CLASS SHIP FARE,**” found in lines nine and ten, “Section 3. under VIII. Delegates’ Expense Account,” page 468, column 1, *DCA* No. 10, and substitute therefor the words, “**EQUIVALENT ROUND TRIP CABIN-CLASS SHIP FARE,**” so that the amended Section 3 will read:—

3. Travel expense for Delegates to The Conference shall be on the basis of railroad fare by the most direct route (clergy fare for Ministers) lower berth or roomette (Pullman) and meals en route OR BY AIR COACH. OVERSEAS DELEGATES SHALL BE ALLOWED THE ROUND TRIP TOURIST FARE BY AIR OR EQUIVALENT ROUND TRIP CABIN-CLASS SHIP FARE. ADDITIONAL EXPENSE MAY BE ALLOWED SUCH DELEGATES FOR ARRIVAL AND DEPARTURE NOT TO EXCEED FIVE DAYS IN EITHER CASE. When two or more Delegates come in one automobile the owner shall be allowed 7 cents per mile for his car plus the cost of room and meals en route. Guest passengers who are Members of The General Conference shall submit only the cost of room and meals en route. In all cases Delegates shall report only the actual cost of travel.

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee on Plan of Organiza-

tion and Rules of Order, moved that Report No. 2 be adopted, as amended. The motion was duly seconded.

Questions—Paul V. Galloway—J. Wesley Hole ()—
Answers—A. Wesley Pugh*

Paul V. Galloway (Oklahoma—SC), Chairman of the Program Committee of The General Conference Commission on Entertainment and Program, asked some questions which were answered by A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee on Plan of Organization and Rules of Order, and by J. Wesley Hole (*) (Southern California-Arizona—W), Chairman of the General Conference Commission on Entertainment and Program, as follows:—

“Mr. Chairman, The Conference Entertainment Commission does not want to set up a lot of Orders of the Day, but would you accept in that the right for our Commission to set up Orders of the Day past the first day, for this reason: For example, India. We had to set that up because it affected people from long distances. Would you give us the right to get in touch with you before Conference so that we can set up two or three that have to do with people coming long distances?”

A. Wesley Pugh: I would think that this matter could be rather definitely scheduled, and the Committee of Chairmen would be glad to co-operate on something like that. We will fit the other matter in.

Paul V. Galloway: Another case: the first day, or the second day, we made an Order of the Day for the Chaplains, because that involved bringing men hundreds of miles. That is the reason we don't want to be limited to the first day. We cannot set up the Program for some of the advantages of these people unless we go past the first day.

We have no idea of trying to rule the Orders of the Day, but there are usually two to four we need to set up for the convenience of people, that is all.

A. Wesley Pugh: Well, I think that would be understood by the Committee.

Paul V. Galloway: Thank you.

A. Wesley Pugh: They would readily accept those things and fit the other Orders of the Day into the Program along with them.

Paul V. Galloway: We will not set up anything in regard to legislative matters. Thank you, Dr. Pugh.

J. Wesley Hole: Mr. Chairman, I think in the Report the first day we did schedule Orders ahead. It does not refer to the fact that all the Orders of the Day have to be presented on the first day.

Mr. Pugh and I think it is perfectly clear. We worked it out together.”

Question—John R. Wilkins—Answer—A. Wesley Pugh

John R. Wilkins (California-Nevada—W) asked a question which was answered by A. Wesley Pugh (North Indiana

—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, as follows:—

“Mr. Chairman, I would like to ask a question, whether pending amendments are to be made as Dr. Pugh proceeds, or at the time he moves adoption of the whole Report?

A. Wesley Pugh: Mr. Chairman, I had intended, if The Conference agreed, that we would go through the whole Report and point out the significant changes, and then be ready for any amendments that might be presented.”

A. Wesley Pugh (North Indiana—NC) completed the presentation of the Report.

Amendment—Eugene L. Smith—Accepted—A. Wesley Pugh

Eugene L. Smith (Newark—NE), General Secretary of the Division of World Missions, General Board of Missions. The Methodist Church, moved to amend “(1) Conferences.” under the general heading “2. Legislative Committees,” page 466, column 3, DCA No. 10, by deleting the words, “*Central, Provisional Central,*” in lines four and five of “(1) Conferences,” so that the amended “(1) Conferences” will read, as follows:—

(1) Conferences. To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to The General, Jurisdictional, Annual, Provisional Annual, District, Quarterly, and Church Conferences and Missions; Official Boards and the organization of the local church.

and made the following statement in support of his proposed amendment:—

“I am asking whether the Committee would be willing to delete the reference to Central and Provisional Central Conferences, because under agreement those matters were to go to the Commission on the Structure of Methodism Overseas, which has to consider them at much greater length than is possible during The General Conference itself.”

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Administrative Committee on Plan of Organization and Rules of Order, accepted the proposed amendment of Eugene L. Smith (Newark—NE), General Secretary of the Division of World Missions of the General Board of Missions of The Methodist Church, for the Committee, there being no objection raised by any member of the Committee, or by any member of The General Conference.

Amendment—John R. Wilkins—A. Wesley Pugh—George H. Atkinson—Not Adopted

John R. Wilkins (California-Nevada—W) moved to amend Report No. 2 of the Standing Legislative Committee

on Plan of Organization and Rules of Order, by deleting Sub-section "(1) Committee of Chairman at the top of page 465, column 3, DCA No. 10, which reads as follows:—

(1) *Committee of Chairmen.* The Chairmen of the several Legislative Committees, the Chairman of the Committee on Rules, and the Chairman of the Commission on Entertainment shall be constituted a Committee whose function it shall be to arrange for the presentation of Committee Reports to The Conference in such order as to expedite the business. To this Committee shall be referred all requests for special Orders of the Day except those requested in the Report of the Commission on Entertainment and Program of The General Conference on the first day of The Conference Session.

and substituting therefor, the following:—

(1) BUSINESS COMMITTEE. THIS COMMITTEE SHALL BE COMPOSED OF FOUR LAYMEN AND THREE MINISTERS APPOINTED BY THE COUNCIL OF BISHOPS FROM THE REGULARLY ELECTED DELEGATES TO THE ENSUING GENERAL CONFERENCE AT THE WINTER MEETING OF THE COUNCIL OF BISHOPS, PRECEDING THE SESSION OF THE GENERAL CONFERENCE. THE SECRETARY OF THE GENERAL CONFERENCE AND THE CHAIRMAN OF THE COMMISSION ON ENTERTAINMENT AND PROGRAM SHALL BE EX-OFFICIO MEMBERS OF THIS COMMITTEE. THE SECRETARY OF THE GENERAL CONFERENCE SHALL CONVENE THE COMMITTEE PRIOR TO THE OPENING OF THE CONFERENCE. ITS DUTIES SHALL BE AS FOLLOWS:

A. CONSULT WITH AGENCIES AND LEADERS OF THE METHODIST CHURCH CONCERNING THE TIMING OF THEIR REPORTS TO THE GENERAL CONFERENCE. IT SHALL CO-OPERATE WITH THE COMMISSION ON ENTERTAINMENT AND PROGRAM IN CORRELATING THE BUSINESS OF THE GENERAL CONFERENCE.

B. CONSULT WITH AND OBTAIN FROM THE CHAIRMEN OF LEGISLATIVE AND ADMINISTRATIVE COMMITTEES INFORMATION AND RECOMMENDATIONS CONCERNING THE SCHEDULING OF THEIR REPORTS ON THE BUSINESS AGENDA. THE CHAIRMAN OF THE BUSINESS COMMITTEE SHALL CONVENE THE CHAIRMEN OF COMMITTEES AND DEVELOP IN CO-OPERATION WITH THEM ANY NECESSARY PROCEDURES FOR EXPEDITING THE BUSINESS OF THE CONFERENCE.

C. REPORT TO EACH BUSINESS SESSION OF THE GENERAL CONFERENCE ITS RECOMMENDATIONS FOR THE BUSINESS AGENDA, INCLUDING COMMITTEE REPORTS AND OTHER BUSINESS.

The motion to thus amend, being duly seconded, John R. Wilkins (California-Nevada—W) spoke to the same as follows:—

"Mr. Chairman and Members of The General Conference: I would like to propose an amendment to the Report of the Committee on Rules, as follows: On page 465, *Daily Christian Advocate* the third column, under VI, Committees, in the first section, Administrative Committees, and the first sub-section (1) entitled Committee of Chairmen.

The amendment I am proposing is on page 515 of the *Daily Advocate* printed this morning. The substance of the amendment is

to delete the section on Committee of Chairmen, as reported by the Committee of Rules, and substitute for it the above (1) Business Committee.

I shall not endeavor to read all of it.

The first part of it indicates the composition of it, which is in accordance with our customs and the plans that have been reported by the Committee on Rules and adopted by our General Conference in the past. It would be a Business Committee composed of four Laymen and three Ministers appointed by The Council of Bishops; in addition there would be two *ex officio*, the Secretary of The General Conference and the Chairman of the Commission on Entertainment and Program.

The substance of its duties are under A, B, and C.

"A" deals with the problem presented by Dr. Galloway. I would like to request an editorial change if the last sentence under "C" could be added to Section "A." It would read then: "Consult with Agencies and leaders of The Methodist Church concerning the timing of their Reports to The General Conference. It shall co-operate with the Commission on Entertainment and Program in correlating the business of The General Conference."

In counselling with some of the members of the Rules Committee and some of the Chairmen, I discovered there were two points of concern: (1) one of these, that there would be no contradiction and overlapping with the Commission on Entertainment and Program. This is cared for by the fact that the Chairman of the Program Committee is a member of the Business Committee and is instructed to consult and co-operate with it.

Now, the second point of great concern which was logical is covered in Section "B." "It shall consult with and obtain from the Chairman of Legislative and Administrative Committees information and recommendations concerning the scheduling of their Reports on the Business Agenda.

"The Chairman of the Business Committee shall convene the Chairmen of Committees and develop in co-operation with them any necessary procedures for expediting the business of The Conference.

"It is very important that the Chairmen of these Legislative Committees keep in very close touch with the Business Agenda and the scheduling of their Reports."

This is cared for by the fact that the Chairman of the Business Committee must convene those Chairmen and work out a suitable procedure of scheduling Reports.

You will notice in the Report of the Committee presented that in addition to their duties as Chairmen of the Committees, they are assuming duties to help schedule Reports which is important, but now they are proposing additional business duties whereby they in fact become a Business Committee, which overloads the duties of the Chairmen of the Committees.

The last section "C" means that from the very beginning, from the time the gavel falls on the first day of our sessions until the close, the Benediction, there is one continuing co-operating Committee that co-ordinates all of the business.

Now, briefly, in closing, there may be the suggestion to delay and wait and study. If that is done, we will not be relieved of some of

the pressure that has come upon us this afternoon, which is largely due to the lack of timing the first few days.

If we can act on this this afternoon, it will make possible the correcting of this so that The General Conference in 1960 can be managed through this type of Business Committee. I believe it will save time. It will save money. It will correlate our business. It will improve the spirit. In fact, it is conceivable that on the last day of The General Conference of 1960 the Calendar would be cleared, the Delegates relaxed, and they could be served coffee and doughnuts, and the waitresses would be the Methodist women with Full Clergy Rights."

Speaks to Amendment—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, spoke to the proposed amendment of John R. Wilkins (California-Nevada—W) as follows:—

"Mr. Chairman, as I see it, this amounts to almost a re-naming of the Committee of Chairmen. They now carry these responsibilities, and as Dr. Wilkins has well stated, it would be very necessary for all of these Committees to keep in very close touch with the new Committee which he suggests.

The Business Committee, if you have one, would have to constantly call the Committee Chairmen to consultation to know what the situation is with respect to the legislative business. It may be that there is merit in this. I spoke to Dr. Wilkins and said it may be so, but if so it ought to be put into the hopper of the Committee on Rules, or somebody so they can think it through long enough to present it with a considered judgment upon it.

This has not been before us in time for us to consider it. If The General Conference in the future wants to do anything more than we have suggested here, of course, it can do it. You can judge for yourselves about this business. I think from the experience we have had it would be very difficult to predict just what The General Conference will do in the first few days. We have suggested some things we believe will relieve the situation at the beginning of The General Conference, at the 1960 Conference. And so far as the Committee is concerned we would prefer to stand on the Report as it is and let this be an item of business if you care to do it at the next General Conference."

George H. Atkinson—For Amendment

George H. Atkinson (California-Nevada—W) spoke for the proposed amendment of John R. Wilkins (California-Nevada—W) as follows:—

"I just wanted to point out that the big difference is not just in renaming of the Committee. The big difference is that this Business Committee would be appointed three months ahead of time and could have their plans made and started to be made before we got to The Conference. If you wait until the various Committee Chairmen are elected so as to make up the Committee of Chairmen, you already have lost a day, and that is the important day."

Closes Debate—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, closed the debate for the Committee as follows:—

“If you think a Committee meeting three months in advance of The General Conference will know what the legislative matters are going to be throughout The General Conference, you have a better imagination than I have. I do not think they can do it at all.”

Amendment—John R. Wilkins—Not Adopted

The proposed amendment of John R. Wilkins (California-Nevada—W), on being put to the vote of The General Conference, was not adopted.

Amendment—Paul V. Shearer ()—A. Wesley Pugh—Not Adopted*

Paul V. Shearer (*) (Iowa-Des Moines—NC) moved to amend Report No. 2 of the Standing Legislative Committee on Plan of Organization and Rules of Order, by adding a new Committee, to be numbered “(16) Special Commissions and Committees,” and to be placed after “(15) Enabling Acts and Legal Forms,” at the top of column 2, page 467, DCA No. 10, reading as follows:—

Amend that portion of the Proposed Rules dealing with Committees by adding thereto a new paragraph (16) as follows, on page 467, column 2 of the *Daily Christian Advocate*:

(16) SPECIAL COMMISSIONS AND COMMITTEES. THERE SHALL BE A COMMITTEE OF TWO MEMBERS FROM EACH JURISDICTION TO WHICH SHALL BE REFERRED ALL REPORTS FROM THE CO-ORDINATING COUNCIL, THE COUNCIL ON WORLD SERVICE AND FINANCE, AND SPECIAL COMMITTEES AND COMMISSIONS CREATED BY A PRECEDING GENERAL CONFERENCE DESIGNATED TO REPORT SPECIALLY TO THE CURRENT GENERAL CONFERENCE. SUCH REPORTS SHALL BE PRINTED IN THE *DAILY ADVOCATE* PRIOR TO REFERRAL TO THIS COMMITTEE, AND THIS COMMITTEE SHALL REVIEW AND REPORT THEREON CONTEMPORANEOUSLY WITH CONSIDERATION OF THE REPORTS BY THE GENERAL CONFERENCE.

The motion to amend being duly seconded, Paul V. Shearer (*) (Iowa-Des Moines—NC) spoke to the same as follows:—

“Very briefly, sir.

This Special Commission and Committee is designed to take care of Reports coming from the Co-ordinating Council, the Council of World Service and Finance and other Special Agencies and Committees and Commissions.

The purport of the proposed change in the Rules is that these Reports should be reviewed by a Committee representative of The General Conference to insure adequate consideration being given to them.

This amendment, if it prevails, will guarantee that all matters will be printed and reviewed in advance of its consideration by The General Conference.

Let me remind you that we are the highest Legislative Body of the Church. We are one of the three co-ordinating branches of the Church. There is a noticeable trend, however, to delegate much of the legislative responsibility to Special Commissions. This results in our becoming a body of ratifiers and not legislators. The next logical step would be for the General Boards to by-pass the Legislative Committees themselves.

We all recognize, of course, that the Co-ordinating Council, The Council on World Service and Finance and other Special Commissions at our direction must do the necessary groundwork on matters to be considered by The General Conference. They do this by doing the research and attending to the matters of detail and by preparing Reports, but this does not mean that we should abrogate our rights as legislators.

The principle involved here is a very important and serious one. We are a legislative body, and that function must remain inviolate.

We would do a dis-service to every succeeding General Conference if we failed to assert and exercise our rights as a Legislative Body.

Only in Legislative Committees can the democratic processes be fully utilized. Only in our Legislative Committees can full disclosure be obtained of all the pertinent facts. The ratification theory may be the easier, simpler, more efficient way, but it is not the democratic way.

We are all aware of what happened this year with the Report of the Board of Publication.

It was brought to us for the first time on Monday, April 30, and was initially considered that same morning, without any prior disclosure of detail. It is my understanding that the Board of Publication even refused to answer pertinent questions of detail in the Committee on Publishing Interests, which was considering a general Memorial concerning the Bold Venture, on the theory that they had only to report to The General Conference as such.

I am of the personal opinion that the new Bold Venture would have set a lot better with many of the Members of The General Conference if the Report had been reviewed in full by a Legislative Committee and had had full disclosure and had discussion been permitted in said Committee.

The success of this great General Conference in a large measure has been the result of the spirit of good will and brotherhood generated in the Committees on Conferences and State of the Church. I hope that we will continue to be a Legislative Body."

Previous Question—T. Herbert Minga—Ruling—Bishop Ivan Lee Holt

T. Herbert Minga (North Texas—SC) moved the Previous Question on all before The General Conference.

Ruling—Bishop Ivan Lee Holt

Bishop Ivan Lee Holt, the Presiding Officer, ruled as follows:—

“Well, I wonder if you wouldn’t withhold that just a moment because the procedure now is that the mover of the amendment has made his statement, and the Chairman should make his answer, and then we vote on that, and that is the only thing that is before us until we have cleared all of these amendments.

Closes Debate—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, closed the debate for the Committee as follows:—

“This would be only a matter of privilege for the Committee on Publishing Interests, and Mr. Shearer must have been misinformed about the procedure in that Committee. That Committee was given all the details and all information that they asked for with reference to this Bold Adventure; in fact, we have shown the periodicals and there was shown a film about it. It was completely shown to the Committee for their consideration.

I want to clear that and, in the next place, I just simply want to say that it does not appear to me that to refer or try to refer these great matters to a Committee of twelve persons out of his body would be extending democratic procedure, and ask them to bring in a Report for us, and tell us what we ought to do about them. We are for anything that will help to speed the work of The Conference, but to a good legislative result, and it seems doubtful to me if these Councils and Commissions will even have finished their work and their Reports when they get here. Sometimes they have not.

It would be quite difficult, it seems to me, to put into practice, but if it is your will—”

Amendment—Paul V. Shearer ()—Not Adopted*

The proposed amendment of Paul V. Shearer (*) (Iowa-Des Moines—NC), on being put to the vote of The General Conference, was not adopted.

Amendments Withdrawn—Paul V. Shearer ()*

Paul V. Shearer (*) (Iowa-Des Moines—NC) stated that in view of the action of The General Conference, and the tenor of its thinking, he would withdraw the following amendments from the consideration of and action on, by The General Conference, reading as follows:—

Amend that portion of the Proposed Rules dealing with Daily Schedule (Page 468, Column I of *The Daily Christian Advocate*) by adding Rule 3 as follows:

RULE 3. THE COMMITTEE OF CHAIRMEN, BEGINNING WITH THE THIRD DAY OF THE GENERAL CONFERENCE SHALL

SCHEDULE AND HAVE PRINTED IN THE *DAILY ADVOCATE* LISTS OF ITEMS TO BE CONSIDERED UNDER THE CALENDAR FOR THE BUSINESS SESSIONS OF THE DAY.

Amend Rule 28—page 469, column 3, of *Daily Christian Advocate*, at end of first paragraph, by striking "*unless by a two-thirds vote of The Conference an item is taken up out of its order,*" and by inserting:—

"UNLESS UPON RECOMMENDATION OF THE COMMITTEE OF CHAIRMEN WITH APPROVAL OF THE CONFERENCE A DIFFERENT ORDER IS SCHEDULED."

Amendment—Chester A. Smith ()—A. Wesley Pugh—Not Adopted*

Chester A. Smith (*) (New York—NE) moved to amend Report No. 2 of the Standing Legislative Committee on Plan of Organization and Rules of Order by proposing three amendments, which were considered and acted on separately by The General Conference as follows:—

First:—Add the words **"AND PROHIBITION"** to the title of Committee No. 10, page 467, column 1, *DCA* No. 10, so that the title will read, "(10) Temperance **AND PROHIBITION.**"

The motion to thus amend, being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same as follows:—

"I think, as I have said here, prohibition being our final objective on the liquor question, we further ought to retain in the name of this Committee the words **"AND PROHIBITION,"** so it will still remain the Committee on Temperance **AND PROHIBITION.**"

Closes Debate—A. Wesley Pugh—Amendment Not Adopted

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, closed the debate on this proposed amendment, as follows:—

"The Committee on Temperance—you will notice under "The Duties of the Committee on Temperance." it states that all Memorials, and so forth, relating to temperance and prohibition of the liquor traffic—we do not back away from our ultimate ideal on this whole matter, but we have a Board of Temperance, Jurisdictional Boards of Temperance, and Annual Conference Boards of Temperance, and it seemed, at least in the interest of harmonization here, to leave out the words "and prohibition" in the name of the committee.

The Committee on Temperance—it doesn't change its duties at all."

The proposed amendment of Chester A. Smith (*) (New York—NE) on being put to the vote of The General Conference, was not adopted.

Second:—To substitute for the paragraph relating to expenses or methods of travel of men from abroad, Section 3 of VIII Delegates' Expense Account, page 468, column 1, DCA No. 10, the statement,

"THE STANDARD OF TRAVEL SHALL BE THE SAME FOR ALL DELEGATES TO THE GENERAL CONFERENCE."

The motion to thus amend, being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same as follows:—

"In all fairness to the Delegates from abroad, we ought to have them travel in the same kind of accommodations that we have in the United States.

I felt very badly to think that in 1952 we did not do this. I traveled, myself, to this Conference, second class. I sat up all night. I would not take a Pullman or a sleeper because I wanted to identify myself with the men who were coming from abroad, and travel the same second class that they traveled.

I have traveled tourist class on the Atlantic. I have traveled second class on the Atlantic. I have traveled first class on the Atlantic. I have traveled first class on the Mediterranean, and, my friends, tourist class is no good, in spite of what anybody might say. It is not the way we travel to the Conference in this country, and I think we ought to permit the Delegates from abroad to travel first class, the same as we have."

Closes Debate—A. Wesley Pugh—Amendment Not Adopted

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, closed the debate on this proposed amendment, as follows:—

"Now, the next has to do with the travel of the Delegates. If you will notice the first sentence on page 468, under 'Delegates' Expense Account,' the first sentence refers to all Delegates. Brother Smith didn't need to sit up. The Delegates from Overseas and from the United States are entitled to travel first class in this country. When we travel, we all travel the same, or by air coach. That applies to everybody and not to Overseas Delegates. There is no difference made between one Delegate and the other, but to establish some standard for travel overseas, we have inserted in here what we thought would be understood, 'Tourist fare by air,' which is the way almost all of us would go if we were going somewhere and spending the money of the Church. I have done it myself, and it is good travel, and, by ship, the equivalent of round trip cabin-class ship fare.

Now, on the Pacific that might be first class where there is no intermediate class, but on the Atlantic there are, as I understand it, first class—the Bishops don't go first class; they take cabin-class. That is what we want to do, level it out for everybody, and I think this takes care of it."

The proposed amendment of Chester A. Smith (*) (New York—NE), on being put to the vote of The General Conference, was not adopted.

Third:—To delete under the Caption, "3. Membership of Committees," page 467, column 2, DCA No. 10, the following paragraph:—

(2) *Legislative Committees numbered 11 to 15, inclusive (Temperance and Prohibition, Hospitals and Homes, Inter-Denominational Relations and Activities, Judicial Administration, and Ritual and Orders of Worship), shall each consist of two ministers and two laymen from each Jurisdiction, and one minister and one layman from the Delegates representing Annual Conferences outside the United States.*

and substitute therefor the following:—

COMMITTEES 10 TO 15 (TEMPERANCE AND PROHIBITION, HOSPITALS AND HOMES, INTERDENOMINATIONAL RELATIONS AND ACTIVITIES, JUDICIAL ADMINISTRATION, RITUAL AND ORDERS OF WORSHIP, ENABLING ACTS AND LEGAL FORMS) BE COMMITTEES COMPOSED OF THOSE MEMBERS OF THE GENERAL CONFERENCE WHO HAVE SELECTED THEM AS COMMITTEES UPON WHICH THEY DESIRE TO SERVE, RATHER THAN HAVING THESE COMMITTEES APPOINTED BY THE BISHOPS;

AND THAT WHEN COMMITTEES, BOARDS OR COMMISSIONS ARE NOMINATED BY THE BISHOPS THE GENERAL CONFERENCE MAY SUBSTITUTE FOR THE NOMINEES OF THE BISHOPS OTHER NOMINEES AS ITS MEMBERS SO DESIRE OR THAT THEY MAY SUBSTITUTE THEIR NOMINEES FOR THE NOMINEES OF THE BISHOPS AND THAT IF SUCH NOMINEES ARE APPROVED BY THE GENERAL CONFERENCE, THEY SHALL TAKE THE PLACE OF THOSE NOMINATIONS BY THE BISHOPS.

The proposed amendment, being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same as follows:—

"Now, in regard to the matter of the Committees appointed by the Bishops, I think that when The Council of Bishops nominates a Commission or a Committee, we should have the right to nominate from the floor, in place of any nominees they have made, and that we should be permitted to do that. The other night the ruling was that I could not substitute the name of a Negro, Peter J. White, for one of those who were nominated by the Bishops from the Northeastern Jurisdiction. The Presiding Officer that night would not permit the Chairman there to request the Bishops to appoint a Negro. I think we should be permitted to do this."

Closes Debate—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, closed the debate on this amendment as follows:—

"I simply have to say with reference to the proposed amendment to allow nominations from the floor, it would just seem to me, without considering it too carefully, that we would get into quite an involved

situation of a good many ballots. There would be a good many offerings of nominations from the floor. It would result in a ballot election for each one of these Committees that must be raised at the beginning of The General Conference.

I can see the democratic principle involved, but, as a practical proposition, it doesn't seem to me that it would work very well."

Speaks to Pending Question—Merrill B. McFall

Merrill B. McFall (Indiana—NC) spoke to the pending question as follows:—

"The other night Mr. Smith wanted to make a nomination. The Bishop who was presiding could not accept that nomination, not because he was trying to be difficult or arbitrary, but because the action of this body stated that Bishops of each College of Bishops of each Jurisdiction, after consulting with the Lay and Clerical heads of the Delegations, should receive names, and from those names should make nominations. They were limited.

There was no opportunity for nominations from the floor, by order of this body."

Amendment—Chester A. Smith ()—Not Adopted*

The proposed amendment of Chester A. Smith (*) (New York—NE), on being put to the vote of The General Conference, was not adopted.

Amendment—J. Wesley Hole ()—Accepted—A. Wesley Pugh*

J. Wesley Hole (*) (Southern California-Arizona—W) moved to amend Report No. 2 of the Standing Legislative Committee on Plan of Organization and Rules of Order, page 468, Column 1, DCA No. 10, by inserting under, "B. RULES OF ORDER, I Daily Schedule; Section (4)" the words, "EVENING PROGRAMS OR," so that Section (4), as amended, will read:—

(4) 7:30 P.M. EVENING PROGRAMS OR Committee Meetings."

The proposed amendment of J. Wesley Hole (*) (Southern California-Arizona—W) was accepted by A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, for the Committee, there being no objection raised by any member of the Committee, or by any member of The General Conference.

Amendment—Wilford C. Westenberger—Accepted—A. Wesley Pugh

Wilford C. Westenberger (Tennessee—SE) moved to amend Report No. 2 of the Standing Legislative Committee on Plan of Organization and Rules of Order (DB-173),

page 466, column 2, *DCA* No. 10, third paragraph of "(8) Reference," by inserting the words, "**AND, SO FAR AS POSSIBLE, ONLY ONE CHAPTER IN THE DISCIPLINE,**" to follow the words, "general subject," at the beginning of line three of said third paragraph, so that paragraph three, as amended, will read:—

"All Memorials shall be presented in triplicate. Each should deal with only one general subject; **AND, SO FAR AS POSSIBLE, ONLY ONE CHAPTER IN THE DISCIPLINE.**"

Not more than one Memorial should be presented on a single sheet of paper.

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization and Rules of Order, accepted the proposed amendment of Wilford C. Westenberger (Tennessee—SE) for the Committee, no objection being raised by any member of the Committee, or by any member of The General Conference.

Amendment—Fran H. Faber ()—A. Wesley Pugh—Not Adopted*

Fran H. Faber (*) (Minnesota—NC) moved to amend "Rule 36, Presentation of Report of Minority," page 470, column 2, *DCA* No. 10 (DB-174), by inserting after the words "Majority Report has been presented," in line nine, the words, "**AND PERFECTED,**" so that Rule 36, as amended, will read:—

Rule 36. PRESENTATION OF REPORT OF MINORITY

A member selected by the signers of a Report of a Minority of a Committee to present the same, shall have the same rights and privileges in relation thereto which belong to the Chairman in the presentation of the regular (Majority) Report of the Committee, except that he may not present said Minority Report until the Majority Report has been presented, **AND PERFECTED**, and shall then offer it as a substitute therefor, and except, further, that in closing the debate on the question of making the substitution the member presenting the Minority Report shall speak first and the Chairman last.

and made the following statement:—

"I wonder if, under Rule 36, Line 9, the Committee would accept, after the words "Majority Report has been presented," to add the words "**AND PERFECTED.**" I believe that some of your difficulty is that in the discussion of Majority and Minority Reports we were confused on which amendment referred to which."

Closes Debate—A. Wesley Pugh

A. Wesley Pugh (North Indiana—NC), Chairman of the Standing Legislative Committee on Plan of Organization

and Rules of Order, closed the debate for the Committee as follows:—

"I do not think, as Chairman of the Committee, I could accept that. It seems a matter of fairness, when we have a Minority Report, to allow The General Conference to have presented to it not only the Majority Report, but also know what the Minority think at the beginning of the debate.

I think this is right and proper as it is presented here, and would stand on this."

Amendment—Fran H. Faber ()—Not Adopted*

The proposed amendment of Fran H. Faber (*) (Minnesota—NC), on being put to the vote of The General Conference, was not adopted.

Report No. 3, Plan of Organization and Rules of Order—Adopted As Amended

Report No. 3 of the Standing Administrative Committee on Plan of Organization and Rules of Order was adopted, as amended. For Report see Appendix, page 1228.

Nominations Council of Bishops—Bishop Frederick B. Newell

Bishop Frederick B. Newell of the New York Area, Northeastern Jurisdiction, was recognized, and stated that The Council of Bishops desired to make changes in their previous nominations for the Commission on the Educational Emphasis of the Quadrennial Program, and on the Commission to Study and Recommend Action Concerning the Jurisdictional System, elected Friday night, May 4, 1956, and on motion of Lud H. Lynn H. Corson (New Jersey—NE) presented the following Resolution of Commendation of Caradine R. Hooton (DB-176), and on motion of W. Ralph Ward (Pittsburgh—NE) it was adopted and ordered printed in the Journal, as follows:—

"Mr. Chairman and Members of the Conference: Just one brief Resolution before we begin the Calendar.

COMMENDATION OF CARADINE R. HOOTON

Be It Resolved, That Methodism is indebted to Dr. Caradine R. Hooton and the Staff of the General Board of Temperance for the wise and constructive leadership they are giving to the Church in this difficult but very necessary field.

That the Church is fully alerted to the dangers inherent in our present situation and it is prepared to meet the challenge of the liquor traffic through a Program of Education and Commitment is largely due to the leadership of Dr. Hooton and his co-workers.

Your Committee on Temperance would like to commend our leadership in this Special Field, and that this commendation become the action of this General Conference."

(Signed) Lynn H. Corson, Chairman

No. 4—Temperance and Prohibition—"District Director Of Temperance"—Lynn H. Corson—Corrected—Adopted

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 4 of the Committee, Calendar No. 83, Subject, "District Director Of Temperance," *DCA* No. 8, page 375, columns 2 and 3, and requested that the word, "*the*" be deleted at the end of next to the last line in Paragraph 1543, so that Paragraph 1543, as amended, will read:—

Paragraph 1543. There shall be a District Director of Temperance in each District, appointed by the District Superintendent and publicly assigned by the Bishop to carry forward the work of Temperance in the several Districts of the Annual Conference. Should a vacancy occur in this office during the Conference year, such vacancy may be filled by appointment of the District Superintendent.

The General Conference unanimously approved the requested deletion of the word "*the*."

On the motion of Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, Report No. 4 was adopted, as amended. For Report see Appendix, page 1725.

Amendment Proposed—Chester A. Smith ()—Bishop Ivan Lee Holt*

Chester A. Smith (*) (New York—NE) stated he would like to offer an amendment, and Bishop Ivan Lee Holt, the Presiding Officer, replied that Report No. 4 had already been adopted, and that he was sorry he had not seen him in time for his proposed amendment.

**No. 5—Temperance and Prohibition—"Commitment Day"—
Lynn H. Corson—Amendment—Mrs. Helen C. Waters—
Not Adopted—Report Adopted**

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 5 of the Committee, Calendar No. 84, Subject, "Commitment Day," DCA No. 8, page 376, column 1, and moved its adoption. The motion was duly seconded.

Proposed Amendment—Mrs. Helen C. Waters ()—Lynn H. Corson—Not Adopted*

Mrs. Helen C. Waters (*) (Delaware—C) moved to amend Report No. 5 of the Standing Legislative Committee on Temperance and Prohibition, as follows:—

To enlist Methodists and encourage others to commit themselves to personal abstinence from alcoholic beverages and to challenge church members to creative action for a sober home and social life:—

I move that there shall be two Special Days of Commitment, each year, to be promoted by the General Board of Temperance through the Jurisdictional and the Annual Conference Boards of Temperance. These days shall be designated as Commitment Days and shall be observed on the first Sunday in December and the first Sunday in June; because they shall be primarily spiritual observances, it is suggested that no Special Temperance Offering be taken but special sermons be preached on that day.

The proposed amendment of Mrs. Helen C. Waters (*) (Delaware—C) being duly seconded, she spoke to the same as follows:—

"While I am deeply interested in all phases of our great Church, and I am happy to be able to say Our Great Church with freedom, I am deeply interested in this question on temperance.

For ten years I have led the fight against alcohol in my own community, and one time had my home set on fire because of it. I would have this Conference know that that did not stop me. I simply added on more insurance and went out to fight harder.

Our 1952 *Discipline* reads: 'We should promote a vigorous Program of Temperance Education.' In spite of that and since 1952, the use of alcoholic beverages in our church homes have been on the increase by our social cocktail parties and our spiked wedding receptions. As I travel about, I inquire as to the Educational Program in our Local Churches. I have talked to a great many since being here at our General Conference.

I have been shocked to learn so little attention is being paid to Commitment Day or even Temperance Sermons. I have heard some say that it is a hard matter to even get a Committee on Temperance in their church.

Considering the increased drinking in our high schools and by our young people, yet we sit by idly and let taverns come into our own communities without a dissenting word or point.

So, Mr. Chairman, I hope that instead of one Commitment Day, we will have two. I would like for it to be in the week of Family Week, but I find that our three Sundays in June are taken. Mr. Chairman, I would like to see this amendment passed, because we need more than one there, we need more than one outside."

Closes Debate—Lynn H. Corson

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, closed the debate for the Committee as follows:—

"Of course, Mr. Chairman, the Committee on Temperance heartily approves of the sentiments in this request, but reminds you that the Co-ordinating Council has already designated one Commitment Day and their Report No. 2 has already been adopted."

Proposed Amendment Mrs. Helen C. Waters Not Adopted—Report Adopted

The proposed amendment of Mrs. Helen C. Waters (*) (Delaware—C), on being put to the vote of The General Conference, was not adopted.

Report No. 5 was adopted. For Report see Appendix, page 1726.

No. 6—Temperance and Prohibition—"Abstinence From Alcoholic Beverages And Official Board Members"—Lynn H. Corson—Proposed Amendment Chester A. Smith (*) —Not Adopted—Report Adopted

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 6 of the Committee, Calendar No. 85. Subject, "Abstinence From Alcoholic Beverages And Official Board Members," DCA No. 8, page 376, columns 1 and 2, and moved its adoption. The motion was duly seconded.

Chester A. Smith (*) (New York—NE) moved to amend Report No. 6 of the Standing Legislative Committee on Temperance and Prohibition, by deleting Paragraph 2023 as it appears in Report No. 6, reading as follows:—

Paragraph 2023. Abstinence Among Church Leaders. It is recommended that no member be nominated for or appointed to any official position in the Church or Church School who is not a morally disciplined person, with special reference to total abstinence from alcoholic beverages.

and to substitute the following (DB-177) :—

A QUALIFICATION FOR MEMBERSHIP ON THE OFFICIAL BOARDS OF METHODIST CHURCHES SHALL BE ABSTINENCE FROM THE USE OF INTOXICATING LIQUORS.

The proposed amendment of Chester A. Smith (*) (New York—NE), being duly seconded, he spoke to the same as follows:—

"Mr. Chairman, I presented a similar proposition to The General Conference back in 1952.

The Conference did not adopt my proposition, but it did re-write it by saying that the members of Official Boards shall be those who are morally disciplined persons, with a special reference to abstinence from intoxicating liquors.

That was a piece of literary legerdemain worthy of the most astute drafter of any political platform. But it was not worthy and is not worthy of The Methodist Church. We cannot win this fight against the liquor traffic by having our churches led by men who drink. Every drinker of intoxicating liquor is a consorter with the enemy. We cannot win this fight any more than soldiers could win a fight in a war, if they are led by officers who are consorters with the enemy.

If it be urged, and it was urged, I think, in San Francisco, that if my proposition were adopted there would not be enough men in our Methodist churches who will truly be total abstainers to make a complete Official Board membership in any church—that is a tragic situation. Any church which has not sufficient total abstainers to make up the membership of the Official Board, is in a very bad way.

And I submit, Mr. Chairman and Members of The Conference, that we do not win this fight by numbers. I do not care whether we have a full membership on the Official Boards, or not, if they are not total abstainers. God did not tell Gideon to win his fight by increasing the number of his followers, but by decreasing them! The same principle is true and ought to apply in The Methodist Church today. I hope it will by the adoption of my amendment."

The proposed amendment of Chester A. Smith (*) (New York—NE), on being put to the vote of The General Conference, was not adopted.

Report No. 6 was adopted. For report see Appendix, page 1727.

No. 7—Temperance and Prohibition—"Temperance Crusade" —Lynn H. Corson—Withdrawn

Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 7 of the Committee, Calendar No. 86, Subject, "Temperance Crusade," DCA No. 8, page 376, column 2, and requested permission of The General Conference to withdraw Report No. 7, because the Program for the Quadrennium had already been established by the adoption of Report No. 1 of the Co-ordinating Council.

The General Conference unanimously granted the request, and Report No. 7 was withdrawn from consideration of and action on by The General Conference. For Report see Appendix, page 1727.

No. 8—Temperance and Prohibition—"Changes In Personnel Of General Board Of Temperance"—Lynn H. Corson—Adopted

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 8 of the Committee, Calendar No. 87, Subject, "Changes In Personnel Of General Board Of Temperance," *DCA* No. 8, page 376, columns 2 and 3, and on his motion, duly seconded, Report No. 8 was adopted. For Report see Appendix, page 1728.

No. 9—Temperance and Prohibition—"Continuing Legislation Now In Operation"—Lynn H. Corson—Adopted

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, presented Report No. 9 of the Committee, Calendar No. 88, Subject, "Continuing Legislation Now In Operation," *DCA* No. 8, page 376, column 3 and page 377, column 1, and requested unanimous common consent to delete Paragraph 2020 found at the close of Report No. 9, which reads as follows:—

"Paragraph 2020, Section 12. What is the statement on Temperance found in the Social Creed."

because it is already contained in Report No. 3 of the Standing Legislative Committee on State of the Church, Subject, "The Social Creed."

Unanimous common consent was given by The General Conference for the deletion of Paragraph 2020 of Report No. 9.

Report No. 9 was adopted, on motion of Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, duly seconded. For Report see Appendix, page 1729.

For Report see Appendix, page 1730.

No. 1—Temperance and Prohibition—Memorial—Lynn H. Corson—Adopted

Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, moved the adoption of a Memorial that had inadvertently been overlooked by the Committee, in order to clear the Calendar for the Standing Legislative Committee on Temperance and Prohibition, stating that the substance of the Memorial appears in Report No. 1 of the Committee, Calendar No. 80, *DCA* No. 8, page 373, column 3, and page 374, columns 1, 2 and 3. The motion, duly seconded, prevailed. For Report see Appendix, page 1718.

Resolution Re Film "Far From Alone"—Harry O. Ritter—Adopted

On motion of Harry O. Ritter (Kansas—SC), duly seconded, the following Resolution was adopted concerning the sound film, "Far From Alone" (DB-178) :—

Be It Resolved, That The General Conference give the approval to the super-sound film "Far From Alone" and for other excellent aids produced by the General Board of Temperance; that we urge the use of the film "Far From Alone" for use in local churches, and in so far as possible in the high schools of our several communities.

Resolution Re Inter-State Advertising of Alcoholic Beverages—Lynn H. Corson—Adopted

On motion of Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee on Temperance and Prohibition, duly seconded, the following Resolution regarding Inter-State Advertising of Alcoholic Beverages was adopted (DB-179) :—

Whereas, the Churches of our beloved America work for the creation of a responsible society; and

Whereas, Christians desire that all children and persons be protected as far as possible, from the evils of liquor and narcotics; and

Whereas, the advertising of alcoholic beverages through public, Inter-State media, particularly radio and television broadcasting, so penetrates the home life of the people, in both wet and dry areas, so as to make drinking seem harmless and acceptable; and

Whereas, beveraged alcohol is a major threat to the health, safety, security and moral welfare of persons and families; and,

Whereas, drinking is so directly linked with delinquency, crime and economic dependency as to retard spiritual growth, social progress and the development of healthy relationships among men and nations

Therefore Be It Resolved, That The General Conference of The Methodist Church now in session urge the proper Committees of the 84th Congress of the United States of America to press for open debate on the floor of the House of Representatives and Senate the proposed legislation which would outlaw the Inter-State advertising of alcoholic beverages.

*Amendment—C. Anderson Davis—Ruling—Out of Order—
Bishop Ivan Lee Holt*

C. Anderson Davis (East Tennessee—C) moved to add to the Resolution just adopted an amendment authorizing the General Board of Temperance to publish the magazine, "A Voice," in order to carry out the spirit of the Resolution.

Bishop Ivan Lee Holt, the Presiding Officer, ruled that the Resolution would have to be reconsidered before this could be done.

On being put to the vote of The General Conference, the Resolution was not reconsidered, and Bishop Ivan Lee Holt, the Presiding Officer, ruled that the proposed amendment of C. Anderson Davis (East Tennessee—C) would not be in order.

This completed the work of the Standing Legislative Committee on Temperance and Prohibition.

**No. 8—Temperance and Prohibition—"Youth Members General Board Of Temperance"—Chester A. McPheeters—
Lynn H. Corson—Caradine R. Hooton—Members at Large**

Chester A. McPheeters (Detroit—NC) asked questions which were answered by Lynn H. Corson (New Jersey—NE), Chairman of the Standing Legislative Committee of Temperance and Prohibition, as follows:—

"I should like to inquire as to Report No. 8, page 376, *Daily Christian Advocate*, Calendar No. 87, of the Committee on Temperance and Prohibition, to ask the Committee if this Report does not increase the membership on your Board?

Bishop Holt: That is Calendar 87, Report 8. Does this increase the membership?

Lynn H. Corson: No, it does not, Dr. McPheeters.

Chester A. McPheeters: I beg your pardon. As we read it, and the Secretary called it to my attention, you have added two Youth Members.

Lynn H. Corson: I think the Youth Members are not added, but the method of their election is being changed.

Chester A. McPheeters: The *Discipline* of 1952 does not provide for Youth Members. Maybe it should. But you can put them in your Members-at-Large. I call your attention again to the action of this Conference. I think this needs to be reconsidered, Mr. Chairman.

Lynn H. Corson: I should like to have our General Secretary speak to this point, Mr. Chairman."

No. 8—Temperance and Prohibition—"Changes In Personnel Of General Board Of Temperance"—Reconsidered—Method of Election Changed—Re-Adopted

On motion of Lynn H. Corson (New Jersey—NE), duly seconded, The General Conference reconsidered Report No. 8 of the Standing Legislative Committee on Temperance and Prohibition, Calendar No. 87, Subject, "Changes In Personnel Of General Board Of Temperance," DCA No. 8, page 376, columns 2 and 3, in order that Caradine R. Hooton (Oklahoma—SC), General Secretary of the General Board of Temperance of The Methodist Church, might speak to the pending matter.

Caradine R. Hooton (Oklahoma—SC), General Secretary of the General Board of Temperance of The Methodist Church, spoke to the pending question as follows:—

"Mr. Chairman and Friends: We would not want to violate the spirit of any Resolution previously passed, nor would we want to transcend by indirection what The Conference by direction has ordered us to do.

Therefore, we would not object to the understanding that this would not increase the number of our Board personnel. We will consider preferably the addition of two Youth Members through the methods suggested; namely, the possible election of the five Members-at-Large.

The reason I say that, even though it handicaps us, we want the young people to know that we need them and that we are happy to comply with the request which they have made, which we simply incorporated in this bit of legislation.

Bishop Holt: Dr. McPheeters, does that satisfy you?

Chester A. McPheeters: Yes, that is acceptable."

Report No. 8 of the Standing Legislative Committee on Temperance and Prohibition was then re-adopted. For Report see Appendix, page 1728.

Loyalty Oaths—Harold A. Bosley—Everett W. Palmer—Charles S. Kendall—Adopted

Harold A. Bosley (Rock River—NC), Vice-Chairman of

the Standing Legislative Committee on State of the Church, made a request, which was granted, as follows:—

“Mr. Chairman, a matter of great importance has been called to the attention of the Executive Committee of the State of the Church, and I would ask you in the name of that Committee to recognize for a statement to be printed among Miscellaneous Resolutions, Dr. Everett Palmer of the Southern California-Arizona Conference.”

Resolution Re Loyalty Oaths—Everett W. Palmer—Adopted

Everett W. Palmer (Southern California-Arizona—W) presented a Resolution concerning loyalty oaths (DB-180), and moved that it be published in the 1956 *Discipline* among Miscellaneous Resolutions, as follows:—

Be It Resolved, That we protest legislation requiring the loyalty oath of any church to any State or Nation. The Church must be in the world but not of it. She belongs to no class, nation or race. She belongs to Christ. The Church cannot serve two masters. She can obey but one, Jesus Christ. The Church must be free to bring all persons and institutions under the judgment of the Gospel. In so far as the State is righteous, it has nothing to fear from the Church.

In loyalty to her Lord the Church will be its grave and sturdy ally. But in so far as a State seeks to dominate the Church must resist. Freedom is secure and justice is maintained only as the Church lives and works among men, not as a creature subservient to the State, but as a free, unintimidated voice, speaking for Almighty God in opposition to error and evil, and in support of truth and righteousness.

The motion being duly seconded, Everett W. Palmer (Southern California-Arizona—W) spoke to the same, as follows:—

“Mr. Chairman and Members of The Conference: This is a matter of supreme urgency. Already legislation requiring loyalty oaths of churches has been enacted in the State of California. It is reported such legislation is under consideration by other States in this nation.

We believe that this legislation requiring the loyalty oath of churches is in violation of the basic Americanism established by our founding fathers, who, knowing the tendency of a State or government toward over-weakening power, believed this should be a nation under God, not instead of God, and in the light of recent world events, all of us have reason to know that no State will long honor and maintain the rights and dignity of an individual unless it gives its allegiance to a law higher than its own self-interests and to an authority greater than its own powers.

I hope we will support this statement.”

Speaks for Resolution—Harold A. Bosley—Charles S. Kendall

At the request of Harold A. Bosley (Rock River—NC) Charles S. Kendall (Southern California-Arizona—W) spoke to the Resolution, as follows:—

"Mr. Chairman, we have gone into this and believe it should be adopted. We believe it would strengthen a good many of our Churches in a good many States."

The General Conference adopted the proposed Resolution of Everett W. Palmer (Southern California-Arizona—W).

Question—Frank C. Love ()—Answer—Harold A. Bosley*

Frank C. Love (*) (Central New York—NE) asked a question, which was answered by Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, as follows:—

"Mr. Chairman, I sought to get the microphone after the Chairman. May we have the Chairman presenting this interpret that for us because I am sure we did not understand what he was attempting to do.

With reference to the addition of this statement which is in connection with this Report.

Harold A. Bosley: The motion was that this be published among Miscellaneous Resolutions. The Executive Committee in dealing with it felt that it was an important matter that would have to be dealt with by the Committee on the State of the Church. Since we were no longer in session, we asked that it be presented directly to this body. It has been done. The body has acted upon it, and I think it is clear to all."

No. 2—State of the Church—"Religion And Public Schools"
—Harold A. Bosley—Amendment Chester A. Smith (*)
—Not Adopted—Report Adopted

Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, presented Report No. 2 of the Committee, Calendar No. 177, Subject, "Religion And Public Schools," DCA No. 10, page 474, column 2, and moved its adoption. The motion to adopt was duly seconded.

Amendment—Chester A. Smith ()—Not Adopted*

Chester A. Smith (*) (New York—NE) moved to amend Report No. 2 by adding the following (DB-181):—

We petition Congress to vote no federal aid to any State which refuses to comply with the Decision of the United States Supreme Court declaring segregation in the public schools unconstitutional and unlawful, and which in order to avoid complying with such Decision abolishes its public schools. Let those who will not comply with the Decision of the United States Supreme Court take responsibility for having their States lose whatever money would otherwise come to them if they had complied with the Decision of the United States Supreme Court."

The motion to thus amend was duly seconded, but on being

put to the vote of The General Conference, was not adopted.

Report No. 2 was adopted. For Report see Appendix, page 1694.

**No. 5—State of the Church—"Structure Of Boards"—
Harold A. Bosley—Amended—Adopted**

Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, presented Report No. 5 of the Committee, Calendar No. 179, Subject, "Structure Of Boards," DCA No. 10, page 475, column 3 and page 476, column 1, and requested the privilege of deleting Section 2, DCA No. 10, page 476, column 1, which reads as follows:—

2. That there be established, as soon as possible, in the Annual Conference an Inter-Board Commission on Christian Social Relations whose duties will comprise those assigned to the Committee on World Peace, Committee on Social and Economic Relations and the Committee on Temperance.

and to substitute therefor a paragraph adopted this morning in the adoption of Report No. 7 of the Standing Legislative Committee on Conferences, Calendar No. 126, Subject, "Unifying Work of Boards of World Peace, Temperance and Social and Economic Relations," DCA No. 9, page 412, column 2, and which reads as follows:—

"An Annual Conference may, if it so desires, unify into one Board of Christian Social Relations the functions and concerns of any two or all of the following Boards: Board of World Peace, Board of Temperance, and Board of Social and Economic Relations."

The General Conference unanimously granted the request and on motion of Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, Report No. 5 was adopted as amended. For Report see Appendix, page 1705.

**Reconsider "Loyalty Oaths"—Harold C. Phend (*)—Bishop
Ivan Lee Holt—Not Adopted**

Harold C. Phend (*) (Northwest Indiana—NC) asked a question about the Resolution concerning "Loyalty Oaths" adopted in conjunction with consideration of and action on Report No. 2 of the Standing Legislative Committee on State of the Church, Calendar No. 177, Subject, "Religion And Public Schools," DCA No. 10, page 474, column 2, which was answered by Bishop Ivan Lee Holt, the Presiding Officer, as follows:—

"I would like to share my ignorance with the Members of The Conference and ask a question in connection with Calendar No. 177, page 474, *Daily Christian Advocate*, the second column, Report No. 2.

In the speech that was made in connection with that there was mention made of Loyalty Oaths. There is nothing in this Report that indicates anything in regard to Loyalty Oaths. Is that a part of the Report, may I ask?

Bishop Holt: It was, I think, a separate Resolution which was introduced because the Chairman of the Committee said if it had been before the Committee there would have been a Report. He requested that permission be given to introduce that as a separate and Special Resolution. It was not a part of the Report.

Harold C. Phend: If we passed on the Resolution, I would like to ask the permission of this Conference to reconsider it.

Bishop Holt: Would you state your reason for wanting reconsideration?

Harold C. Phend: The reason is primarily that in the minds of us Laymen, when you mention oaths, Loyalty Oaths, there are some of us who have the feeling that when we are opposed to Loyalty Oaths in some minds there is a question as to whether we have some disloyalty to our government that protects us, and I think there are many Laymen who are not in favor of passing loyalty oaths without considerable discussion and careful consideration."

The motion of Harold C. Phend (*) (Northwest Indiana—NC), duly seconded, on being put to the vote of The General Conference, was not adopted.

No. 5—State of the Church—"Structure Of Boards"—Question—G. Lemuel Fenn—Answer—Harold A. Bosley

G. Lemuel Fenn (Oklahoma—SC) raised a question about Report No. 5 of the Standing Legislative Committee on State of the Church, Calendar No. 179, Subject, "Structure Of Boards," DCA No. 10, page 475, column 3, and page 476, column 1, adopted a short while ago, which was answered by Harold A. Bosley (Rock River—NC), Vice-Chairman of the Standing Legislative Committee on State of the Church, as follows:—

"Relative to the State of the Church Report, which is on page 476, *Daily Christian Advocate*, I know we passed it. I don't know whether to ask for a reconsideration or not. If the Chairman would let me put in a word or two, I think it would be all right. It is on page 476, *Daily Christian Advocate*, right at the very top of the first column, Item No. 2. We were talking about substituting some other matters for paragraph 1, and this one got by in too big a hurry.

It would seem to me to say that it is mandatory that these Boards, that this Inter-Board Commission be set up as soon as possible. I wonder if that is definitely permissive or if the words should be in that Paragraph which are in Paragraph No. 1 that there be established where desired in the Annual Conferences and so forth; and if the Chairmen would let that go in, I sure wish it would.

Harold A. Bosley: Is he talking about Point 2? We were simply asking the right to insert there the action of this General Conference taken earlier this day which was permissive and that was clearly our intention. It is permissive.

G. Lemuel Fenn: Thank you, sir. I am sorry."

No. 6—Ministry—"Chaplains"—James S. Chubb—Amendment—Chester A. Smith (*)—Not Adopted—Report Adopted

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, presented Report No. 6 of the Committee, Calendar No. 100, Subject, "Chaplains," DCA No. 8, page 380, column 1, and moved its adoption. The motion was duly seconded.

Chester A. Smith (*) (New York—NE) moved to amend Report No. 6 of the Committee by adding the following sentence at the close of Paragraph 1582 in the black-

face type, page 380, column 1, DCA No. 8:—

“THAT THE COMMISSION BE INSTRUCTED TO SEEK FROM THE FEDERAL GOVERNMENT A CHANGE IN THE STATUS OF METHODIST CHAPLAINS WHEREBY THEY MAY WEAR A DISTINCTIVE UNIFORM OF THE CHURCH, AND BE SUPPORTED BY THE CHURCH.”

The motion was duly seconded, but on being put to the vote of The General Conference, was not adopted.

Report No. 6 was adopted. For Report see Appendix, page 1550.

No. 7—Ministry—“Recommended Changes In The 1952 Discipline Pertaining To The Ministry In The Methodist Church”—James S. Chubb—Wilson O. Weldon—Lemuel K. Lord—H. Paul Mathison—Allen B. Rice—Chester A. Smith (*)—J. Henry Chitwood—Robert G. Mayfield (*)—J. Earl Moreland (*)—Paul D. Chiles—Waight G. Henry, Jr.—Chester A. Smith (*)—William B. Robinson—Adopted

Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, presented Report No. 7 for the Committee, Calendar No. 128, Subject, “Recommended Changes In The 1952 *Discipline* Pertaining To The Ministry In The Methodist Church,” DCA No. 9, page 412, column 3; page 413, columns 1, 2 and 3; page 414, columns 1, 2 and 3; page 415, columns 1, 2 and 3; page 416, columns 1, 2 and 3; page 417, columns 1, 2 and 3, and page 418, columns 1, 2 and 3, and moved its adoption, after explaining the changes. The motion was duly seconded.

Question—Wilson O. Weldon—Answer—James S. Chubb

Wilson O. Weldon (Western North Carolina—SE) asked questions which were answered by James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee, as follows:—

“On page 416, *Daily Christian Advocate*, column 1, Sub-section 1, and Paragraph 393, and also at the top of Column 2, under Sub-section 3, and also in Column 3, in Paragraph 402, in each instance there is a reference to taking the Course of Study under the supervision of the Conference Board of Ministerial Training and Qualifications.

I want to ask this question for clarification: do these permit an Annual Conference Board of Ministerial Training and Qualifications to give these Courses of Study, or is each Conference Board of Ministerial Training and Qualifications required to channel through the Conference Board?

James A. Chubb: I understand that is true. We were somewhat divided, but we came through with this, as you see.

Wilson O. Weldon: My understanding is it is left up to the Annual Conference Board; in other words, all Courses of Study must be on channels through the Department of Ministerial Training?

James A. Chubb: Yes."

Proposed Amendment—Lemuel K. Lord—Not Adopted

Lemuel K. Lord (New England—NE) moved to amend Paragraph 341, page 415, column 3, DCA No. 9, Section A of said Paragraph 341, by deleting the words, "*under regular appointment*," in line one of said Section A, and substituting therefor the words, "**IN A CHURCH**," and further to inserting the words, "**OR THE FIELD WORK SUPERVISION OF A THEOLOGICAL SEMINARY ACCREDITED OR APPROVED BY THE UNIVERSITY SENATE**," to follow the words "a District Superintendent," in lines two and three of the aforesaid Section A, Paragraph 341, so that the amended Section A will read (DB-183) :—

"(a). Serve **IN A CHURCH** under the supervision of a District Superintendent **OR THE FIELD WORK SUPERVISION OF A THEOLOGICAL SEMINARY ACCREDITED OR APPROVED BY THE UNIVERSITY SENATE** in one of the positions specified in paragraph 432, for at least two years since being admitted on trial."

The proposed amendment of Lemuel K. Lord (New England—NE), being duly seconded, Lemuel K. Lord (New England—NE) spoke to the same as follows :—

"It seems to me, Mr. Chairman and Members of The Conference, that it would be a great advantage for the school areas to recognize the Field Supervisor where his work is fully accredited, as being able to give supervision equal to that of a District Superintendent.

I think The Methodist Church would benefit and be able to hold many young men that it now loses because they lose time under our present system."

Closes Debate—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, closed the debate for the Committee, as follows :—

"Mr. Chairman, that simply was not before us. We had no way of being able to discuss it. I know nothing of the relative values."

The proposed amendment of Lemuel K. Lord (New England—NE), on being put to the vote of The General Conference, was not adopted.

Amendment—H. Paul Mathison—Not Adopted

H. Paul Mathison (Alabama—SE) moved to amend re-

port No. 7, page 415, column 1, *DCA* No. 9, Paragraph 322, Section 2, by deleting the words,

"one fourth of the work required for a Bachelor of Divinity or equivalent Degree in a theological school,"

and substituting therefor,

"FOUR YEARS OF COLLEGE WORK IN A COLLEGE OR UNIVERSITY,"

so that Section 2 of Paragraph 322, as amended, will read:—

"(2). Have completed at least FOUR YEARS OF COLLEGE WORK IN A COLLEGE OR UNIVERSITY accredited or approved by the University Senate."

The proposed amendment of H. Paul Mathison (Alabama—SE) being duly seconded, Paul H. Mathison (Alabama—SE) spoke to the same as follows:—

"Paragraph 401 spells out that a person can be Admitted or Ordained Elder without having completed his seminary work, and this particular Paragraph means you are limiting a large number of young men who have struggled to complete their four years' college work, and some of our Annual Conferences have provisions whereby men On Trial receive from \$400 to \$500 more than those as Approved Supplies on the Minimum Salary Schedule.

It seems to me that if we could Admit them as they are now and then encourage them with the provision that is laid down here, to go on and complete their work in the seminaries, that we would get men, and at the same time help them to go through their seminary work.

I move that we have this amendment adopted."

Closes Debate—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, closed the debate as follows:—

"Mr. Chairman, that was before us. That is the way we put it down. This is the way we voted. It is one of the many things. We could go 'round, and 'round, and 'round, and never be wholly satisfied. I hope you keep the Committee Report as it is."

The proposed amendment of H. Paul Mathison (Alabama—SE), on being put to the vote of The General Conference, was not adopted.

Statement—Allen B. Rice

Allen B. Rice (Northwest Indiana—NC) made the following statement:—

"I simply want to make protest at this hour of the Conference that

this important thing in the Report was left out at a time when we ought to have had a chance to have proper debate and consideration of it."

Questions—Chester A. Smith ()—Answers—James S. Chubb*

Chester A. Smith (*) (New York—NE) asked a question which was answered by James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, as follows:—

"I desire to ask the Chairman whether or not on page 415, *Daily Christian Advocate*, column 1, near the middle of the page (5), "Are you willing to make a complete dedication of yourself," and so forth, is there any change made in our present *Discipline* against preachers smoking?"

James S. Chubb: There isn't. This is one place you can rest in peace. You are with the majority. No change.

Chester A. Smith: I didn't hear that.

James S. Chubb: No change.

Chester A. Smith: Thank you very much. I am very happy."

Question—J. Henry Chitwood—Answer—James S. Chubb

J. Henry Chitwood (North Alabama—SE) asked a question which was answered by James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, as follows:—

"I want to ask Dr. Chubb—in the middle column on page 415 *DCA*, paragraph (A) under 3, "sixty semester hours"—I understand in the Committee—

James S. Chubb: Dr. Chitwood, you are right. In the footnotes, this will follow. It will read this way: "In those Conferences where Committees have made"—this provision will not apply. There will have to be Annual Conferences in 1958. I thought we had cleared that."

(Note:—On page 123, 1956 *Discipline* of The Methodist Church, see footnote to Section 3, which reads, as follows:—

"In raising this requirement The General Conference of 1956 provided that where a commitment had already been made on the basis of thirty semester hours the new requirement should not take effect until after the Annual Conference session of 1958."

Correction—Robert G. Mayfield ()—James S. Chubb*

Robert G. Mayfield (*) (Southwest Missouri—SC) made the following correction:—

"The Chairman, in explaining this legislative proposal, made reference to the Board of Lay Activities and its work and concern with Local Preachers. I think that was a slip of the tongue. We are working with Lay Speakers.

James A. Chubb: Very well, Lay Speakers. Thank you, sir, for the correction."

Amendment—Waight G. Henry, Jr.—James S. Chubb—J. Earl Moreland ()—Paul D. Chiles—Not Adopted*

Waight G. Henry, Jr. (North Georgia—SE) moved to

amend Report No. 7 (DB-185) by deleting the words, "*or by the State Accrediting Agency*," found in line four of (a), Section 2, Paragraph 315, page 414, column 2, DCA No. 9, and in lines five and six in (b), Section 6 of Paragraph 315, page 414, column 3, DCA No. 9, so that Sections (a) and (b), as amended will read:—

(a) Approved Student Supply Pastors who are in schools, colleges or seminaries **accredited or approved by the University Senate** preparing for Conference membership;

(b) each succeeding year he shall be enrolled as a regular full-time student in a pre-theological or theological course in a college, university, or seminary **accredited or approved by the University Senate**, or have passed one full year of the Course of Study looking to full Ordination. Failure to complete one full year annually shall cause suspension of this privilege. In all missionary fields abroad the conferring of such authorization shall rest with the Central Conference in which the Pastor serves.

The proposed amendment of Waights G. Henry, Jr. (North Georgia—SE) being duly seconded, Waights G. Henry, Jr. (North Georgia—SE) spoke to the same as follows:—

"Mr. Chairman, we ought to support the schools that are approved by the University Senate of The Methodist Church and bring into our ministry men who are trained in those schools, rather than to encourage men to attend schools that are not recognized by the University Senate of The Methodist Church. We already have men in our Conferences who have attended some of these fly-by-night colleges, that have State recognition but are not accredited by any Regional Association or by the University Senate."

Speaks to Proposed Amendment—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, spoke to the pending amendment as follows:—

"Mr. Chairman, that also was considered very thoroughly in our Committee. We do not think it hurts the University Senate one bit. Many colleges have State accreditation. They can go from there to our colleges and seminaries."

Personal Privilege—J. Earl Moreland ()*

J. Earl Moreland (*) (Virginia—SE), speaking to a point of personal privilege, made the following statement:—

"We have had it under the Board of Education for seventeen years. I call to your attention this is a very important matter. These State accrediting agencies cannot be depended upon. I hope we defeat this plan and vote for the amendment."

Answer—James S. Chubb

James S. Chubb (Nebraska—SC) spoke to the pending matter as follows:—

"Out of fairness to that, it ought to be said it doesn't hurt a thing. It is one of those places where men disagree. Methodism will be hurt if you sustain this amendment and nobody will be hurt through Standard Agencies. That should be said. It came out in the Committee repeatedly."

Speaks to Amendment—Paul D. Chiles

Paul D. Chiles (Ohio—NC) spoke to the proposed amendment of Waights G. Henry, Jr. (Alabama—SE) as follows:—

"May I say that this grew out of a problem which we face in which a college which was approved by our Ohio State University and Marshall College in West Virginia approved the credits by that institution—they were not on our University Senate and involved vital matters of baptism and administration of the Sacraments, and we felt there would be no violation of anything that the University stood for if these institutions were approved by Ohio State University, by Athens, or Ohio University at Athens, by Miami University at Oxford, and Marshall College in West Virginia."

Amendment—Waights G. Henry, Jr.—Not Adopted

The proposed amendment of Waights G. Henry, Jr. (North Georgia—SE), on being put to the vote of The General Conference, was not adopted.

Amendment—Chester A. Smith ()—Not Adopted*

Chester A. Smith (*) (New York—NE) moved to amend Report No. 7 by changing the words, "*lay speaker*," to "**LAY PREACHER**," in Report No. 7, or wherever it occurs in the *Discipline* of The Methodist Church (DB-186).

The proposed amendment of Chester A. Smith (*) (New York—NE), being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same as follows:—

"The word '*speaker*' does not signify or carry a connotation to the general public of the person speaking on a religious theme or presenting a religious address or exhortation. A speaker can speak on anything. The word '**preacher**' signifies a presentation of a religious theme or address, or exhortation. It is so understood by the general public, and we must take into consideration the general public in matters of this kind.

If a Layman is to be set apart in any way as one who will give religious addresses, as it evidently was intended to be done when the term '*lay speaker*' was written into the *Discipline*—the word '**preacher**' is the only word by which he should be designated if his work or standing is to have any meaning to the general public, or indeed to the people of The Methodist Church.

Methodism began with Lay Preachers. Lay Preachers made The Methodist Church. Many men are as able to preach now as preachers were able to preach in the early days of the beginning of Methodism, and this fact ought to be recognized by The General Conference, by seeking to have the word '*speaker*' changed to '**LAY PREACHER**.'"

The proposed amendment of Chester A. Smith (*) was not adopted.

Question—William B. Robinson—Answer—James S. Chubb

William B. Robinson (North-East Ohio—NC) asked if the Paragraph number 345 under Section (E) at the bottom of page 415, column 3, DCA No. 9, should not read "Paragraph 343?"

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, stated that Paragraph 343 was correct, as the number 345 was a printer's error.

Amendment—Arthur B. R. Colley—James S. Chubb—Not Adopted—Report Adopted

Arthur B. R. Colley (Erie—NE) moved to amend Report No. 12 by the adoption of a Resolution (DB-187) reading as follows:—

ANY APPROVED SUPPLY PASTOR, FULLY ORDAINED, WHO HAS SERVED THE METHODIST CHURCH FOR A MINIMUM OF SEVEN YEARS SHALL ENJOY ALL THE RIGHTS AND PRIVILEGES EXERCISED BY A LAYMAN IN THE ANNUAL CONFERENCE.

The proposed Resolution of Arthur B. R. Colley (Erie—NE), being duly seconded, Arthur B. R. Colley (Erie—NE) spoke to the same, as follows:—

"Mr. Chairman, I think the Report which is submitted to us is just like throwing a dog a bone, of which the meat has all been scraped clear. We have in our Church a large number of men, and some women, who have served our Church well and faithfully for many years. The fact of the matter is that The Methodist Church cannot function efficiently without them. These men come to us from time to time; they have to do the work of the Church. We admit them to have a voice, but they have no vote to implement that voice.

I feel that these men should have a vote. Now, of course, a lot of people will say this is just simply one more step in breaking down the wall or partition between the Traveling Minister and an Approved Supply Pastor. That may be true, but remember, brethren, that the great breach in the wall of division between a Traveling Minister and an Approved Supply Pastor was made when we allowed non-Ordained men the right of Administering the Sacraments.

I do think that these men who have served the Church for seven years and have received Full Ordination, should be given the right to vote on an equality with the Laymen in the Annual Conference, at the Conference sessions. I feel that just simply to give any preacher who has served our Church one year that privilege, is insufficient. We should have men and women who have proved themselves in the active pastorate before they can have this right.

I hope you will support the amendment."

Statement—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, made the following statement:—

"Mr. Chairman, I have been informed that since this is a Constitutional matter, and I was not aware of it, we had a similar issue up and decided it would be premature to try to get a vote for it in the late hours of the Conference.

I hope you will sustain the Committee."

No. 18—Ministry—"Baptism And Part Time Approved Supply Pastor"—James S. Chubb—Amendment—Bruce L. Middaugh—Not Adopted—Report Adopted

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, presented Report No. 18 of the Committee, Calendar No. 187, Subject, "Baptism And Part Time Approved Supply Pastor," DCA No. 10, page 506, column 3 and page 507, column 1, and moved its adoption, the motion to thus adopt was duly seconded.

Amendment—Bruce L. Middaugh—Not Adopted

Bruce L. Middaugh (Erie—NE) moved to amend Report No. 18 by deleting the words, "*Sacrament of Baptism*," and substituting therefor the word, "SACRAMENTS" (DB-188), so that the amended Section (c) will read as follows:—

(c) A part-time Approved Supply Pastor (other than a Student Pastor) who completes each year two books of the Conference Course of Study, and continues until he is graduated from the Course, shall be authorized to Administer the SACRAMENTS, and if the laws of the State permit, to perform the Marriage Ceremony, within the bounds of his Pastoral Charge.

The proposed amendment of Bruce L. Middaugh (Erie—NE), being duly seconded, Bruce L. Middaugh (Erie—NE) spoke to the same, as follows:—

"It seems to me the distinction we have made here between Baptism and the Lord's Supper is presumably intended to put the Lord's Supper on a higher plane than Baptism, but we do this by putting up a more rigid standard for it.

We do this, I think, because we have a confusion of thought as to the purpose of the whole legislation.

The purpose of this legislation is not to confer a favor on one of these part-time Supply Pastors, but to provide for the needs of the churches. From that point of view, the Report as it stands, seems to imply that Baptism is important to a congregation, but Holy Communion is not. We have to make sure that their pastor may baptize them or marry them, but we do not have to make sure that they have Holy Communion.

It seems to me that these are equally important, and both should be made available on the same terms. We are not giving a favor to pastors; we have to provide for the needs of the congregations."

Closes Debate—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, closed the debate for the Committee, as follows:—

"Mr. Chairman, the reason for that simply was we could get through the other. We could not get through the one on the Sacraments. It has been up with us repeatedly. I hope again you will sustain the Committee."

Amendment—Bruce L. Middaugh—Not Adopted

The proposed amendment of Bruce L. Middaugh (Erie—NE), on being put to the vote of The General Conference, was not adopted.

The motion to thus adopt was duly seconded.

Amendment—Chester A. Smith ()—Not Adopted—Report Adopted*

Chester A. Smith (*) (New York—NE) moved to amend Report No. 19 by adding the following to Report No. 19 (DB-189) :—

"THE BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS SHALL BE COMPOSED OF AN EQUAL NUMBER OF PREACHERS AND LAYMEN."

The proposed amendment of Chester A. Smith (*) (New York—NE) being duly seconded, Chester A. Smith (*) (New York—NE) spoke to the same, as follows :—

"The reason therefor, Mr. Chairman, is that Laymen ought to be represented on this important Committee. They should have as much right to say who their preacher shall be and the qualifications which their preacher shall have, as the preachers themselves. We are too much a preacher's Church, and you now have the opportunity by the adoption of my amendment, to put Laymen upon an equal basis with Preachers, in the election or in the deciding of what the qualifications of their preachers will be.

I hope you will do so."

Closes Debate—James S. Chubb

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, closed the debate for the Committee, as follows :—

"This is a Constitutional question. Up to this moment Ministers have not had any distinctive advantage. I think Brother Smith will agree to that!"

On motion of James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, duly seconded, Report No. 21 was adopted. For Report see Appendix, page 1589.

For Report see Appendix, page 1547.

**No. 4—Ministry—"Duties Of District Superintendent"—
James S. Chubb—Adopted**

**No. 1—Ministry—"Qualifications For Marriage"—Majority
and Minority Report—James S. Chubb—John W. Mc-
Kelvey—Both Reports Referred**

James S. Chubb (Nebraska—CS) Chairman of the Standing Legislative Committee on Ministry, presented Report No. 1 of the Committee, Calendar No. 11, Subject, "Qualifications For Marriage," *DCA* No. 4, page 151, column 1, together with the Minority Report, Subject, "Qualifications For Marriage," *DCA* No. 8, page 380, columns 2 and 3, and made the following statement:—

"Page 121 *DCA*, Calendar Report No. 11, Report No. 1, Committee on the Ministry. This has to do with divorce legislation. This is a Committee Report. Because of the fact there has been a question in all of our minds in knowing the type of legislation permitted Ministers as to how and when to marry divorced persons, it will be controversial for some time to come.

In the interest of brevity, I have asked Dr. McKelvey to take my time and present the Minority Report and for you to vote it up or down, with no argument either way."

Minority Report—John W. McKelvey—Referred

John W. McKelvey (Philadelphia—NE), at the request of James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, presented the Minority Report to Report No. 1 of the Committee,

DCA No. 8, page 380, columns 2 and 3, Subject, "Qualifications for Marriage," and made the following statement:—

"Mr. Chairman, Members of The Conference: I believe it was agreed that unless in this question there was to be debate, we would present this Motion of Reference, which I will read:

'Be It Resolved That Paragraph 356 remain unchanged for this quadrennium in the *Discipline*, and that it be referred meanwhile to the Commission on Family Life with the request that a new Paragraph of directives and limitations be presented for consideration to the next General Conference.'

Because I think this is not the time, Mr. Chairman, to debate this question, if there is a Motion of Reference which will prevail, it will obviate the necessity."

Question—Bishop Ivan Lee Holt—Answer—James S. Chubb

Bishop Ivan Lee Holt, the Presiding Officer, asked James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry,

"What do you say about it, Brother Chubb?"

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, replied:—

"It doesn't make any difference."

Motion—John W. McKelvey—To Refer Adopted

The motion of John W. McKelvey (Philadelphia—NE), duly seconded, was adopted, as follows:—

"Be It Resolved That Paragraph 356 remain unchanged for this quadrennium in the *Discipline*, and that it be referred meanwhile to the Commission on Family Life with the request that a new Paragraph of directives and limitations be presented for consideration to the next General Conference."

For the Majority and Minority Reports, see Appendix, page 1545.

Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, stated that the Committee had received Memorials Nos. 2557, 3013, 3257, 3329, 3571 and 4489 too late for Committee action, and on his motion, duly seconded, the above mentioned Memorials were added to Report No. 16 of the Committee, Calendar No. 213, Subject, "Miscellaneous—Non-Concurrence," DCA No. 10, page 511, columns 1 and 2, previously adopted this afternoon. For Report see Appendix, page 1587.

James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, stated that the Committee had had twice as many Memorials this time as any other General Conference in history, and expressed, for the Committee, its thanks to the Members of The General Conference for their spirit of co-operation.

Question—Daniel E. Taylor—Answer—James S. Chubb

Daniel R. Taylor (Pacific Northwest—W) raised a question which was answered by James S. Chubb (Nebraska—SC), Chairman of the Standing Legislative Committee on Ministry, as follows:—

“Mr. Chairman, I have a suggestion for Mr. Chubb, if he would accept it. Otherwise reconsideration might be necessary.

On page 419, Calendar 135, Report 14, *Daily Christian Advocate*, he added editorially the word ‘Sabbatical.’

James S. Chubb: Mr. Chairman, that is one of the places where we know there is an editorial change. There are a number of such places.”

No. 7—Ministry—Motion for Reconsideration—Dow Kirkpatrick—Not Adopted

Dow Kirkpatrick (North Georgia—SE) moved a reconsideration of Report No. 7 of the Standing Legislative Committee on Ministry, Calendar No. 128, Subject, “Recommended Changes In The 1952 *Discipline* Pertaining To The Ministry In The Methodist Church,” *DCA* No. 9, page 412, column 3; page 413, columns 1, 2 and 3; page 414, columns 1, 2 and 3; page 415, columns 1, 2 and 3; page 416, columns 1, 2 and 3; page 417, columns 1, 2 and 3; and page 418, columns 1, 2 and 3, for the purpose of a motion to suspend the Rules which have limited debate to a point where we have not fully discussed one of the most important matters before The General Conference during the whole time. The motion was duly seconded.

The motion of Dow Kirkpatrick (North Georgia—SE) to reconsider Report No. 7 of the Standing Legislative Committee on Ministry, on being put to the vote of The General Conference, was not adopted.

No. 10—Missions—“Board Of Missions Proposed Legislative Changes”—Reconsidered—Amended—Mrs. Frank G. Brooks (*)—Readopted

Mrs. Frank G. Brooks (*) (North Iowa—NC), Chairman of the Standing Legislative Committee on Missions, moved to reconsider Report No. 10 of the Committee, Calendar No. 101, Subject, “Board Of Missions Proposed Legislative Changes,” *DCA* No. 9, page 401, columns 1, 2

and 3; page 402, columns 1, 2, and 3; page 403, columns 1, 2 and 3; page 404, columns 1, 2 and 3; page 405, columns 1, 2, and 3; and page 406, columns 1 and 2, and made the following statement:—

"On page 401, the third column, *Daily Christian Advocate*, the Committee on Missions. The Committee on Missions, as all the other Committees, very graciously listened to the request of the National Conference of Methodist Youth. In most of the other Committees we have had on the floor today notices that the number of people in the Board was increased—I am sure you will remember several of these.

I began to count and I found that the request also increases the Board of Missions by one person. We do not wish this. We wish to co-operate with the other Boards. So I move that on page 401, column 3, the end of the black type, the first black type, Par. 1172.5 the last four lines be deleted, which reads as follows:—*and the World Christian Community Chairman of the National Methodist Student Commission.*"

The motion of Mrs. Frank G. Brooks (*) (North Iowa—NC), Chairman of the Standing Legislative Committee on Missions, to reconsider Report No. 10 of the Committee for the purpose indicated, being duly seconded, was adopted by The General Conference.

Report Amended—Readopted

On motion of Mrs. Frank G. Brooks (*) (North Iowa—NC), Chairman of the Standing Legislative Committee on Missions, the last four lines in bold face type in Paragraph 1172.2, page 401, column 3, DCA No. 10 reading as follows (DB-191):—

"and the World Christian Community Chairman of the National Methodist Student Commission"

were deleted, so that Paragraph 1172.2 as amended, will read:—

Par. 1172.5. Six Youth Members of the Board, representing all Jurisdictions and divided between Youth and Student Groups, twenty-three years of age or under at the time of their election, nominated by the National Conference of Methodist Youth and elected by the Board. In making the nominations to the Board, the National Conference of Methodist Youth, in consultation with the appropriate Staff of the Board, shall consider suggestions of nominations made by Annual Conference Methodist Youth fellowships, and State or similar units of the Methodist Student Movement. Vacancies shall be filled by the Board upon nomination by the National Conference of Methodist Youth. The Chairman of the Program Area of Christian Outreach of the National Methodist Youth Fellowship Commission shall be a member of the Board.

"May the Chair say that he is deeply grateful to you for your co-operation and help, and he does apologize for any mistakes he may have made from time to time. He has had some coaching from behind him here, among his colleagues, and he is grateful for that.

May I say the Secretary has a statement to make and then we will be dismissed in an orderly way. The Council of Bishops has asked the President of the Council, Bishop W. Earl Ledden, to conduct the closing worship service at this General Conference. After Brother Estes has made his announcements I will turn this Chair over to Bishop Ledden."

Personal Statement—Lud H. Estes

“Mr. Chairman, I come to this moment with a great deal of feeling. This will be my last General Conference as your Secretary. It has been a great Conference because of your splendid co-operation. I want to thank especially my Secretarial Staff, and the Journal Secretaries over here who have labored far into the night and into the morning sometimes. Also the Document Secretaries down here, whose work has contributed to the accuracy of the Journal. These Calendar Secretaries who have expedited our time.

May God’s richest blessings be upon you. No matter where I am or you are, I am still ‘Your Buddy.’”

**Closing Service—Bishop W. Earl Ledden—Benediction—
Bishop W. Earl Ledden**

Bishop W. Earl Ledden of the Syracuse Area, North-eastern Jurisdiction, and President of The Council of Bishops of The Methodist Church, conducted the closing service of the 1956 General Conference of The Methodist Church, as follows:—

Mr. Chairman, obviously this is not a time for an address, nor even for a Service of Worship. It is after 3:00 o’clock, I mention this for the record. We haven’t had time to stop for lunch. I think it is a marvelous thing that you have given such alert attention to the business of The Conference to this very moment, that you are here in your seats in such large number for the close of this General Conference.

First of all let me say a very sincere word of appreciation on the part of the Bishops. You have been so considerate and so courteous that they do want me to say to you that we profoundly appreciate the relationship that exists here.

All of us were moved by that beautiful tribute paid to Bishop Holt who is presiding with such exceptional ability this day. We associate ourselves with all of those sentiments that you have expressed.

I know that if you had opportunity at this late hour you would want to include those other Bishops who are to retire before another General Conference. All of us in The Council have heavy hearts as we think of these men leaving the close fellowship of The Council. Every one of these men has made his name stand for something distinct and significant.

These are the men who will be retiring before the next General Conference. As I read their names I just want

you to think for a moment what that name stands for in terms of service to the Church, and how that service will go living on:

Raymond L. Archer
Costen J. Harrell
Ivan Lee Holt
J. Waskom Pickett
Clare Purcell
Clement D. Rockey
Ralph A. Ward

All around the world these names are known and respected. I want you to have a prayer in your hearts for these men as we come to these closing moments of this General Conference.

One cannot sit upon the platform and observe a Conference like this without being deeply impressed by the great resources of The Methodist Church. Here are men and women of consecration. Again and again we have been called to make nominations, we Bishops. Our embarrassment is not to find someone who could do this particular task, but to select from a great wealth of personnel in the Church. Sometimes we are embarrassed by it because there are several who could do an outstanding task in a certain field of leadership and we have to select among them. While it is an embarrassment it is a glorious embarrassment as we remember the enormous resources of our Church in the personality and the personnel, the caliber and the character of the laymen of the Church.

Here you have enacted legislation which will give guidance across the Quadrennium ahead. More than that, you have done some things that will last much longer than the Quadrennium. Take the Quadrennial Program. How one would like to speak of that, the vision there is in it, the challenge to the Church, the great things that could be accomplished in the Quadrennium ahead, in the splendid Program so enthusiastically adopted. Think of the legislation that has been enacted here. With what trepidation we came to this place, wondering how in the world we would ever meet in any kind of agreement on a number of issues. And yet we have come to a most phenomenal, should I say, providential agreement upon these very great issues.

Men have risen on the floor here to say they came irrevocably opposed to this or that. But something happened, and we were drawn closely together. I believe The Methodist Church has never been as much of a spiritual unity in its history as it is at this moment. I submit to you that in view

of all the anticipations of this General Conference that constitutes a spiritual miracle. And I think that is exactly what happened, a spiritual miracle.

We started out with differences of opinion. There was sometimes even contention and heat.

And then suddenly it seemed that overnight something happened. What was it? Who can explain it?

The very next day when some of the most difficult problems we had to resolve were before us, we found there was a new mood here. And if you look into it carefully you will find that in the Committees there was a sense first of give and take, every man, every woman permitted to speak freely his or her mind, but then a growing sense of the need of prayer.

And I do not know how many Committees there were who were in special prayer. I think particularly of the Committee on Evangelism. How earnestly they were in prayer for The General Conference. How through the night members of that Committee and others were in prayer, how there was a wide agreement all over this General Conference that whoever arose to speak on either side or any side should be the object of prayer so there wasn't a person who stood on the floor during all that debate who wasn't the object of special prayer throughout The Conference.

The thing that happened didn't just happen. It was the result of prayer. And if you ever have any question about the matter of miracles or the power of God to move upon the hearts of men, just remember that. It is that spirit which we can take with us from this place.

We shall go to far and distant and perhaps lonely places. Here we have found agreement and sustaining strength, one at his right elbow and one at his left. We shall go to places where we shall feel a bit alone, and where the drift and the drive may be against the things that we have agreed upon here, but remember that the spirit of prayer is not limited by geography, and that every man wherever he goes will remain in that sustaining fellowship of prayer. We shall still be one, and that will strengthen every one of us.

We could spread this truth over the earth and ought to be greatly strengthened in our confidence in the presence of God when we remember that the contentions that separate nations even could yield to this greatest power in the world which is the power of prayer and the love of God, and what we have seen taking place here actually could take place around the world; for if peace ever comes it will be a by-

product, and it will be a by-product of a common spiritual exploit and of Christian attitudes.

This quadrennium ahead is a very crucial quadrennium in the life of the whole world. There will be decisions made here that will affect the generations unborn, and if we can release into society that high sense of consecration to God which has been so manifest here, we shall do something for the healing of the nations that can never be done by all the armies and diplomats of the world.

Nothing in the quadrennium ahead is going to be as important as having a spiritual relationship with God and with man and releasing among men the saving power of Christ.

And so I think I shall just give you a text, a word to take home with you for I have been having it going over and over in my mind as I have been listening these days here on the platform.

I want you to remember a verse in the first chapter of the Epistle to the Romans. It is in the Revised Standard Version. This is the verse: "Called to belong to Jesus Christ." Now, the setting of that is exciting. The Chapter starts with the word of Paul, called to be an apostle, and soon he is speaking about those of Rome called to be saints as though he would be reading this long afterward and would feel that a call to be an apostle and the call to be a saint would not be ours. In between there is this verse. The verse says, "Including you who are called to belong to Jesus Christ."

We have been thinking about The Methodist Church. It belongs to Christ. But in thinking of all the legislation, the plans, the program, the goals, it would be possible for an institution or an organization to get in the way of Christ, and so as we go from here as loyal Methodists, let us remember deep down in our hearts that every one of us is a called person, and the call is to belong to Jesus Christ.

Will you stand.

Adjournment—Benediction—Bishop W. Earl Ledden

The 1956 General Conference of The Methodist Church, held in the Municipal Auditorium, Minneapolis, Minnesota, April 25-May 7, 1956, adjourned *sine die*, at 3:30 P.M., Monday, May 7, 1956, with the Benediction, pronounced by Bishop W. Earl Ledden, of the Syracuse Area, Northeastern Jurisdiction, and President of The Council of Bishops of The Methodist Church as follows:—

"May the grace of the Lord Jesus Christ, the love of God, the fellowship and communion of the Holy Spirit, abide with us all, each one, now and ever more. Amen."

THE SERVICE

(See Journal page 236)

Prelude—O Lamm Gottes Unschuldig

Johann Sebastian Bach

Erbarm' dich mein, O Herre Gott

Johann Sebastian Bach

The Processional Hymn—

Praise to the Lord the Almighty Number 60

(The congregation will stand at the first notes of the hymn and remain standing until after the singing of the Gloria Patri)

The Call to Worship Led by Bishop Clare Purcell

(The Responses will be sung)

God is a Spirit. They that worship him must worship him in spirit and in truth.

Glory be to God on high.

God is Light. If we walk in the light, as he is in the light, we have fellowship one with another, and truly our fellowship is with the Father and with his Son Jesus Christ.

Glory be to God on high.

God is power. They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

Glory be to God on high.

God is love. Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God. Hereby perceive we the love of God, because he laid down his life for us.

Glory be to God on high.

(Then the Gloria Patri shall be sung:)

Glory be to the Father, and to the Son, and to the Holy Ghost; as it was in the beginning, is now, and ever shall be, world without end. Amen.

The Collect and Lord's Prayer Led by Bishop J. W. E. Bowen

(The congregation in the attitude of prayer will join the minister in these prayers)

(Then shall the minister say:)

Let us pray.

Almighty God, unto whom all hearts are open, all desires known, and from whom no secrets are hid; cleanse the thoughts of our hearts by the inspiration of thy Holy Spirit that we may perfectly love thee, and worthily magnify thy holy name; through Jesus Christ our Lord. Amen.

The Lord's Prayer.

Our Father, who art in heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For Thine is the kingdom, and the power, and the glory, forever. Amen.

The Statement of Divine Law

Led by Bishop G. Bromley Oxnam

(The congregation in the attitude of prayer, and the responses sung)

God spake these words and said: I am the Lord thy God. Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; thou shalt not bow down thyself to them, nor serve them; for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; and showing mercy unto thousands of them that love me, and keep my commandments.

Lord, have mercy upon us, and write all these Thy laws in our hearts, we beseech Thee.

Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His name in vain. Remember the Sabbath Day, to keep it holy. Six days shalt thou labor, and do all thy work: but the seventh day is the Sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: for in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the Sabbath day, and hallowed it.

Lord, have mercy upon us, and write all these Thy laws in our hearts, we beseech Thee.

Honor thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee.

Thou shalt not kill.

Thou shalt not commit adultery.

Thou shalt not steal.

Thou shalt not bear false witness against thy neighbor.

Thou shalt not covet thy neighbor's house, thou shalt not covet thy neighbor's wife, nor his manservant, nor his maid-servant, nor his ox, nor his ass, nor anything that is thy neighbor's.

Lord, have mercy upon us, and write all these Thy laws in our hearts, we beseech Thee.

Hear what our Lord Jesus Christ saith: Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself.

Lord, have mercy upon us, and write all these Thy laws in our hearts, we beseech Thee.

The Beatitudes

Led by Bishop Hazen G. Werner

(The congregation in the attitude of prayer, and the responses sung)

Hear the Beatitudes of our Lord Jesus Christ:

Blessed are the poor in spirit: for theirs is the kingdom of heaven.

Blessed are they that mourn: for they shall be comforted.

Blessed are the meek: for their shall inherit the earth.

Lord, be gracious unto us, and help us to obtain these blessings.

Blessed are they which hunger and thirst after righteousness: for they shall be filled.

Blessed are the merciful: for they shall obtain mercy.

Blessed are the pure in heart: for they shall see God.

Blessed are the peacemakers: for they shall be called the children of God.

Lord, be gracious unto us, and help us to obtain these blessings.

Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven.

Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for My sake.

Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets who were before you.

Grant unto us Thy holy Spirit, O God, and enable us to obtain all these blessings, through Jesus Christ our Lord, Amen.

The Anthem—If Ye Love Me Keep My Commandments

Thomas Tallis

The Apostles' Creed

Led by Bishop Ivan Lee Holt

(The congregation standing and uniting)

I believe in God, the Father Almighty, Maker of heaven and earth; and in Jesus Christ, His only Son our Lord; who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead and buried; the third day He rose from the dead; He ascended into heaven, and sitteth at the right hand of God the Father Almighty; from thence He shall come to judge the quick and the dead. I believe in the Holy Spirit; the Holy Catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body, and the life everlasting.

The Invitation

(Bishop Holt continues from here the reading of the remaining part of the service)

Ye that do truly and earnestly repent of your sins, and are in love and charity with your neighbors, and intend to lead a new life, following the commandments of God, and walking from henceforth in His holy ways, draw near with faith, and take this holy Sacrament to your comfort; and devoutly kneeling make your humble confession to Almighty God.

The Confession—

(Then shall this General Confession be made by the Bishop and those who are minded to receive the Holy Communion, the Bishop kneeling, facing the Lord's Table, and all the people in the attitude of prayer)

Almighty God, Father of our Lord Jesus Christ, maker of all things,

judge of all men, we acknowledge and bewail our manifold sins and wickedness, which we from time to time most grievously have committed, by thought, word and deed, against Thy divine majesty. We do earnestly repent, and are heartily sorry for these our misdoings; have mercy upon us, most merciful Father, forgive us all that is past; and grant that we may ever hereafter serve and please Thee in newness of life, to the honor and glory of Thy name, through Jesus Christ our Lord. Amen.

The Prayer for Absolution—

(Then shall the Bishop offer this Prayer:)

Almighty God, our Heavenly Father, who of Thy great mercy hast promised forgiveness of sins to all them that with hearty repentance and true faith turn unto Thee, have mercy upon us; pardon and deliver us from all our sins; confirm and strengthen us in all goodness; and bring us to everlasting life, through Jesus Christ our Lord. Amen.

The Comfortable Words—

(Then shall the Bishop say, standing to face the Congregation:)

Hear what the Scripture saith to those of a humble and contrite heart: If any man sin, we have an Advocate with the Father, Jesus Christ the righteous: and He is the propitiation for our sins: and not for ours only, but also for the sins of the whole world.

This is a faithful saying, and worthy of all acceptation, that Christ Jesus came into the world to save sinners.

God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.

Come unto Me, all ye that labor and are heavy laden, and I will give you rest.

The Sursum Corda—

(After which the Bishop and congregation shall say, the Bishop still standing)

Lift up your hearts.

We lift them up unto the Lord.

Let us give thanks unto the Lord.

It is meet and right so to do.

The Sanctus—

(Then the Bishop, kneeling and facing the Lord's Table, shall say:)

It is very meet, right, and our bounden duty that we should at all times and in all places, give thanks unto Thee, O Lord, Holy Father, Almighty, Everlasting God.

(Then shall be sung:)

Therefore with Angels and Archangels, and with all the company of heaven, we laud and magnify Thy glorious name, evermore praising Thee, and saying: Holy, holy, holy, Lord God of hosts, heaven and earth are full of Thy glory. Glory be to Thee, O Lord most high!

The Prayer of Consecration—

(Then shall the Bishop offer the prayer of consecration:)

Almighty God, our heavenly Father, who of thy tender mercy didst

give thine only Son Jesus Christ to suffer death upon the cross for our redemption; who made there, by the one offering of himself, a full, perfect and sufficient sacrifice for the sins of the whole world; and did institute, and in His holy gospel command us to continue, this memorial of His precious death: hear us, O Merciful Father, we most humbly beseech Thee, and grant that we, receiving this bread and wine, according to Thy Son our Saviour Jesus Christ's holy institution, in remembrance of His death and passion, may also be partakers of the divine nature through Him, who in the same night that He was betrayed took bread; and when He had given thanks, He brake it, and gave it to His disciples, saying, Take, eat; this is My body, which is given for you; do this in remembrance of me. Likewise after supper He took the cup; and when He had given thanks, He gave it to them, saying, Drink ye all of this; for this is My blood of the new covenant which is shed for you, and for many, for the remission of sins; do this, as oft as ye shall drink it, in remembrance of Me. Amen.

The Prayer of Humble Access—

(Then shall the Bishop, still kneeling before the Lord's Table, unite with the people in this prayer:)

We do not presume to come to this, Thy table, O merciful Lord, trusting in our own righteousness, but in Thy manifold and great mercies. We are not worthy so much as to gather up the crumbs under Thy table, but Thou art the same Lord, whose mercy is unfailing. Grant us, therefore, gracious Lord, so to partake of these memorials of Thy Son Jesus Christ, that we may be filled with the fullness of His life, may grow into His likeness and may evermore dwell in Him, and He in us. Amen.

(Then shall the Bishop first receive the Holy Communion in both kinds himself, after which he shall proceed to deliver the same to the other Celebrants in like manner. After this, the Celebrants shall administer the Holy Communion to the people, while they are devoutly kneeling, after the singing of the Communion Hymn.)

The Communion Hymn—

Bread of the World in Mercy Broken

Number 414

(The congregation with bowed heads)

(After the singing of the hymn, the people will come forward to kneel at the Communion Rail, as directed by the ushers)

The Communion—

(Before giving the bread, the Celebrant shall say:)

Jesus said, "This is My body which is given for you." Take and eat this in remembrance that Christ died for you, and feed on Him in your heart by faith, with thanksgiving.

(Likewise, before giving the cup he shall say:)

Jesus said, "This cup is the new covenant in My blood, which is shed for you. Drink this in remembrance that Christ died for you, and be thankful.

(When all have communed, the Bishop shall place upon the Lord's Table what remains of the consecrated Elements, covering the same with the linen cloth)

The Prayer of Oblation—

(Then shall the Bishop and the people say:)

O Lord, our heavenly Father, we Thy humble servants, desire Thy

fatherly goodness mercifully to accept this our sacrifice of praise and thanksgiving; most humbly beseeching Thee to grant, that, by the merits and death of Thy Son Jesus Christ and through faith in His blood, we and Thy whole church may obtain forgiveness of our sins, and all other benefits of His passion. And here we offer and present unto The, O Lord, ourselves, our souls and bodies, to be a reasonable, holy, and living sacrifice unto Thee; humbly beseeching Thee that all we who are partakers of this Holy Communion may be filled with Thy grace and heavenly benediction, and although we be unworthy, through our manifold sins, to offer unto Thee any sacrifice, yet we beseech Thee to accept this our bounden duty and service; not weighing our merits, but pardoning our offenses, through Jesus Christ our Lord: by whom, and with whom, in the unity of the Holy Spirit, all honor and glory be unto Thee, O Father Almighty, world without end. Amen.

(Then shall be sung the Gloria in Excelsis, the people standing:)

Glory be to God on high, and on earth peace, good will toward men. We praise Thee, we bless Thee, we worship Thee, we glorify Thee, we give thanks to Thee for Thy great glory, O Lord God, Heavenly King, God the Father Almighty!

O Lord, the only-begotten Son Jesus Christ, O Lord God, Lamb of God, Son of the Father, that takest away the sins of the world, have mercy upon us. Thou that takest away the sins of the world, have mercy upon us. That that takest away the sins of the world, receive our prayer. Thou that sittest at the right hand of God the Father, have mercy upon us. For Thou only art holy; Thou only art the Lord; Thou only, O Christ, with the Holy Ghost, art most high in the glory of God the Father. Amen.

(Then shall the Bishop let the people depart with this blessing:)

The peace of God, which passeth all understanding, keep your hearts and minds in the knowledge and love of God, and of His Son Jesus Christ our Lord; and the blessing of God Almighty, the Father, the Son, and the Holy Spirit, be among you, and remain with you always. Amen.

(The congregation will be seated with bowed heads for silent prayer and will retire as the ministers leave the Chancel and the organist plays the Postlude)

The Postlude—Schmucke dich, O liebe Seele

Johann Sebastian Bach

(After the Consecration of the Elements and the Prayers and during the singing of the Communion Hymn, Bishops Fred P. Corson and Edwin E. Voigt, Secretaries of the Northeastern and North Central Colleges, will depart with the Consecrated Elements to serve those in the Chapels. Assisting at the Chancel and speaking the words of institution will be the Secretaries of the Central, Southeastern, South Central and Western Colleges . . . BISHOP EDGAR LOVE, BISHOP ROY H. SHORT, BISHOP W. ANGIE SMITH, BISHOP A. RAYMOND GRANT.)

To all Communicants—We pray that this will be a service in which each of you will be blessed, and one that will create the spiritual atmosphere for this General Conference. Will you not be in prayer throughout the service? Please come forward as directed by the ushers, to kneel before the Chancel; it is the Lord's Table to which you come!

There is self-service; you will kneel and take the elements as directed by the Bishop. Remain in your pews until the close of the Service and leave immediately for the Auditorium. Depart quietly without talking.

PREFACE

IN framing the Plan of Union for the three Methodist organizations existing prior to 1939, which when adopted by The Uniting Conference, became the Constitution of The Methodist Church, provision was made for a Judicial Council with powers and duties therein set forth.

The creation of a Judiciary, distinct from the Executive and Legislative branches of ecclesiastical bodies, is somewhat new in American Church law. However, the Methodist Episcopal Church, South, had set up such a body, and that became the model for the United Church Constitution.

Since the organization of The Council in 1939, with only the short experience of the Southern Church to guide it, it has had to set its own precedents. Fortunately, and somewhat contrary to expectation, the number of cases which have been reviewable has not been too numerous. Up to the present time it has not been necessary for The Council to hold sessions oftener, on an average, than once each year. As the membership of The Council is widely scattered, this has been fortunate.

In the matter of hearing and handing down Decisions, the Council has usually been unanimous in its action, and very few Dissenting Opinions have been recorded. In the writing of these Opinions, it has been the policy of The Council to make them as short as possible, and refrain from long legal discussions, and citations of authorities. Some of the Opinions, during sessions of The General Conference, have had to be written rather hurriedly, and without the opportunity to consult authorities. It is hoped that this feature has not detracted from the understanding of the basic principles decided.

The actual work of The Council is only partially reflected by the formal Opinions and Decisions handed down. Almost as much time is consumed in disposing of numerous petitions, requests, and other communications asking for Judicial determination of, or sometimes simply advice upon, questions over which (at least in the manner presented) The Council has no jurisdiction. This also involves a very voluminous correspondence, not only by the Secretary, but by other members of the Council. The character of such cases is illustrated by the first Decision reported herein, but it has been thought unnecessary to include others of a similar character.

For ready reference there is included in this volume the

Rules of Practice and Procedure adopted by The Judicial Council. The Constitutional Provisions as to The Council and legislation of The General Conference relating thereto, are not repeated herein, but reference is made to *Discipline* 1956, Paragraphs 901 to 918 inclusive.

A retired member of an Annual Conference may be elected to membership in a Central Conference if he meets the conditions required by law of all those who represent their Annual Conferences in The General or Central Conference.

STATEMENT OF FACTS

The above captioned matter arose in the following manner: On May 6, 1952, Dr. W. A. Stanbury presented to The General Conference, on behalf of The Judicial Council, a brief Report on a matter that had been previously referred to The Judicial Council. When Dr. Stanbury had concluded this Report, the following transpired:

Bishop Reed: Thank you. While we are on the matter of the Report from The Judicial Council, will you permit the Chair to grant the courtesy of the floor to a Delegate from the Philippines on a matter of reference to The Judicial Council?

Ruben V. Candelaria (Philippines): Mr. Chairman and Members of the General Conference, I certainly do not wish to take this moment, knowing we are pressed with time. I have two questions regarding our Central Conference in the Philippines:

First: Can a retired member of an Annual Conference now appointed as a Supply Pastor be elected to the Central Conference?

Second: Can a Committee of Investigation under certain circumstances terminate a case and render a Decision?

With the permission of this body I move these be referred to The Judicial Council for a Declaratory Decision.

Bishop Reed: You have heard the motion. Is it seconded?
(The motion was duly seconded)

Bishop Reed: As many as will refer indicate it with the uplifted hand; contrary the same. It is done.

(Page 549, *Daily Christian Advocate*, 1952)

Later that same afternoon (Page 575, *Daily Christian Advocate*), consent was asked for the privilege of announcing The Judicial Council's Decision on these questions "at the next meeting following the adjournment of The General Conference."

JURISDICTION

The General Conference, under Subdivision 5 of Article II of Division Four of the Constitution (Paragraph 43 of the 1952 *Discipline*), has broad powers in the matter of conferring additional jurisdiction upon The Judicial Council. This Paragraph 43 of the *Discipline* sets

out the Constitutional duties and powers of The Judicial Council, and ends with this Subdivision 5, reading as follows:

5. To have such other duties and powers as may be conferred upon it by The General Conference.

Since these questions were specifically submitted by The General Conference to The Judicial Council for a Declaratory Decision thereon, it is the Decision of The Judicial Council that, under the Constitutional Provision above quoted, it has jurisdiction to render such requested Declaratory Decision.

QUESTION "A"

Can a retired member of an Annual Conference now appointed as a Supply Pastor be elected to the Central Conference?

ANALYSIS

Article IV of the Constitution of The Methodist Church (Paragraph 24 of the 1952 *Discipline*) reads as follows:

"The Ministerial Delegates to The General Conference and to the Jurisdictional or Central Conference shall be elected by the Ministerial Members of the Annual Conference, *provided* that such Delegates shall have been traveling preachers in the constituent Churches forming this union, or in The Methodist Church, for at least four years next preceding their election and are in Full Connection with the Annual Conference electing them when elected and at the time of holding The General and Jurisdictional or Central Conferences."

To answer correctly the question here under consideration, it appears advisable that The Judicial Council shall first determine the true meaning of the above quoted Provision in the Constitution relating to the qualification of the Ministerial Delegates to The General Conference. In order to arrive at a satisfactory interpretation of this provision, a review of the background of same, as reflected in the *Discipline* and Judicial Decisions of the "Constituent Churches forming the union" seems important.

The *Constitution* of the *Methodist Protestant Church* contains the following provisions:

2. The General Conference of the Church shall consist of an equal number of Ministers and Laymen. (Sec. 2, Art. VIII of the 1936 *Discipline*.)

No other qualifications were prescribed for the Ministerial Delegates to The General Conference.

The *Constitution* of the *Methodist Episcopal Church* (Paragraph 82 of the 1936 *Discipline*) defined the qualification of Ministerial Delegates to The General Conference as follows:

Such Delegates shall be Elders at least twenty-five years of age, and shall have been Members of an Annual Conference at least four successive years, and at the time of their election and at the time of the session of The General Conference shall be Members of the Annual Conference which elected them.

The *Discipline* of the *Methodist Episcopal Church, South*, defined the

qualifications of its Ministerial Delegates to The General Conference as follows:

Question: Who compose The General Conference, and what are the regulations and powers belonging to it? . . .

Answer 2: The Clerical Representatives shall be elected by the Clerical Members of the Annual Conference; *provided* that such representatives shall have been *traveling preachers* at least four calendar years next preceding their election, and are in Full Connection with an Annual Conference when elected, and also at the time of holding The General Conference. (Page 29, *Discipline* of 1938).

It will be observed that the present law on this subject is identical in all essential parts with the law as it existed in the Methodist Episcopal Church, South. It is to be presumed that no change in its meaning was intended by its insertion in the Constitution of The Methodist Church. At least there seems to be no evidence of any intended change in its meaning and application.

In the Methodist Episcopal Church, South, any member of an Annual Conference, whether active or retired, was considered a "traveling preacher." In that Church even a preacher "On Trial" was considered to be a "traveling preacher" and, under the Episcopal Decision rendered in 1914, never over-ruled and quoted below, could be elected to The General Conference *provided* he had traveled four calendar years and had been received into Full Connection by the time of the election:

Par. 676. What Traveling Preachers can be elected Delegates to The General Conference?

The four "Calendar Years" a preacher must have traveled before he can be elected a Delegate to The General Conference should be counted from the time of his reception On Trial (1914). (Paragraph 676, 1938 *Discipline*.)

Historically, retired members of an Annual Conference have been eligible to election as Delegates to The General Conference. The General Conference of 1808, that established The General Conference as a delegated body, was composed of 131 preachers, three of whom were superannuates (Journal of the 1808 General Conference). They were elected under a provision of the 1804 *Discipline* reading as follows:

Who compose The General Conference?

All the preachers who shall have traveled four year from the time they were received On Trial by an Annual Conference, and are in Full Connection at the time of holding the Conference. (Page 15, *Discipline* F 1804.)

The General Conference of The Methodist Episcopal Church, passing upon the question of whether or not a retired minister could be elected as a Delegate to The General Conference, ruled as follows:

46. A Retired Minister is eligible to election as a Delegate to The General Conference. Journal of The General Conference, 1932, p. 611. (Par. 101.46—1936 *Discipline*.)

The *Discipline* of the Methodist Episcopal Church, South, answering the question, "Who shall compose an Annual Conference?" provided as follows:

All the traveling preachers in Full Connection with it. (Page 33, 1938 *Discipline*.)

No distinction is made here between preachers in the effective relationship and those in the retired relationship. A Minister did not cease to be a member of the Annual Conference upon his superannuation. He therefore continued to be a "traveling preacher" although not actually serving a charge, as the Annual Conference, so far as its clerical membership was concerned, was composed only of "traveling preachers."

The Judicial Council in its Decision, rendered to The General Conference at its 1952 session (Pages 527-528 of the *Daily Christian Advocate*), reaffirmed this historic relationship of retired ministers to the Annual Conference. (See Decision No. 87 of The Judicial Council.)

Based on the historical interpretations of what constitute a "traveling preacher" and on who compose The General Conference, it appears that a retired minister, meeting the other qualifications for membership in The General Conference, is eligible for election as a member of The General Conference regardless of whether he is or is not serving as a Supply Pastor.

Decision

It is the Decision of The Judicial Council that a retired member of an Annual Conference serving as a Supply Pastor is eligible to election as a Delegate to The General Conference (and to a Jurisdictional or Central Conference) provided he has been a "traveling preacher" (On Trial or in Full Connection) in The Methodist Church for at least four years next preceding his election and is in Full Connection with the Annual Conference electing him when elected and at the time of holding The General Conference.

In Re: Question Proposed By Ruben V. Candelaria, Delegate From The Philippines Annual Confer- ence, And Referred By The General Confer- ence To The Judicial Council For A Declaratory Decision

(See Pages 549 and 575, *Daily Christian Advocate*, 1952)

DIGEST OF DECISION

A Committee of Investigation has authority only to inquire whether or not the accused person is guilty of committing one of the offenses enumerated in Par. 921. Its findings must be certified and declared to the Annual Conference by the District Superintendent. If in the judgment of the Committee the evidence does seem to substantiate the accusation, the Committee has no alternative but to prepare and file the proper charges and specifications.

STATEMENT OF FACTS

The above captioned matter arose in the following manner: On May 6, 1952, Dr. W. A. Stanbury presented to The General Conference, on behalf of The Judicial Council, a brief Report on a matter that had been previously referred to The Judicial Council. When Dr. Stanbury had concluded this Report, the following transpired:

Second: Can a Committee of Investigation under certain circumstances terminate a case and render a Decision?

Bishop Reed: You have heard the motion. Is it seconded? (The motion was duly seconded.)

Bishop Reed: As many as will refer indicate it with the uplifted hand; contrary the same. It is done.

(Page 549, *Daily Christian Advocate*, 1952)

Later that same afternoon (Page 575, *Daily Christian Advocate*), consent was asked for the privilege of announcing The Judicial Council's Decision on these questions "at the next meeting following the adjournment of The General Conference."

JURISDICTION

The General Conference, under Subdivision 5 of Article II of Division Four of the Constitution (Paragraph 43 of the 1952 *Discipline*), has broad powers in the matter of conferring additional jurisdiction upon The Judicial Council. This Paragraph 43 of the *Discipline* sets out the Constitutional duties and powers of The Judicial Council, and ends with this Subdivision 5, reading as follows:

5. To have such other duties and powers as may be conferred upon it by The General Conference.

Since these questions were specifically submitted by The General Conference to The Judicial Council for a Declaratory Decision thereon, it is the Decision of The Judicial Council that, under the Constitutional Provision above quoted, it has jurisdiction to render such requested Declaratory Decision.

Question "B"

Can a Committee of Investigation, under certain circumstances, terminate a case and render a Decision? As, for instance, when the accused admits the charge or charges against him?

ANALYSIS

The following Paragraphs from the 1952 *Discipline* of The Methodist Church are pertinent to the question under consideration:

Paragraph 921. A. Bishop or traveling preacher On Trial in an Annual Conference shall be liable to accusation and trial upon any of the following charges:

- (a) Unchristian tempers, words or actions.
- (b) Disobedience to the order and *Discipline* of the Church.
- (c) Imprudent or unministerial conduct.
- (d) Habitual neglect of duties as a member or officer in the Church.
- (e) Disseminating Doctrines contrary to the Articles of Religion or other established Standards of Doctrine of the Church.
- (f) Immorality or crime.
- (g) Maladministration in office in the Church.

Paragraph 932. If a traveling preacher or a preacher On Trial, in the interval between sessions of his Conference, shall be accused of any of the offenses enumerated in Paragraph 921, his District Superintendent, or the Superintendent of the District within the bounds of which such acts are alleged to have taken place, shall call the Committee of Investigation to inquire into same, and, if possible, bring the accused and the accuser face to face; the accused shall have the right to make a statement in his own behalf but shall not present any witnesses. The District Superintendent shall preside throughout the proceedings, and shall certify and declare the judgment of the Committee.

Paragraph 934. If in the judgment of a majority of the Committee of Investigation there is reasonable ground for such accusation, they shall prepare and sign the proper charges and specifications, send a copy to the accused, to the Bishop in charge, . . . and to the Secretary of the Annual Conference. . . .

Under these provisions of the law, the accusation must charge the accused of committing one of the offenses enumerated in said Paragraph 921. If, in the judgment of a majority of the Committee, the acts of the accused complained of do not constitute one of such offenses, the Committee has the right so to determine, and the District Superintendent "shall certify and declare the judgment of the Committee" to the Annual Conference. (See Paragraph 932, 1952 *Discipline*.)

On the other hand, if the acts of the accused complained of do constitute one of the offenses enumerated in Paragraph 921, then whether or not the accused admits that he committed such acts, the Committee "shall prepare and sign the proper charges and specifications."

Decision

It is the Decision of The Judicial Council that if in the judgment of a majority of the Committee of Investigation the acts charged against the accused do not constitute one of the offenses enumerated in Paragraph 921 of the 1952 *Discipline*, the Committee has the right so to determine and it shall be the duty of the District Superintendent to certify and declare such judgment of the Committee to the Annual Conference.

It is the Decision of The Judicial Council, however, that

if the acts charged against the accused do constitute one of the offenses enumerated in Paragraph 921 of the *Discipline*, whether or not the accused admits such charges, the Committee of Investigation has no alternative but to prepare and file the proper charges and specifications.

In Re: Ruling Of Bishop G. Bromley Oxnam, At Newark Annual Conference, June 1, 1952, Interpreting The Effect Of Section 4, Paragraph 806, Of The *Discipline* Of 1948

DIGEST OF DECISION

The provisions of Section 4, Paragraph 806, of the 1948 *Discipline* are mandatory.

STATEMENT OF FACTS

Request for Ruling

During the session of the Newark Annual Conference held at Jersey City, New Jersey, May 28-June 1, 1952, the Reverend William McLean Twiddy, Chairman of the Commission on Ministerial Support of the Newark Annual Conference of The Methodist Church, requested on behalf of the Commission that the Bishop rule upon the following question:

Are the provisions of Section 4, Paragraph 806, of the 1948 *Discipline* mandatory?

Paragraph 806, Section 4, follows:

The Conference Commission on World Service and Finance shall estimate the total amount necessary to maintain the schedule of minimum support for the Pastors thereof as adopted by the Conference which total amount shall be apportioned as an item of ministerial support to the Districts or pastoral charges as the Annual Conference may determine.

RULING

They are.

JURISDICTION

The Judicial Council has jurisdiction to pass upon the above quoted ruling of Bishop Oxnam. (Sub. 3, Paragraph 43 of the 1952 *Discipline*, same being Sub. 3, Art. II, Division Four of the Constitution of The Methodist Church.)

ANALYSIS

Subdivision 1 of Paragraph 806 makes it mandatory for every Annual Conference to "adopt a schedule of minimum support for its Pastors, including full-time Accepted Supply Pastors."

Implementing this mandatory provision, Sub. 4 of Paragraph 806 makes it mandatory that the Conference Commission on World Service

and Finance estimate the total amount necessary to maintain such schedule, and that such estimated amount "shall be apportioned as an item of ministerial support to the Districts or pastoral charges as the Annual Conference may determine."

Decision

Bishop Oxnam's decision being strictly in accord with the plain provisions of the law relating to the Minimum Salary Plan, as set out in Paragraph 806 of the *Discipline* of 1948, same as hereby in all things affirmed.

In Re: Request Of The Iowa-Des Moines Annual Conference For An Interpretation Of Paragraph 308 Of The 1948 *Discipline* As Amended By The 1952 General Conference

DIGEST OF DECISION

An unordained Student Pastor, who is a candidate for the traveling ministry while serving as a regularly appointed Pastor of a charge, may be authorized to administer the Sacraments of Baptism and the Lord's Supper, and, if the laws of the State permit, to perform the marriage ceremony within the bounds of his pastoral charge, *provided* he has passed the Course of Study for Admission on Trial, but he may be excused from advancing in the Conference Course of Study while attending a college or seminary "approved by the authorized standardizing agency."

STATEMENT OF FACTS

The Iowa-Des Moines Annual Conference of The Methodist Church at its 1952 Session, on motion of Dr. E. E. Voigt, Chairman of the Iowa-Des Moines Conference Board of Ministerial Training, adopted the following:

The Iowa-Des Moines Conference requests The Judicial Council to rule upon the effect of Paragraph 308 as amended by The General Conference of 1952, upon young men in college and seminary.

JURISDICTION

The Judicial Council has jurisdiction to respond to this request under the 1952 amendment to Paragraph 914 of the 1948 *Discipline* authorizing Annual Conferences to petition The Judicial Council for Declaratory Decisions.

ANALYSIS

Paragraph 308 of the 1948 *Discipline* as amended in 1952 reads as follows:

An unordained Pastor, only while serving as a regularly appointed Pastor of a charge, may be authorized to administer the Sacraments of Baptism and The Lord's Supper and, if the laws of the State

permit, to perform the marriage ceremony, within the bounds of his pastoral charge, *provided*:

- (a) He has passed the Course of Study for Admission on Trial,
- (b) And each year thereafter he passes one full year of the Course of Study, looking to full ordination. Failure to complete one full year annually shall cause suspension of this privilege.

In all foreign mission fields the conferring of such authority shall rest with the Central Conference in which the Pastor serves.

The questions upon which the Iowa-Des Moines Conference requests a Declaratory Decision as expressed in a letter from Dr. Voigt to the Secretary of The Judicial Council are as follows:

Must they (student ministers) in addition to their regular school work, make regular advance in the Conference Course of Study? Or can the end of Paragraph 304 (Paragraph 305, 1952 *Discipline*) be so interpreted that in making regular advances in the academic program they will be excused from the Conference Course of Study and still be allowed to administer the Sacraments in their student charges?

We may assume that the unordained Student Pastor is a licensed Local Preacher and has passed the Course of Study for License to Preach listed under Paragraph 2043 of the 1952 *Discipline*. If he is to qualify for administering the Sacraments it is clear that he must also comply with the requirement of Paragraph 308 (a) by taking the examinations for Admission on Trial as listed under Paragraph 2044, 1952 *Discipline*. These two courses have been termed "Orientation Courses" and are not considered in the same category as the regular Courses of Study listed under Course I, Paragraphs 2045-2048, and Course II, Paragraphs 2052-2055. It would seem that the framers of the legislation governing the Courses of Study regarded knowledge of the books listed in Paragraphs 2043 and 2044 for Local Preacher's license and Admission on Trial as basic, almost indispensable training for the young man who is to preach the Gospel and administer the Sacraments, whether he attends college and seminary or not.

Paragraph 305 states:

In the case of Local Preachers who are candidates for the traveling ministry, examinations may be suspended while they are pursuing regular Courses of Study in our theological seminaries or in universities and colleges approved by the authorized standardizing agency.

There can be no doubt that this suspension of examinations was intended to apply only to the "Course of Study looking to full Ordination" referred to in Paragraph 308 (b) but not to the "Orientation" Course of Study for Admission on Trial referred to in Paragraph 308 (a). Paragraph 2041 Sec. 4 specifies that

Paragraph 2044 indicates the four books required for: (a) Admission on Trial into an Annual Conference unless candidate furnishes equivalent Seminary credits; (b) authorization for an unordained Supply Pastor to perform ministerial functions as set forth in Paragraph 308; (c) an introduction to the four year Course of Study specified for Full-time Supply Pastors in Paragraph 320.

Then in the same Paragraph, sections 5 and 6 indicate the persons

for whom the Courses I and II are intended. They are either the persons who do not have a seminary degree or Full-time Supply Pastors or other Local Preachers. Paragraph 2041 Section 9 quotes Paragraph 305 by way of emphasis.

All of the above emphasizes the fact that suspended examinations apply only to the four year Courses of Study "for Conference members" indicated in Paragraphs 2045 to 2048, and the four year Course of Study "for Supply Pastors and Local Preachers" indicated in Paragraphs 2052-2055.

Decision

It is the Decision of The Judicial Council that an unordained Student Pastor who is a candidate for the traveling ministry while serving as a regularly appointed Pastor of a charge is authorized to perform ministerial functions as set forth in Paragraph 308 if he has passed the Course of Study for Admission on Trial even though he may not be eligible for Admission because of other Conference standards or requirements. But having passed the Course of Study for Admission on Trial, examinations may be suspended on the regular four year Conference Course as long as he is pursuing courses of study in a college or seminary "approved by the authorized standardizing agency."

In Re: Power Of An Annual Conference To Authorize A Hospital Owned By The Conference To Borrow Money

DIGEST OF DECISION

An Annual Conference may authorize a subsidiary hospital corporation to borrow up to a certain percentage of the value of its property for the purpose of its expansion program. When appraised as provided in the Resolution under consideration it cannot be held that such Resolution authorized an unlimited incurring of indebtedness.

JURISDICTION

The Judicial Council has jurisdiction under Paragraph 909 of the 1952 *Discipline* which authorizes The Council "to pass upon the Decisions of Law made by the Bishops in Annual and District Conferences."

STATEMENT OF FACTS

The Good Samaritan Hospital is a corporation whose Trustees are elected by the Kentucky Annual Conference and are under the control of the Conference. They ask for authority from the Conference to incur, if necessary, a maximum indebtedness of 25% of the evaluation of its land, as fixed by the Board of Trustees of the Good Samaritan Hospital, hereinafter called the Board of Trustees, and 25% of the evaluation of the property fixed by the Kentucky Actuarial Bureau

for the purposes of insurance, such 25% to be based on such evaluation statement next preceding the time of incurring such indebtedness. Marcus C. Redwine, hereinafter called the appellant, questioned the power of the Conference to grant the request and asked for a ruling on the following question:

In the request submitted by the Board of Trustees of the Good Samaritan Hospital, owned by the Conference, is there not implied, if not expressly stated, a surrender of the sovereign power and discretion, vested in the supreme body to the Board of Trustees, the subordinate body? Can this Conference legally authorize said Board to provide its own means and power to incur unlimited indebtedness against the assets of this Conference? In the final analysis, does not the Conference have to say, "What is the highest debt limit that may be legally placed against the hospital?"

The request of the Trustees was granted by the Conference. The next day the presiding Bishop, William T. Watkins, made the following ruling:

The Kentucky Annual Conference is within its rights to grant the Good Samaritan Hospital the right to incur indebtedness up to twenty-five per cent of its appraised assets. No request was before the Conference for unlimited indebtedness.

ANALYSIS

By his first question the appellant asked if the Conference did not surrender its sovereign power and discretion to the Board of Trustees, a body subordinate to the Conference. The contrary was the fact. The Board of Trustees in asking the Conference for authority to incur indebtedness acknowledged the superior power of the Conference.

The second question apparently asked if the Conference can give the Board of Trustees power to incur debt without limit and pledge the assets of the Conference. This is contrary to the fact. Instead of being unlimited in indebtedness it was limited to 25% of the value of the property of the hospital corporation based on evaluation statement next preceding the time of incurring such indebtedness.

Therefore, there is a limit of indebtedness satisfactory to the Conference which authorized the same. In this instance the only assets of the Conference authorized to be pledged are the assets of its subsidiary corporation.

The third question asked if the Conference does not have to say what is the highest amount of debt that the hospital can incur. Probably the appellant means to ask if the Conference is not required to state in dollars the limit that can be borrowed. In stating the percentage of the value of the property that can be borrowed, the Conference fixed a limit. However, since Paragraph 631 of the 1952 *Discipline* distinctly implies that an Annual Conference can obligate itself, it is obvious that the Conference may authorize a subsidiary corporation to incur indebtedness and not fix the limit. Such, however, was not the case here.

Decision

It is therefore the Decision of The Judicial Council that the ruling of Bishop Watkins be and it is hereby affirmed.

**In Re: Ruling Of Bishop W. T. Watkins Of The
Kentucky Conference, August 29, 1952, On
Question Of Quorum Necessary For
Quarterly Conference Business**

DIGEST OF DECISION

No quorum is necessary for a session of the Quarterly Conference and it is legal to reduce the number of the Trustees in a church from nine to three to comply with the State law.

STATEMENT OF FACTS

The first Quarterly Conference of the Mead Memorial Church, Russell, Kentucky, was held October 31, 1951. At the fourth Quarterly Conference held on July 13, 1952, the legality of actions taken at the first Quarterly Conference was questioned on the ground of there being no quorum present and also on the ground that the Quarterly Conference had no legal authority to reduce the number of Trustees from nine to three. The District Superintendent ruled that it does not require a quorum for a Quarterly Conference to transact business and that the Quarterly Conference had the authority and duty, as it did, to reduce the number of Trustees to three in order to comply with State law.

Appeal was made from the District Superintendent's ruling to the presiding Bishop who in the session of the Kentucky Annual Conference on August 29, 1952, sustained the ruling of the District Superintendent.

JURISDICTION

The Judicial Council has jurisdiction under Paragraph 909 of the 1952 *Discipline* which authorizes The Council to "pass upon the Decisions of Law made by the Bishop in Annual and District Conferences. . . ."

ANALYSIS

Provisions of the *Discipline* governing Quarterly Conferences do not include any statement concerning quorums. (1952 *Discipline*, Paragraphs 137-154.) Neither by law, tradition, or practice is a quorum required for a Quarterly Conference. Such requirement is provided for only two of the Conferences of Methodism, namely, the Jurisdictional Conference (1952 *Discipline*, Paragraph 527) and the General Conference (1952 *Discipline*, Paragraph 503.) In Decision No. 36, May 9, 1946, The Judicial Council held that no quorum for an Annual Conference is established in the law of the Church.

The action of the Quarterly Conference reduced the number of Trustees to three as required by the Statutes of Kentucky (Kentucky Revised Statutes, 1948, 273.100). This Statute provides for a religious society to have from "one to three Trustees in whom legal or equitable title to the society's property shall be vested for the use of the society." The *Discipline* of 1952, Paragraph 721, states that "Whenever the law of the State, territory, or country in which is located any property of The Methodist Church, its Agencies or subdivisions, or the provisions of an existing charter of a corporation organized and holding property for such purposes, require otherwise than in this chapter prescribed, such law or Charter shall apply and

be substituted for such of the provisions of this chapter as are in conflict with such law or charter."

The action of the Quarterly Conference in reducing the number of Trustees to the maximum number permitted by Kentucky State Law is in harmony with this Paragraph and the Quarterly Conference therefore acted properly in the premises.

Decision

The ruling of the Bishop that no quorum is necessary for a session of the Quarterly Conference, and that a regular Quarterly Conference with a limited number present was within its authority, and in compliance with the Kentucky Statutes, in reducing the number of its Trustees to three, is correct. The ruling of the Bishop is therefore affirmed.

In Re: Successor To Dr. Charles B. Ketcham As Member Of The Judicial Council

DIGEST OF DECISION

Dr. L. Dorsey Spaugy, being the first in order of election of the Ministerial Alternates to membership upon The Judicial Council, is the lawful successor of Dr. Chas. B. Ketcham, deceased.

STATEMENT OF FACTS

On Thursday, April 2, 1953, Dr. Chas. B. Ketcham, member of the Judicial Council of The Methodist Church, departed this life. Immediately upon his death the necessity arose of calling from among the Ministerial Alternates to membership upon The Council, the successor to Dr. Ketcham.

M. A. Childers, President of the Judicial Council, acting under the provisions of Art. #3 of Paragraph 901, of the 1952 *Discipline*, providing that "Vacancies on The Judicial Council shall be filled by the Alternate or Alternates of the same class or respective classes *in the order of their election as alternates*," and the provisions of Paragraph 2115 of the *Discipline* listing Dr. L. Dorsey Spaugy the first ministerial alternate "in order of election," determined that Dr. Spaugy was the lawful successor of Dr. Ketcham to membership upon the Judicial Council. This determination was questioned by the Secretary of The General Conference, whereupon the question was submitted by the President to all members of The Council by wire and all but one member of The Judicial Council sustained the determination that had been made by the President of The Council.

JURISDICTION

This being a matter of great importance it would seem that this question should be made the subject of a formal Declaratory Decision by The Judicial Council. Sub. 6, Paragraph 43 of the *Discipline* reads as follows:

"The Judicial Council shall have authority:

"6. To provide its own methods of organization and procedure."

The Judicial Council has broad powers, both under the Constitution and the acts of The General Conference to interpret the provisions of the *Discipline*. It would seem that the above quoted provision of the Constitution would give to The Council implied authority, at least, to determine from the provisions of the *Discipline* who shall fill vacancies in its membership occurring *ad interim* the sessions of The General Conference.

This implied authority is emphasized in the provisions of Art. 3, Paragraph 901, directing that "it shall be the duty of the President and Secretary of The Council to notify the Alternate entitled to fill" a vacancy. If a question should be raised as to the proper one to call to fill such a vacancy, there is nobody except The Judicial Council authorized to determine such question.

It is the Decision of The Judicial Council that The Council has jurisdiction to render a Decision on the question of who shall be called to membership upon The Judicial Council to fill the vacancy caused by the death of Dr. Chas. B. Ketcham.

ANALYSIS

Paragraph 901 of the *Discipline* deals with membership upon The Judicial Council, including the election of members and of alternates. The second unnumbered Paragraph of Art. I of Par. 901, reads as follows:

"Members of The Council shall be nominated and elected in the manner following: At each quadrennial session of The General Conference, The Council of Bishops shall nominate by majority vote four times the number of Ministers and four times the number of Laymen to be elected at such session of The General Conference. At the same daily session at which the above nominations are announced, nominations for each Class may be made from the floor."

The words "*for each Class*" without question means the Ministerial class and the Lay class.

Article 2 of Paragraph 901 reads in part as follows:

"There shall be a like number of Alternates of each Class, and their qualifications shall be the same as for membership on The Judicial Council. The term of the Alternates shall be for eight years."

"The Alternates shall be elected in the manner following: From the nominees of each Class remaining on the ballot after the election of the necessary number of Members of The Judicial Council to be elected at sessions of The General Conference, The General Conference shall by separate ballot, without discussion and by majority vote, elect the number of Alternates of *each Class* to be elected at such session of The General Conference. An election shall be held at each session of The General Conference for only the number of *each Class whose terms expire at such session* of The General Conference or to fill vacancies."

The term "*each Class*" as used in this article could not be interpreted as meaning Class of any particular year or years. In interpreting on that basis, all "*whose terms expire at such session of The General Conference*" would belong to the same Class, and the term "*each Class*" would have no meaning. It is clear that the term "*each Class*," as used in Art. 2 of Paragraph 901 is to be construed as referring to Ministerial and Lay Classes.

It is equally clear that the same interpretation is to be given to the term "of the same Class or respective Classes," as used in Art. 3, Paragraph 901. This Paragraph reads in part as follows:

"If a vacancy or vacancies in the Membership of The Judicial Council occur during the interim between sessions of The General Conference, they shall be filled by the Alternate or Alternates of the same Class or respective Classes in the order of their election as Alternates."

Decision

It is the Decision of The Judicial Council that the expressions "*of each Class*" or "*respective Classes*" as used in the Articles of Paragraph 901 quoted above refer to Ministerial and Lay members or Ministerial Alternates or Lay Alternates, and not to the Class or Classes of any particular year or years; and that in case of vacancy in the Ministerial membership on The Judicial Council the Ministerial Alternate first in order of election is entitled to fill such vacancy; and that in case of a vacancy in the Lay membership on The Judicial Council, the Lay Alternate first in order of election is entitled to fill such vacancy.

It appearing from Paragraph 2115 of the *Discipline* that Dr. L. Dorsey Spaugy was the first Ministerial Alternate "in order of election," it is clear that Dr. Spaugy was and is entitled to fill the vacancy on The Judicial Council caused by the death of Dr. Chas. B. Ketcham. Accordingly the calling by the President of The Council of Dr. Spaugy to membership upon The Judicial Council is in all things affirmed and approved.

In Re: Ruling Of Bishop Paul N. Garber At Virginia Annual Conference, October 11, 1952, As To Paragraph 1618, Section 4, Relating To The Listing Of Special Appointments In The Conference Journal

DIGEST OF DECISION

Special Appointments listed in the Annual Conference Journal in compliance with Paragraph 1618, Section 4, of the 1952 *Discipline*, showing annuity responsibility, must be the Special Appointments of the current Conference and not those of the previous Conference.

STATEMENT OF FACTS

The Journal of the Virginia Annual Conference meeting in Norfolk, Virginia, records the following action:

"Report No. 1 on Conference Claimants—R. P. Riddick presented

Report No. 1 of the Board of Conference Claimants, and it was adopted." (See Appendix.)

This Report as adopted contained the recommendations of the Board of Conference Claimants listing the Special Appointments with reference to their annuity claim as required in Paragraph 1618, Section 4 of the 1952 *Discipline*.

In connection with the Report the following action was taken at the request of Bishop Paul N. Garber, the Presiding Officer:

"The Board of Conference Claimants of the Virginia Annual Conference, in session October 9, 1952, on proper motion, requested the presiding Bishop to rule on Paragraph 1618, Section 4, of the Methodist *Discipline* (1948 and 1952) as to whether it refers to the Special Appointments of the current Annual Conference or to Special Appointments of the preceding Annual Conference."

In response to this request, on October 10, 1952, Bishop Garber read the following statement to the Conference:

"This is a question that can be answered either way, for there are basic reasons to justify either answer. I feel that this is one question that should be settled by The Judicial Council. I, therefore, answer that Paragraph 1618, Section 4, of the Methodist *Discipline*, refers to Special Appointments of the preceding Annual Conference. I would appreciate it if my ruling should be appealed by our Virginia Annual Conference to The Judicial Council."

The Journal then states:

"R. P. Riddick moved that the Conference appeal the Decision above to The Judicial Council and the motion was adopted."

JURISDICTION

This question is properly before The Judicial Council for a Decision for the following reasons:

1. Paragraph 908 of the *Discipline* 1952 states:

"The Judicial Council shall hear and determine any appeal from a Bishop's Decision on a Question of Law made in the Annual or District Conference, when said appeal has been made by one fifth of that Conference present and voting."

2. Paragraph 909 of the *Discipline* 1952 states:

"The Judicial Council shall meet at least once a year and pass upon the Decisions of Law made by the Bishops in Annual and District Conferences upon questions submitted to them in writing, and reported in writing to The Council, with a syllabus of each case, and affirm, modify or reverse them. Before affirmation no Episcopal Decision shall be authoritative except in the case pending. When the Decisions are affirmed, they shall become the law of the Church."

While the expressed purpose of Bishop Garber's ruling was to bring the question to The Judicial Council for Decision it does come to The Council both by an Episcopal Ruling in an Annual Conference and by an appeal of the Conference from the Bishop's Decision. The Judicial Council, therefore, is authorized to take jurisdiction.

ANALYSIS

Paragraph 1618, Section 2, of the 1952 *Discipline*, reads as follows:

"The following years of approved service in the effective relation or On Trial in an Annual Conference of The Methodist Church, are eligible to be counted for the purpose of determining the annuity claims paid thereon:

- a) As pastor or associate pastor.
- b) As District Superintendent, Presiding Elder, Conference President, or as a full-time salaried official of the Conference.
- c) Service rendered under Special Appointment to an Institution, Organization, or Agency which in the judgment of the Annual Conference rendered to it some form of service, direct or indirect, sufficient to warrant granting an annuity from the Conference funds therefor, or to a community church; *provided*, however, that such institution, organization, agency, or community church accepts and pays annually such apportionments as the Annual Conference may require in accordance with the provisions as set forth in Paragraph 1623, Section 6, and *provided* furthermore, that any institution, organization, agency, or community church may arrange for a pension related to such service through the *Joint Contributory Annuity Fund* administered by the Board of Pensions."

The pertinent part of Section 4 of Paragraph 1618 reads as follows:

"Upon recommendation of the Board of Conference Claimants and approved by the Annual Conference, Special Appointments shall be listed in the Conference Journal as follows:

- (1) With annuity claim (a) upon this Annual Conference, or (b) upon a General Board, an Institution or an Agency of The Methodist Church;
- (2) Without annuity claim upon this Annual Conference."

It is clear that it was the intent of the provisions quoted above, that annuity responsibility should be determined before Special Appointments are made so that there may be no question either on the part of the minister involved or on the part of the Board, Institution or Agency to which he may be appointed as to where the annuity responsibility lies.

Decision

In view of the above it is the Decision of The Judicial Council that the recommendation of the Board of Conference Claimants concerning the annuity claim of persons in Special Appointments, the approval of the recommendation by the Annual Conference and the listing of same in the Conference Journal in compliance with Paragraph 1618, Section 4 of the Methodist *Discipline* 1952, applies to Special Appointments of the current Conference and not to

Special Appointments of the preceding Conference. The ruling of the Bishop is hereby reversed.

In Re: "Is The *Discipline* Of The Methodist Church A Book Of Law?"

DIGEST OF DECISION

The *Discipline* of The Methodist Church is a Book of Law, and the only official and authoritative Book of Law of The Methodist Church—"a body of laws pertaining to Church government," regulating every phase of the life and work of The Methodist Church, including regulations relating to its temporal economy and to the ownership, use and disposition of church property.

STATEMENT OF FACTS

In a letter written to The Council of Bishops of The Methodist Church by Rev. Oscar M. Polhemus on February 19, 1953, he stated that one of the matters discussed at the annual meeting of the Trustees of the New Hampshire Annual Conference was "the result of the lawsuit instituted by the Trustees to recover property of an 'abandoned' church. We lost that suit. One of the factors in this failure was that the Presiding Officer ruled that our *Discipline* was not a Book of Law. The basis for this ruling was a sentence from the 'Episcopal Greetings': 'the *Discipline* became not a book of definite rules nor yet a formal code, but rather a record of the successive stages of spiritual insight attained by Methodists under the Grace of Christ.'" Bishop G. Bromley Oxnam, Secretary of The Council of Bishops, submitted the question of whether the *Discipline* is a Book of Law to The Judicial Council in a communication under the date of June 12, 1953, which reads in part as follows:

"The Secretary made reference to the legal questions raised by the Rev. Oscar M. Polhemus . . . and The Council voted to refer the legal question to The Judicial Council."

JURISDICTION

Under Paragraph 914 of the 1952 *Discipline* of The Methodist Church, The Judicial Council has jurisdiction to hear and determine the question submitted to it by The Council of Bishops, as above set out.

ANALYSIS

Under the Constitution of The Methodist Church, The General Conference is the only law making body of the Church and the only body authorized to speak officially for The Methodist Church (Paragraph 512 of the *Discipline*). The *Discipline* contains the Constitution and the enactments of The General Conference. It is self-evident that the *Discipline* is a "Book of Law." Therefore, a Decision seems unnecessary. The "Episcopal Greetings" of the Bishops contained in the *Discipline* is neither a part of the Constitution nor an enactment of The General Conference. Hence it is no part of the "body of laws" governing the life and work of the Church. But even the "Episcopal Greetings" apparently relied on by the Judge in the New Hampshire

case is not subject to the interpretation given to it by the Judge. The true meaning of this statement is revealed by the next sentence following the one quoted, which next sentence reads as follows:

"We have therefore expected that the *Discipline* would be administered not *merely as a legal document*, but as revelation of the Holy Spirit working in and through our people."

It is clear, from this language, that the statement of the Bishops relied on by the trial Judge in the New Hampshire case was not intended as a denial that the *Discipline* is a "Book of Law," but was intended as an affirmation that the *Discipline* is a Book of Law—"A legal document," and that in its administration it can also become a means of spiritual grace.

This same interpretation is expressed in different words in the Historical Statement forming a part of the preface to the *Discipline*. Note the following quotation from pages 5 and 6 of the 1952 *Discipline*:

"Our present Articles of Religion come from this Book and unite us with the historic faith of Christendom. Our Ritual, too, though it has been modified, has this as its source. However, the forms for public worship taken from the Book of Common Prayer were not adapted to the freer religious life of American Methodism and never entered into common use. Instead, Methodism **CREATED A BOOK OF ITS OWN, ITS (DISCIPLINE)**. This contains today the Articles of Religion, Wesley's General Rules, the Ritual and other forms of worship, **AND A LARGE SECTION WHICH DEALS WITH THE MINISTRY, THE VARIOUS CHURCH ORGANIZATIONS, AND THE RULES GOVERNING THE LIFE AND WORK OF THE CHURCH.**"

Furthermore, the first 98 Articles of the *Discipline* constitute "The Plan of Union" under which the Methodist Episcopal Church, the Methodist Episcopal Church, South, and the Methodist Protestant Church were united in 1939 to form The Methodist Church. Under this plan a Uniting Conference was called to effect the union. This Uniting Conference unanimously adopted "The Declaration of Union" as set out on pages 7 and 8 of the *Discipline*. Paragraph II of the Declaration of Union reads as follows:

"The Plan of Union as adopted is and shall be the Constitution of this United Church and of its three constituent bodies."

Paragraph 10 of the *Discipline*, a part of the Plan of Union, treats the Plan of Union as the Constitution of the United Church and prescribed the method by which this Constitution may be amended.

Paragraph 45 of the *Discipline*, also a part of the Constitution of the United Church, prescribes the procedure for and the duties of the Uniting Conference.

Subdivisions 1 and 2 of Article IV of Paragraph 45 read as follows:

"Art. IV. The duties and powers of the Uniting Conference, subject to the provisions of the Plan of Union shall be:
"1. To harmonize and combine the **RULES AND REGULATIONS** as found in the *Disciplines* of the three Churches relating to membership, the Conferences, the ministry, judicial administration and temporal economy."

"2. To harmonize and combine the Rituals of the three Churches."

This is a positive declaration in the Constitution of the United Church that the *Disciplines* of the three Churches contained their respective "rules and regulations, relating to membership, the Conferences, the ministry, judicial administration and temporal economy," as well as the respective Rituals of the Uniting Churches. The *Discipline*, subject to the provisions of the Constitution, is amended and revised, as may appear necessary by each quadrennial session of The General Conference. This Constitution, Paragraph 8 of the *Discipline*, states that "The General Conference shall have full legislative power over all matters distinctively connectional, and in the exercise of said powers shall have authority" (among other things,):

"To enact such other legislation as may be necessary, subject to the limitations and restrictions of the Constitution of the Church."

Under this broad legislative power The General Conference has enacted provisions relating to property, its ownership, trust clauses to go with conveyances, regulations governing sales and conveyances of church property, and various other provisions dealing with the life and work of the Church and its temporal economy. Attention is also called to the fact that Division III of the Constitution of the Methodist Episcopal Church, as set out in its *Discipline*, is entitled "Articles of Organization and Government." The *Discipline* of the Methodist Episcopal Church, South, was denominated:

"The Doctrines and *Discipline* of the Methodist Episcopal Church, South."

The Methodist Protestant *Discipline* was denominated:

"Constitution and *Discipline* of the Methodist Protestant Church."

Webster's International Dictionary defines "Discipline" as:

"Body of laws pertaining to conduct, church government, etc."

"Body of laws, or practices which may be altered to meet changing conditions."

Thus (1) from historical usage, (2) from the word "*Discipline*" used in the title of the Book of each of the Uniting Churches containing its Rules and Regulations, (3) from the accepted and authoritative definition of the word "*Discipline*," and (4) from the contents of the Book itself, the *Discipline* of The Methodist Church is not only a Book of Law, but is the only official and authoritative Book of Law of The Methodist Church.

Decision

Therefore, it is the *Decision of The Judicial Council* that the *Discipline* of The Methodist Church is a Book of Law governing every aspect of the life and work of the Church, including regulations relating to its temporal economy and to the ownership, use and disposition of church property. It is the only official and authoritative Law Book of the Church.

**In Re: The Request Of The Pacific Northwest Annual
Conference For A Declaratory Decision Concern-
ing The Relationship Of "Approved Full-
time Supply Pastors" (Par. 315-c To
Paragraph 320 Of The 1952
Discipline)**

DIGEST OF DECISION

ALL "Approved Full-time Supply Pastors" except those who have already been ordained Elders are required to obey the provisions of Paragraph 320 of the 1952 *Discipline*.

STATEMENT OF FACTS

A letter, dated June 16, 1953, from Wayne D. Griffen, Secretary, notified The Judicial Council of the following Resolution adopted by the Pacific Northwest Annual Conference in its session on June 12, 1953:

"Judicial ruling is asked on Paragraph 315 relative to category "C"; and Paragraph 320, with special emphasis on whether or not the enforcement of Paragraph 320 involves retroactive action to include *all* Approved Supply Pastors *now* serving or just those who come into that relationship in the future (Conf. year 1953-54, on)"

JURISDICTION

Under Paragraph 914-(8) of the *Discipline*, The Judicial Council has jurisdiction and this request for a Declaratory Decision comes properly before us.

ANALYSIS

Paragraph 320 of the 1952 *Discipline* reads as follows:

"Approved Supply Pastors who are giving their full time to pastoral work under the District Superintendents shall be required to take the Conference Course of Study, including the Course for Admission on Trial. The Courses shall be taken by correspondence, or part by correspondence and part in a standard Pastor's school or summer school for ministerial training, except that credits for the Courses of Study may be accepted from the Schools of Theology and colleges, as described in Paragraphs 326-27. Any Approved Supply Pastor who fails to observe the requirements of this Section, or who shall fail to complete two years of the Course of Study within four years and the entire Course within eight years, shall not be employed by a District Superintendent."

It is certainly evident from the wording of this Paragraph that all Approved Full-time Supply Pastors must observe these requirements. There are no provisions for suspending this Rule.

Paragraph 315 (1) reads as follows:

"The Conference Board of Ministerial Training and Qualifications shall recommend annually to the Annual Conference those who have met the requirements to become Approved Supply Pastors for the ensuing year, classifying them in one of the following cate-

gories: (a) Approved Student Supply Pastors who are in schools, colleges, or seminaries preparing for Conference membership; (b) Approved Part-time Supply Pastors other than students; (c) Approved Full-time Supply Pastors who are Elders or are taking the Course of study preparing for ordination as required by Paragraph 320 and are giving full time to pastoral work."

Again, it is evident from the wording of category (c), which refers "Approved Full-time Supply Pastors" to the requirements of Paragraph 320, that the Conference Board of Ministerial Training and Qualifications is given the responsibility of enforcing the provisions of Paragraph 320 in relation to all who seek approval as Full-time Supply Pastors, who have not received ordination as Elders. It is the obvious intent of these provisions in the *Discipline* that all Approved Full-time Supply Pastors shall be either fully Ordained or making progress toward Full Ordination under the provision of Paragraph 320.

The term "retroactive" used in the Resolution of the Pacific Northwest Annual Conference requesting a ruling in this matter is not pertinent here. It is not required, for instance, that the provisions of Paragraph 320 concerning time, etc., be made retroactive to cover past years wherein a person may have had a relationship to the Conference as a Supply Pastor. It is certainly required, however, that all Approved Full-time Supply Pastors, now serving, who have not received ordination as Elders, shall obey the provisions of Paragraph 320 regardless of age or years of service.

Decision

It is the Decision of The Judicial Council that all Approved Full-time Supply Pastors must satisfy the requirements of Paragraph 320 of the 1952 *Discipline*. They must have met in full the educational requirements and have received ordination as Elders, or, they must now be subject to the provisions of this Paragraph, preparing for ordination.

In Re: Ruling Of Bishop Roy H. Short Regarding The Legality Of The "Conference Council" As Adopted By The Tennessee Annual Conference At Its Session September 4th, 1952

DIGEST OF DECISION

An Annual Conference may create a Commission or "Council" for the purpose of correlating and promoting the work of the various Agencies of the Conference but without authority over those Boards, Commissions and Committees whose powers and duties are defined in certain Paragraphs of the *Discipline*.

STATEMENT OF FACTS

The Tennessee Annual Conference of The Methodist Church in session at Pulaski, Tennessee, on September 4, 1952, adopted a proposal for the establishment of a "Conference Council" for the purpose of correlating and promoting the work of the various Boards and Agencies of the Conference (see Journal of the Tennessee Annual Conference for 1952, pages 59, 60, 61). The proposal grew out of the experience of the Annual Conference with an Inter-Board Council which had been in operation since the Conference session of 1945.

At the session of the Tennessee Annual Conference in Murfreesboro, Tennessee, on September 4, 1953, the following request for a ruling was made in writing by three members of the Conference:

"The undersigned respectfully request your ruling as to the legality of the Conference Council as adopted by the Annual Conference meeting in Pulaski, Tennessee, on September 4, 1952, found on pages 59, 60, and 61 of the Journal of the Tennessee Conference of 1952.

W. O. Largen
Willard H. Blue
Cullen T. Carter"

The ruling of the Bishop was as follows:

"The Inter-Board Council or Conference Council is designed to function as a Promotional and Service Agency for all the Boards of the Annual Conference. It is composed of representatives *ex-officio* or duly elected by the various Conference Boards. It does not alter the structure or functioning of any of the Conference Boards as outlined in the *Discipline* or take away any of their prerogatives. It is, therefore, not contrary to the law of the Church."

JURISDICTION

The conditions of Paragraphs 43-3 and 909 of the *Discipline* having been met, the ruling of Bishop Short is now properly before The Judicial Council.

ANALYSIS

The "Conference Council" as adopted by the Tennessee Annual Conference at its session of September 4, 1952, might be alleged to be contrary to the law of the Church if (1), the Conference by its action had exceeded its authority, or, (2) the "Conference Council" as adopted had been granted powers which contradicted the rights of The General Conference in its establishment of certain Annual Conference Boards, Commissions and Committees with powers and duties as defined in certain Paragraphs of the *Discipline*. The facts do not support such an allegation.

(1)—An Annual Conference certainly has the right to create its own Agencies for the promotion of the work of the Church within its bounds.

SECTION VII, article 11 of the Constitution (Paragraph 22 of the *Discipline*) reads as follows:

"The Annual Conference is the basic body in the Church, and as such shall have reserved to it the right to vote on all Constitutional Amendments, on the election of Ministerial and Lay Delegates to The

General and the Jurisdictional or Central Conferences, on all matters relating to the character and Conference relations of its Ministerial Members, and on the Ordination of Ministers, and such other rights as have not been delegated to The General Conference under the Constitution, with the exception that Lay Members may not vote on matters of Ordination, character, and Conference relations of Ministers. It shall discharge such duties and exercise such powers as The General Conference under the Constitution may determine."

There is ample evidence in the *Discipline* that among "such other rights as have not been delegated to The General Conference" is the right of the Annual Conference to govern its own procedures within the limits of the Constitution.

The first sentence of Paragraph 631 of the *Discipline* reads:

"The Annual Conference may make rules to govern its own procedures; *provided* that no Annual Conference shall make any rule contrary to the Constitution or to the powers granted it by The General Conference."

Paragraph 630 (1) of the *Discipline* becomes specific concerning the right of an Annual Conference to create its own Agencies for its work:

"The Annual Conference at the first session following The General Conference or Jurisdictional or Central Conferences shall appoint or elect such Quadrennial Boards, Commissions, or Committees as shall be ordered by The General Conference or the Jurisdictional or the Central Conference of which the said Annual Conference is a part, or by the Annual Conference itself, for the purpose of promoting the work of The Methodist Church within the bounds of the said Annual Conference. The powers and duties of said Boards, Commissions, and Committees shall be prescribed by the Conference authorizing them or as defined in certain Paragraphs of this *Discipline*."

Certainly the "Conference Council" as adopted by the Tennessee Annual Conference is one of the "Boards, Commissions or Committees" ordered by that Conference for the promotion of the work of The Methodist Church within its bounds.

(2)—The "Conference Council" as adopted by the Tennessee Annual Conference on September 4, 1952, was not granted powers which are in conflict with the powers and duties of Annual Conference Boards, Commissions and Committees established by The General Conference and defined in the *Discipline*. Paragraph 6(b) of the plan of the "Conference Council" as adopted reads:

"The Conference Council is a Promoting and Correlating Agency of the Boards and Agencies of the Annual Conference and has no authority over the participating Boards and Agencies."

Under the plan, each Annual Conference Board or Agency presents to the Annual Conference its suggested Program for adoption. When adopted, those phases of the Program which are to be promoted by the "Conference Council" are submitted to the "Council" for correlation and promotion. There seems to be no conflict here with the rights of The General Conference or with the powers and duties of Annual Conference agencies established by The General Conference.

Decision

It is therefore the Decision of The Judicial Council that the "Conference Council" as adopted by the Tennessee Annual Conference on September 4, 1952, is not contrary to the law of the Church. Accordingly, the ruling of Bishop Short is hereby affirmed.

In Re: Removal Of Residence Of Secretary Of The Board Of Church Extension Of The Methodist Episcopal Church, South, From Louisville To Philadelphia

DIGEST OF DECISION

General legislation giving the Division of National Missions of the Board of Missions control over the work of the Board of Church Extension of the Methodist Episcopal Church, South (a Kentucky Corporation), did not give it the authority to change the residence of the Secretary from Louisville, Kentucky, where it was fixed by basic law under the facts in this case. The General Conference is the only body which has power to make the change contemplated.

STATEMENT OF FACTS

The Board of Missions by petition seeks a Declaratory Decision under section 914 of the *Discipline*. The petition sets out that the Board of Missions is an incorporated body and has control of all work formerly controlled and administered by the Board of Church Extension of the Methodist Episcopal Church, South. (See Paragraph 1168 of 1952 *Discipline*.)

The Division of National Missions of the Board of Missions of The Methodist Church is charged, among other things, with the responsibility of the work of missions and church extension in the United States through a Section of National Missions and a Section of Church Extension, by Paragraphs 1213 and 1214 of 1952 *Discipline*.

Since Unification the Church Extension Work has been administered through two offices: one at Louisville, Kentucky, serving the Southeastern and South Central Jurisdictions through the Board of Church Extension of the Methodist Church, South, a Kentucky Corporation; and the other serving the remaining Jurisdictions in the United States through the Board of Home Missions and Church Extension of the Methodist Episcopal Church, a Pennsylvania Corporation.

The charter of the Kentucky Corporation, granted by the State of Kentucky in 1884 provides in Section V that the Officers and Managers can do all things necessary to the purpose of the corporation "not inconsistent with . . . the Constitution of the Board" (meaning the Board of Church Extension which The General Conference of the Methodist Episcopal Church, South, had organized about two years previously). In section VI of the Charter it is provided that the Con-

stitution can be altered or amended by The General Conference of the Methodist Episcopal Church, South. That power is now in The General Conference of The Methodist Church. This Constitution was adopted by The General Conference of The Methodist Church in 1944 and was amended by it in 1952.

Article III of this Constitution prescribes the duties of the Secretary and provides that he shall reside where the Board (i.e., the Board of Church Extension of the Methodist Episcopal Church, South, the Kentucky Corporation) is located. The next Article IV states, "The Board shall be located in Louisville, Ky."

The Division of National Missions on January 20, 1954, took action to consolidate the work of the Kentucky and Pennsylvania Corporations by transferring the Staff and work of the Louisville office to Philadelphia, but retaining an office in Louisville, where securities, corporate seal and records shall be kept. It further provided that the Secretary of the Kentucky Corporation, who is also Executive Secretary of the Section of Church Extension of the Division of National Missions, shall reside in Philadelphia.

The question is raised, on which a Declaratory Decision is asked, whether the Board of Missions, through its Division of National Missions, which, by the *Discipline*, Paragraph 1213 of 1952, has been given control of all the work formerly administered by the Kentucky Corporation, can provide that its Executive Secretary, who is also the Secretary of the Kentucky Corporation, shall reside in Philadelphia. It is contended that there is a conflict in legislation between said Paragraphs 1168 and 1213 and in the said Constitution adopted in 1944.

JURISDICTION

This petition for a Declaratory Decision comes from a General Conference Board or body, on matters relating to or affecting the work of such Board or body and is therefore properly before The Judicial Council, under the provisions of Paragraph 914 of the 1952 *Discipline*.

Decision

The charter of the Kentucky Corporation having expressly provided that the officers and managers could not do anything inconsistent with the Constitution, which fixed the location of the Corporation in Louisville, and that the Secretary must reside there is the supreme law of that corporation. It is expressly provided in the Charter how the Constitution may be amended. General legislation giving the Division of National Missions control over the work of the Kentucky Corporation cannot be considered as an Amendment to the said Constitution. Therefore, the petitioner does not have the authority to move the said Secretary's residence from Louisville to Philadelphia. That can be done only by specific action of The General Conference amending the Constitution.

In Re: Request Of Louisiana Annual Conference For A Declaratory Decision Interpreting The Pro- visions Of The *Discipline* Relating To Licens- ing And Renewal Of Licenses Of Local Preachers

DIGEST OF DECISION

Where there is no District Conference, the District Committee on Ministerial Qualifications has sole and final authority to license Local Preachers, and to renew their licenses. Where there is a District Conference the final authority for licensing Local Preachers and for renewing their licenses is vested in the District Conference.

In either case, for the securing of a license the applicant must comply with the provisions of Par. 304 of the *Discipline*.

In the matter of renewal of a license, where there is a District Conference, it is the duty of the District Committee on Ministerial Qualifications to examine the applicant and report to the District Conference whether in its opinion the "gifts, graces and usefulness" of the applicant warrant a renewal; but the final action for such renewal shall be taken by the District Conference.

STATEMENT OF FACTS

The Judicial Council received from the Louisiana Annual Conference, South Central Jurisdiction, the following petition for a Declaratory Decision:

- "1. Your petitioner is the Louisiana Annual Conference, South Central Jurisdiction, of The Methodist Church.
- "2. That your petitioner, the Louisiana Annual Conference, South Central Jurisdiction, of The Methodist Church, in session at Monroe, Louisiana, June 1-4, 1954, in accordance with Paragraph 914, No. (8), of the 1952 *Discipline* of The Methodist Church respectfully petitions The Judicial Council to make a Declaratory Decision on Paragraph 675, No. 2 (a), with reference to the following question: 'Can a District Conference license a Local Preacher or renew the license of a Local Preacher when the District Committee on Ministerial Qualifications does not recommend such action to said Conference?'"

Wherefore the petitioner requests a ruling and Declaratory Decision construing the meaning, application and effect of said Paragraph.

JURISDICTION

The Judicial Council has jurisdiction under Paragraph 914 sub (8) to render the Declaratory Decision requested.

ANALYSIS

The following is a full statement of all the law contained in the *Discipline* relating to the licensing and renewal of the license of a Local Preacher:

"Paragraph 304—A person may be licensed to preach by the District Committee on Ministerial Qualifications (Par. 675). Unless the

license is renewed, it expires after one year. (See Pars. 319 and 329.) To qualify for a license to preach, the person must take the following steps:

- "1. Receive the approval of the Quarterly Conference of the church in which he holds his church membership (Par. 146 #1).
- "2. Appear before and secure the written approval of the District Committee on Ministerial Qualifications.
- "3. Pass a satisfactory written examination in the studies prescribed for candidates for license to preach, and be examined in the subjects of Doctrine and Discipline (Par. 2043).
- "4. Agree to make a complete dedication of himself to the highest ideals of the Christian ministry and bear witness to the same by his abstinence from the use of tobacco and other indulgences which may injure his influence, consecrating himself to purity of life in body, in mind, and in spirit."

Paragraph 362. The duties of the District Superintendent are:

- "4. To issue licenses for Local Preachers and to renew them in accordance with the action of the District Conference or District Committee on Ministerial Qualifications (Par. 675)."

"Paragraph 675. 1. There shall be a *District Committee on Ministerial Qualifications*, of which the District Superintendent shall be Chairman. The Committee shall be composed of the District Superintendent and five traveling preachers of the District, nominated annually by him, and approved by the Annual Conference. Interim vacancies may be filled by the Chairman.

- "2. The duties of the Committee shall be:

a) To examine each person who applies in writing for a license to preach, or for a renewal of such license. (See Par. 304.) Where there is evidence that his gifts, graces and usefulness warrant, it may, upon recommendation of the Quarterly Conference, of the church in which he is a member (Par. 146 No. 1), issue or renew his license to preach; *provided*, however, that where a District Conference exists, *final action on such licensing shall be taken by the District Conference*; and *provided*, further, that before the ballot for licensing a person to preach is taken he shall have agreed to the condition set forth in Par. 304 No. 4. The District Superintendent shall furnish a certified list of the persons licensed to the Secretary of the Annual Conference for insertion in the Journal. (See Par. 362 No. 10).

b) To recommend to the Annual Conference Board of Ministerial Training and Qualifications suitable candidates for acceptance as Approved Supply pastors, for Admission on Trial, for Local Deacon's Orders, for Local Elder's Orders, and for restoration of Credentials.

- "3. The vote of the Committee in all such matters shall be by individual written ballot, and a three-fourths majority vote of the Committee shall be required for license or approval.

- "4. The Committee shall report its work to the District Conference for approval where such Conference exists."

It will be noted that there are conflicts and ambiguities in these Paragraphs. That can be easily explained by reason of the fact that in certain sections of the Church there are no District Conferences, and the law relating to the issuing and renewing of license to preach by the District Conference, where one exists, and by the District Committee on Ministerial Qualifications where there is no District Conference has been grouped together in such a manner as to confuse the two and render ambiguous the provisions relating to each separately. When these provisions are unscrambled, it appears that the most reasonable construction—and it is the opinion of The Judicial Council—that Par. 675 2a in connection with the other provisions of the *Discipline*, quoted above, should be interpreted as follows:

First: Where there is no District Conference the District Committee on Ministerial Qualifications has sole and final authority to license or refuse to license a Local Preacher and to renew or refuse to renew such license; but where there is a District Conference the final authority for licensing a Local Preacher and for renewing his license is vested in the District Conference.

Second: In either case, for the securing of an original license as a Local Preacher the applicant must comply with all the provisions of Paragraph 304 of the *Discipline*.

Third: For a renewal of license it would not appear necessary that the applicant be examined again in the "subjects of Doctrine and Discipline" and be re-examined in the studies prescribed for candidates for license to preach. However, the question of "gifts and graces" and particularly the question of the "usefulness" of an applicant for renewal of license is one of importance. Paragraph 675 2(a) requires the District Committee on Ministerial Qualifications to make such an examination and determine whether or not to recommend renewal of such license.

Fourth: Subdivision 4 of Paragraph 675 specifically provides that where there is a District Conference "the Committee shall report its work to the District Conference for approval"; and sub. 2(a) of said Paragraph 675 specifically provides that "final action on such licensing" (including renewals) "shall be taken by the District Conference."

Decision

It is therefore the Decision of The Judicial Council that the specific question propounded should be divided and answered as follows:

1st. Can a District Conference license a local preacher when the District Committee on Ministerial Qualifications does not recommend such action to the Conference?

Answer: No.

2nd. Can a District Conference renew the license of a local preacher when the District Committee on Ministerial Qualifications does not recommend such action?

Answer: Yes.

In this connection attention is called again to the provi-

sions of Paragraph 675 which, where a District Conference exists, requires the District Committee on Ministerial Qualifications to report its work (not just a part of its work) to the District Conference and which provides that final action on the issuing or renewing of a license to preach "shall be taken by the District Conference." We are aware that at this point, there may seem to be some contradiction in answering the first question in the negative and the second question in the affirmative. The *Discipline* makes it clear, however, that the "final action" reserved to the District Conference by Paragraph 675 is, in the matter of the issuance of a license to preach, limited by Paragraph 304 (2) which requires the written approval of the District Committee on Ministerial Qualifications, but that, in the matter of the renewal of a license to preach, there is no such limitation, the District Committee on Ministerial Qualifications making recommendations but its approval not being made a specific requirement.

In Re: Request Of Western North Carolina Annual Conference For A Declaratory Decision On The Meaning Of The Word "*Consult*" As Found In Paragraph 432(1) Of The 1952 *Discipline*

DIGEST OF DECISION

The word "*Consult*" in Paragraph 432(1) means an exchange of ideas between the District Superintendent and the pastor concerning his Appointment before the final announcement.

Simultaneous releasing of the Appointments before the final reading does not constitute consultation as required in Paragraph 432(1) of the 1952 *Discipline*.

STATEMENT OF FACTS

At the session of the Western North Carolina Conference held at High Point, North Carolina on September 23-27, 1953, the following Resolution was adopted:

"Resolution asking The Judicial Council for a Declaratory Decision on the meaning of the word *consult* in Paragraph 432(1) of the *Discipline*

We, the undersigned, move that the Western North Carolina Conference request The Judicial Council to:

1. Define the word "*consult*" as it appears in Paragraph 432(1) of the *Discipline* in the statement "and *provided*, further that before the final announcement of Appointments is made the District Superintendents shall *consult* with the pastors. . . ."
2. Give a Decision as to whether or not a simultaneous releasing of

the Appointments before the final reading constitutes consultation.

3. If The Judicial Council finds this request outside its jurisdiction, it is asked to request a definition from The General Conference.

In the Western North Carolina Conference it has been the practice for the last several years to have a closed Cabinet from the Saturday before the Annual Conference session begins until the following Friday afternoon when each District Superintendent informs the men in his District of their Appointment except in most unusual cases.

There seem to be a number of divergent views about what the *Discipline* means by "*consult*" and it is the feeling of this Conference that it should be given the same interpretation throughout Methodism.

Signed: H. S. Williams
G. N. Dulin
D. L. Stubbs"

JURISDICTION

Paragraph 914 of the 1952 *Discipline* states:

"When The General Conference shall have passed any act or Legislation that appears to be subject to more than one interpretation, or when a Paragraph or Paragraphs of the *Discipline* seem to be of doubtful meaning or application, The Judicial Council, on petition as hereinafter provided, shall have jurisdiction to make a ruling in the nature of a Declaratory Decision as to the meaning, application and effect of such act, legislation, or Paragraph or Paragraphs of the *Discipline*: and the Decision of The Judicial Council thereon shall be as binding and effectual as a Decision made by The Judicial Council on appeal under the law relating to appeals to The Judicial Council. "The following bodies in The Methodist Church are hereby authorized to make such petition to The Judicial Council for a Declaratory Decision. . . .

"(8) Any Annual Conference, on matters relating to Annual Conferences or the work therein."

From the facts in connection with the foregoing Resolution The Judicial Council is authorized to take jurisdiction in the matter presented by the Western North Carolina Annual Conference.

ANALYSIS

The word "*Consult*" means to seek the opinion of or to confer or discuss with another. In Paragraph 432(1) it means that the District Superintendent shall inform the pastor of the proposed Appointment and discuss the matter with him with the view of ascertaining if there are any reasons why such Appointment should not be made. Consultation means that there is an exchange of ideas even though they may not be in agreement. Consequently, in number two of the Resolution presented by the Western North Carolina Conference, the simultaneous releasing of Appointments of pastors to their charges before the final reading could not be regarded as consultation required by Paragraph 432(1) of the 1952 *Discipline*. Evidently the phrase in question in Paragraph 432 was designed to encourage a more considerate procedure in appointing Pastors to their charges.

Decision

It is therefore the Decision of The Judicial Council that while the final authority in appointing preachers to their charges rests upon the presiding Bishop, it does not relieve the District Superintendent of the responsibility of consulting with the preacher in order to ascertain whether there are any reasons why the Appointment should not be made. Therefore, the final reading of the Appointment of preachers to their charges must be preceded by consultation of the District Superintendent with the preacher.

In Re: Action Of The Second Quarterly Conference Of Inglenook First Methodist Church Held May 13, 1953, In Adding Three New Members To The Board Of Trustees And Reorganizing The Board, As Presented On Appeal From The Decision Of The District Super- intendent Affirmed By The Pre- siding Bishop In Open Session Of The North Alabama Annual Conference

DIGEST OF DECISION

1. That a Second Quarterly Conference held on May 13, 1953 on a call announced to the congregation at its prayer service April 29, 1953 was regular and had the right to consider and act upon the matter of proceedings to recover from the Ex-Treasurer the Treasurer's books and records for the previous year; and that the courts will entertain suits between members of the Church as between members of society and other groups.

2. That the action of the Quarterly Conference of Inglenook First Methodist Church adding to its Board of Trustees three new members, at its Second Quarterly Conference, was null and void.

3. That the Resolution of the Quarterly Conference authorizing the Trustees to employ attorneys without the fee being stipulated was within the authority of the Quarterly Conference and was legal.

4. That the meeting of the Board of Trustees not called by the Chairman and participated in by three illegally elected Trustees was illegal and void.

STATEMENT OF FACTS

The record in this case is too voluminous to reproduce here. Four members of the Quarterly Conference of Inglenook First Methodist Church, North Alabama Conference raised some questions as to the legality of the calling of a Quarterly Conference held on May 13,

1953, and the action of the Quarterly Conference in adding three new members to the Board of Trustees at such session of the Quarterly Conference. They filed a written request with G. M. Davenport, District Superintendent asking for a ruling both as to the legality of the call for the session of the Quarterly Conference and also as to the action of such session. Their request contained six points, which in brief may be stated as follows:

1. That under date of May 3, 1953 a notice was published in the Bulletin of the Inglenook First Methodist Church, calling a Special Session of the Quarterly Conference on May 11, for the express purpose of authorizing legal proceedings against a member or members of the Church for the purpose of securing the records of the ex-Treasurer; that if said session had been held it would have been illegal for lack of ten days' notice.

That on May 11, 1953 announcement was made from the pulpit of the Church that the regular Second Quarterly Conference would be held on May 13; that no mention was made of postponement of the session called for May 11; that Par. 141 of the *Discipline* provides that a Quarterly Conference shall transact the business committed to it by the *Discipline*; and no authority is found in the *Discipline* giving the Quarterly Conference authority to institute legal proceedings against members of the Church.

RULING OF THE DISTRICT SUPERINTENDENT:

To this point the District Superintendent in his decision replied that this was the regular Second Quarterly Conference held on May 13; that request for ruling was in error as to the time when same was called; that announcement was made to the congregation at its prayer service on April 29 that the Second Quarterly Conference would be held May 13, "thus giving ample time to fulfill any provision of the *Discipline* as to time"; that this Second Quarterly Conference was held at the discretion of the District Superintendent (Par. 140 of the *Discipline*); that under the heading of "Is there any further business," (Question 29) the matter of proceedings to recover the Treasurer's book and records for the previous year was brought up; that it was proper business for the Quarterly Conference to consider and act upon; that the courts of the land will entertain suits between members of the Church and between members of society or any other groups.

2. That Inglenook First Methodist Church has operated for years with six Trustees and was so operating when the May 13, 1953 session of its Quarterly Conference was held; that at this the Second Quarterly Conference three new Trustees were added making a total number of nine Trustees; That this was done on a Report from the Nominating Committee signed by J. T. Aldridge as Chairman, whereas, Par. 145 of the *Discipline* specifically provides that the Pastor shall be Chairman of the Nominating Committee; that this was illegal and void.

This was not the Fourth Quarterly Conference, and no vacancies were declared on the Board, hence the action of the Quarterly Conference in adding three new members to the Board of Trustees was invalid (Par. 160 of the *Discipline*); and that since the pastor only can be Chairman of the Nominating Committee and this election was held on the nomination of a Committee of which a Layman was registered as Chairman, the election was null and void. (Par. 160 of the *Discipline*.)

3. That the authorization of the employment of a law firm to act as attorneys for the Church to institute legal proceedings as they saw

fit, no specific fee being mentioned, committed the Church to a debt, the amount of which is unknown; that the commitment if made at all should have been made for a stipulated amount; and in the absence of such stipulation the legality of the proceedings was questioned.

"The Church was not committed to any debt of the Quarterly Conference and therefore the Church cannot be obligated to an indebtedness."

4. That on May 17, 1953, at the evening service, announcement was made from the pulpit of a called meeting of the Board of Trustees; that such meeting was held and the three newly elected members participated therein; that the then President of the Board of Trustees did not call this meeting, nor did he preside at said meeting; that a new President of the Board was elected and the existing President was ejected from the office of President.

"It is my opinion that with three members illegally elected on the Board that the meeting was illegal and that the calling of the meeting was also illegal, in that the Chairman did not call the meeting."

5. The fifth point is a general statement that in the opinion of the persons making the request for a Decision "the actions being taken by the pastor and officers of the Inglenook First Methodist Church are not in harmony with the purpose and intent of the *Discipline* of The Methodist Church, and that such actions as are being taken are harmful to the Church and are not for its best interest." To this general statement the District Superintendent did not reply.

6. "It is our opinion that since the Pastor, Howard W. Raines, has totally disregarded the rules of the *Discipline*, and has assumed totalitarian policies, that he should be removed from the Pastorship of the Inglenook First Methodist Church, and that a Pastor well versed in the *Discipline* of The Methodist Church should be appointed to arbitrate and settle the matters involved in the disputes within the Inglenook First Methodist Church."

"The appeal with reference to the pastor, Howard W. Raines, is out of order in that the appointment of a pastor is the province of the Bishop and his Cabinet, and any request for removal or securing a preacher should go to the Bishop and his Cabinet."

RULING OF THE BISHOP:

On appeal to the presiding Bishop of the next ensuing session of the North Alabama Annual Conference, Bishop Clare Purcell rendered the following Decision:

"The undersigned as presiding Bishop of the North Alabama Conference of The Methodist Church, in which Inglenook First Methodist Church is located, has read the record as submitted in this file." (The appeal file) "He is of the opinion that the Decision of the District Superintendent, Dr. G. M. Davenport, as herewith attached, is correct. It is, therefore affirmed."

JURISDICTION

The Judicial Council has jurisdiction to review this Decision of the Bishop made in open session of the Annual Conference. See Par. 43, sub. 3; Par. 909; and Decision No. 29 of The Judicial Council (1944).

Decision

Likewise, in the opinion of The Judicial Council the Decision of the District Superintendent, Dr. G. M. Davenport, is in all things correct, except in his response to point 3. The Quarterly Conference had the authority to commit the Church for a reasonable attorney's fee, and such commitment was legal. Therefore, the Decision of Bishop Clare Purcell made thereon at the 1953 session of the North Alabama Annual Conference is in all things affirmed, except as above modified.

**In Re: Decision Of Bishop Clare Purcell In The 1953
Session Of The North Alabama Annual Confer-
ence On Appeal From The Decision Of The Dis-
trict Superintendent Made In The Quar-
terly Conference Of Inglenook First
Methodist Church, Upholding
The Removal Of William
Westbrook, Jr., As Stew-
ard And Trustee**

DIGEST OF DECISION

A Steward and Trustee having been Church Treasurer for years and having failed of re-election, and then withholding the Church records and account books from his successor and from the Commission on Finance and Auditing Committee, was acting at variance to his duties as a Steward and Trustee, and was subject to being removed from the offices of Steward and Trustee by the Quarterly Conference to which he was amenable without having been previously notified of such proposed action, and without charges being preferred against him under Paragraph 1001 to 1005 inclusive of the *Discipline*.

The Board of Stewards and the Board of Trustees are subject to the Quarterly Conference, and so are the individual Stewards and Trustees, and when a Steward or Trustee acts contrary to his duties as such the Quarterly Conference has the inherent right and authority to vacate his offices as Steward and Trustee.

STATEMENT OF FACTS

The record in this case is too voluminous to insert in full in this statement. Apparently from the record, and the exhibits attached to the Decision of the District Superintendent, William M. Westbrook, Jr., was Treasurer of the Inglenook First Methodist Church for a number of years until his successor was elected in 1952; that he refused to turn over to the incoming Treasurer and the Auditing Committee the books and records presumably in his possession and refused to have such books and records audited; that the Quarterly Conference ordered him to turn such books and records over to the Trustees, or the Commission on Finance. As provided by Par. 139 of

the *Discipline* the District Superintendent called a group Quarterly Conference including the Quarterly Conference of Inglenook First Methodist Church to be held at Fairmount on June 5, 1953. This was the third Quarterly Conference of the Inglenook Church, and due notice of same was given. At this Quarterly Conference the Nominating Committee submitted the following written recommendation:

"We, the Nominating Committee of Inglenook First Methodist Church, make the following recommendation to the Quarterly Conference held at Fairmount Methodist Church, June 5, 1953 at 7:30 p.m.

"We do hereby recommend that William M. Westbrook, Jr., be relieved of the position of Steward and Trustee of the Inglenook First Methodist Church for the following reasons:

1. For refusing to turn church financial records over to the Church as requested by the Board of Stewards and the Quarterly Conference.
2. For not attending church, Stewards' meetings, Trustees' meetings, and for not contributing in any way toward the church program.

"For authority we refer to the 1952 *Discipline* of The Methodist Church, page 76, Article 191.

"We further recommend that A. J. Moore be named to fill the unexpired term of William M. Westbrook, Jr., on the Board of Trustees."

This recommendation was adopted and William M. Westbrook, Jr., was declared removed from the offices of Steward and Trustee and A. J. Moore was declared elected as his successor as Trustee.

The District Superintendent was called upon to render a Decision on the legality of the action of the Quarterly Conference in removing William M. Westbrook, Jr., from the offices of Steward and Trustee.

G. M. Davenport, District Superintendent, ruled that the Quarterly Conference under such circumstances had the right to remove William M. Westbrook, Jr., from the offices of Steward and Trustee at a regular session of the Quarterly Conference without giving William M. Westbrook, Jr., any advance notice of any such action being contemplated.

William M. Westbrook, Jr., and his associates appealed to Bishop Clare Purcell, President of the next Session of the North Alabama Annual Conference. Bishop Purcell in open Annual Conference session on October 2, 1953, ruled thereon as follows:

"The undersigned as Presiding Bishop of the North Alabama Annual Conference of The Methodist Church, in which Inglenook First Methodist Church is located, has read the record as submitted in this file." (the appeal file)

"He is of the opinion that the decision of the District Superintendent Dr. G. M. Davenport as herewith attached, is correct. It is, therefore, affirmed."

JURISDICTION

Dr. G. M. Davenport, District Superintendent, on request of interested parties, made a ruling on points of law in the Quarterly Conference of the Inglenook First Methodist Church under authority of Sec. 14, Par. 362 of the *Discipline*. A written appeal was made from

his Decision to Bishop Clare Purcell, the President of the North Alabama Annual Conference.

In open session of the Annual Conference Bishop Clare Purcell delivered in writing and read his Decision on the appeal. No appeal was taken to The Judicial Council, as provided in Par. 1034 of the *Discipline*.

The question arises: In the absence of such an appeal does The Judicial Council have jurisdiction to review this Decision?

The Constitution, Par. 43, Sec. 3, gives The Judicial Council authority "to pass upon Decisions of Law made by Bishops in Annual and District Conferences." The Judicial Council has interpreted this to mean that it is the duty of The Judicial Council to pass upon all such Decisions regardless of their origin. Par. 1034 is statutory and not Constitutional, therefore, if there is a conflict between it and the Constitution Par. 1034 must yield.

The Judicial Council determined this question in its Decision No. 29, made December 4, 1944, in which case a Quarterly Conference appealed direct to The Judicial Council from a Decision made by the District Superintendent in the Quarterly Conference. The Judicial Council held that under this Constitution and laws it had no jurisdiction to determine such an appeal, but added:

"It may be stated that this does not mean that there is no remedy in a case of this character." ****

"Par. 362, subsection 14 makes it the duty of the District Superintendent 'To decide all questions of law which may arise in the business of the Quarterly Conference, Subject to an Appeal to the President of the next Annual Conference. Thus a procedure is provided whereby any such question can be acted upon by the presiding bishop of the Annual Conference, whose ruling thereon becomes subject to review by The Judicial Council.'"

Accordingly it is the Decision of The Judicial Council that it has jurisdiction to review such Decision made by Bishop Clare Purcell on appeal from the Decision of the District Superintendent made in the Quarterly Conference of Inglenook First Methodist Church.

ANALYSIS

William M. Westbrook, Jr., based his appeal on the following points:

1. That he could not be removed from the office of Steward or Trustee except on formal charges being preferred and his being given a hearing on same. In support of this point he cited Paragraphs 1001 to 1005, inclusive, of the *Discipline*.
2. That under Par. 208 of the *Discipline* Stewards are elected annually; that there is no provision in the *Discipline* for removing a steward; that a new steward could be elected only in case of a vacancy, and that since he had not resigned there was no vacancy to fill.
3. That under Par. 160 of the *Discipline* Trustees are elected at the final meeting of the Quarterly Conference; that there is no provision for the election of a Trustee at any other time except to fill a vacancy as provided in Par. 161; that he had not resigned, and that there was no provision in the *Discipline* for

the removal of a Trustee except for the refusal to execute a legal document ordered executed by the Quarterly Conference as provided in Par. 191, and that no such refusal was involved in his case.

The District Superintendent answered the request for a ruling essentially as follows:

After stating the facts, as set out in the Statement above, he ruled as follows:

1. The Quarterly Conference was the regular Third Quarterly Conference; that notice of same had been duly given, and that it had the right to transact any business authorized or permitted by the *Discipline*
2. That said Quarterly Conference did have authority to remove William M. Westbrook, Jr., as Steward; that it did not have to prefer charges against him under Paragraphs 1001 and 1005 inclusive, of the *Discipline*; and that it did not have to notify William M. Westbrook, Jr., of the proposed action by which he was removed as Steward.
3. That under the circumstances said Quarterly Conference had authority to remove William M. Westbrook, Jr., as Trustee; that it did not have to notify William M. Westbrook, Jr., of the proposed action by which he would be removed as Trustee; that the failure to execute a legal document ordered by the Quarterly Conference (Par. 191) was not the only ground for such removal; that the Quarterly Conference under Section 5, Paragraph 157 of the *Discipline* has the right to remove a Trustee for causes beyond that cause set out in Par. 191.
4. That formal charges did not have to be preferred against William M. Westbrook, Jr., as provided in Pars. 1001-1005 inclusive of the *Discipline* in order to remove him as Trustee.

In analyzing the points of appeal and Decision of the District Superintendent on which they are based, attention is here called to the following facts:

First: Par. 143 of the *Discipline* provides that Stewards shall be elected annually, but it does not prohibit the election of individual Stewards at other sessions of the Quarterly Conference. The Quarterly Conference has the right to fill vacancies on the Board of Stewards at any session however the vacancy may have occurred. Par. 208.

Second: Par. 164 of the *Discipline* provides that the Board of Trustees "shall be subject to the directions of, and be responsible to, the Quarterly Conference." If the whole Board is subject to the direction of and responsible to the Quarterly Conference, each member is likewise subject to the direction of and responsible to the Quarterly Conference.

Third: Par. 206 of the *Discipline* provides that the Official Board of which each Steward is a member "shall be responsible to the Quarterly Conference." Likewise that means that each member of the Board is so responsible.

Fourth: Par. 157 of the *Discipline* provides that the Quarterly Conference shall be vested with power and authority as hereinafter

set forth in connection with the property, both real and personal of said local church, namely:—

"5. To do any and all things necessary to exercise such other powers and duties relating to the property, real and personal, of the local Church concerned as may be committed to it by the *Discipline*."

The Church records and account books are property—personal property. The wilful withholding of same from his successor and from the Commission on Finance, the Auditing Committee and the Trustees was wholly contrary to the duties of a Steward, a Trustee and an ex-official of the Church. In this connection it may be noted that William M. Westbrook, Jr., in his appeal, made no denial of the allegations set out in the Report of the Nominating Committee on which he was removed as Steward and Trustee. It would be an unwarranted infringement upon the prerogatives of the Quarterly Conference to which he was amenable that it could not discontinue his membership both as a Steward and as a Trustee.

Decision

It is therefore the Decision of The Judicial Council that no notice to William M. Westbrook, Jr., of such proposed action by the Quarterly Conference was necessary; that no charges under Paragraphs 1001-1005 were necessary; that the regular Third Quarterly Conference had the inherent right and authority by written law and by implication to enforce its authority against an individual Steward and Trustee who was acting at variance to his duties as such Steward and Trustee; and in the exercise of that authority had the right to discontinue his membership on the Board of Stewards and vacate his office as a Steward, and to discontinue his membership as a Trustee, and vacate his office as a Trustee; and under Paragraph 161, the Quarterly Conference had the right to fill the vacancy thus created. Accordingly the Decision of Bishop Clare Purcell, on the appeal, affirming the decision of Dr. G. M. Davenport, District Superintendent, is in all things affirmed.

In Re: The Restoration Of Credentials To A Minister Who Was Permitted To Withdraw From The Conference Under Charges

DIGEST OF DECISION

After a lapse of two years since the charges were lodged by the Investigating Committee and when the application is accompanied by the proper recommendations and other requirements of the *Discipline* have been met, no trial is necessary on the old charges in order to have a Preacher's Credentials restored according to Paragraph 993 of the 1952 *Discipline*.

The Annual Conference determines for itself whether there has been complete amendment of life on the part of the applicant and what Committee shall present the recommendation to the Annual Conference.

STATEMENT OF FACTS

At the meeting of The Council of Bishops held at Sea Island, Georgia, on Thursday, December 10, 1953, The Council voted to request a Declaratory Decision of The Judicial Council, covering the following questions submitted by Bishop Garber. This request was made after reading Paragraphs 848, 991, 992, and 993, *Discipline* 1952.

"A preacher in the North Carolina Annual Conference withdrew under charges five years ago. The Committee of Investigation had already voted that a trial was necessary, but when the preacher withdrew and surrendered his credentials rather than stand trial, the records of the North Carolina Annual Conference show that he withdrew under charges. Now this same preacher desires to be Re-admitted to the North Carolina Annual Conference. The question is whether he must stand trial since the Committee on Investigation had voted that a trial was necessary five years ago or can he be Re-admitted under Paragraph 993 of the *Discipline* of 1952 without standing trial under the old charges? In what manner can an Annual Conference be assured that there has been a complete amendment of life on the part of the former holder of the credentials? What Committee of the Annual Conference should make such a recommendation to the Conference?"

JURISDICTION

Paragraph 914 of the 1952 *Discipline* states:

"When The General Conference shall have passed any act of legislation that appears to be subject to more than one interpretation, or when any Paragraph or Paragraphs of the *Discipline* seem to be of doubtful meaning or application, The Judicial Council on petition as hereinafter provided, shall have jurisdiction to make a ruling in the nature of a Declaratory Decision as to the meaning, application and effect of such act, legislation, or Paragraph or Paragraphs of the *Discipline*; and the Decision of The Judicial Council thereon shall be as binding and effectual as a Decision made by The Judicial Council on appeal under the law relating to appeals to The Judicial Council."

"The following bodies in The Methodist Church are hereby authorized to make such petitions to The Judicial Council for a Declaratory Decision:

- (1) The Council of Bishops, etc.

"The Judicial Council shall determine from the facts in connection with each such petition whether or not it has jurisdiction to hear and determine the same."

From the above quotations it is apparent that on the questions submitted by Bishop Garber and referred to The Judicial Council by The Council of Bishops for a Declaratory Decision, The Judicial Council is authorized to take jurisdiction.

ANALYSIS

In the case presented to us there are three questions raised for our consideration:

1. Can the former holder of credentials who has withdrawn under charges be Re-admitted to the Annual Conference under Paragraph 993 of the *Discipline* of 1952 without standing trial under the old charges?
2. In what manner can the Annual Conference be assured that there has been a complete amendment of life on the part of the former holder of the credentials?
3. What Committee of the Annual Conference should make such recommendations to the Conference?

In giving consideration to these questions there are several things that should be kept in mind.

(1) Membership in the Annual Conference and ordination are not necessarily in the same category. Laymen are Members of the Annual Conference being elected by their local church. Persons also are ordained Local Deacons and Elders without becoming members of the Annual Conference. Ministers who are located voluntarily according to Paragraph 375 or involuntarily according to Paragraph 377 retain their credentials but are no longer members of the Annual Conference.

(2) Paragraph 993 of the 1952 *Discipline* deals only with the Restoration of Credentials and not with Re-admission to the Annual Conference.

(3) The Investigating Committee of an Annual Conference is not a Trial Committee. Its function is to determine for the Annual Conference whether there are "reasonable grounds" for a trial. The accused is not guilty just because he surrenders his credentials. He may prefer to do so rather than go through the ordeal of a trial. Consequently, the Annual Conference can hold a man guilty only when he confesses his guilt or is tried by the Annual Conference Trial Committee and proven guilty. However, Paragraphs 952 and 953 of the 1952 *Discipline* state that "withdrawn under complaints" or "withdrawn under charges means that "his status shall be the same as if he had been expelled." We take it that "status" refers to his relation to the Annual Conference and has no reference to his character.

With these facts before us, we turn to Paragraph 993 of the 1952 *Discipline* concerning which a Declaratory Decision is requested.

This Paragraph states:

"The Annual Conference to which Credentials were surrendered as provided in Paragraphs 991-992 may restore the same at its discretion, if no charges or complaints against the minister have been lodged or were pending at the time of his surrender of said credentials; and if at the time of his request for the restoration of said Credentials, he is a Member in good standing in The Methodist Church and shall present from his Quarterly Conference a certificate of his character and a recommendation for the restoration of his Credentials."

This means that if there are no charges or complaints lodged or pending, the Annual Conference may restore his Credentials at any time, providing he is a member in good standing of The Methodist Church and is recommended by his Quarterly Conference.

Then Paragraph 993 proceeds to state what can be done when there are charges or complaints lodged or pending as in the case of the brother from the North Carolina Conference.

"In cases of surrender of credentials under situations involving the character of the minister, the said credentials may be restored only after a lapse of at least two years and upon the following conditions:

(a) That the Annual Conference holding the Credentials shall be assured that there has been a complete amendment of life upon the part of the former holder of the Credentials.

(b) That he shall have been Re-admitted on Trial into the Annual Conference from which he withdrew or Admitted to another Annual Conference on Trial or has been licensed as a Local Preacher by some District or Quarterly Conference.

(c) That the Annual Conference which has Admitted him On Trial (if another than the one from which he withdrew) or the District or Quarterly Conference which licensed him shall present to the Annual Conference holding the Credentials a certificate of his good character and a recommendation that his Credentials be restored."

This Paragraph makes it perfectly clear that the former holder of the Credentials in order to have them restored must follow the steps taken by any Layman who seeks Ordination as a Methodist preacher. (See Judicial Decision No. 18 in Re: C. M. Tyndal.) Of course when he surrendered his Credentials he did not surrender his scholastic credits or his college and seminary degrees, if any. These credits and degrees may be accepted in lieu of the required Courses of Study, but a trial on the old charges is not required.

Question number two above as to how "the Annual Conference holding the credentials shall be assured that there has been a complete amendment of the life" is one which the Annual Conference itself must decide and cannot be answered by Judicial Decision. When Admission on Trial is a prerequisite to the restoration of Credentials, the procedure of Admission, which involves a certificate of character from his Quarterly Conference and examination by the Board of Ministerial Training and Qualifications as to his fitness for the ministry, would be a partial answer to the question. (See Paragraph 993 (b) of 1952 *Discipline*.)

As to question number three above, viz.: "What Committee of the Annual Conference should make such recommendation to the Annual Conference?" Obviously "Such recommendation" refers to question number two concerning "complete amendment of life." Since the brother from the North Carolina Annual Conference desires to be Re-admitted to the same Annual Conference to which he surrendered his Credentials, and must be Received on Trial by the same steps taken by any other candidate for the Ministry, upon his Admission On Trial he may have his Credentials restored under Paragraph 993 of the 1952 *Discipline*.

This Paragraph does not specify the Committee to which the question of restoration of Credentials shall be referred. However, it would

be appropriate for the Annual Conference to refer the case to the Board of Ministerial Training and Qualifications for further recommendation, or could under its Disciplinary power to govern its own procedure, refer it to some other regular or specially appointed Committee.

Decision

It is the Decision of The Judicial Council, therefore, that in the case referred to The Judicial Council by The Council of Bishops:

1. The brother from the North Carolina Annual Conference cannot be Re-admitted to the Annual Conference under Paragraph No. 993, but only through the regular procedure prescribed for Admission in Paragraph No. 321 of the *Discipline*.

In view of the fact that more than two years have elapsed since the charges were lodged by the Investigating Committee, and assuming that the minister comes to the Annual Conference with the proper recommendations as to his character and fitness for the ministry, no trial is necessary on the old charges presented by the Investigating Committee in order to have his Credentials restored or to be Re-admitted to the Annual Conference.

2. The Annual Conference sets up its own standard of judgment on whether there has been a complete amendment of life on the part of the former holder of the Credentials.
3. The Annual Conference may receive the recommendation of the Board of Ministerial Training and Qualifications which has examined the brother for his fitness for Admission on Trial, or it may refer the case to some other regular or specially appointed Committee.

In Re: The Request Of The Council Of Bishops For Declaratory Decision Concerning The Meaning Of The Words "Upon Recommendation Of The Committee On Conference Relations" On The Question Of Supernumerary Relation

DIGEST OF DECISION

The words "upon recommendation of the Committee on Conference Relations" do not mean that an Annual Conference cannot act contrary to its Committee's recommendation if it wishes to do so.

STATEMENT OF FACTS

At the session of the New York East Annual Conference in May, 1953, the question was raised concerning the interpretation of Paragraph 365 of the 1952 *Discipline*. The first two sentences of this Paragraph read:

"A Supernumerary Minister is one who, because of impaired health or other equally sufficient reason, is temporarily unable to perform full work. This relation shall not be granted for more than five years in succession, except by two-thirds vote of the Conference, upon recommendation of the Committee on Conference Relations, and a statement of the reason for such recommendation."

The question is, do the words "upon recommendation of the Committee on Conference Relations" mean that the Annual Conference cannot grant Supernumerary Relation for more than five years if its Committee on Conference Relations is unwilling to vote for such recommendation?

JURISDICTION

The Council of Bishops having asked The Judicial Council for a Declaratory Decision on the question submitted, The Judicial Council under Paragraph 914 of the 1952 *Discipline* has jurisdiction to grant the request.

ANALYSIS

Paragraph 22, Article 11, of the Constitution reads as follows:

"The Annual Conference is the basic body of the Church, and as such shall have reserved to it the right to vote on all Constitutional Amendments, on the election of Ministerial and Lay Delegates to The General and the Jurisdictional or Central Conferences, on all matters relating to the character and Conference relations of its Ministerial Members, etc."

Paragraph 8, (sub. 3) of the Constitution reads as follows:

"The General Conference shall have full legislative power over all matters distinctly connectional, and in the exercise of that authority shall have authority as follows:

"3. To define and fix the powers and duties of the Annual Conferences,"

This provision of the Constitution might be interpreted as in conflict with Paragraph 22 quoted above. That apparent conflict can be resolved easily when we consider the wording of Paragraph 22 which says that the right to "vote" on the character and Conference Relations of its Ministerial Members is *reserved* to the Annual Conference. That right to vote being *reserved* to the Annual Conference The General Conference has no power or authority to abridge that right.

The General Conference in Paragraph 8 (3) of the 1952 *Discipline* can prescribe procedure to be followed leading up to the vote, or to be followed preceding the vote, but it cannot deny or abridge the right to vote regardless of the recommendation of the Committee through which the matter is brought before the Annual Conference for action.

To say that the Annual Conference could not vote to extend the Supernumerary Relation for more than five years unless the Com-

mittee on Conference Relations recommended such extension would be an abridgment of this right to vote on all such matters reserved to the Annual Conference in the Constitution. Its right to determine by vote all such matters cannot be delegated to any Committee.

The words "upon recommendation of the Committee on Conference Relations" if valid at all, must be interpreted to mean that before a vote is taken on such extension of the Supernumerary Relationship, the matter must be referred to the Committee on Conference Relations for a recommendation either for or against such extension. The Annual Conference after receiving such recommendation may in its discretion, vote just the opposite to such recommendation. Its right to *vote* cannot be abridged by the recommendation of the Committee.

The Committee on Conference Relations is elected by the Annual Conference as provided in Paragraph 638 of the 1952 *Discipline*. This Committee, therefore, is the creature of the Annual Conference. If the Annual Conference cannot vote against the recommendation of a Committee of its own election, if it wishes to do so, then it must be concluded that it, the Conference, is helplessly caught in its own web.

The Constitution of the Church having declared the Annual Conference to be the basic body in the Church does not, however, give the Annual Conference authority "for it to delegate its powers in such a manner as to deprive itself of that basic or ultimate power." (See Judicial Council Decision No. 38.)

Decision

The answer to the question asked, therefore, is: the words "upon recommendation of the Committee on Conference Relations" do not mean that the Conference cannot grant Supernumerary Relation for more than five years if it wishes to do so in spite of the contrary recommendation of its Committee. The right to vote "on all matters relating to the character and Conference relations of its Ministerial Members" is specifically *reserved* to the Annual Conference by the Constitution and cannot be abridged by any act of The General Conference. (See Paragraph 22, 1952 *Discipline*.)

In Re: Request Of Council On World Service And Finance For Declaratory Decision On Pension For Resigned Bishop Or His Widow

DIGEST OF DECISION

There is no legislation in the 1952 *Discipline* of The Methodist Church dealing with a pension for a resigned Bishop or his widow and therefore no basis for a Declaratory Decision on such legislation by The Judicial Council as requested by the Executive Com-

mittee of the Council on World Service and Finance. The Judicial Council therefore declines to accept jurisdiction in this instance.

STATEMENT OF FACTS

On January 5, 1953, the Executive Committee of the Council on World Service and Finance took the following action:

"The Committee reviewed the data concerning the claim of Mrs. G. R. Grose for a pension. G. B. McKibbin moved that the matter be referred to The Judicial Council for an Advisory Opinion or a Declaratory Decision. R. F. Curl seconded, and it was carried."

Mrs. G. R. Grose is the widow of Dr. George R. Grose who was elected to the Episcopacy by The General Conference of the Methodist Episcopal Church in 1924. He was assigned to the Peking Area in China and re-assigned to the same Area in 1928. In 1929, he was released from his duties as a Bishop, and in 1932 his resignation from that office was accepted. The following notation appears in the Journal of The General Conference of 1932 (page 542):

"Your Committee, having made careful inquiry into the matters referred to it, respectfully recommends that the resignation of George R. Grose from the office of General Superintendent of the Methodist Episcopal Church be accepted, to take effect as of May 18, 1932. Adopted May 24, 1932."

Following this resignation no action was taken by any Church body to provide a pension for G. R. Grose although he continued as a retired minister, listed as such in the North Indiana Annual Conference Minutes from 1933 until his death in 1953. He relinquished pension claims on the Conference Annuity Funds for these years. The North Indiana Annual Conference Minutes for 1953 (p. 493), contains a memoir recognizing his membership in that Annual Conference.

Mrs. Grose receives a widow's pension for the years of her husband's services in the New England, the Baltimore and the North Indiana Conferences prior to his election as a Bishop in 1924.

Decision

The Judicial Council in Paragraph 914 has authority to make "a Declaratory Decision as to the *meaning, application, and effect*" of acts or legislation enacted by The General Conference when these are "subject to more than one interpretation" or may be of "doubtful meaning, or application." There is, however, no legislation whatever in the *Discipline* dealing with pension provisions for a resigned Bishop or his widow, and therefore no basis for a Declaratory Decision by The Judicial Council. For The Council to render a Decision would be for it to take legislative action and this is not within the authority of this body. Thus, The Judicial Council must decline to make a Declaratory Decision as requested by the Executive Committee of the Council on World Service and Finance.

**In Re: Request Of Division Of National Missions Of
The General Board Of Missions For A Declaratory
Decision On The Meaning Of The Words "Or
Sub-divisions" In Paragraph 174 Of
Discipline Of 1952**

DIGEST OF DECISION

The words "*or sub-divisions*" as they appear in the second line of Paragraph 174 of the *Discipline* of 1952 mean sub-divisions of Governmental Agencies and not sub-divisions of private real estate projects.

STATEMENT OF FACTS

The Division of National Missions in making a donation grant of \$2,500 to the St. Luke's Methodist Church in San Angelo, Texas, specified that one of the conditions of the grant was that the title be vested in the Trustees of the said church in fee simple with the usual "trust clause" specified in Paragraph 174 of the *Discipline* of 1952 included.

St. Luke's Church is to receive, without cost, a deed to certain property from the developer of a residential real estate sub-division who wishes to insert a reversion clause and omit the "trust clause" from the deed.

It is the claim of the developer that the words "*or sub-divisions*" in the second line of Paragraph 174 of the *Discipline* of 1952 permit such an arrangement. The Division of National Missions contends that the words "*or sub-divisions*" refer to Governmental Agencies and that no other exceptions to the procedure of requiring the "trust clause" can be made.

The Judicial Council is asked for a Declaratory Decision interpreting the words "*or sub-divisions*" in Paragraph 174.

JURISDICTION

Paragraph 914 of the *Discipline* of 1952 provides that,

"When The General Conference shall have passed any act or legislation that appears to be subject to more than one interpretation, or when any Paragraph or Paragraphs of the *Discipline* seem to be of doubtful meaning, or application, The Judicial Council, on petition as hereinafter provided, shall have jurisdiction to make a ruling in the nature of a *Declaratory Decision* as to the meaning, application, and effect of such act, legislation, or Paragraph or Paragraphs of the *Discipline*."

"The following bodies in The Methodist Church are authorized to make such petitions to The Judicial Council for Declaratory Decisions: (2) any General Conference Board or body, on matters relating to or affecting the work of such Board or body."

Since the Division of National Missions of the Board of Missions is a General Conference body and makes a request for a Declaratory Decision on a matter relating to and affecting its work, it is properly

within the jurisdiction of The Judicial Council to render such a Decision.

ANALYSIS

The purpose of Paragraph 174 of the *Discipline* of 1952 requiring that a trust clause be inserted in all written instruments of conveyance by which premises are held or acquired for use as a place of divine worship for members of The Methodist Church or other church activities is to protect the interests of The Methodist Church in the property and its financial investment therein.

The only exception is made with respect to Governmental Agencies or sub-divisions which are unable to supply a deed without a reversion clause and with a trust clause included. To interpret the words "*or sub-divisions*" as referring to real estate developments so broadens the exception as to abrogate the general principle and defeat the purpose of this Paragraph.

Furthermore, if "*sub-divisions*" referred to other than Governmental Agencies one would expect some such word as "from" to precede the word "sub-division."

While the language would be clarified had it been made to read "*or sub-divisions thereof*," it is still to be interpreted to mean that the word "Governmental" modifies both "Agencies" and "sub-divisions." Were that not the case and the word "sub-division" interpreted as a portion of a real estate development, the further question would arise as to whether a sub-division of real estate can convey property. A sub-division refers to a plot of ground and not to a person or Agency which has the power to convey real estate.

Decision

It is the Decision of The Judicial Council, therefore, that the words "*or sub-divisions*" found in the second line of Paragraph 174 of the *Discipline* of 1952 mean sub-divisions of Governmental Agencies, and not sub-divisions of private real estate projects.

**In Re: Request Of The Council Of Bishops Asking If
An Annual Conference Incorporated In Accord-
ance With Paragraph 625 Of The 1952 *Disci-
pline* Is Compelled To Incorporate Its
Board Of Trustees In Accordance
With Paragraph 709 Of The
1952 *Discipline***

DIGEST OF DECISION

If the Board of Trustees of the Annual Conference are the Directors of the Incorporated Annual Conference and are performing the same

functions and duties as those assigned to an Incorporated Board of Trustees in Paragraph 709, 1952 *Discipline* that constitutes a substantial compliance with the provisions of Paragraph 709, and the separate incorporation of the Board of Trustees of the Annual Conference is not necessary.

STATEMENT OF FACTS

Bishop Frederick B. Newell, presiding Bishop of the Newark Annual Conference of The Methodist Church, sent to The Council of Bishops the following communication:

"The following question has been raised by the Newark Annual Conference and is presented herewith for the consideration of The Council of Bishops at its Annual Meeting to be held in New York, April 29-30, 1954.

- "1. In accordance with the provisions of Paragraph 625 of the 1952 *Discipline* which reads as follows:

'Annual Conferences may become severally bodies corporate wherever practicable, under the law of the countries, States, and territories within whose bounds they are located.'

"The Newark Annual Conference is a body corporate in the State of New Jersey.

- "2. At the 1953 session of the Newark Annual Conference when the Bishop was momentarily out of the Chair, the following Resolution was adopted by the Conference:

'That the Trustees of the Newark Annual Conference be and hereby are authorized to effect the incorporation of the Board of Trustees of the Annual Conference in conformity with Paragraph 709, Section 1, page 186, *Discipline* 1952.'

- "3. The authorization for '2' above for the Trustees of the Conference to incorporate has not been fulfilled, and the Bishop has requested that it not be fulfilled until The Council of Bishops gives its opinion or The Judicial Council gives a Declaratory Decision.

"Is Paragraph 709 which states, 'Each Annual Conference *shall* have an incorporated Board of Trustees,' compulsory in those Annual Conferences where under Paragraph 625 a corporation has previously been formed under the permissive authorization, 'Annual Conferences *may* become severally bodies corporate wherever practicable.'"

Upon receipt of this communication The Council of Bishops referred same to its Committee on Law and Administration. This Committee reported back to the Bishops as follows:

"With reference to the request of Bishop Newell, in the case of the Newark Annual Conference, inquiring whether or not an incorporated Annual Conference, under the provisions of Paragraph 625 of the 1952 *Discipline*, is compelled under Paragraph 709 also to have an incorporated Board of Trustees, it is our opinion that the two Paragraphs are in conflict; and we therefore recommend that The Council of Bishops request The Judicial Council to render a Declaratory Decision in this matter."

This Report was adopted by The Council of Bishops and the file on same was forwarded by the Secretary of The Council of Bishops to the Secretary of The Judicial Council.

JURISDICTION

The Judicial Council has jurisdiction in this matter under Sub. (1), Paragraph 914 of the 1952 *Discipline*.

ANALYSIS

Paragraph 625 of the 1952 *Discipline* provides that "Annual Conferences *may* become severally bodies corporate, wherever practicable, under the law of the countries, States and territories within whose bounds they are located."

Paragraph 709 of the 1952 *Discipline* provides that "each Annual Conference *shall* have an incorporated Board of Trustees," with certain powers to administer the funds and properties of the Annual Conference.

The essential purpose of Paragraph 709 of the 1952 *Discipline* is to provide a responsible Administrative Corporate Agency to hold, preserve, manage and care for the properties and funds of the Annual Conference. It is hardly conceivable that The General Conference by these two provisions contemplated the possibility of having two separate corporations within an Annual Conference charged with similar responsibility.

Decision

If the Trustees of the present incorporated Newark Conference are the Directors or constitute the governing Board of such corporation and perform the functions that an incorporated Board of Trustees under Paragraph 709, 1952 *Discipline* would perform, the present corporation, in the opinion of The Judicial Council, constitutes a substantial compliance with the provisions of Paragraph 709, 1952 *Discipline* and a separate incorporation of the Board of Trustees of the Conference is not necessary.

In Re: Instruction Of Lay And Reserve Members Of An Annual Conference By An Official Board Or A Quarterly Conference

DIGEST OF DECISION

An Official Board or a Quarterly Conference has no authority in the law of The Methodist Church to order or instruct Lay or Reserve Members to vote in any prescribed manner on issues expected to come before an Annual Conference.

STATEMENT OF FACTS

A request for an Episcopal Decision was made at the 1954 session

of the Central Texas Annual Conference as follows:

"Whereas, the Official Board of First Methodist Church, Coleman, Texas, in regular session on June 7, 1954, did adopt by majority vote a motion that the Lay Member and Reserve Lay Members of the Annual Conference from that church be ordered and instructed to vote against any motion, Report, or Resolution that might be presented to the Annual Conference favoring any relaxation of the practice of racial segregation in Methodist institutions as it existed at the time that the Supreme Court of the United States rendered its recent Decision concerning racial segregation in public schools,

"Therefore, a formal request is made for an Episcopal Decision to the following question, 'Does an Official Board of a Methodist Church, or a Quarterly Conference, have the authority to order and instruct its Lay Member or Reserve Lay Members of the Annual Conference to vote in any specified manner on matters coming before the Annual Conference?'"

Bishop William C. Martin, presiding, gave his written Decision as follows:

"In conformity with the generally accepted principle that delegated members of a Church Council shall be free to make decisions in the light of facts and discussions concerning issues that are considered by such body, the *Discipline* of The Methodist Church does not authorize an Official Board or a Quarterly Conference 'to order and instruct its Lay Member or Reserve Lay Members of the Annual Conference to vote in any specified manner on matters coming before the Annual Conference.'"

JURISDICTION

The Judicial Council is authorized to take jurisdiction under Par. 909 of the 1952 *Discipline*.

Decision

The Judicial Council affirms the action of the Bishop as presented above and adopts his statement as the Decision of The Council.

**In Re: Request Of New England Southern Annual
Conference For A Declaratory Decision As To The
Meaning, Application And Effect Of Paragraphs
375 And 309 Of *Discipline* Of 1952 Referring
To Termination Of Annual Conference
Membership By Voluntary Location**

DIGEST OF DECISION

A Minister who locates voluntarily retains his relationship as a

Local Preacher in the Quarterly Conference where he resides. His license is not subject to renewal annually. He is held amenable for his conduct and the continuance of his Ordination rights to the Annual Conference in which his Quarterly Conference membership is held. He continues as a Local Preacher in the Quarterly Conference until such time as he voluntarily surrenders his Credentials or is deprived of such by due process of trial.

STATEMENT OF FACTS

The Judicial Council received the following petition for a Declaratory Decision from the New England Southern Annual Conference:

"The New England Southern Annual Conference, in session in Brockton, Mass., June 5, 1954, by unanimous vote, petitions The Judicial Council of The Methodist Church, in compliance with Par. 914 (8) *Discipline* of 1952, to make a ruling, in the nature of a Declaratory Decision, as to the meaning, application and effect of Sec. VIII, *Termination of Annual Conference Membership* Par. 375, By Voluntary Location (also Par. 309) with respect to the following particulars:

"It is understood that a member of an Annual Conference who locates at his own request thereupon becomes a Local Preacher with such Orders as he has previously received.

"Question 1. In the case of a member of an Annual Conference who has located at his own request, is the continuance of his status as a Local Preacher dependent upon

(a) The renewal annually of a license to preach by Quarterly, District or Annual Conference action?

(b) Is it dependent upon membership in a local Methodist Church and Quarterly Conference where he resides?

"Question 2. In the case of a member of an Annual Conference who has located at his own request, is the continuance of his status as a Deacon or Elder dependent upon his membership in a Methodist Church and a Quarterly Conference where he resides?

"Question 3. If it is adjudged that the ministerial status of a member of an Annual Conference who has located at his own request is dependent upon membership in a Methodist Church and Quarterly Conference where he resides, after what lapse of time following location would one cease to have standing as a Local Preacher and as a Deacon and/or Elder, if no connection with a Methodist Church or Quarterly Conference has been established?"

JURISDICTION

The Judicial Council has jurisdiction under Paragraph 914 (8) 1952 *Discipline* to render the Declaratory Decision requested.

ANALYSIS

In the request of the New England Southern Annual Conference cited above, three specific questions are asked:

(1) In the case of a member of an Annual Conference who has located at his own request, is the continuance of his status as a Local Preacher dependent upon

(a) The renewal annually of a license to preach by Quarterly District or Annual Conference action?

(b) Is it dependent upon membership in a local Methodist Church and Quarterly Conference where he resides?

The answer to (a) is *NO*. The ordination of a local preacher makes unnecessary the annual renewal of his license.

The answer to (b) is *YES*. Paragraph 310 of the 1952 *Discipline* provides that "whenever Local Preachers, Ordained or un-Ordained shall sever their relation with The Methodist Church in any way whatsoever, they shall deposit their Credentials with the proper authorities."

Question 2. In the case of a member of an Annual Conference who has located at his own request, is the continuance of his status as a Deacon or Elder dependent upon his membership in a Methodist Church and a Quarterly Conference where he resides?

The answer is *YES*. For the same reason as in (b) above see Par. 310.

Question 3. If it is adjudged that the ministerial status of a member of an Annual Conference who has located at his own request is dependent upon membership in a Methodist Church and Quarterly Conference where he resides, after what lapse of time following location would one cease to have standing as a Local Preacher and as a Deacon and/or Elder, if no connection with a Methodist Church or Quarterly Conference has been established?

The answer is that a minister who has located, automatically becomes a member of the Quarterly Conference where he resides at the time of his location, Paragraph 309. He continues as a Local Preacher in that Quarterly Conference or in such other to which he may be transferred (Par. 306), until such time as he voluntarily surrenders his credentials or is deprived of them through due process of trial.

Decision

It is the Decision of The Judicial Council, therefore, that a minister who is located voluntarily is not required to have his license renewed annually. His status as a Local Preacher and as a Deacon and Elder is dependent upon his membership in The Methodist Church and Quarterly Conference where he resides. A minister when located, automatically becomes a member of The Methodist Church and Quarterly Conference where he resides. He continues as a Local Preacher in that Methodist Church and Quarterly Conference or in such other to which he may be transferred until such time as he voluntarily surrenders his credentials or is deprived of them by due process of a trial.

In Re: Answer Of A Candidate For The Traveling Ministry As To His Abstinence From The Use Of Tobacco

DIGEST OF DECISION

The answer of a candidate for the traveling ministry to the ques-

tion set out in Paragraph 321 (4) of the 1952 *Discipline* as to abstinence from the use of tobacco, in order to be satisfactory must be in the affirmative and without qualification.

STATEMENT OF FACTS

This matter comes before The Judicial Council on the following action of the North-East Ohio Annual Conference taken on June 27, 1953:

"The North-East Ohio Annual Conference requests The Judicial Council to interpret what constitutes a "satisfactory written answer" to (4) in Paragraph 321 "are you willing to make a complete dedication of yourself to the highest ideals of the Christian ministry and bear witness to the same by your abstinence from the use of tobacco and other indulgences which may injure your influence, consecrating yourself to purity of life in body, in mind and in spirit?" e.g., is it "satisfactory" for a candidate to answer that he is willing to make a complete dedication of himself to the highest ideals of Christian ministry and to bear witness to the same by his abstinence from indulgences which may injure his influence, consecrating himself to purity of life in body, in mind, and in spirit, but that he objects to the singling out of tobacco as the only specific illustration of these "indulgences."

JURISDICTION

The above request of the North-East Ohio Annual Conference is a request for a Declaratory Decision and The Judicial Council has jurisdiction under Paragraph 914 (8) of the 1952 *Discipline*.

ANALYSIS

The candidate must deposit with the Annual Conference Board of Ministerial Training and Qualifications in duplicate "satisfactory written answers" to certain questions, among which is that which has a clause pertaining to abstinence from the use of tobacco. The *Discipline* does not state to whom the answer must be satisfactory. Surely the candidate is not meant. If he were, there might be as many different answers as candidates. Nor can the particular Annual Conference Board of Ministerial Training and Qualifications be meant. This would give rise to as many different answers as there are Annual Conferences. This was a matter of General Conference concern and legislation and of uniform application. Those present at the 1952 General Conference, when a Minority Committee Report on this subject was substituted and adopted for the Majority Report, could not have any doubt as to the intent of The General Conference. That intent was that the answer of the candidate should be in the affirmative without equivocation or reservation, either mental or expressed. Attention is further directed to Paragraph 675 (2a) of the 1952 *Discipline* providing that before the ballot for licensing a person to preach is taken he shall have agreed to the conditions set forth in Paragraph 304 (4), which are the same as Paragraph 321 (4). The application of the requirement of abstinence from the use of tobacco is not different in the case of an applicant for a license to preach than in the case of a candidate for the traveling ministry.

Decision

It is therefore the Decision of The Judicial Council that a satisfactory written answer to said Paragraph 321 (4) of

the 1952 *Discipline* is an unequivocal affirmative answer to the disciplinary question as stated. The suggested answer on which the opinion is requested is not satisfactory.

In Re: Ruling By Bishop Watkins On Whether An Approved Supply Pastor Can Be Elected By His Charge As A Lay Member Of The Annual Conference

DIGEST OF DECISION

An Approved Supply Pastor represents his Charge as a pastor in every respect except the right to vote. Therefore he cannot represent the charge in the dual capacity of Pastor and Lay Member at the same time.

STATEMENT OF FACTS

On June 12, 1954 at the session of the Memphis Annual Conference, Wm. M. O'Donnell presented a request for a ruling by the presiding Bishop Wm. T. Watkins as follows:

"You are respectfully requested to rule whether a charge served as pastor by an Approved Supply, may elect *that* Approved Supply Pastor as the Lay Member of the Annual Conference for that charge."

On June 13, 1954, Bishop Watkins presented to the Annual Conference his ruling on the question proposed as follows:

"The Constitution of the Church specifies that each pastoral charge shall have a Lay representative in the Annual Conference. (Par. 21).

The General Conference has enacted that a Supply Pastor may speak upon the Conference floor, but without vote. (Par. 317).

To elect a Supply Pastor as a Lay Delegate from the pastoral charge meets neither of these requirements. Many Supply Pastors are Elders and exercise all functions of the Ministry and all Supply Pastors in charge of churches function as Ministers and not as Laymen and to elect one of them as a Delegate to the Annual Conference is to deny the charge involved Lay representation as required by the Constitution of the Church, and it is to grant to the Supply Pastor involved a vote in the Annual Conference which is prohibited by act of The General Conference. Therefore a charge may not elect a Supply Pastor as its representative in the Annual Conference."

JURISDICTION

Division four, Article II (Par. 43 of the 1952 *Discipline*) reads in part as follows:

"Art. II. The Judicial Council shall have authority:— 3. To pass upon Decisions of Law made by Bishops in Annual or District Conferences."

The official transcript of the daily proceedings of the Memphis Annual Conference held at Jackson, Tenn., in June 1954, shows clearly that the above request for a ruling and Bishop Watkins' ruling were submitted to the Conference in writing in regular sessions of the Annual Conference. Accordingly, The Judicial Council has jurisdiction to review and pass upon said ruling by Bishop Watkins by the authority of the Constitution and Paragraph 909 of the 1952 *Discipline*.

ANALYSIS

Par. 21, Art. 1 of the Constitution (*Discipline* 1952) states:

"The Annual Conference shall be composed of all the Traveling Preachers in Full Connection with it, together with a Lay Member elected by each pastoral charge. . . ."

The question involved in this case is, in which category, if either, does an Approved Supply Pastor belong? Clearly he is not a Traveling Preacher in Full Connection with the Conference. Can he then be regarded as a Layman and as such eligible for election as a Lay Member of the Annual Conference?

There is little question that from the beginning of The Methodist Church the term Local Preacher has meant a Layman who has been granted the privilege of preaching the Word and who is responsible to the District and Quarterly Conference for his license to preach. However, as time went on and the need for preachers increased with the expansion and growth of the Church a new relationship arose in the local ministry of the Church known as the Approved Supply relationship which is granted to certain qualified Local Preachers by vote of the Annual Conference making them eligible to be appointed as Pastors of charges and to assume most of the duties, responsibilities and privileges of a Traveling Preacher in Full Connection in the Annual Conference, except the right to vote. The Approved Supply is responsible to the Annual Conference which alone has jurisdiction over his authority to preach. The whole history of Methodist legislation leads to the conclusion that a Local Preacher who has been made an Approved Supply and appointed Pastor of a charge cannot be regarded as a Layman. Even though he holds his membership and Quarterly Conference relations with the church he serves, he is not a Layman but a Pastor in charge and is amenable to the Annual Conference as no Layman is or can be. (Par. 307, 1952, *Discipline*). He receives his salary from the local church, not as a Layman but as Pastor. He submits a Report to the Annual Conference, not as a Layman but as a Pastor. He represents his charge in the Annual Conference, speaks on the floor of the Conference and is required to attend the sessions not as a Layman but as a Pastor. If charges are brought against him for offenses enumerated in Paragraph 921 of the *Discipline* he is brought to trial, not as a Layman, but as any other Preacher in like standing. When he retires he is eligible for a pension through the Board of Conference Claimants because he served the church as a Pastor.

There is much merit in Bishop Watkins' statement that to elect an Approved Supply Pastor as a Lay Member in the Annual Conference is to deny the charge involved Lay representation as required by the Constitution. But it is equally true that it would deny the charge involved of pastoral representation which the Approved Supply Pastor does in every respect except the right to vote. For an Approved Supply Pastor to represent his charge in the Conference in the dual capacity of Pastor and Lay Member would violate the Constitutional requirement concerning Lay representation and defeat the purpose of

Methodist legislation concerning Local Preachers serving as Approved Supply Pastors.

Furthermore the question of full and adequate Lay representation in the Annual and General Conferences was a pronounced issue in the original Methodist Church in America as early as 1820. The denial of such representation by the 1828 General Conference gave rise to the organization of the Methodist Protestant Church. Under the Plan of Union finally adopted in 1938 and put into operation by the Uniting Conference in 1939 the Methodist Protestant Church was united with the other two branches of historical Methodism in America to form The Methodist Church.

This Plan of Union, overwhelmingly accepted by the Methodist Protestant Church, is now the Constitution of the United Church. *Par.* 21 of this Constitution specifically provides that the Annual Conference shall be composed of all the Traveling Preachers in Full Connection with it together with a *Lay Member* elected by each pastoral charge.

In the opinion of The Judicial Council this provision must be interpreted in the light of the history of unification and the basic change in lay representation provided in the Plan of Union, and not in the light of former interpretations made by the Methodist Episcopal Church, or the Methodist Episcopal Church, South. When so considered it is conclusive that a person serving as Pastor of a charge and being amenable to the Annual Conference in all respects as a Traveling Preacher, (even though he cannot vote in the Annual Conference), is not such a "Lay Member" as is contemplated by *Par.* 21 of the Constitution.

Decision

It is therefore the Decision of The Judicial Council that a charge served by an Approved Supply Pastor may not elect said Approved Supply Pastor as the lay member of the Annual Conference for that charge. Accordingly the ruling of Bishop Watkins is hereby affirmed.

In Re: Ruling Of Bishop Dana Dawson As To What Constitutes A Pastoral Charge In The Election Of Lay Members Of An Annual Conference

DIGEST OF DECISION

A pastoral charge consists of all the churches of a Circuit and they are entitled to elect only one Lay Member to an Annual Conference.

STATEMENT OF FACTS

Bishop Dana Dawson as President of the Central Kansas Annual Conference was asked for a ruling on the number of Lay Members of

an Annual Conference and as a basis therefor to decide what constitutes "a pastoral charge" which may elect a Lay Member and a Reserve. In other words, is a Circuit charge entitled to one Lay Member, or one for each church on the charge?

Bishop Dawson ruled that only one Lay Member may be elected from each Charge or Circuit.

The Judicial Council is requested to pass upon this Decision of Law made by this Bishop at an Annual Conference.

JURISDICTION

Section 3 of Article II of Division Four of the Constitution of The Methodist Church (Paragraph 43 (3) of 1952 *Discipline*) reads in part as follows:

"Art. II—The Judicial Council shall have authority: . . . "3. To pass upon Decisions of Law made by Bishops in Annual or District Conferences."

The records submitted clearly show that such a ruling was made by Bishop Dawson in a session of the Central Kansas Annual Conference with respect to the matter here under consideration. Accordingly, The Judicial Council has jurisdiction to review and pass upon said ruling made by Bishop Dawson in said Conference.

Decision

Article I, of Section VII of Division Two of the Constitution of The Methodist Church (Paragraph 21 of 1952 *Discipline*) reads in part as follows:

"Article I—The Annual Conference shall be composed of all the Traveling Preachers in full connection with it, together with a Lay Member elected by each pastoral charge. . . ."

Paragraph 104 of 1952 *Discipline* defines a pastoral charge as follows:

"104. A pastoral charge shall consist of one or more churches which are organized under, and subject to, the *Discipline* of The Methodist Church, with a single pastoral-charge Quarterly Conference, and to which a Minister is or may be duly appointed or appointable as preacher in charge. A pastoral charge of two or more churches is a circuit."

This language is so clear indicating that Bishop Dawson's ruling is correct that we need not refer to other sections of the *Discipline* which support it. Bishop Dawson's ruling is therefore affirmed.

In Re: Requiring The Consent Of a Ministerial Member Of An Annual Conference Before He Can Be Transferred To Another Annual Conference

DIGEST OF DECISION

That part of Paragraph 431, Section 7, of the 1952 *Discipline* which requires the consent of a ministerial member of an Annual Conference before he can be transferred to another Annual Conference is Constitutional.

STATEMENT OF FACTS

At a meeting of The Council of Bishops on November 19, 1954, it was voted to request a Declaratory Decision from The Judicial Council as to the constitutionality of the provision in Paragraph 431, Section 7, of the 1952 *Discipline* which requires the consent of a ministerial member of an Annual Conference before he can be transferred to another Annual Conference.

JURISDICTION

Paragraph 904, Section 1, of the 1952 *Discipline* gives The Judicial Council authority to "determine the constitutionality of any act of The General Conference upon an appeal of a majority of The Council of Bishops." Therefore, the request of The Council of Bishops is properly before The Judicial Council.

ANALYSIS

The Constitution makes provision in Paragraph 34, Article I, that "there shall be an Episcopacy in The Methodist Church of like plan, powers, privileges and duties" as existed at the time of union in the Methodist Episcopal Church and the Methodist Episcopal Church, South.

The question, therefore, resolves itself into one of whether a Bishop had authority to move a Ministerial Member of one Annual Conference to another without his consent at the time of union in 1939. There was no permissive legislation authorizing such a transfer from one Annual Conference to another, nor was there restrictive legislation preventing such transfer. The general practice, however, was to secure the consent of the Ministerial Member of an Annual Conference before the presiding Bishop arranged the transfer of the Minister; and if a transfer was made occasionally without permissive legislation, it does not constitute such a general practice as to have provided Bishops any established "plan, powers, privileges" in the two Episcopal Methodisms. Legislation in Paragraph 431, Section 7, provided clarification of this question and does not remove from the Bishops any authorized "plan, powers, privileges and duties" in the question of a transfer of a Minister from one Annual Conference to another without his consent.

Applicable to this question is the status of the Minister in The Methodist Church. Prior to union in 1939 the Minister joined an Annual Conference. Methodist Church procedures have long been

designed to the end that a Minister should and shall belong to an Annual Conference of his own choosing, subject to Disciplinary arrangements for Admission, for continuing his membership, and for possible transfer from one to another. For this transfer to be effective, the consent of the appointive powers has been and is necessary, and it seems entirely proper that the general practice on the part of Bishops to secure the Minister's consent for such transfer should be written into the *Discipline*. The presiding Bishop's authority is clear as to appointment within the Annual Conference where a Minister's membership is held. There has been question, however, about the legality of transfer from one Annual Conference to another without the transferee's consent, and it is at this point that The General Conference has acted.

Of equal force with Paragraph 34, Article I, and bearing directly on this question are other provisions in the Constitution, namely Article IV, Paragraph 8, which reads "The General Conference shall have full legislative power over all matters distinctly connectional," and Section 5 of the same Paragraph which specifically grants to The General Conference the power "To define and fix the powers, duties and privileges of the Episcopacy." This is definite authority for The General Conference to enact the provision in Paragraph 431, Section 7, which requires the consent of a Ministerial Member of an Annual Conference before the Bishop can transfer him to another.

It is recognized that there may be administrative advantages, and even advantages to the Minister involved, of transferring him from one Annual Conference to another within the Episcopal Area where the Conference at any given time is located. However, there has not been in Episcopal Methodism any expressed legal permission to transfer a Minister without his consent to another Conference within the Episcopal Area of the Conference's current location, nor beyond it. If Bishops had the right in 1939 to transfer a Minister without his consent, such right would have permitted the Bishop to transfer the Minister to any Conference not only within his Area but also beyond it and even into another Jurisdiction, limited only by the consent of the receiving Bishop. There was no permissive authority at that time nor has there been such expressed authority subsequent thereto. The Minister is a member of the Annual Conference where he holds his membership and has the right to retain his membership there unless he is agreeable for his presiding Bishop to arrange a transfer for him.

Paragraph 431, Section 4, gives the Bishops authority "to fix the appointments of the preachers in the Annual Conferences . . . as the *Discipline* may direct." In case of transfer from one Annual Conference to another, the *Discipline* directs in Section 7 of the same Paragraph that the Bishops secure the minister's consent.

Decision

The Judicial Council, therefore, holds that the provision in Paragraph 431, Section 7, providing for consent by a minister before he can be transferred from an Annual Conference where he holds membership to another is Constitutional.

**In Re: Ruling Of Bishop Clare Purcell Relative To
The Real And Legal Date Of The Close Of The An-
nual Conference Year, Given At The Session
Of The North Alabama Conference,
September 8-12, 1954**

DIGEST OF DECISION

While an Annual Conference has the right to fix the dates of the fiscal year on which it operates, from the legal point of view the Conference year begins with the adjournment of an Annual Conference session and ends with the adjournment of the next regular session of the Annual Conference.

STATEMENT OF FACTS

The North Alabama Annual Conference, meeting at Birmingham Southern College, September 8-12, 1954, adopted on the recommendation of its Commission on World Service and Finance "a twelve months' Conference year beginning October 1, 1954, and ending September 30, 1955."

G. M. Davenport then read the following request for a ruling by the Bishop:

"A motion was passed at the 1954 session of the North Alabama Annual Conference setting the date of the beginning of the 1954-55 session (year) of the North Alabama Annual Conference as October 1, 1954, and ending the same Conference year September 30, 1955. Whereas the adjournment of the North Alabama Annual Conference will (not) be later than September 13, 1955, leaving a period of 17 days between the adjournment of the North Alabama Annual Conference and the date of September 30, 1955, which the North Alabama Annual Conference set as the close of the Conference year. Ruling is asked of Bishop Clare Purcell as to the real and legal date of the close of the Conference year. Is the close of the Annual Conference year September 30 or on the date of the actual adjournment of the Annual Conference?"

The Decision of the Bishop was as follows:

"Throughout Methodist history the Conference year has begun immediately following the reading of the Appointments for the coming year and has ended at the adjournment of the next session of the Annual Conference. (Waugh as recorded on page 48 of 'Manual of the Discipline of the Methodist Episcopal Church, South,' 19th edition, originally prepared by Holland N. McTyeire, revised and enlarged by Collins Denny, 1931.) It is obvious, therefore, that the Annual Conference year begins and ends as above stated.

"Although the word 'fiscal' does not appear in the Report of the Conference Commission on World Service and Finance which was adopted, it is clear that the intent of this Report was to fix a convenient date for the opening and closing of the business of the Annual Conference Agencies. Ample precedent for such an arrangement is found in the fact that June 1st through the following May 31st is universally used as the business year of all General Confer-

ence Agencies, although The General Conference itself meets in April and May every fourth year. It is, therefore, the opinion of the undersigned that the Annual Conference year is from the reading of the appointments to the closing of the next session of the Annual Conference, and that it is not illegal for an Annual Conference to fix October 1st through the following September 30th as a convenient date to begin and end the business of its Boards and other Agencies."

CLARE PURCELL

JURISDICTION

The ruling of Bishop Purcell is properly before The Judicial Council under Paragraphs 43 (3) and 909 of the 1952 *Discipline*.

ANALYSIS

The first part of the Bishop's Decision in answer to the question concerning the "real and legal date of the close of the Annual Conference year" is that "the Conference year is from the reading of the Appointments to the closing of the next session of the Conference."

There seems to be an ambiguity here because the Conference year is said to begin at one place in an Annual Conference session and end in another place in the following Conference session. The ambiguity is slight because it has been Methodist custom to have the reading of the Appointments just prior to the adjournment of the Conference session.

From the legal point of view, however, it would be more accurate to say that the legal Conference year is from the adjournment of an Annual Conference session to the adjournment of the next regular session of the Conference—that, therefore, the real and legal date for the closing of the Conference year is the date of the adjournment of the Conference session. Evidently this is what Bishop Purcell intended to hold.

This means, of course, that the authority of all Conference actions, unless modified by a special session of the Conference, continues until the adjournment of the next regular Conference session.

It seems, however, from the wording of the request for the Bishop's ruling, that the problem the request had in mind was the confusion resulting from various interpretations of the term "Conference year" for instance, whether, in the case of changes in Appointments at the Conference session, the ministers involved should have their salaries paid in terms of the legal Conference year or in terms of the fiscal Conference year adopted by the Conference.

As the Bishop indicates in his ruling, an Annual Conference certainly has the right to determine the dates of the fiscal year on which it operates. Paragraphs 22 and 631 of the 1952 *Discipline* grant an Annual Conference the right to make rules to govern its own procedure in any manner not contradictory to the Constitution or to the powers granted to it by The General Conference.

The Bishop fixes the dates of the Annual Conference session (Par. 626). While all concerned try to make the relation between the dates of the Conference session and the fiscal year as convenient as possible it is seldom possible in any Conference to have the legal and fiscal years coincide.

The request for the Bishop's ruling notes that there are 17 days

between the end of the Conference session and the end of the fiscal year, fixed by the Conference. Judging by the argument, the implied question is, "Who shall be paid for that 17 days in case of a change in Appointment, the Minister who is leaving the charge, or the newly appointed Minister?" The same problem would arise whether the adjournment of the Conference session came before or after the closing of the fiscal Conference year. Some churches and Ministers have apparently assumed that the minister who is leaving a charge should be paid on the basis of the fiscal Conference year; others have assumed that he should be paid on the basis of the legal Conference year.

The Appointment of a Minister in The Methodist Church is an Episcopal Appointment. The charge to which he is appointed is responsible for his support while he is the Appointed Minister. Normally, when Appointments are made in an Annual Conference session, the period of a charge's responsibility for the support of a particular Minister will coincide with the legal Conference year.

It is difficult to see why there needs to be confusion here. A local Methodist Charge pays its ministerial support and its Conference Apportionments on the basis of the fiscal Annual Conference year. This does not mean necessarily that in any fiscal year the total ministerial support is paid to one particular Minister. When the Appointments are made in the month before or after the end of the fiscal Annual Conference year surely the Annual Conference can fix its procedures here, too, by determining, in charges where there are Appointment changes, what percentage of the month's salary involved shall be paid to the Minister who leaves the charge and what percentage to the newly appointed Minister.

Decision

It is therefore the Decision of The Judicial Council that the legal Annual Conference year begins with adjournment of a regular session of an Annual Conference and ends with the adjournment of the next regular session of the Annual Conference, and that an Annual Conference, in governing its own procedure, may determine the fiscal year on the basis on which it operates. The ruling of Bishop Clare Purcell, with the minor correction noted, is hereby affirmed.

**In Re: Appeal Of Reverend L. Blake Craft In The
Case Of North Georgia Annual Conference vs.
The Reverend L. Blake Craft**

DIGEST OF DECISION

The Judicial Council has jurisdiction only on questions of law. The charges against appellant, though meager, are sufficient to inform him of the offense with which he is charged. The charges having been made during the session of the Annual Conference the accused was triable under Paragraphs 936 and 937 of the 1952 *Discipline*, and not under Paragraph 935 of the 1952 *Discipline*. Five days were given

the accused to prepare for trial. As a matter of law that cannot be held to be insufficient time. Par. 1006 of the 1952 *Discipline* establishes a policy that the counsel for the accused must be a Traveling Preacher. By inference the assistant counsel provided in Par. 1007, 1952 *Discipline* must be a Traveling Preacher. The trial having been conducted substantially in accordance with the provisions of the *Discipline*, the judgments of the Trial Court and of the Court of Appeals are in all things affirmed.

STATEMENT OF FACTS

Basis of the Appeal and Statement Relating to the Issues of Law Involved

At the 1954 session of the North Georgia Annual Conference complaints regarding the conduct of Reverend L. Blake Craft, an Elder in the North Georgia Annual Conference of The Methodist Church having been called to the attention of the Conference Committee of Investigation, the Committee met during that session of the Conference.

On June 23, 1954 the Committee of Investigation made the following report to the Annual Conference:

"In reporting the case of the Reverend L. Blake Craft, an Elder in the North Georgia Conference, for trial, we present the following bill of charges and specifications; we deem that the accused is liable for trial according to the 1952 *Discipline* of The Methodist Church, Paragraph 921.

- (a) Unchristian tempers, words or actions.
- (b) Disobedience to the order and *Discipline* of the Church.
- (c) Imprudent or unministerial conduct.

"Specifications:

- (1) The Reverend L. Blake Craft publishes a paper One Methodist Voice.
- (2) It is not a parish paper, nor a paper to aid ministers in the conduct of their work. It injures the effectiveness of the work of his own ministry, hampers the work of fellow ministers and damages the good name of The Methodist Church.
- (3) The paper is not distributed to subscribers only, but is sent out by subsidy as propaganda to both Ministers and Laymen.
- (4) There is evidence to the effect that the accused has violated the vows of his ordination."

The accused claims as a matter of law this Report did not and does not constitute a charge against him on which he could be legally put to trial; that at most it only constituted an announcement that he "was liable to trial" but did not constitute a Charge on which he could be put to trial. The Conference then proceeded as provided in Paragraphs 936-937 of the 1952 *Discipline*, to put the accused to trial, and a session for organizing the Trial Court was ordered for that afternoon; and a motion was made and carried that the trial be completed at that session of the Annual Conference unless the Court brings some reason why it should not be done.

At the convening of the Trial Court that afternoon the accused asked for sufficient time to prepare for trial and stated that his counsel, a Member of another Annual Conference, could not be present until the

following week because he had just moved to his new appointment. A jury was selected, but the actual trial was postponed for five days, the record with reference to such postponement, as set forth in the Conference minutes, reading as follows:

"By agreement between the accused, the counsel for the Church, and the Presider and with the unanimous expressed concurrence of the members of the Trial Court, the time of trial was set for Tuesday, June 29, 1954, at ten o'clock in the morning."

At this first meeting of the Trial Court the accused repeated the statement he had made in the Annual Conference, that he would act as his own Counsel until his Counsel could be present, and asked permission for a Layman to act as Assistant Counsel, citing Paragraph 1007 of the 1952 *Discipline* as authority therefor. The trial Judge refused the request for a Layman to act as Assistant Counsel. The accused then did act as his own Counsel in interrogating the prospective jurors and exercised the challenges authorized by law.

The accused claims that as a matter of law his having to participate in the selection of the jury without aid of Counsel was reversible error; that the refusal by the trial Judge to allow a Layman to act as Assistant Counsel was an error of law entitling him to a new trial. The accused also contends that he was entitled to the ten days' notice required under Paragraph 935, 1952 *Discipline* and that the putting him to trial was an error of law entitling him to a reversal of the final judgment imposed on him at the conclusion of the trial. The trial was resumed on the date agreed upon, and on July 8, 1954 the jury brought in the following verdict:

"Verdict

"Under the charges set forth by the Committee of Investigations of the North Georgia Annual Conference, under Paragraph 921, section (a), (b) and (c), *Discipline* 1952, we find the defendant, Rev. L. Blake Craft, guilty of the following charges:

"1. Section (a) Paragraph 921, 1952 *Discipline* 'unchristian tempers, words or actions.'

"2. Section (c) Paragraph 921, 1952 *Discipline* 'imprudent and unministerial conduct.'

"We specify his use of 'One Methodist Voice' as a means to personally attack his brother ministers, to discredit the leadership of his Conference, and to confuse the Laymen of the Church, creating doubt in their minds by the dissemination of inflammatory writings.

"We point out that the guilt is substantiated by various and sundry evidence given during the trial.

"Penalty: We specify the penalty to be suspension from the exercise of the functions of his office, effective from this date to continue until the opening date of the Annual Conference of the North Georgia Conference in the year 1955."

The accused attacks the validity of this, as will be shown later. The case was timely appealed to the Court of Appeals of the Southeastern Jurisdiction of The Methodist Church, and is now before The Judicial Council on an appeal based on alleged errors of law, as set forth in appellants brief filed herein:

"An Appeal from the Findings of the Trial Court and from the Decision of the Appellate Court in the Case of the North Georgia Conference versus the Reverend Blake Craft"

"Appeal

"We respectfully petition The Judicial Council of The Methodist Church to decide the following questions of law:

"1. The Charges

- "(1) Do the bill of charges and specifications comply with the law of the Church?
- "(2) Did the President of the Trial Court err in failing to sustain the motions of the accused for dismissal on the grounds that the bill of charges and specifications were faulty and fatally defective in that they did not comply with the law of the Church as outlined and prescribed in Paragraphs 1002 and 1005, 1952 *Discipline*?

"2. The Verdict

"Did the jury of the Trial Court in its reported verdict commit an error by not complying with the law of the Church in Paragraph 1002, in failing to show what its findings were upon the four (4) specifications in the bill of charges on which the accused was brought to trial; and substituting therefor its own created three (3) specifications which have no basis in the original specifications, and, thus finding the accused guilty of them?

"3. Did the Presiding Officer of the Trial Court err in the following?

- "(1) He gave instruction to the trial jury, and sent it out to enter into deliberations for the express purpose of finding and rendering a verdict, in the absence of the accused and his counsel.
- "(2) He gave instructions and directions to a Committee of the trial jury, and in the absence of the other eleven jurors before the verdict was announced, and this without the knowledge of, and in the absence of the accused and his counsel.
- "(3) He instructed the jury to follow its own interpretations of the law in the *Discipline* in arriving at a verdict.
- "4. Did the Presiding Officer of the Trial Court err by forcing the accused both to trial without due notices and 'sufficient time' to prepare for the trial, and selecting the jury without the presence and benefit of the accused' counsel against his protest and citation of laws which such action violated?
- "5. Did the Appellate Court err by refusing the appellant's request and attempt to present the second section of the Brief on the '**Evidence Does Not Support the Charges**' which outlined the illegal and irregular procedure of the Trial Court which permitted the admission of improper remarks, illegal accusations, speeches by the witnesses, conclusions and sarcastic comments by the counsel for the Church and some Church witnesses

and numerous pleas made to the jury by the counsel for the Church while witnesses were on the stand?

- “6. Did the Presiding Officer of the Trial Court err by ruling against the appellant's request to use a Methodist Layman as his Assistant Counsel?”

JURISDICTION

The Judicial Council, under Par. 1045 of the 1952 *Discipline*, has jurisdiction to hear and determine this appeal. (See Par. 1033.)

ANALYSIS AND FINDINGS

of

THE JUDICIAL COUNCIL

The issues in this appeal were ably presented by the Reverend L. Blake Craft, appellant, and by his counsel Dr. J. Ed Fain; and an able reply thereto was presented by Dr. Waights G. Henry, Jr. and his assistant Dr. Harvey C. Holland, counsel for the North Georgia Annual Conference.

1. The Charges

1. While the Charges are meager, the Report containing the specifications refers to them as “the following bill of charges and specifications.” In the opinion of The Judicial Council the bill of charges and specifications were sufficient to put appellant on notice of what he was being accused and constituted a substantial compliance of the law of the Church relating to charges and specifications.

2. Therefore, the President of the Trial Court did not err in failing to sustain the appellant's motion for dismissal of the charges and specifications.

2. The Verdict

1. The verdict returned found the accused guilty on two of the specifications in the charges. The jury did not specify new charges, but it specifically repeated in the verdict two of the original specifications on which it had found the accused guilty. By inference the accused was acquitted on the other specifications.

2. In the appellant's brief he challenges the verdict on the ground that it did not show that each specification was voted on separately by the jury, as required by Par. 1002 of the *Discipline*.

There is no proof in the record that the jury did not vote on each specification separately. The fact that the accused was found guilty on only two of the specifications is a circumstance indicating that the jury did vote on each specification separately.

However, in the absence of positive proof that such was not the case The Judicial Council will presume that the jury complied with the law in arriving at its verdict.

3. The appellant claims as a matter of law, that the Trial Court erred by instructing the jury in the absence of accused and his Counsel, and sending it out to arrive at a verdict, and instructing it to follow its own interpretation of the law in the *Discipline* in arriving at a verdict.

Counsel for the Conference, in reply to this objection, states that the reason the accused and his counsel were not present when the jury was instructed and sent out to arrive at a verdict was that they absented themselves for an unreasonable time after the appointed time for the Court to convene. This becomes a matter of fact on which The Judicial Council is not permitted to pass. The instruction complained of does not appear to be sufficient on which to declare the action of the Trial Court as constituting an error of law.

4. As to whether the accused was given "sufficient time" to prepare for trial, and whether the Trial Court erred in forcing him to select the jury without aid of counsel is another point raised in the appeal. Had the charges been filed in the interval between sessions of the Annual Conference the accused would have been given 10 days' notice.

The General Conference, however, under the Constitution, Paragraph 8 of the 1952 *Discipline*, has "full legislative power over all matters distinctly connectinal." It is not the prerogative of The Judicial Council to question why The General Conference has established one proceeding for trials in the interval between sessions of the Annual Conference, and another proceeding for trials when accusations are preferred against a Traveling Elder during the session of an Annual Conference. The accused was charged and tried under Paragraph 936, 1952 *Discipline* and the succeeding Paragraphs of the *Discipline*; and Par. 937 specifically provides that "the Annual Conference may order the completion of such trial before the final adjournment of the session."

Apparently the whole matter was conducted substantially in accordance with the law of the Church, and The Judicial Council so finds.

5. The Court of Appeals of the Southeastern Jurisdiction had some discretionary power in the matter of length of arguments, etc., the presentation of briefs, etc., and the record is not sufficient to sustain the charge that as a matter of law the Appellate Court erred by "refusing appellant's request and attempt to present the second section of the Brief on the "Evidence Does Not Support The Charges."

6. The sixth point of the appeal can be answered categorically in the negative—Par. 1006 of the 1952 *Discipline*. That Paragraph establishes the policy that in the trial of a Traveling Preacher no Layman shall participate as Counsel. By implication at least that includes an Assistant Counsel.

Decision

Since the record discloses that the whole proceedings in regard to the charges against the Reverend L. Blake Craft, his trial thereon, and his appeal therefrom to the Court of Appeals of the Southeastern Jurisdiction were conducted substantially in accordance with the established law of the Church, and that no error of law was committed justifying a reversal of the judgments of the trial and appellate Courts, it is the Decision of The Judicial Council that the judgments of the Trial and Appellate Courts in this matter be and they are hereby in all things affirmed.

In Re: Request Of Council of Bishops For A Declaratory Decision On The Question "Whether Or Not A Retired Bishop Of A Central Conference Is Authorized To Attend Meetings Of The Council Of Bishops With Expenses Paid"

DIGEST OF DECISION

A retired Bishop of a Central Conference is authorized to attend meetings of The Council of Bishops with expenses paid.

STATEMENT OF FACTS

At a meeting of The Council of Bishops held in Seattle, Washington, April 19-22, 1955, The Council voted to request The Judicial Council to render a Declaratory Judgment upon the following question:

"Is a retired Bishop of a Central Conference authorized to attend meetings of The Council of Bishops with expenses paid?"

JURISDICTION

Paragraph 914 of the 1952 *Discipline* states in part as follows:

"When The General Conference shall have passed any act or legislation that appears to be subject to more than one interpretation, or when any Paragraph or Paragraphs of the *Discipline* seem to be of doubtful meaning, or application, The Judicial Council, on petition as hereinafter provided, shall have jurisdiction to make a ruling in the nature of a *Declaratory Decision* as to the meaning, application, and effect of such act, legislation, or Paragraph or Paragraphs of the 1952 *Discipline*. . . .

. . . (1) The Council of Bishops. . . .

From the facts indicated above The Judicial Council has jurisdiction in this matter.

ANALYSIS

Paragraph 36, Article III, of the Constitution, 1952 *Discipline* states:

"There shall be a Council of Bishops composed of all the Bishops of all the Jurisdictional and Central Conferences. . . ."

Paragraph 555, 1952 *Discipline* states:

"A Bishop elected by a Central Conference shall have the status, rights, and duties within his territory of a Bishop elected by or functioning in a Jurisdictional Conference. A Bishop elected by a Central Conference shall have membership in The Council of Bishops and shall have the privilege of full participation with vote in the

meetings of The Council whenever the interest of his Central Conference or the interests common to all Central Conferences are involved. Attendance upon the annual meetings of The Council of Bishops by Bishops elected by Central Conferences shall be left to the option of the Bishops in each Central Conference."

Paragraph 437, 1952 *Discipline* referring to a retired bishop, states:

" . . . He may participate in The Council of Bishops, but without vote. . . ."

From the Paragraphs of the 1952 *Discipline* quoted above, it would seem that a retired Bishop of a Central Conference is a member of The Council of Bishops, has the right to attend the meetings of the Council if he so desires, and may participate in the meetings whenever the interest of his Central Conference, or the interests common to all Central Conferences, are involved, but without vote.

Paragraph 574, 1, 1952 *Discipline* provides that:

"A Central Conference shall participate in the General Episcopal Fund upon payment of its apportionment on the same basis as that fixed for Annual Conferences in Jurisdictional Conferences. . . ."

Paragraph 773, 1952 *Discipline* provides that:

"The Treasurer of the Council on World Service and Finance shall pay monthly the claim for the official travel of each Bishop or Missionary Bishop, upon presentation of an itemized voucher. . . ."

Since travel to the meetings of The Council of Bishops, which retired Central Conference Bishops are authorized to attend, is clearly official travel, they are entitled to payment of travel expense.

A Central Conference Bishop who has not been re-elected and later retires and returns to his Annual Conference, is no longer a Bishop, even though he receives an allowance from the General Episcopal Fund for the years during which he served as Bishop. He is therefore not a member of The Council of Bishops and not entitled to attend its meetings. (See Decision No. 61 of the Judicial Council.)

Decision

It is therefore the Decision of The Judicial Council that a retired Bishop of a Central Conference is entitled to attend the meetings of The Council of Bishops, with expenses paid, and participate in such meetings whenever the interest of his Central Conference, or the interests common to all Central Conferences, are involved, but without vote.

**In Re: Request Of The Ohio Annual Conference For
A Declaratory Decision On The Question "Can
The Church Treasurer Withhold Pension
Fund Assessments And Send Them In
Directly To The Pension Office Or
Must The Ministers Send The
Money In Themselves?"**

DIGEST OF DECISION

Church Treasurers cannot withhold the 3% Pension Fund Assessments on salaries of Ministers and remit them to the Pension Board. Such assessments must be sent in by the Ministers themselves. If the ministers should agree to such withholding and authorize the Church Treasurer to send same to the Fund in quarterly installments that would constitute compliance with Par. 1646 of the *Discipline*.

STATEMENT OF FACTS

At the session of the Ohio Annual Conference held at Lakeside, Ohio, June 7-12, 1955, the Reserve Pension Committee Report recommended that the Conference adopt a salary withholding plan for the 3% assessment (Reserve Pension Plan).

By this method of withholding assessments from ministers' salaries by Local Church Treasurers who would send them in directly to the Pension Office, it was thought to prevent arrearages now so prevalent among ministers of the Conference. A motion was passed by the Conference asking The Judicial Council for a Declaratory Decision interpreting Paragraph 1646, Section 1 of the 1952 *Discipline* as to its bearing on the question of Local Church Treasurers withholding such assessments from Ministers' salaries and sending them to the Pension Office.

JURISDICTION

Paragraph 914 of the 1952 *Discipline* states:

"When The General Conference shall have passed any act or legislation that appears to be subject to more than one interpretation, or when any Paragraph or Paragraphs of the *Discipline* seem to be of doubtful meaning or application, The Judicial Council, on petitions as hereinafter provided, shall have jurisdiction to make a ruling in the nature of a Declaratory Decision as to the meaning, application and effect of such act, legislation or Paragraph or Paragraphs of the *Discipline*. . . ."

"The following bodies in The Methodist Church are hereby authorized to make such petitions to The Judicial Council for a Declaratory Decision. . . ."

(8) Any Annual Conferences, on matters relating to Annual Conferences or the work therein."

The above conditions having been met by the Ohio Annual Con-

ference, The Judicial Council is therefore authorized to take jurisdiction in the matter presented by said Annual Conference.

ANALYSIS

The General Conference has provided the following procedure for contributions of Lay Employees to the "Lay Employees Pension Fund": Paragraph 1658 (3b) of the 1952 *Discipline* relating to "Contributions of Lay Employees" to the Lay Employees Pension Fund states the following: "Each participating employer shall deduct from the compensation of its Lay Employees at the time such compensation is paid and the accommodations set forth in Sec. 3a are furnished, a sum equivalent to not less than three per cent (3%) of the same amount used in the computation set forth in Sec. 3a . . . which sum shall be forwarded to the Illinois Corporation. . ."

Paragraph 1659 (4a) re: Lay Employees of an effective Bishop, directs the Bishop to "deduct the required contributions from the compensation of such participating Lay Employees and forward such amounts concurrently with the required Employer's contributions to the Fund. . ."

The General Conference, however, has seen fit to adopt a different plan regarding the collection of contributions from Ministers for the "Ministers Reserve Pension Fund."

Paragraph 1646 (1) of the 1952 *Discipline* is clear and explicit in its statement that "an annual contribution, the equivalent of 3% of the average salary of the Conference (as defined in Paragraph 1618, Sec. 6 of the Pension Code) shall be paid directly to the Fund by each qualified member thereof in quarterly installments, etc."

In case the individual contributors should agree that such contributions might be withheld by the Church Treasurer and sent in to the Fund quarterly this would be a compliance with Par. 1646 (1). In the absence of such agreement it appears that the Annual Conference does not have the power to enforce a withholding of such contributions.

Decision

In view of Paragraph 1646 (1) of the 1952 *Discipline*, in the absence of agreement therefor by the ministers involved, it is the Decision of The Judicial Council that church Treasurers may not withhold the 3% reserve Pension Fund contributions from the salaries of Ministers. Such contributions must be sent in by the Minister themselves or by their authorized agent.

NOTE: John Taylor Alton did not vote on the Decision in this case.

**In Re: Whether The Proceeds Of The Sale Of Grace
Methodist Church Of Portland, Oregon, Should
Be Turned Over To The Conference Claim-
ants' Endowment Fund, Or To The Port-
land District Of The Oregon
Annual Conference**

DIGEST OF DECISION

When an Annual Conference adopts a Standing Rule it is bound by such Rule unless same is suspended or rescinded and some other action taken. Any action in conflict with the Standing Rule taken without suspending or rescinding the Rule is void. Therefore, the proceeds of the sale of Grace Methodist Church belong to the Conference Claimants Endowment Fund as determined by the Standing Rule of the Oregon Annual Conference.

STATEMENT OF FACTS

Request for Declaratory Decision

The following request for a Declaratory Decision by The Judicial Council has been received from the Oregon Annual Conference of The Methodist Church:

"Resolution

"Be It Resolved, by the Oregon Annual Conference of The Methodist Church that the following matter be submitted to The Judicial Council with a request that The Judicial Council render a Declaratory Decision thereon:

"Whether the proceeds derived from the sale of the Grace Methodist Church of Portland, Oregon, formerly known as 'The First German Church of Portland, Oregon,' is the property and should be turned over to the Conference Claimants' Endowment Fund of the Oregon Annual Conference, or whether it is the property of, and should be turned over to, the Portland District of the Oregon Annual Conference.

"Respectfully submitted,
/s/ Milton A. Marcy
/s/ Edward Terry"

"Certificate

"I, *Lawrence Guderian*, Secretary of the Oregon Annual Conference of The Methodist Church, hereby certify that the above and foregoing Resolution was adopted by said Annual Conference at its annual session held on the 19th day of June, 1954.

"Witness my official signature this, the 18th day of June, 1955.

"/s/ Lawrence Guderian
Secretary of the Oregon
Annual Conference of
The Methodist Church."

JURISDICTION

The Judicial Council has jurisdiction under Par. 914 of the 1952 *Discipline of The Methodist Church* to hear and determine the matter here submitted.

Statement

In 1928, The General Conference of the Methodist Episcopal Church adopted the following policy relating to the properties of foreign language churches being merged with English speaking churches.

Par. 354. Transfer of Property of Merging Charges. When a Foreign Language Church merges with one or more English-speaking charges, thereby abandoning their church and parsonage property, such property may by vote of the Quarterly Conference, a majority of all members of such Quarterly Conference concurring, be, prior to such merger, conveyed to the Trustees of the Annual Conference, within whose geographical territory the property is located at the time of the merger, in trust for the benefit of the Conference Claimants of such Annual Conference." (Page 601, 1928 General Conference Journal, Methodist Episcopal Church.)

In 1932 the following rule appeared in the Oregon Annual Conference of the Methodist Episcopal Church:

"XV. Abandoned Church Property. Sec. 1. When any property of the German speaking churches within the bounds of the Oregon Annual Conference becomes abandoned according to the Disciplinary requirements, the Trustees of the Conference are instructed to turn the property to the Board of Conference Claimants of the Conference for Administration."

This was a policy established by the Methodist Episcopal Church and the Oregon Annual Conference prior to Union.

In 1940 (after Union) The General Conference adopted the following provision relative to abandoned Church property:

"Par. 782. With the consent of the presiding Bishop and a majority of the District Superintendents and the District Board of Church Location and Building within whose jurisdiction the action is contemplated, the Annual Conference may declare any charge or church within its bounds discontinued or abandoned. Upon a charge or church being thus discontinued or abandoned it shall be the duty of its Board of Trustees to make such disposition of the property thereof as the Annual Conference shall direct, and if no such lawful Trustees remain, or if for any reason said Trustees fail to make such disposition, then it shall be the duty of the Trustees of the Annual Conference to sell or dispose of said property in accordance with the directions of the Annual Conference. . . ."

In 1940, following the enactment of the above quoted provision by The General Conference, the Oregon Annual Conference amended its Standing Rule as to the disposition of abandoned Church property to read as follows:

"30. **Abandoned Church Property.** Sec. 1. When the District Superintendent has decided to request the Annual Conference to declare a certain property abandoned, he shall first record the individual Trustees of the Annual Conference as the elected Trustees of the church property in such a way as to make them the Trustees of said property. (Par. 188, 354).

"Sec. 2. The District Superintendent's motion declaring any of the German property abandoned, shall also carry the reference of the property to the Board of Claimants' Endowment Fund of the Oregon Conference Claimants' Permanent Fund.'"

(Journal of the Oregon Annual Conference of 1940, Page 92)

This was the Standing Rule of the Oregon Annual Conference on February 22, 1951, when the Grace Methodist Church of Portland, Oregon was declared abandoned property and was also the rule in 1953 when the property was sold.

On June 14, 1951, without suspending the above quoted Standing Rule, the Oregon Annual Conference took the following action relative to the proceeds of the sale of the Grace Methodist Church of Portland:

"On motion of T. Malcolm Hammond, the Grace Methodist Church was declared abandoned, the property to be sold and the proceeds to be returned to the Portland District.'"

(Journal of the Oregon Annual Conference of 1951, Page 33)

The proceeds of such sale are still in the hands of the Conference Board of Trustees.

On June 8, 1954, the following actions were taken by and in the Oregon Annual Conference:

"At the corporate session on June 18, 1954, the following action was taken:

"On motion of Edward Terry, all previous action relative to disposition of the Funds received from the sale of the Grace Methodist Church, a former German Methodist Church, was rescinded.

"On motion of Edward Terry, the \$15,000 which remains in the fund was turned over to the Lents Church, Portland.'"

(Journal of the Oregon Annual Conference of 1954, Page 37)

The legality of the action taken at the corporate session of June 18, 1954, was called in question the next morning, June 19, 1954, and the Bishop made his ruling, which is recorded as follows:

"Legality of action. Bishop Grant ruled that action of the Conference during the corporate session rescinding all previous action in regard to the sale of the German Church properties was illegal because it did not carry a two-thirds vote, which is necessary with a motion to rescind.'"

(Journal of the Oregon Annual Conference of 1954, Page 38)

ANALYSIS

The Grace Methodist Church formerly known as the First German Church of Portland, Oregon, was one of the churches of the Pacific German Conference that came into the Oregon Annual Conference at the time the Pacific German Annual Conference was merged with the Oregon Annual Conference.

The original actions in this case took place prior to Union, The General Conference of 1928 having authorized the establishment of a Rule whereby, upon vote of a majority of all members of the Quarterly Conference, taken by the foreign language Church prior to merger,

the property of the Church being abandoned could be conveyed to the Trustees of the Annual Conference "in trust for the benefit of the Conference Claimants of such Annual Conference."

It will be noted that this authority to convey such property to the Trustees of the Annual Conference "in trust for the Conference Claimants of such Annual Conference" was predicated upon the vote of a majority of all the members of the Quarterly Conference; and that it did not give the Annual Conference the authority to so transfer the property in the absence of such a vote by the Quarterly Conference of the foreign language church being merged with another church.

Hence the 1932 rule of the Oregon Annual Conference was applicable only to such merging Foreign Language Churches whose Quarterly Conferences, prior to merger, had by a majority vote of their respective membership, authorized the same.

The Grace Methodist Church of Portland, however, did not dissolve until 1951. The rules and regulations made by General Conferences and by Annual Conferences, however, are not like the laws of the Medes and Persians. They are subject to change from time to time, the only limitations being that they do not contravene the Constitution, and cannot be made retroactive so as to impair a legal contract. Let us look, therefore, to the provisions of the law as of February 22, 1951.

In 1939, three Churches, including the Methodist Episcopal Church, were united into one Church under a new Constitution denominated the Plan of Union. Under this plan the *Discipline* by which the United Church was to be governed was to be framed by the Uniting Conference, under the following provisions of the Plan of Union:

"Article IV. The duties and powers of the Uniting Conference subject to the provisions of this Plan of Union shall be:

"1. To harmonize and combine the rules and regulations as found in the *Disciplines* of the three Churches relating to membership, Conferences, the ministry, judicial administration, and temporal economy."

"Article VII. The legislative power of the Uniting Conference shall be confined to harmonizing and combining provisions now existing in the *Disciplines* of the three Churches, one or more of these."

This was interpreted by the Uniting Conference as giving it power to form the *Discipline* of the united Church by taking anything it found in any one of the three *Disciplines* on a given subject, or combining and harmonizing provisions taken from two or all three of the *Disciplines* of the uniting Churches, and putting same into the new *Discipline*. The new *Discipline*, therefore, was to supersede the *Disciplines* of the three uniting Churches, and to be the *Discipline* of The Methodist Church.

Apparently the Uniting Conference overlooked the question of "Abandoned Church property," as it did not make any provision as to the disposition of any abandoned church property. The only provision in the 1939 *Discipline* being Sub. 11 of Par. 228 requiring the District Superintendent "to prepare and deliver to his successor an official list of all abandoned church buildings, parsonages, cemeteries and other property within the bounds of his District, etc."

The 1940 General Conference of the united Church remedied this omission by adopting the following provision:

"Par. 782. With the consent of the presiding Bishop and a majority of the District Superintendents and the District Board of Church Location and Building within whose jurisdiction the action is contemplated, the Annual Conference may declare any charge or church within its bounds discontinued or abandoned. Upon a charge or church being thus discontinued or abandoned it shall be the duty of its Board of Trustees to make such disposition of the property thereof as the Annual Conference shall direct, and if no such lawful Trustees remain or if for any reason said Trustees fail to make such disposition, then it shall be the duty of the Trustees of the Annual Conference to sell or dispose of said property in accordance with the Directions of the Annual Conference."

(*Discipline of The Methodist Church of 1940, Page 240*)

This same provision was carried forward in the 1944 *Discipline* and in the 1948 *Discipline* and was, therefore, the law on the subject on February 22, 1951, when the Grace Methodist Church of Portland, Oregon, dissolved. Under this law the properties of Grace Methodist Church, upon abandonment, passed under the control of the Annual Conference.

According to the affidavit furnished setting forth procedure under which Grace Methodist Church dissolved, the Quarterly Conference of Grace Methodist Church recognized this to be the law, and directed "that such action as may be deemed necessary be taken to place the properties in the custody of the Oregon Annual Conference as of June, 1951."

Apparently the Trustees of Grace Methodist Church failed to carry out these instructions. Upon their failure to do so, then, under the law above quoted the property passed into the control of the Annual Conference, to be sold or disposed of in accordance with the direction of the Annual Conference.

Furthermore, the explanation given to inquiries made during the meeting of the Quarterly Conference of Grace Methodist Church at which the Church dissolved shows that all understood that control of the properties would thereafter be in the Annual Conference, otherwise the petition to the Annual Conference to allocate the proceeds of the sale of such property "for Church Extension purposes within the Portland District" would have been without purpose and without meaning.

Therefore, it is the finding of The Judicial Council that from and after February 22, 1951, the date of the abandonment of the Grace Methodist Church, the control and disposition of the properties of Grace Methodist Church were under the direction of the Oregon Annual Conference of The Methodist Church, subject to its own rules and regulations.

In 1940, the Oregon Annual Conference set up its own Rule for the disposition of abandoned church property, It reads as follows:

"30. **Abandoned Church Property.** Sec 1. When the District Superintendent has decided to request the Annual Conference to declare a certain property abandoned, he shall first record the individual Trustees of the Annual Conference as the elected Trustees of the church property in such a way to make them the Trustees of said property. (Par. 188, 354).

"Sec. 2. The District Superintendent's motion declaring any of the German property abandoned, shall also carry the reference of the property to the Board of Claimants' Endowment Fund of the Oregon Conference Claimants' Permanent Fund."

(Journal of the Oregon Annual Conference of 1940, Page 92)

This Rule, in effect, brought forward the original understanding of 1928 to 1932, relative to the disposition of the property of former German Churches. That Conference rule was still in effect on February 22, 1951, when Grace Methodist Church dissolved. Since it is an action of the Annual Conference under an established policy, and since the Annual Conference is the final authority in the disposition of abandoned church property, it would not appear that such Standing Rule is in anywise in conflict with the law of the Church as set out in the *Discipline* of the United Church.

However, on June 14, 1951, the Oregon Annual Conference took the following actions:

"On motion of T. Malcolm Hammond, the Grace Methodist Church was declared abandoned, the property to be sold and the proceeds to be returned to the Portland District."

(Journal of the Oregon Annual Conference of 1951, Page 33)

Here are two conflicting actions by the Annual Conference, one being a Standing Rule, and the other being the adoption of two motions at variance with the Standing Rule.

The ultimate question involved in this matter is to decide which action of the Annual Conference controls—the Conference Rule relating to abandoned church properties or the specific actions of the Annual Conference with reference to the abandoned properties of Grace Methodist Church, and the proceeds of the sale thereof.

If the Conference Standing Rule is paramount, then the specific actions relating to the disposition of the abandoned church property and proceeds of the sale of the property of Grace Methodist Church are void, and the June 18, 1954 action of the Oregon Annual Conference rescinding "all previous action relative to disposition of the funds received from the sale of the Grace Methodist Church, a former German Methodist Church" was and is immaterial.

However, if the specific action of the Annual Conference allocating the proceeds of the sale of the properties of Grace Methodist Church the Church Extension purposes in the Portland District takes precedence over the Conference Standing Rule, then the question as to whether the action rescinding same is valid becomes pertinent.

In the brief submitted in favor of the Conference Standing Rule being paramount to the special actions of the Annual Conference, appears the following statement:

"At the time of the motion by T. Malcolm Hammond and the motion by Edward Terry, no motion had been made or adopted to suspend the Conference Rules."

This statement is not denied in the brief submitted in support of the special actions of the Annual Conference allocating the proceeds of this property to the Portland District. The Judicial Council assumes therefore that the Conference Rule No. 30 had not been suspended when these special actions were taken.

Under the Constitution, the Annual Conference is the "basic" body in our Church, and has the right to make its own Rules and Regulations, so long as same do not conflict with the general law of the Church.

The Judicial Council has consistently held, however, that when an Annual Conference establishes a Rule it is bound by that Rule until that Rule has been suspended or abolished or another Rule adopted to take its place.

(Decision 38 of The Judicial Council, in Re: Corporation Meetings, Central Kansas Conference. Decision 75; Re - The election of Trustees for the White Cross Hospital, Columbus, Ohio.)

It has been argued that the adoption by the Annual Conference of the special motion directing the property to the Portland District was, in effect a suspension of the Standing Rule. This is to some extent persuasive, but to approve such action in a case where the Standing Rule has been ignored, even by oversight, would in effect make the adoption of Standing Rules a practical nullity. The Annual Conference has the right to suspend or change its Standing Rules at any time it so chooses, by whatever vote it has established for its own procedure. But to maintain in its Journal year after year a Standing Rule and then ignore it by special action at variance with the Rule without suspending or changing the Rule would make the Standing Rule of no effect.

Decision of the Judicial Council

Since Par. 255 of the 1948 *Discipline* left the final disposition of abandoned church property in the hands of the Annual Conference, it is the Decision of The Judicial Council that **Neither** the Oregon Annual Conference Standing Rule No. 30, sub. 2, placing such property in the hands of the Conference Trustees, and referring the property to the Board of Claimants' Endowment Fund of the Oregon Claimants permanent fund, **Nor** the special actions of the Oregon Annual Conference referring the property and ordering the cash on hand paid to the Portland District are in conflict with said Par. 255 of the 1948 *Discipline*. Each such action is an action of the Annual Conference, the ultimate authority in the disposition of the property. The Annual Conference, by proper procedure, had the right to do either.

It is further the Decision of The Judicial Council that since said Standing Rule No. 30 of the Oregon Annual Conference was not suspended or rescinded at or before the taking of the special actions of the Oregon Annual Conference directing the reference of money and property of Grace Methodist Church to the Portland District, said Standing Rule No. 30 is paramount, and such special actions of the Oregon Annual Conference in conflict with such Standing Rule No. 30 are void.

The Judicial Council has not been advised as to whether

or not the Oregon Annual Conference has any set Rules of Parliamentary Procedure. In the absence of any specific Conference rules for Parliamentary Procedure, it is presumed that the Bishop presiding over the Annual Conference had the right to follow the Parliamentary Procedure of some recognized authority such as Roberts Rules of Order.

Under Roberts Rules of Order paragraph 67, pages 264-269, Standing Rules may be suspended, but, in the absence of the suspension of the Standing Rule no motion that conflicts therewith is in order.

It is in the light of this authority and the admitted facts in this case, that The Judicial Council holds the special acts of the Oregon Annual Conference referring the money and property of the Grace Methodist Church to the Portland District to be void.

Therefore, answering the specific question propounded by the Oregon Annual Conference for a Declaratory Decision, it is the Decision of the Judicial Council that in the light of the present record of the proceedings of the Oregon Annual Conference, and the law applicable thereto, the abandoned property of Grace Methodist Church of Portland, Oregon (and the proceeds from the sale thereof), is the property of and should be turned over to the Conference Claimants' Endowment Fund of the Oregon Annual Conference.

In Re: Validity Of The Election Of Fred B. Noble, Member Of The Judicial Council As A Delegate To The 1956 Jurisdictional Conference Of The Southeastern Jurisdiction Of The Methodist Church

DIGEST OF DECISION

Fred B. Noble being automatically retired from membership upon The Judicial Council at the 1956 General Conference, he would be in all respects eligible to serve as a Delegate to the 1956 Jurisdictional Conference of the Southeastern Jurisdiction of The Methodist Church, which meets after the 1956 General Conference closes. The time of his election as such a Delegate is immaterial, his eligibility to serve as such Delegate at the time the Jurisdictional Conference meets being the determining factor as to the validity of his election.

Question Submitted for Declaratory Decision

July 13, 1955

"Roy H. Short
Resident Bishop

"To The Judicial Council
of The Methodist Church
M. A. Childers, President
J. Ernest Wilkins, Secretary

"Dear Brethren:

"At the recent session of the Florida Annual Conference Mr. Fred B. Noble, who is a member of The Judicial Council, received a large number of votes on the first ballot as a Delegate to The General Conference. He immediately stated to the Lay Delegates that he was a member of The Judicial Council and would not be eligible for election to The General Conference. Later, in the balloting for election of Delegates to the Jurisdictional Conference, it was assumed that Mr. Noble could serve as a Delegate to the Southeastern Jurisdictional Conference which will be meeting in July, 1956, at which time he will have already retired as a member of The Judicial Council.

"Mr. Noble was, therefore, elected as a Delegate to the Jurisdictional Conference. Bishop Branscomb was later contacted by the Secretary of the General Conference relative to Mr. Noble's eligibility to be so selected.

"In order that such eligibility may be tested, and at the request of Bishop Branscomb, the College of Bishops of the Southeastern Jurisdiction respectfully requests of The Judicial Council a Declaratory Decision as to whether or not, under Paragraphs 502, 524, and 902 of the *Discipline*, a Member of The Judicial Council retiring at a General Conference is eligible for election to the Jurisdictional Conference following his retirement.

"Very truly yours,

"Roy H. Short /s/

"Roy H. Short,
Secretary of the College
of Bishops of the South-
eastern Jurisdiction.

"RHS/oet

JURISDICTION

The question submitted for Declaratory Decision being one "relating to or affecting" the Southeastern Jurisdiction of The Methodist Church, "or the work therein," The Judicial Council has jurisdiction to hear and determine same under subdivision (3) of Paragraph 914 of the 1952 *Discipline*.

STATEMENT OF FACTS

The Florida Annual Conference of The Methodist Church, at its 1955 session held at Lakeland, Florida, elected Fred B. Noble (now a member of The Judicial Council) as a Delegate to the 1956 Jurisdictional Conference of the Southeastern Jurisdiction of The Methodist Church. The validity of such election having been questioned, the Bishops of the Southeastern Jurisdiction of The Methodist Church certified the question to The Judicial Council for a Declaratory Decision, as set out in the Certificate from the Secretary of the College of Bishops of the Southeastern Jurisdiction (July 13, 1955). The

Southeastern Jurisdictional Conference will meet in July, 1956 after the 1956 General Conference, has adjourned. Fred B. Noble is now seventy (70) years of age. (July 29, 1955.)

ANALYSIS

The only Paragraph in the 1952 *Discipline* disqualifying Members of The Judicial Council for membership in a Jurisdictional Conference is Paragraph 902, which reads as follows:

"Par. 902. Members of the Council shall be ineligible for membership in The General Conference or Jurisdictional Conference or in any General or Jurisdictional Board or for administrative service in any connectional office."

Fred B. Noble, being now seventy (70) years of age, will not be a member of The Judicial Council at the time of the 1956 Southeastern Jurisdictional Conference. Art. 1 of Par. 901 of the 1952 *Discipline* specifically provides as follows:

"Provided, however, that a member of The Council whose seventieth birthday precedes the first day of the regular session of a General Conference shall be released at the close of that General Conference from membership or responsibility in The Council regardless of the date of expiration of his term of office."

It will be noted that Par. 902, making Members of The Judicial Council ineligible for membership in the Jurisdictional Conference, does not say that a Member of The Judicial Council is ineligible for election as a member of the Jurisdictional Conference while he is still a Member of The Judicial Council. The only prohibition is that a Member of The Judicial Council cannot at the same time be a member of the Jurisdictional Conference. The term for the 1956 Jurisdictional Conference begins after the 1956 General Conference closes (Par. 14, 1952 *Discipline*), and after Fred B. Noble has been "released from membership or responsibility in The Council." Any Jurisdictional Conference held prior to the 1956 General Conference would be a called session of the 1952 Jurisdictional Conference, to membership in which Fred B. Noble has not been elected.

Since at the time of the 1956 Jurisdictional Conference of the Southeastern Jurisdiction meets ("within the twelve months succeeding the meeting of The General Conference" of 1956) Fred B. Noble will be eligible for membership therein, the time of his election thereto is immaterial, since such election would not be to a position to which he would be ineligible at the time of service therein.

Decision

It is therefore the Decision of The Judicial Council that, since Fred N. Noble will not be a member of The Judicial Council when the 1956 session of the Jurisdictional Conference of the Southeastern Jurisdiction of The Methodist Church convenes, his election to membership in such Jurisdictional Conference by the 1955 session of the Florida Annual Conference of The Methodist Church is in all respects valid.

NOTE: Fred B. Noble voluntarily refrained from partici-

pating in the discussion in connection with this matter and from voting on the Decision.

In Re: Request Of The Northwest Philippines Annual Conference For A Declaratory Decision Concerning Its Right Or Power To Ordain A Woman As Local Deacon

DIGEST OF DECISION

Since the Philippines Central Conference has failed to take action regarding the Ordination of women, the Northwest Philippines Annual Conference has the right to Ordain a woman as a Local Deacon.

STATEMENT OF FACTS

The following action was taken at the session of the Northwest Philippines Annual Conference in San Jose, Neuva Ecija, Philippines, February 17-21, 1954.

"Upon motion of Melanio M. Loresco seconded by Cenon Gacutan it was approved that the Ordination of Miss Romana Amson as a Local Deacon be deferred until an opinion of The Judicial Council be received approving the same. The Secretary was then ordered to write the President, Judicial Council, for such opinion on Women's Ordination."

The Judicial Council received the following letter from the Conference Secretary:

"Sirs:

January 11, 1955

"The Northwest Philippines Annual Conference in its last session voted to defer the Ordination of a qualified Local Preacher as **Local Deacon** pending receipt of an opinion from The Judicial Council as to whether an **Annual Conference** like this Northwest Philippines Annual Conference, has the right or power to Ordain a woman as **Local Deacon** upon expressed approval of its Members. In this connection, it is hereby informed that the Philippines Central Conference to which this Annual Conference belongs, failed to provide Rules and regulations for the Ordination of a woman as per Paragraph 578 of the 1952 Methodist *Discipline*. However, Paragraph 22 of the same *Discipline* and other provisions relative to the above case were fully discussed after which this Conference approved the idea of Ordaining a woman as **Local Deacon**. Upon recommendation of the Board of Ministerial Training and Qualifications, however, action relative thereto has been held pending until an opinion from that honorable body is received.

In view of the foregoing and by authority of the Northwest Philippines Annual Conference, I have the honor to request this honorable Judicial Council to please render an opinion relative to this matter of Woman Ordination and to send the same opinion at the

earliest possible time through the undersigned to this Annual Conference at the above address.

“Respectfully yours,
 “/s/ Gregorio R. Bailen
 Conference Secretary”

JURISDICTION

Under Paragraph 914 of the 1952 *Discipline* an Annual Conference has the right to request The Judicial Council for a Declaratory Decision. The action of the Northwest Philippines Annual Conference constitutes such a request and the matter is therefore properly before The Judicial Council.

ANALYSIS

Section VII, Article II, of the Constitution (Par. 22 of the 1952 *Discipline*) declares—“The Annual Conference is the basic body in the Church, and as such shall have reserved to it the right to vote on all Constitutional Amendments, on the election of Ministerial and Lay Delegates to The General and the Jurisdictional or Central Conferences, on all matters relating to the character and Conference relations of its ministerial members, and on the Ordination of Ministers, etc.”

Paragraph 313 of the 1952 *Discipline*, at the close of a series of Paragraphs dealing with Local Preachers, Ordained and un-Ordained, states that “Women are included in the foregoing provisions except in so far as they apply to candidates for the traveling ministry.” Certainly, then, a woman may be granted a Local Preacher’s license and, if she meets the qualifications for Ordination, may be granted Ordination as a Local Preacher by vote of the Annual Conference.

In the case of Annual Conferences outside the United States of America, however, these rights and powers may be modified by action of a Central Conference under the powers granted to it by the Constitution.

Section V, Article IV, of the Constitution (Par. 18 of the 1952 *Discipline*) states that:

“The Central Conference shall have the following powers or duties and such others as may be conferred by The General Conference . . .

(5) to make such rules and regulations for the administration of the work within their boundaries as the conditions in the respective areas may require, subject to the powers that have been or shall be vested in The General Conference.”

Under the authority of this section of the Constitution The General Conference has conferred many other powers and duties upon the Central Conference. Paragraph 578 states:

“A Central Conference shall have the power to make such changes and adaptations as the peculiar conditions on the fields concerned require regarding the local church, ministry, special advices, worship, and temporal economy within its territory, and shall have power to decide the official status and Ordination of women; provided that no action shall be taken which is contrary to the Constitution and the General Rules of The Methodist Church.”

Under this authority the Philippines Central Conference could

change or modify, for all the Annual Conferences within its boundaries, the provisions in the *Discipline* which give an Annual Conference the right and power to grant Ordination to a woman as a Local Preacher.

However, since, as the Secretary of the Northwest Philippines Annual Conference states, the Philippines Central Conference has taken no action in this regard, it is the judgment of The Judicial Council that the Northwest Philippines Annual Conference may proceed under the provisions of the Constitution and *Discipline* of the Church which grant an Annual Conference the right and the power to Ordain a woman either as a Local Deacon or as a Local Elder providing she meets the disciplinary qualifications for such Ordination.

Decision

It is therefore the Decision of The Judicial Council that unless or until the Philippines Central Conference takes some action changing or adapting the disciplinary provisions concerning the Ordination of women as Local Preachers, the Northwest Philippines Annual Conference has the right and the power to Ordain a woman as a Local Deacon.

In Re: The Request Of The Virginia Annual Conference For A Declaratory Decision Concerning The Required Appointment Of A Preacher On Trial In Paragraph 341 Of The 1952 *Discipline*

DIGEST OF DECISION

The phrase, "who has been appointed in the regular itinerant work on circuits or stations" in Paragraph 341 of the 1952 *Discipline* must be interpreted as applying only to pastoral appointments to Circuits or Stations.

STATEMENT OF FACTS

The Secretary of The Judicial Council received the following communication:

"This is to certify that the following Resolution was adopted by the Virginia Annual Conference in regular session at Norfolk, Virginia, June 14, 1955:

"The Virginia Annual Conference of The Methodist Church, in annual session at Norfolk, Virginia, June 14, 1955, requests a Declaratory Decision from The Judicial Council (as defined in Paragraph 914, Section 8, of the 1952 *Discipline*) regarding Admission into Full Connection, Paragraph 341, which reads in part as follows: "A preacher On Trial who has been appointed in the regular itinerant work on Circuits or Stations for two successive years from the

time he was Received on Trial, and who has been elected to Deacon's Orders, etc."

"The question at issue regards the words, 'who has been appointed in the regular itinerant work on Circuits or Stations.' May this be construed as applying to preachers On Trial who have been appointed for two full years after their Admission to some Institutional or Connectional Work of the Conference, such as Superintendent of the Children's Home, Conference Secretary of Youth Work under the Board of Education, or Director of a Wesley Foundation, and who meeting all other qualifications for Admission Into Full Connection may be received into the Conference without actually serving in a pastoral relationship?"

(s) Paul N. Garber, President.

(s) R. M. White, Secretary

JURISDICTION

Under Paragraph 914 of the 1952 *Discipline* which grants an Annual Conference the right to request a Declaratory Decision on matters relating to Annual Conferences or the work therein, this request is properly before The Judicial Council for Decision.

ANALYSIS

Paragraph 341 of the 1952 *Discipline* reads as follows:

"A preacher On Trial who has been appointed in the regular itinerant work on Circuits or Stations, or as instructor in one of our institutions of learning, for two successive years from the time he was received On Trial, and who has been elected to Deacon's Orders, may be admitted into Full Connection in the Annual Conference after he has given satisfactory evidence of his knowledge of the subjects covered in the first two years of the Conference Course of Study, and after the examination before the Conference prescribed in Paragraph 343 of this Chapter; *provided* that this shall not be so construed as to prevent the Admission Into Full Connection of one who, while a student in any college or theological seminary of The Methodist Church approved by the authorized standardizing agency, or other evangelical theological seminary of equal rank, has been for the proper length of time regularly serving under the appointment or supervision of a District Superintendent."

The question of the Virginia Annual Conference concerns how broad or narrow is to be the interpretation of "the regular itinerant work on Circuits or Stations."

It is true that the Pastoral Appointment to churches is the basic ministry of the Church. Here are the grass roots of faith and religious living. Here in the Quarterly Conference the organizational structure of The Methodist Church begins. Such Appointments have been the traditional interpretation of "the regular itinerant work on Circuits or Stations." The Methodist Church has discovered, however, that in order to carry on its work effectively it must broaden its conception of the itinerant ministry. The General Conference, exercising its rights under the Constitution, has been gradually broadening the appointive power of the Episcopacy in the matter of "Special Appointments." Growing areas of Inter-Church Co-operation, the need of various kinds of institutions for resident Chaplains, the development of special fields of ministry within the Church, are some of the factors that call for this broadening of appointive power.

So far, however, The General Conference has not broadened its legis-

lation regarding the Admission of Preachers On Trial Into Full Connection. Paragraph 341 of the 1952 *Discipline* has not been changed. It still provides that to be Admitted Into Full Connection a Preacher On Trial must be serving in the regular itinerant work on Circuits or Stations, or as an instructor in one of our institutions of learning. To interpret this provision otherwise would constitute legislation on the part of The Judicial Council.

Decision

It is the Decision of The Judicial Council that the phrase "regular itinerant work on Circuits or Stations" in Paragraph 341 of the 1952 *Discipline* may not be interpreted to include appointment to any Institutional or Connectional Work of the Conference, but must be interpreted to apply only to Pastoral Appointments to Circuits or Stations.

In Re: Ruling Of Bishop Frederick B. Newell In The New York East Conference Regarding The Right Of A Board Of An Annual Conference To Present A Report Referring To Per- sons Or Organizations In A Deroga- tory Manner Without Their Having Prior Notice

DIGEST OF DECISION

An Annual Conference has the power to hear, discuss, amend, adopt or reject Reports from Conference Boards even though they contain material referring to persons or organizations in a derogatory manner without their having prior notice.

STATEMENT OF FACTS

At the session of the New York East Annual Conference in May, 1955, the Conference Board of Social and Economic Relations presented a Report, part of which criticized a certain public official for his activities against a certain organization and a certain officer of that organization for alleged questionable activities. A Lay Member of the Conference requested a ruling from the presiding Bishop on the question:

"May the Board of Social and Economic Relations present and have considered as a part of its regular Committee Report request for determinations or expressions approving or disapproving the character or intentions, motivations or orthodoxy of the private or professional conduct of State officials or citizens,

- (a) who are not members of the Conference, or
- (b) who have not received notice of the proposed action."

After due consideration and consultation Bishop Newell ruled as follows:

"The four referenced paragraphs of the Report of the Board of Social and Economic Relations of the New York East Annual Conference are ruled to be admissible for consideration, amendment if desired and for adoption."

JURISDICTION

In accordance with Par. 909 of the 1952 *Discipline* The Judicial Council has jurisdiction in this case.

ANALYSIS

Par. 22, Article II of the Constitution reads in part as follows:

"The Annual Conference is the basic body in the Church and as such shall have reserved to it the right to vote on all Constitutional Amendments—and such other rights as have not been delegated to The General Conference under the Constitution with the exception that the Lay Members may not vote on matters of Ordination, character and Conference relations of Ministers. It shall discharge such duties and exercise such powers as The General Conference under the Constitution may determine."

This gives the Annual Conference broad powers within the provisions of the Constitution of the Church.

Paragraph 649 under Section IV of the 1952 *Discipline* entitled the "Business of the Conference" reads in part as follows:

"... After the statistical questions have been answered, let the Boards, and Committees of the Conference make their Reports for discussion and adoption. . . ."

There is no specific limitation in the *Discipline* with respect to the right of an Annual Conference to consider, amend, adopt or reject Reports submitted by its Boards or Commissions. It is the sole judge as to whether a Report submitted by one of its Boards or Committees shall be considered, amended, adopted, or rejected. It is to be noted that this is not a question of wisdom or good taste as evidenced in the content of the Report nor the effect of its adoption but rather of the right of the Conference to consider it and act upon it as it desires.

There was no evidence submitted in connection with this case that the Report presented by the Board of Social and Economic Relations violated any of the rules previously adopted by the Annual Conference respecting Reports presented to it.

Decision

It is therefore the Decision of The Judicial Council that the Board of Social and Economic Relations or any other Board may present and have considered as a part of its regular Committee Report, request for determination or expressions approving or disapproving the character or intention, motivations or orthodoxy of the private or professional conduct of State officials or citizens,

(a) who are not members of the Conference, or

(b) who have not received notice of the proposed action. The ruling of Bishop Newell in this case is hereby affirmed.

In Re: Ruling Of Bishop Jose L. Valencia In The Session Of The Philippines Annual Conference On The Election Of Lay Delegates To The Philippines Central Conference

DIGEST OF DECISION

A preacher On Trial in an Annual Conference cannot serve as Lay Delegate in a Central Conference.

STATEMENT OF FACTS

Dr. Juan Nabong came to the 1956 session of the Philippines Annual Conference as a Lay Member of the Conference from the Knox Memorial Church in Manila. On February 3, he was elected by the Lay Members of the Annual Conference as Delegate to the Philippines Central Conference. The next day, February 4, Dr. Nabong was Received On Trial in the Philippines Annual Conference. After his Admission On Trial, the question was raised as to whether Dr. Nabong could remain a Lay Delegate to the Central Conference, and the Bishop was requested to make a ruling on this question. Bishop Valencia based his ruling on the statement concerning Delegates to the Central Conference in Paragraph 562 of the 1952 *Discipline* which states that "for the first meeting their qualifications shall be the same as provided in Paragraphs 24 and 25, and the Annual Conference shall determine the manner of their choice. Thereafter, their qualifications and the manner of election shall be determined by the Central Conference itself." After quoting the above sentences, Bishop Valencia ruled that the election of Dr. Juan Nabong as Lay Delegate to the Philippines Central Conference stands until the said Central Conference shall determine his qualifications and manner of election.

JURISDICTION

The ruling of Bishop Valencia is properly before The Judicial Council under Paragraphs 43 (3) and 909 of the 1952 *Discipline*.

ANALYSIS

As stated above, Bishop Valencia based his ruling on Paragraph 562 of the 1952 *Discipline*, which he interpreted as meaning that the Central Conference had the sole authority to pass upon the qualifications and manner of electing its Members. In this connection attention is called to the fact that the Constitution in Paragraphs 23, 24 and 25 of the 1952 *Discipline* prescribes both the qualifications and manner of electing Delegates to the Central Conferences. Said Paragraph 562 of the 1952 *Discipline*, therefore, cannot be interpreted as giving to the Central Conferences the unlimited right to determine the qualifications and manner of election of its Members. Such an interpretation would be in violation of the Constitutional provisions above quoted, and would be void.

Said Paragraph 562, however, is subject to an interpretation that

is not in conflict with the Constitutional provisions above set out. Apparently that Paragraph was intended to give to the Central Conferences the right to inquire into the qualifications and manner of the election of its members to see if they meet the qualifications and were elected in the manner prescribed by the Constitution. That interpretation would not give to a Central Conference the right to seat a Delegate who did not possess the Constitutional qualifications, or was not elected in the manner prescribed by the Constitution.

The Judicial Council, in Decision No. 120, held that in determining the qualifications of a Delegate elected to a Jurisdictional Conference his qualifications as such at the time the service was to be rendered was the controlling factor. The same rule would apply to Membership in a Central Conference.

The Judicial Council assumes that Dr. Nabong intends to remain in the ministry. This assumption is based upon his request to be Admitted into the Annual Conference On Trial, and the action of the Annual Conference in Admitting him into the Annual Conference On Trial.

Decision

It is the Decision of The Judicial Council that a preacher On Trial in an Annual Conference cannot serve as Lay Delegate in a Central Conference. After being Admitted On Trial in the Philippines Annual Conference, Dr. Juan Nabong was no longer eligible to serve as Lay Delegate to the Philippines Central Conference. The ruling of Bishop Jose L. Valencia is therefore reversed.

In Re: Ruling By Bishop Matthew W. Clair, Jr., On Paragraph 522 Of The 1952 *Discipline* Re Election Of Delegates To General And Jurisdictional Conferences

DIGEST OF DECISION

The Tennessee Annual Conference of the Central Jurisdiction with forty-one ministerial members is entitled to only one Ministerial and one Lay Delegate to the Jurisdictional Conference. These two are the Delegates elected to The General Conference.

STATEMENT OF FACTS

At the annual session of the Tennessee Annual Conference of the Central Jurisdiction held at Gallatin, Tennessee, on June 24, 1955, Bishop Clair announced that the Annual Conference would begin to vote for one Ministerial and one Lay Delegate to The General Conference. He stated that in the light of the number of Ministerial Members, the Tennessee Annual Conference is entitled to only one Ministerial and one Lay Delegate to The General Conference, and that these two persons shall also be the Delegates to the Jurisdictional Conference. Reserve Delegates shall then be elected to serve as Reserves both to The General and Jurisdictional Conferences. This interpretation was challenged and Bishop Clair was asked to rule on the inter-

pretation of Paragraph 522 of the 1952 *Discipline* with reference to the election of Delegates to The General and Jurisdictional Conferences. Bishop Clair said that Paragraph 522 of the 1952 *Discipline* states that there shall be one Ministerial and one Lay Delegate to the Jurisdictional Conference for each 30 Ministerial Members of the Annual Conference, or a major fraction thereof. The Tennessee Annual Conference has 41 members. Therefore, the Tennessee Annual Conference is entitled to one Ministerial and one Lay Delegate to the Jurisdictional Conference. Bishop Clair then asked that The Conference proceed to elect one Ministerial and one Lay Delegate and delay further action until he could make an official ruling concerning the matter. The following item appears in the Journal of said Tennessee Annual Conference for Saturday, June 25, 1955:

"Bishop Clair stated that the Conference will proceed to vote on Reserve Delegates for, in the light of further research regarding his interpretation of Paragraph 522, his original interpretation is correct. Therefore, the two Delegates elected yesterday will serve also as Delegates to the Jurisdictional Conference. The Reserves will serve for both Conferences."

JURISDICTION

From the items appearing in the official Journal of said Tennessee Annual Conference we may assume that both the request for a ruling and the ruling of Bishop Clair were submitted in writing. Paragraph 909 of the 1952 *Discipline* states:

"The Judicial Council shall . . . pass upon the Decisions of Law made by the Bishops in Annual and District Conferences upon questions submitted to them in writing, and reported in writing to the Council with a syllabus of each case and affirm, modify or reverse them."

From the above it is apparent that The Judicial Council is authorized to take jurisdiction.

ANALYSIS

Paragraph 7, Article III of the Constitution states:

"The General Conference shall fix the ratio of representation in The General, Jurisdictional, and Central Conferences from the Annual Conferences, with the total Ministerial Membership in the Annual Conference as a basis, *provided* that each Annual Conference shall be entitled to at least one Ministerial and one Lay Delegate in The General Conference and also in the Jurisdictional or Central Conference."

Paragraph 23, Article III of the Constitution states:

"The Annual Conference shall elect Ministerial and Lay Delegates to The General Conference and to its Jurisdictional or Central Conference in the manner provided in this section, Articles IV and V at the session preceding The General Conference. The persons first elected up to the number determined by the ratio for representation in The General Conference shall be representatives in that body. Additional Delegates shall be elected to complete the number determined by the ratio for representation in the Jurisdictional or Central Conference, who together with those first elected as above shall be Delegates in the Jurisdictional or Central Conference. The

additional Delegates to the Jurisdictional or Central Conference shall in the order of their election be the Reserve Delegates to The General Conference. The Annual Conference shall also elect Reserve Ministerial and Lay Delegates to the Jurisdictional or Central Conference as it may deem desirable."

Paragraph 501, Section I of the 1952 *Discipline* states in part:

"The General Conference shall be composed of one Ministerial Member for every seventy Ministerial Members of each Annual Conference and one additional Member for a majority fraction thereof and an equal number of lay members. . . ."

Paragraph 502, Section 4 1952 *Discipline* states:

"The General Conference recommends to the Annual Conferences that the Delegates to The General Conference be first elected on a separate ballot to be followed, after all the Delegates to The General Conference have been elected, by balloting for Delegates to the Jurisdictional Conference as Reserves to The General Conference."

Paragraph 522 of the 1952 *Discipline* states:

"The Jurisdictional Conference shall be composed of one Ministerial Delegate for every thirty Ministerial Members of each Annual Conference or major fraction thereof, and an equal number of Lay Delegates; provided that no Annual Conference shall be denied the privilege of two Delegates, one Lay and one Ministerial."

We quote at length the above Paragraphs from the Constitution and General Conference legislation because they all have a bearing on a proper interpretation of said Paragraph 522 in question.

In view of the above, the following facts are perfectly apparent:

First, the said Tennessee Conference with only forty-one Ministerial Members is entitled to the minimum representation in The General Conference of one Ministerial and one Lay Delegate.

Second, these two Delegates to The General Conference automatically become Delegates to the Jurisdictional Conference.

Third, in order to have more than two Delegates, one Lay and one Ministerial to the Jurisdictional Conference, the Tennessee Annual Conference must have at least forty-six ministerial members.

Decision

In view of the fact that said Tennessee Annual Conference has only forty-one members, it is the Decision of The Judicial Council that the ruling of Bishop Matthew W. Clair, Jr., to the effect that the two Delegates elected to the General Conference are the only Delegates to the Jurisdictional Conference should be, and is hereby affirmed.

In Re: Request Of The General Conference Commission On The Structure Of Methodism Overseas For A Declaratory Decision On The Question, "May A Central Conference Bishop Preside Over The General Conference?"

DIGEST OF DECISION

A Central Conference Bishop may preside over The General Conference.

STATEMENT OF FACTS

The Judicial Council has received a request from the General Conference Commission on the Structure of Methodism Overseas for a Declaratory Decision on the question, "May a Central Conference Bishop preside over The General Conference?"

JURISDICTION

The Judicial Council has jurisdiction to render such Declaratory Decision under the provisions of subsection (2) of Paragraph 914 of the 1952 *Discipline*.

ANALYSIS

In Paragraph 8, Article IV of the Constitution outlining the powers of The General Conference, number 11 reads as follows:

"To select its Presiding Officers from the Bishops through a Committee, provided that the Bishops shall select from their own number the President of the opening session."

Paragraph 36, Article III of the Constitution states in part:

". . . There shall be a Council of Bishops composed of all of the Bishops of all of the Jurisdictional and Central Conferences. . . ."

Paragraph 555 of the 1952 *Discipline* reads in part as follows:

"A Bishop elected by a Central Conference shall have the status, rights, and duties within his territory of a Bishop elected by or functioning in a Jurisdictional Conference. . . ."

The Amendment to Paragraph 20 (2), announcement of the adoption of which was made in The General Conference session on Wednesday, April 25, 1956, gives Bishops of the Central Conferences the privileges of unlimited vote in The Council of Bishops.

Since the Constitution does not limit the Bishops who may preside over The General Conference to those elected by the Jurisdictional Conferences and since Central Conference Bishops are members of The Council of Bishops with unlimited vote in the Council and since Bishops elected by the Central Conferences have the status, rights and duties within their territory that Bishops elected by Jurisdictional Conferences have, there is no legal hindrance to a Central Conference Bishop being selected to preside over The General Conference.

Decision

It is therefore the Decision of The Judicial Council that a Central Conference Bishop may preside over The General Conference if selected in accordance with the provisions of the *Discipline*.

In Re: The Election Of Missionary Bishops

DIGEST OF DECISION

The General Conference has authority to authorize a Jurisdictional Conference to elect a Missionary Bishop.

STATEMENT OF FACTS

Under date of April 19, 1956, The General Conference Commission on the Structure of Methodism Overseas requested The Judicial Council to render a Declaratory Decision in answer to the following question:

"Can The General Conference authorize a Jurisdictional Conference to elect a Missionary Bishop?"

JURISDICTION

The Judicial Council has jurisdiction to render such Declaratory Decision under the provisions of subsection (2) of Paragraph 914 of the 1952 *Discipline*.

ANALYSIS

Article I, Division three, of the Constitution of The Methodist Church (Paragraph 34 of the 1952 *Discipline*), reads as follows:

"Paragraph 34, Article I. There shall be an Episcopacy of The Methodist Church of like plan, powers, privileges and duties as now exists in The Methodist Episcopal Church and The Methodist Episcopal Church, South."

The Methodist Episcopal Church had Missionary Bishops as a part of its plan of Episcopacy. (Paragraphs 631-640 of the 1936 *Discipline* of the Methodist Episcopal Church.) In fact a Missionary Bishop was authorized to be elected by the 1936 General Conference of the Methodist Episcopal Church to serve in Africa. (Page 407, Journal of the 1936 General Conference of that Church.) Reverend John M. Springer was thereupon elected and consecrated as such Missionary Bishop to Africa (pages 295 and 311, Journal of the 1936 General Conference of the Methodist Episcopal Church). Therefore, under the Constitutional provision above quoted (Paragraph 34, 1952 *Discipline*), Missionary Bishops are a part of the Episcopal plan for The Methodist Church.

A "Missionary Bishop" was defined in the 1936 *Discipline* of the Methodist Episcopal Church as follows:

"Paragraph 631. A Missionary Bishop is a Bishop elected for a specified Foreign Mission Field, with full Episcopal powers, but with Episcopal Jurisdiction limited to the Foreign Mission Field for which he was elected."

A "Missionary Bishop" is likewise defined in the *Discipline* of The Methodist Church. (Paragraph 441, 1952 *Discipline*.)

This is a recognition by The General Conference that there can be in The Methodist Church such an office as a Missionary Bishop. This recognition and assumption is supported by the Constitutional provision and statement of facts herein above set out.

The Judicial Council has heretofore held that there is no provision in the Constitution for The General Conference to elect a Missionary Bishop. (Decision No. 21.) Since there is no such specific provision, The General Conference, in the exercise of the "full legislative power over all matters connectional" given to it in Article IV of Division II of the Constitution (Paragraph 8 of the 1952 *Discipline*) has the right to authorize any Jurisdictional Conference in the Church to elect a Missionary Bishop for a specified Foreign Mission Field.

Decision

In answer to the question submitted, as set out in the Statement above, it is the Decision of The Judicial Council that The General Conference has the power to authorize a Jurisdictional Conference to elect a Missionary Bishop for a specified mission field.

In Re: Whether The Liberia Annual Conference May Be Made A Part Of The Central Jurisdiction

DIGEST OF DECISION

The Liberia Annual Conference cannot be a part of the Central Jurisdiction.

STATEMENT OF FACTS

On April 30, 1956, the Commission on the Structure of Methodism Overseas requested The Judicial Council to render a Declaratory Decision in answer to the following question: "May the Liberia Annual Conference have full participation in the Central Jurisdiction?"

JURISDICTION

The Judicial Council has jurisdiction to render such Declaratory Decision under the provision of subsection (2) of Paragraph 914 of the 1952 *Discipline*.

ANALYSIS

The Constitution (Paragraph 4 (2) of the 1952 *Discipline*) reads in part as follows:

"There shall be Jurisdictional Conferences for the Church in the

United States of America, with such powers, duties and privileges as are hereinafter set forth."

This clearly shows that Jurisdictional Conferences can be composed only of Conferences and Missions in the United States (including Puerto Rico, Alaska and the Hawaiian Islands) and Cuba. (Section VIII, Boundaries, of the Constitution, Paragraph 26 of the 1952 Discipline.)

The limitations of Jurisdictional Conferences to the United States is implemented by the fact that in the Constitution the Central Jurisdiction is confined to Annual Conferences, Mission Conferences and Missions in the United States of America. (Paragraph 26, supra.)

Decision

It is the Decision of The Judicial Council that, under the Constitution, the Liberia Annual Conference may not have full participation in the Central Jurisdiction, or, in other words, it cannot be a part of the Central Jurisdiction.

In Re: Whether Or Not A Minister In A Sister Church Can Be Given The Privileges Of The Floor, Including The Right To Vote, By An Annual Conference Of The Methodist Church

DIGEST OF DECISION

An Annual Conference may grant the privileges of the floor to a minister in a sister Church, but cannot grant to such minister the right to vote.

STATEMENT OF FACTS

On May 3, 1956 The Judicial Council received the following communication from The Council of Bishops:

"May 3, 1956

The Hon. J. Ernest Wilkins, Secretary
The Judicial Council of The Methodist Church
Minneapolis, Minnesota

My dear Mr. Wilkins:

The Council of Bishops of The Methodist Church in session in Minneapolis, Minnesota on May 2, 1956 voted to request a Declaratory Judgment upon the question submitted to The Judicial Council by Bishop Raymond L. Archer of the Singapore Area in his letter of May 1, 1956, as follows:

The Methodist Church in England and in Australia are interested in sending missionaries from their respective Churches to work in one of the Annual Conferences in the Southeast Asia Central Conference (i.e. The Singapore Area). In case we receive an Ordained

Minister from these sister Churches we would hope he might become a Member of one of the Annual Conferences of the Singapore Area. However, since that person will be supported by his Church in England or Australia it is his conviction that he should maintain his Membership in his home Conference.

The question is—could we accept such a missionary as an associate Member of one of our Annual Conferences and ask that Conference to grant such a person the privileges of the floor including the right to vote so long as he is under appointment to serve in that Conference?"

Very respectfully yours,
/s/ G. Bromley Oxnam

GBO:ck

JURISDICTION

Under Sub-section (1), Paragraph 914 of the 1952 *Discipline*, The Judicial Council has jurisdiction to render a Declaratory Decision on the question thus submitted to it by The Council of bishops.

ANALYSIS

The right to vote in an Annual Conference is inherent only in the Members of that Conference. The Constitution of The Methodist Church (Section VII, Article I, Division two of the Constitution, Paragraph 21 of the 1952 *Discipline*), reads as follows:

"The Annual Conference shall be composed of all the Traveling Preachers in Full Connection with it, together with a Lay Member elected by each Pastoral Charge. The Lay Members shall be at least twenty-one (21) years of age and shall have been for the four years next preceding their election members of one of the constituent Churches forming this union, or of The Methodist Church."

Article II of said Section VII of the Constitution, Paragraph 22 of the 1952 *Discipline*, reads as follows:

"The Annual Conference is the basic body in the Church, and as such shall have reserved to it the right to vote on all Constitutional Amendments, on the election of Ministerial and Lay Delegates to The General and the Jurisdictional or Central Conferences, on all matters relating to the character and Conference relations of its Ministerial Members, and on the Ordination of Ministers, and such other rights as have not been delegated to The General Conference under the Constitution, with the exception that the Lay Members may not vote on matters of Ordination, character, and Conference relations of Ministers. It shall discharge such duties and exercise such powers as The General Conference under the Constitution may determine."

Article III of said Section VII of the Constitution (Paragraph 23 of the 1952 *Discipline*), reads in part as follows:

"The Annual Conference shall elect Ministerial and Lay Delegates to The General Conference and to its Jurisdictional or Central Conference. . . ."

It is hardly conceivable that an Annual Conference could grant to a non-member the right to vote on these important matters. There is no provision in the Constitution or in the law of the Church for an Associate Member of an Annual Conference.

There is nothing in the *Discipline* of The Methodist Church that would prevent an Annual Conference from extending to a Minister of a sister Church the privileges of the floor, including the right to speak on matters pending before the Conference; but to allow such Minister the right to vote would be in violation of the Articles of the Constitution of The Methodist Church above set out. Only Members of the Annual Conference can vote on the matters enumerated in the Constitution. By implication, it would be unconstitutional for an Annual Conference to grant the right to vote on any matter to a person not a Member of the Annual Conference.

Decision

It is the Decision of The Judicial Council that an Annual Conference may grant the privileges of the floor to a minister of a sister Church but cannot grant to such minister the right to vote.

In Re: Request From The Council Of Bishops For A Declaratory Decision On Paragraph 160 Of The 1952 *Discipline* Relating To The Election of Trustees By The Quarterly Conference

DIGEST OF DECISION

A Quarterly Conference may adopt a policy for the election of Trustees which is subject at all times to suspension or rejection by a majority vote of the Quarterly Conference.

STATEMENT OF FACTS

The Council of Bishops meeting in Minneapolis, Minnesota on April 28, 1956, voted to request of The Judicial Council a Declaratory Decision on a question raised in a letter from Mr. C. E. Hines of Worthington, Indiana, to Bishop Richard C. Raines relative to the interpretation of Paragraph 160 of the 1952 *Discipline*. Bishop G. Bromley Oxnam, Secretary of The Council of Bishops, states in his letter to The Judicial Council: "... The essential question, I think, is this: since Paragraph 160 of the 1952 *Discipline* does state, 'provided, however, that nothing herein shall be construed to prevent the election of a Trustee to succeed himself,' does a Quarterly Conference have the power to adopt a plan whereby the term of office for a Trustee shall not exceed three years without a break of one year following the three year term before the Trustee may be elected again?"

JURISDICTION

Under Paragraph 914, Sub-section (1) of the 1952 *Discipline* the request of The Council of Bishops for a Declaratory Decision is properly before The Judicial Council.

ANALYSIS

The Constitution, in Paragraph 31 of the 1952 *Discipline* reads as follows:

"There shall be organized in each pastoral charge a Quarterly Conference composed of such persons and vested with such powers as The General Conference shall provide."

The General Conference in its legislation has declared in Paragraph 137 of the 1952 *Discipline*:

"Within the pastoral charge (Paragraph 104) the *Quarterly Conference* is the basic body of control uniting it to connectional Methodism, and through the Quarterly Conference the pastoral charge functions in its relationship thereto. The Quarterly Conference shall therefore be organized in every pastoral charge, as provided in the Constitution (Paragraphs 31-32). The membership thereof, and its authority, powers, duties, and responsibilities shall be as hereinafter set forth."

In Paragraph 138 of the 1952 *Discipline* The General Conference has set forth the membership of the Quarterly Conference and in Paragraph 157 has declared that a Quarterly Conference so constituted

"... shall be vested with power and authority as hereinafter set forth in connection with the property both real and personal of the said church, namely: . . . (4) To elect the Trustees of the local church, unless otherwise provided (Paragraph 32) in harmony with the provisions of the *Discipline*."

Such provisions for the election of Trustees are found in Paragraphs 159 and 160 of the 1952 *Discipline*. Paragraph 159 sets forth the number and qualifications of such Trustees and Paragraph 160, after providing that the Trustees shall be divided into three classes and setting forth the procedure for the nomination of Trustees, continues in part:

"... it shall elect, to take office at the beginning of the ensuing Conference year, to serve for a term of three years or until their successors have been duly elected and qualified, the required number of Trustees to succeed those of the class whose terms then expire; provided, however, that nothing herein shall be construed to prevent the election of a Trustee to succeed himself."

The General Conference has stated that the Quarterly Conference is the basic body of control within a pastoral charge and has invested it with authority and power in the matter of the election of the Trustees of a local church within the provisions of the *Discipline*.

The special provision in Paragraph 160 protects the right of the Quarterly Conference as the electing body, making certain that no construction shall be put upon the wording of the Paragraph that would limit the right of the Quarterly Conference to elect new personnel in the classes of Trustees or to elect Trustees to succeed themselves if it so desires. The right to elect constitutes the right to make a choice. No class of Trustees elected under Paragraph 160 is guaranteed re-election or has any preference right to be re-elected. Therefore, if a majority of the Quarterly Conference should desire to elect a different group for each class of Trustees when their terms expire, they have that right; and that desire may be expressed in the minutes of a Quarterly Conference as a policy, provided such policy is subject at all times to suspension or rejection by a majority vote of the members of the Quarterly Conference present and voting at a duly authorized meeting of the Quarterly Conference.

Decision

It is the Decision of The Judicial Council that the Quarterly Conference has the power to adopt a policy whereby the term of office for a Trustee shall not exceed three years without a break of one year following the three year term before the Trustee may be elected again provided such policy is subject at all times to suspension or rejection by a majority vote of the members of the Quarterly Conference present and voting at a duly authorized meeting of the Quarterly Conference.

May 3, 1956.

DISSENTING DECISION

The undersigned very reluctantly finds it necessary to dissent from the Decision in this case. Had the Decision read that a Quarterly Conference has the right to adopt a policy of not re-electing Trustees whose three year terms have expired until one year has elapsed, as a purely advisory policy and not a binding rule, this dissent would not have been necessary. The Decision implies, however, that such a policy would be binding on a Quarterly Conference until such time as, by majority vote of the members of the Quarterly Conference present and voting at a duly authorized meeting of the Quarterly Conference, the policy is suspended or rejected. It is the clear implication that if the Quarterly Conference has adopted such a policy and if it has not voted to suspend or reject it, no Trustee whose three year term had expired would be eligible for nomination or election until one year had elapsed. Our contention is that the Quarterly Conference has no such power under the *Discipline*.

The Constitution in Paragraph 31 of the 1952 *Discipline* as quoted in the Decision invests the Quarterly Conference with such powers as The General Conference shall provide.

Paragraph 137 of the 1952 *Discipline* as quoted in the Decision authorizes the organization of the Quarterly Conference as provided in the Constitution (Paragraphs 31-32). It provides that its membership, authority, powers, duties and responsibilities shall be as thereafter set forth in the *Discipline*.

Paragraph 160 sets forth the following provisions for the election of Trustees:

"The members of the Board of Trustees shall be divided into three classes; and each class shall, as nearly as possible,

consist of an equal number of members. At the fourth or final meeting of the Quarterly Conference for the Annual Conference year, upon nomination by the Committee on Nominations (Paragraph 145 Section 1), of which the pastor shall be Chairman (or if the Committee fails to nominate, upon nomination of the pastor), or from the floor, it shall elect, to take office at the beginning of the ensuing Conference year, to serve for a term of three years or until their successors have been duly elected and qualified, the required number of Trustees to succeed those of the class whose terms then expire; *provided* however, that nothing herein shall be construed to prevent the election of a Trustee to succeed himself, ..."

Nowhere in this Paragraph is there provision for the rotating of Trustees so that at least one year must elapse after the expiration of a three year term before they can be elected again. On the contrary, the definite statement is made that the plan of arranging the Trustees into three classes, each to serve for three years, shall not be construed so as to prevent the election of a Trustee to succeed himself. Neither is there in this Paragraph any limitation imposed upon the eligibility of a Trustee to be nominated and elected because of the length of time he has previously served continuously. If The General Conference had intended any such limitations, it would have provided for them.

The basic question then is this: Can the Quarterly Conference impose limitations upon the eligibility of a Trustee for nomination and election because of the length of previous continuous service, when the *Discipline* which contains the legislation of The General Conference to which the Constitution gives the power to provide for these matters contains no such limitations?

The answer is that it cannot. Therefore, a Trustee is eligible for nomination and re-election without the lapse of one year following the expiration of his three year term even though the Quarterly Conference has adopted a policy of rotation and whether or not that policy is suspended or rejected.

Because of the reasons stated above and because of the importance of the office of Trustee of a local church in which is vested the responsibility for dealing with legal matters affecting the property rights of a church, we find it necessary respectfully to dissent from the Decision in this case.

2. CORRELATION AND EDITORIAL REVISION

Chairman: Murray H. Leiffer (Southern California-Arizona—W)

Secretary: Leon T. Moore (Philadelphia—NE)
James Cannon (Western North Carolina—SE)

Correlation and Editorial Revision. There shall be a Committee of three known as a Committee on Correlation and Editorial Revision. This Committee shall be composed of three persons, not members of The General Conference, appointed by The Council of Bishops. They shall be entitled to travel expense and *per diem* allowance, the same as the Delegates. The functions of this Committee shall be:

(a) To review all legislation enacted by The General Conference and to report promptly to the Standing Legislative Committees concerned, or to The General Conference as the situation may warrant, any and all contradictions, duplications, and inconsistencies discovered therein.

(b) To report to the Chairmen of the several Standing Legislative Committees all changes it has made in the language of the Reports adopted by The General Conference.

(See Plan of Organization and Rules of Order (3), page 164 Journal. Editor)

REPORT NO 1. CORRELATION AND EDITORIAL REVISION

M, 3; P, 3; F, 3; A, 0; N, 0

Adopted May 7, 1956. See Journal, page 952

Two legislative recommendations request the District Superintendent or a Local Church Committee to report names and addresses of certain persons to specified Boards or other Agencies of the Church. These are Committee Reports 13 (DCA, p. 189) and Report 27 (DCA, p. 192).

Since two of these proposed actions (Reports Calendar No. 13, No. 5, Lay Activities, and Calendar No. 27, No. 3, Committee on Ministry) make the District Superintendent responsible, the Committee on Correlation proposes that the two directives become part of one inclusive statement, and that this statement be placed directly under Paragraph 362, which lists the duties of a District Superintendent, by adding a new Section 11 and renumbering all following Sections, the new Section 11 to read:

To report the names and addresses of Commission and Committee Chairmen, and Church-School Superintendents, elected by each Quarterly Conference in his District as may

be requested by any General Board or Agency supplying Report Forms therefor; and to report the names and addresses of the Church Lay Leaders to the Secretary of the Annual Conference for insertion in the Conference Journal.

REPORT NO. 2. CORRELATION AND EDITORIAL REVISION

M, 3; P, 3; F, 3; A, 0; N, 0

Adopted May 7, 1956. See Journal, page 953

Report Calendar No. 10, No. 8 Membership and Evangelism, *D.C.A.*, pp. 150-151, has been referred for correlation by action of The Conference. The major intent is to have the Chairmen of the Commissions of the Local Church to be elected by the Fourth Quarterly Conference. Previously they have been elected by the Commissions themselves.

To this end the Committee on Correlation recommends the following:

(1) In Paragraph 143 insert a new Sub-section following Section 8, to be numbered Section 9 (the present Section 9 to become Section 10) to read:

9. The Chairmen of the Commissions, as named in Paragraph 219. so that Paragraph 143 will read:

Par. 143. The Quarterly Conference shall elect annually the following Officers for the Pastoral Charge on nomination of the Committee on Nominations, or on nomination of the Pastor if there is no such Committee (Pars. 142 3, 145 1), unless otherwise provided in the *Discipline*; or it shall authorize the Annual Church Conference to elect such Officers, in which case it shall issue a call for an Annual Church Conference for that purpose (Pars. 32, 197-200); *provided* that in no case shall the privilege of making nominations from the floor be denied.

1-8 No change.

9. The Chairmen of the Commissions, as named in Paragraph 219.

10. No change.

(2) In Paragraph 221 § 2 substitute for the word *Pastor* in the first sentence "**Chairman (Par. 143 § 9)**" and delete the word "*Chairman*" in the second sentence, so that the Sub-paragraph will read:

"2. At the beginning of each Conference year the **Chairman (Paragraph 143 § 9)** shall call together the members of the Commission for organization. The Commission shall elect a Vice-chairman, Secretary, and such other Officers and Committees as may be determined."

(3) In Paragraph 224 substitute for the last sentence the following: "At the beginning of each Conference year the **Chairman (Paragraph 143 § 9)** shall call together the members of the Commission for organization. The Commission shall elect a Vice-chairman, Secretary, and such other Officers and Committees as may be determined."

(4) In Paragraph 236 substitute for the last sentence the following: "At the beginning of each Conference year the **Chairman (Paragraph 143 § 9)** shall call together the members of the Commission for organization. The Commission shall elect a Vice-Chairman, Secretary, and such other Officers and Committees as may be determined."

REPORT NO. 3. CORRELATION AND EDITORIAL REVISION

M, 3; P, 3; F, 3; A, 0; N, 0

Adopted May 7, 1956. See Journal, page 953

At the afternoon session of May 4th The General Conference, after debate on the Clergy Rights for Women, amended Paragraph 313 to read as follows:

Women are included in the foregoing provisions, and may apply as candidates for the traveling ministry as provided for in Chapter III of the *Discipline* titled "Traveling Preachers," Paragraphs 321-356.

Whereas in the discussion at the time a vote was taken on the amended Report on "Clergy Rights For Women" in Calendar No. 26, No. 2 Ministry, the statement was made and confirmed that the vote was to be understood as granting Full Clergy Rights For Women; and

Whereas the amendment as recorded refers to specific portions of the *Discipline* and therefore leaves uncertain its

application to other pertinent portions not included in Paragraph 321-356;

Therefore, your Committee on Correlation and Editorial Revision, in accordance with the responsibilities assigned to it on pages 193-94 of the Handbook, reports an inconsistency and asks consent of The General Conference to revise the phraseology of Paragraph 313 to read as follows:

"Women are included in all provisions of the *Discipline* referring to the ministry.

LEON T. MOORE, *Secretary*

REPORT NO. 4. CORRELATION AND EDITORIAL REVISION

M, 3; P, 3; F, 3; A, 0; N, 0

Adopted May 7, 1956. See Journal, page 954

There is a fourth Report which we must make on inconsistencies between two items of adopted legislation. Since we have not been able to bring the Chairmen of the Committees together, on this matter, we report the inconsistency.

On page 112, column 1, the Co-ordinating Council recommended and the body adopted, the Rule that the number of members of Boards and Agencies should remain the same.

This morning the Commission on Promotion and Cultivation was altered. This alteration would appear to have the same total number of voting and non-voting members *officio* and *ex-officio*. However, previously the interpretation has been that non-voting *ex-official* members were not members of the Board itself. In this instance, according to Paragraph 750 of the present *Discipline*, there are on the Commission 19 voting members and an indefinite number of non-voting members. The new legislation specifies 24 voting members and 23 non-voting members.

We leave this with the Conference to resolve.

Mr. Chairman, may we thank the Chairmen of the Standing Legislative Committees for their co-operation on literally scores of items, which has saved probably hours of floor discussion.

MURRAY H. LEIFFER, *Chairman*
LEON T. MOORE, *Secretary*

The Commission on Entertainment for The General Conference of The Methodist Church, 1956 session, presents the following Report for your consideration and action.

1. Pursuant to the authority given it by the 1952 session of The General Conference, the Commission proceeded in due time and form to select the city of Minneapolis in which the 1956 session of said Conference would be held, and through proper contracts with the Minnesota 1956 General Conference Corporation it has designated the seat of The Conference to be the Minneapolis Municipal Auditorium, and recommends that its action in this respect be approved.

2. The Commission has allocated the seats in the Municipal Auditorium by lot among the several Conferences of said Methodist Church and recommends that the seating plan as published in the *Daily Christian Advocate* of this date, April 25, 1956, be approved as the official seating plan of The Conference, subject, however, to such minor changes as may be found necessary; and your Commission requests that it be authorized to make from time to time such changes and adjustments as are found necessary.

Paragraph 501, Sec. 2 of the 1952 *Discipline* provides "General or Executive Secretaries of the General Boards of the Church who are not elected members of The General Conference shall have the privilege of the floor on matters affecting the interests of their Boards, but without vote, and at the expense of their respective Boards."

While we feel this provision needs clarification and we hope it will be clarified by the 1956 session of The General

Conference, we have in accordance with our understanding of the provisions and in harmony with the record of personnel in the 1952 *Discipline*, provided seats for **each General Secretary** of the following:

Board of Missions

Division of World Missions
Division of National Missions
Woman's Division of Christian Service
Joint Section of Education and Cultivation

Board of Education

Division of Education Institutions
Division of the Local Church
Editorial Division

Board of Temperance

Board of Lay Activities

Board of Hospitals and Homes

Board of Evangelism

Board of Pensions

Illinois Corporation
Missouri Corporation

Board of Social and Economic Relations

Board of World Peace

Association of Methodist Historical Societies

It is the feeling of the Commission on Entertainment that Paragraph 501, Sec. 2 in using the words "General Boards" intended to include all of the Administrative Agencies mentioned in Part VII of the *Discipline* and we have therefore provided seats also for the Executives of the following:

Methodist Publishing House

Commission on Promotion and Cultivation

Methodist Committee on Overseas Relief

Commission on Ministerial Training

Commission on Deaconess Work

Commission on Public Information

Commission on Chaplains

Council on World Service and Finance

Interboard Committee on Christian Vocations

Radio and Film Commission

3. As required by Paragraph V of the Plan of Organization and Rules of Order of the 1956 General Conference our Commission arranged with The Methodist Publishing House

for the publication of a Book of Quadrennial Reports of the General Boards and other General Agencies of the Church. Mr. Lovick Pierce, Publishing Agent, nominated Dr. Fred D. Stone to edit the Quadrennial Reports and the Commission readily elected him, with great appreciation for his willingness to continue this service which he has so ably discharged in the past.

4. In co-operation with the Local Committee, the Commission has suggested meeting places for the Standing Legislative Committees of The Conference in rooms located in the Municipal Auditorium and in churches near the Auditorium. The correct list of said meeting places is published in the Handbook and we recommend that the list be approved.

5. The Commission has provided offices for the General Officers of The Conference and a place of meeting for The Judicial Council in various rooms of said Municipal Auditorium, a correct list of which is published in the Handbook and we request approval of our action in this respect.

6. Your Commission recommends that the Area of the Conference be fixed to include that portion of the floor of the Municipal Auditorium which has been assigned for the seating of the Delegates to said General Conference and authorized representatives of the various Boards and Commissions of the Church, including the platforms, as shown on the printed diagram of said floor as it appears in the *Daily Christian Advocate* of Wednesday, April 25, 1956.

7. We have provided press tables in front of the platform and we recommend that the representatives of the press as designated from time to time by this Commission be given seats at these tables.

8. Your Commission recommends that the members of The Judicial Council of The Methodist Church be seated upon the platform during all business sessions of the Conference.

9. Your Commission recommends that public offerings be taken at each of the evening programs and that all offerings except the following shall go toward the expenses of The Conference. The exceptions and the purpose for which they are to be taken are recommended as follows:

1. Communion service offering to go to the Fellowship of Suffering and Service.
2. Offering on April 28 to be taken for the expenses of the Minneapolis Committee.

3. Offering on May 6 to be made available as an honorarium for the ushers and pages.

10. Your Commission recommends that none of the evening Addresses, other than The Episcopal address, shall be printed in The General Conference Journal.

11. Arrangements have been worked out through the Television, Radio and Film Commission of The Methodist Church to have a tape recording made of all Conference and evening sessions, and it is recommended that the Commission on Entertainment be authorized to designate a Subcommittee which shall be empowered to determine what portions of said recordings shall be released and under what conditions. It is further recommended that no tape recordings other than the above be permitted.

12. Your Commission recommends that Fraternal Delegates and distinguished guests be seated on the platform from time to time as occasion requires.

13. In order to provide for the convenience of certain persons who will not be present during the entire session of The General Conference but who have been invited to be present as a matter of privilege for The Conference, certain special Orders of the Day have been arranged by the Sub-Committee on Program and are recommended by your Commission as follows:

Presentation of Fraternal Delegates—April 27th, 10:45 a.m.

Presentation of the Chaplains—April 26th, 10:45 a.m.

India Centennial Presentation—May 1st, 10:45 a.m.

14. Your Commission recommends that The General Conference vote a per diem of \$11.00 to each Delegate for the days he, or she, is in attendance upon the sessions of The General Conference. We further recommend that The General Conference approve the allowance of expenses of each authorized Fraternal Delegate for a period not to exceed three days.

15. We recommend that when The Council of Bishops makes its nominations of members to serve on the Commission on Entertainment for The General Conference of 1960, they appoint one of the Bishops to convene the Commission for organization within eighteen months.

16. We recommend that the date and place of the 1960 General Conference be fixed by the Commission on Entertainment in harmony with the provisions of the *Discipline*.

17. Two valuable members of our Commission were taken

by death during the quadrennium. Mr. Howard Selby, Chairman of the Sub-Committee on Program for the 1952 General Conference died August 30, 1953. Dr. Aubrey Moore, Secretary of all the Commissions since Unification died December 12, 1955. We request The General Conference through its Secretary to advise the widows of these two honored members of our love and affection.

18. The General Conference will have an opportunity during its session in Minneapolis to have presented to it certain persons to whom it is deeply indebted for the arrangements which have been made for its comfort and enjoyment. We as a Commission wish to record in this Report our gratitude for the tireless efforts on the part of the Minnesota General Conference Corporation and all of its committees to the end that the 1956 session of The General Conference shall be a significant one in the life and history of our Church.

The following matters have been brought to the attention of the Commission on Entertainment and Program. These proposals have been reviewed and are recommended to The Conference for adoption:

I. Organization of Boards, Etc.

"In order to facilitate the organization of new Boards and Agencies after the sessions of the Jurisdictional Conferences, and in order to make the legal status of their new membership clear;

"Therefore Be It Resolved, First: That the Secretary of The General Conference is hereby directed to secure from the Secretaries of the various Jurisdictional Conferences certified lists of the names and addresses of those whom the Jurisdictional Conferences have elected to the various General Boards and Agencies of The Methodist Church, and to send these lists to the Bishops designated as Convenors; and

"Second: That the Bishops named as Convenors are hereby authorized to issue the official call to these persons for the purpose of organizing the various Boards and Agencies. In this organization meeting, the Certified Lists from the Secretary of The General Conference will be regarded as

the Credentials of those whom the various Jurisdictional Conferences have elected."

II. Authority for Council of Bishops

"The Council of Bishops is hereby authorized to make any and all Appointments and Nominations committed to them, which have not previously been made during this session of The General Conference of The Methodist Church, as soon as possible after the final adjournment of this General Conference.

"Therefore, Be It Resolved, That in case of any oversight in which The Council of Bishops is to nominate and The General Conference elect, the nomination of The Council of Bishops shall be regarded as the equivalent of election by The General Conference."

III. Editing and Publication General Conference Journal

"Be It Resolved, That the Secretary of The General Conference be authorized to edit the Journal of The General Conference for publication; that he be authorized to make such verbal changes in the phraseology of the Journal as may be necessary to correctness and uniformity, but not so as to change the meaning of any action of The General Conference; and the published copy, properly certified by him be the Official Journal of this General Conference.

"Be It Further Resolved, That The Publisher of The Methodist Church be authorized to publish the Journal of The General Conference, and to send a copy to each Delegate of The General Conference, to each Bishop, to each member of The Judicial Council, and to each approved College, Seminary, and Theological School of The Methodist Church; the expense for publication and distribution to be charged to The General Conference Expense Fund."

IV. Publication Decisions of Judicial Council

The Secretary of The General Conference is directed to include in the Appendix of the Journal of the 1956 General Conference the complete text of all Decisions of The Judicial Council rendered during the period from the adjournment of the 1952 General Conference to the adjournment of the 1956 General Conference, and a Cumulative Index to all Decisions rendered since Unification.

The General Conference of 1956 recommends to its successor General Conferences that they continue the quadrennial publication of The Judicial Council Decisions in each succeeding General Conference Journal.

Bring Paragraph 918 of the 1952 *Discipline*, The Methodist Church up to date by substituting for the second Paragraph the following:

"The Decisions of the Judicial Council rendered during each year shall be published in the General Minutes of The Methodist Church."

V. Editing and Publishing the *Discipline*

The Book Editor, the Secretary of The General Conference, and the Executive Officer of The Methodist Publishing House are charged with editing the *Discipline*. The Editors in the exercise of their judgment shall have authority to make such changes in phraseology as may be necessary to harmonize legislation without changing its substance.

They are requested to call attention by footnotes throughout the *Discipline* to those Paragraphs affected by Decisions of The Judicial Council, and to include in the Appendix of the *Discipline* the Digests of all Decisions rendered up to the adjournment of The General Conference. They are directed to prepare the *Discipline* for publication as soon as possible after adjournment of the Jurisdictional Conferences, and to include therein a Directory so far as information is available at the time of going to press. This Directory shall include the Bishops and the Membership of the Boards and Agencies listed in the Directory of the 1952 *Discipline*, plus any new Agencies established by The General Conference.

VI. Secretary's Budget

We recommend that the Secretary of The General Conference be requested to submit annually to the Council on World Service and Finance a proposed Budget of the expenses of his office and that the control of said Budget be delegated to the Council on World Service and Finance.

VII. Honorarium for Secretary

We recommend that The Conference authorize the payment of an honorarium in the amount of \$1,000 to Lud Estes, Secretary, and that after Jan. 2, 1957 an additional honorarium of \$200 be paid.

Respectfully submitted,

J. WESLEY HOLE,* *Chairman*
Commission on Entertainment
and Program.

This Committee shall in turn report all such cases of absence to The Conference with recommendations as to the seating of Reserves if such are available. No Reserve Delegates shall be seated except by action of The Conference and after a Report has been made upon the case by this Committee, *provided*, the Reserve Delegates reported by the Chairmen of the respective Annual Conference Delegations as substituted for absentees at the opening session shall be seated tentatively without the action of this Committee; *provided*, further, that such substitutions shall be reported to this Committee for review and report to The General Conference for its action.

All changes in the personnel of the seated Delegates of the Annual Conference Delegations shall be reported to this Committee on blanks provided by the Secretary of The Conference. *Per diem* allowances shall be paid on the basis of the Report of this Committee.

(5) *Fraternal Delegates*. There shall be a Committee of seven on Fraternal Delegates to be appointed by The Council of Bishops from the regularly elected Delegates to the ensuing General Conference at the winter meeting of The Council of Bishops immediately preceding The General Conference. The Council of Bishops shall designate a temporary Chair-

man of the Committee who shall call the Committee to meet at the seat of The General Conference at least one full day prior to the opening of The Conference. To this Committee shall be referred all communications, Credentials, and information in the hands of the Secretary or The Council of Bishops relating to Fraternal Delegates and Official Visitors.

The function of the Committee shall be to extend the courtesies of The Conference to the Fraternal Delegates and Official Visitors and present them to The General Conference. The terms "Fraternal Delegates" and "Official Visitors" shall be interpreted to include only persons who have been duly elected by the Christian Communions of which they are respectively members, to represent the same before The General Conference and who present the appropriate Credentials of such elections.

Insofar as possible the Committee shall plan the presentation of such Fraternal Delegates and Official Visitors during the first two days of The General Conference.

(6) *Journal*. There shall be a Committee of seven which shall daily examine the record of the Secretary comparing it with the stenographic record and report its findings to The Conference, recommending appropriate action. Any error subsequently discovered in a section of the Journal which has been approved shall be reported to The Conference for correction.

(7) *Presiding Officer*. See Section III.

(8) *Reference*. There shall be a Committee of Reference composed of one Ministerial and one Lay representative from each Jurisdiction, at least two of whom shall be lawyers and one Minister and one Layman from Conferences outside the United States, to be appointed by The Council of Bishops from the regularly elected Delegates to the ensuing General Conference at the winter meeting of the said Council of Bishops, preceding the session of The General Conference. Said Committee shall meet with the Secretary of the previous General Conference at the seat of The Conference on the Monday preceding the opening of said Conference. This Committee shall be convened by the Secretary of The General Conference. After ascertaining that the Memorials, Resolutions and similar communications dealing with the regular business of The Conference meet the requirements herein specified, this Committee shall refer the same to the appropriate Standing Administrative or Legislative Committees. This Committee shall be responsible for such assignment of all Memorials, which may be in the hands of the Secretary prior to the opening session including the

Episcopal Address, the Book of Printed Quadrennial Reports, and all other communications which shall come into his hands after the convening of The General Conference. The third day of The Conference shall be fixed as the deadline for the introduction of Memorials and Petitions.

The Committee of Reference may withdraw a paper after having assigned it to a Committee, either upon a request or upon its own motion. It may also withhold from reference or publication any document it shall deem improper, promptly advising the author, or authors, thereof of its action in order that an appeal may be made to The Conference if desired. The Committee shall publish as promptly as possible, in *The Daily Advocate*, lists of the communications it has referred to the several Standing Committees, identifying each by number, title, origin, and destination. No Memorial or Petition shall be assigned by the Committee of Reference to any General Conference Committee unless it comes from some Organization, Minister, or Member of The Methodist Church, and also contains information essential to the verification of the alleged facts concerning its origin.

All Memorials should be presented in triplicate. Each should deal with only one general subject, **AND, SO FAR AS POSSIBLE, ONLY ONE CHAPTER IN THE DISCIPLINE.** Not more than one Memorial should be presented on a single sheet of paper.

(9) *Plan of Organization and Rules of Order.* There shall be a Committee of seven on Plan of Organization and Rules of Order. The Secretary of The Conference shall be an *ex-officio* member and one of the seven. To this Committee shall be referred any proposed Amendments to the Plan of Organization and Rules of Order. (See Rule 40.) To it may be referred any other matters relating to parliamentary order or procedure in the business of The General Conference.

This Committee shall restudy the Plan of Organization and Rules of Order and, after making such needed changes and adaptations therein as in its judgment are necessary, shall present them to The General Conference for consideration and final action, same to be published in the Journal of The General Conference.

The Plan of Organization and Rules of Order of The General Conference shall be the Plan of Organization and Rules of Order as published in the Journal of the preceding General Conference, until they have been altered or modified by the action of The General Conference. (See Par. 505, 1952 *Discipline*, The Methodist Church.)

(10) *Sifting Committee.* There shall be a Committee of seven to whom shall be referred, without motion or debate, all questions, proposals, Resolutions, communications, or other matters not included in the regular business of The General Conference, as set forth in this Plan of Organization. This Committee shall determine whether or not the matter presented shall be considered by The Conference. If matters of the nature above described shall be introduced in open Conference without having been approved by this Committee, the Presiding Officer shall, as soon as he shall have discovered the character of the same, refer all such matters to this Committee without reading, and the same shall not be publicized in *The Daily Advocate* unless and until they have been approved and presented to The Conference by the Sifting Committee; *provided*, however, that should the Sifting Committee determine that any matter referred to it should not be brought before The Conference for consideration, then if a petition signed by twenty, or more, members of The Conference shall be presented to The Conference requesting consideration, unless a two-thirds vote of the members of The Conference present and voting shall refuse consideration, the matter shall be referred by the Sifting Committee to a Standing Committee of its choice.

(11) *Tellers.* There shall be a Committee of sixty, to act as Tellers for the purpose of reporting on count votes and ballots ordered by The General Conference. The Tellers shall be divided into two groups of thirty each. Each group shall have Reserve Tellers in such number as The Council of Bishops may deem proper.

2. Standing Legislative Committees

(1) *Conferences.* To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to The General, Jurisdictional, Annual, Provisional Annual, District,

(4) *Membership and Evangelism.* To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to Church Membership, including conditions, duties, and transfer thereof; and all matters pertaining to Evangelism and to the devotional life and literature of the Church, made by the law of the Church the concern of the Board of Evangelism.

(9) *State of the Church.* To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to social service, labor relations, Sabbath observance, di-

voice, amusements, and those elements, factors, and aspects of the social and spiritual welfare of the Church not made the responsibility of any other Committee. •

(11) *Hospitals and Homes.* To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to the Board of Hospitals and Homes, to the interests and activities which by the law of the Church are made the concern of this Board, and to all the eleemosynary work and responsibility of the Church not comprehended in the responsibility of any other Legislative Committee.

(12) *Inter-Denominational Relations and Activities.* To this Committee shall be referred all Memorials, Petitions, Resolutions, etc., relating to Inter-Denominational activities, relations, interest, and responsibilities of The Methodist Church, including the American Bible Society, the National Council of Churches of Christ in the United States of America, and the World Council of Churches.

(15) *Enabling Acts and Legal Forms.* There shall be a Committee of seven charged with the responsibility of preparing and presenting for adoption by The Conference such Enabling Acts and Legal Forms as may be needed in the continuing process of unifying the interests and agencies of the Church.

3. Membership of Committees

(1) Except as otherwise provided in the Plan of Organization, or ordered by The General Conference, the membership of all Committees shall be constituted by election of the Conference, on nomination of The Council of Bishops. In making nominations The Council of Bishops shall main-

tain as nearly as practicable and advisable an equal ratio of representation between Ministerial and Lay Delegates on all Committees.

(2) Standing Legislative Committees numbered 10 to 14, inclusive (Temperance, Hospitals and Homes, Inter-Denominational Relations and Activities, Judicial Administration, and Ritual and Orders of Worship), shall each consist of two Ministers and two Laymen from each Jurisdiction, and one Minister and one Layman from the Delegates representing Annual Conferences outside the United States.

(3) Each Delegate shall serve as a member of one of the Legislative Committees numbered 1 to 9. Within the Delegation each member shall choose from the Legislative Committees 1 to 9 the Committee on which he shall serve, the choice being made in order of election. (See footnote*)

The Layman first elected shall be entitled to the first choice, the Minister first elected to the second choice, and thus the right of choice shall continue to alternate between Lay and Ministerial Delegates in the order of their election; *provided*, that two Members of a Delegation may not serve on any one of the above designated Standing Legislative Committees 1 to 9, unless the said Delegation is represented on each of them. All Delegations composed of ten or more Members shall assign all Members in excess of nine according to this same principle of distribution. (For example, a Conference with sixteen Delegates shall have two Members on each of any seven of these nine Committees, and one on each of the remaining two. Each Delegate may in the order of his turn to choose, select any one of these nine Committees, provided that the foregoing division of Delegates among the Committees is maintained.)

If a matter is under consideration in any Standing Legislative Committee which in the judgment of any Annual Conference Delegation vitally affects the interests of its constituency, and if the said Annual Conference is not represented in the Membership of said Committee, then the said Delegation may choose one of its number to represent its Annual Conference in the Committee when the matter judged to be vital to the interests of this constituency is under consideration. Such a person shall be entitled to sit with the Committee while this particular matter is being considered. He shall be entitled to the floor, subject to such limitations as are imposed on the regular Members of said Committee, but he shall not be entitled to vote.

(*) FOOTNOTE: The following action was taken by the 1940 General Conference: (See page 698, Journal 1940 General Conference.)

"Your Committee recommends that the first choice on Committees

should alternate from quadrennium to quadrennium between the Ministerial and Lay Delegates." In 1960 the Layman first elected will have first choice of the Standing Legislative Committees.

4. Meetings of Committees

(1) *For Organization.* The Standing Legislative Committees shall meet for organization on the afternoon of the first day of The General Conference sessions. Those numbered 10 to 15, inclusive, at 2:30 o'clock and those numbered 1 to 9, inclusive, at 3:30. A Bishop appointed by The Council of Bishops and an Assistant Secretary appointed by the Secretary of The General Conference shall serve, respectively, as Chairman and Secretary to effect an organization in each of the several Standing Committees.

- a. The first named on each of the other Committees shall act as Convenor, calling a meeting for organization at the earliest practicable date. The Secretary of The General Conference shall convene the Committee of Chairmen.
- b. The election of Chairman, Vice-Chairman, and Secretary of each Standing Committee, both Administrative and Legislative shall be by ballot.
- c. The Assistant Secretary appointed for the organization of each Standing Legislative Committee shall report in writing to the Secretary of The Conference at the earliest possible date the Officers elected. In the case of all other Committees the Secretary elected shall make such report immediately to the Secretary of The Conference.

(2) *Regular Meetings.* The Standing Legislative Committees 1 to 9, inclusive, shall meet each week-day at 2:30 P.M., unless otherwise ordered by The Conference, until their work is completed, and at such other times as the Committees may themselves determine.

Standing Legislative Committees 10 to 15, inclusive, shall meet each week-day at 7:30 P.M., or such other times as they may themselves respectively determine until their work is completed.

(3) *Quorum for Committee Meetings.* A majority of the Members shall constitute a quorum for the transaction of business in all Committees.

5. Function and Authority of Committees

(1) The Standing Administrative Committees, without specific instruction or direction from The Conference, shall assume responsibility for considering and reporting to The

Conference upon all matters which would logically fall within their respective purviews, if it seems wise to do so, as these are indicated hereinbefore.

(2) The Standing Legislative Committees may not originate business, but shall consider and report only upon that which is referred to them directly by The Conference or through the Committee of Reference, the Sifting Committee, or the Committee of Chairmen. (See Rule 31.)

VII. Proposal Involving Expenditure of Unbudgeted Funds

When any proposal is submitted to The General Conference to establish an interim or continuing Board, Commission, or Committee, before final action is taken by The General Conference establishing such Board, Commission or Committee, said proposal shall be referred to the Council on World Service and Finance, or its Executive Committee, with the request that it bring to The General Conference an estimated Budget of the expense of operation of the proposed Board, Commission or Committee for the next quadrennium and a statement of how the adoption of such proposal will effect the Budget or Budgets for the existing Boards, Commissions or Committees as already presented by the Council on World Service and Finance.

When any proposal is submitted to The General Conference which involves the expenditure of funds not included in an established Budget, such proposal shall be referred for advice and recommendation to the Council on World Service and Finance before final action is taken by The General Conference.

VIII. Delegates' Expense Account

1. The Report of the Committee on Credentials shall be the basis for settlement with Principal and Reserve Delegates for their *per diem* allowance.

2. The total traveling expense shall be payable to the Principal Delegate if he be present and seated. If during the session of The Conference a Reserve Delegate is seated in his place, he shall adjust the travel expense with such Reserve on the basis of the time served by each.

3. Travel expense for Delegates to The Conference shall be on the basis of railroad fare by the most direct route (clergy fare for Ministers) lower berth or roomette (Pullman) and meals en route OR BY AIR COACH. OVERSEAS DELEGATES SHALL BE ALLOWED THE ROUND TRIP TOURIST FARE BY AIR OR EQUIVALENT ROUND TRIP CABIN-CLASS SHIP FARE. ADDITIONAL EX-

PENSE MAY BE ALLOWED SUCH DELEGATES FOR ARRIVAL AND DEPARTURE NOT TO EXCEED FIVE DAYS IN EITHER CASE. When two or more Delegates come in one automobile the owner shall be allowed 7 cents per mile for his car plus the cost of room and meals en route. Guest passengers who are members of The General Conference shall submit only the cost of room and meals en route. In all cases Delegates shall report only the actual cost of travel.

- (2) Report of Committee on Courtesies and Privileges.
- (3) Reports of other Standing Administrative and Special Committees.
- (4) Calendar.
- (5) Miscellaneous business.

II. Presiding Officers

Rule 3. The Bishop presiding shall be the legal Chairman of The General Conference. He shall decide Points of Order raised by the members, and shall rule on Points of Order not raised by the members, as he deems necessary to conform to these Rules of Order; subject, in both cases, to an appeal to the Conference by any Member without debate; except that the Chairman and the Appellant, in the order here named, shall each have five minutes for a statement in support of their respective positions. A ties vote in the case of Appeal shall sustain the Chair. When any Member raises a Point of Order he shall cite, by number, the Rule he adjudges to have been violated.

Rule 4. When the Chairman stands in his place and calls The Conference to order, no member shall speak, address the Chair, or stand, while the Chairman stands.

III. RIGHTS AND DUTIES OF MEMBERS

Rule 5. Attendance and Seating Reserves.

No Member, unless hindered by sickness or otherwise from being present, shall absent himself from the sessions of The Conference without permission of The Conference, and all absentees shall be reported by the Chairman of the several Annual Conference Delegations to the Committee on Credentials on a form provided for this purpose. No Reserve Delegate shall have the privilege of membership until the substitution has been approved by The Conference, except at the first session of The Conference, as provided in the Plan of Organization, Division I, Section A, Subsection 2b.

Rule 6. Directions for Securing the Floor.

When a Delegate desires to speak to The Conference, he shall arise at his designated seat, respectfully address the Presiding Officer, using the term, "Mr. Chairman," and after recognition, proceed to the speaker's platform, where, before speaking, he shall give the Chairman, in writing, his name and that of the Annual Conference which he represents; which, in turn, the Chairman shall then announce to The Conference.

If by reason of the intended brevity of his remarks he speaks from one of the microphones in the aisles of the assembly hall, he shall first announce his name and the name of the Annual Conference which he represents, which in turn, the Chairman shall then announce to The Conference.

Rule 7. Interrupting the Speaker.

No Member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of The Conference to the fact that the time has arrived for a Special Order, or to raise a very urgent question of high privilege.

Rule 8. Speaking More Than Once; Length of Speech.

No Member shall speak a second time on the same question if any Member who has not spoken desires the floor, nor more than twice on the same subject under the same motion, nor longer than ten minutes unless his time shall be extended by The Conference, except as provided in Rule 37.

This ten-minute limit may be reduced by a majority vote of The Conference at any time, and for any period of duration.

Rule 9. Question of High Privilege.

A Member claiming the floor at any time for what he believes is a very urgent question of high privilege, shall be allowed to indicate briefly the nature of the question, and if it be adjudged by the Chair to be such, he may proceed at his pleasure or until the Chairman judges that he has exhausted his privilege. (See Plan of Organization, Division VI, Section 1, Subsection 3a.)

Rule 10. Voting Area of Conference.

Only Delegates within the Area of The Conference when the vote is taken shall be entitled to vote. All Delegates within the Area at the time a question is put, shall vote, except such as shall have been excused for special reasons by The Conference.

Rule 11. Voting Procedure.

Voting shall be by a show of hands unless otherwise ordered by The Conference. An "aye" and "no" vote if taken, shall be by signed ballot. A Count Vote may be ordered on call of any Member supported by one-third of the Members present and voting, in which case the Delegates shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken or when the Previous Question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the Report of the Secretaries on a count Vote, or an "aye" or "no" vote. The count shall be made by Members seated next to the aisles, who shall be designated by the Secretary of The General Conference, and whose names shall be printed in *The Daily Advocate*.

Rule 12. Division of Question.

Before a vote is taken any Delegate shall have the right to call for a division of any question, if it is subject to such division as he indicates. If no Delegate objects, the division shall be made, but if there is objection the Chair shall put the question of division to vote, not waiting for a second.

Rule 13. Vote by Orders.

The Ministerial and Lay Delegates shall deliberate as one

body; but upon a call, by motion of any Delegate, seconded by another Delegate of the same Order and supported by one-third of the members of that Order voting, the Ministerial and Lay Delegates shall vote separately. But when The Conference votes by Orders no measure shall be passed without the concurrence of a majority of both classes of Delegates. In cases of such a vote the Order calling for it shall vote first; *provided*, however, that The Conference may not vote by Orders on a proposed Amendment to the Constitution. (*Discipline*, Paragraph 10, Item 2.)

IV. BUSINESS PROCEDURE

Rule 14. Motion for Adoption of Reports and Resolutions Unnecessary.

Whenever a Report of a Committee signed by the Chairman and Secretary thereof, or a Resolution signed by two or more Members of The Conference, shall be presented to The Conference for its action, it shall be deemed in proper order for consideration by The Conference without the formality of a motion to adopt, and a second thereto.

Rule 15. Required Forms for Reports, Resolutions, Motions, Amendments.

All Resolutions and Committee Reports shall be presented in triplicate; and, when requested by the Secretary, motions, including amendments shall be presented in writing.

Rule 16. Reading of Reports and Resolutions.

All Resolutions, Committee Reports, and Communications to the Conference shall be read by the Secretary except as otherwise provided in Rule 34.

Rule 17. Alterations of Motions, Etc.

When a motion is made and seconded or a Resolution is introduced and seconded, or a Committee Report is read, or is published in *The Daily Advocate*, it shall be deemed to be in possession of The Conference, and may not be altered except by action of The Conference. (See Rule 33.)

Rule 18. Undebatable Motions.

The following motions shall be acted upon without debate:

- (1) To adjourn, when unqualified, except to adjourn The Conference finally.
- (2) To suspend the rules.
- (3) To lay on the table, except as provided in Rule 37.

- (4) To take from the table.
- (5) To call for the Previous Question.
- (6) To reconsider a non-debatable motion.
- (7) To limit or extend the limits of debate.
- (8) To call for the Orders of the Day.

Rule 19. Rights of "The Main Question."

The main question may be opened to debate under the following motions: to adopt, to commit, or refer, to substitute, to postpone, and to reconsider. No new motion, Resolution, or subject shall be entertained until the one under consideration shall have been disposed of except as provided in Rule 11. The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

Rule 20. Precedence of Secondary Motions.

If any one or more of the following motions shall be made when one or more other motions are pending the order of their precedence in relation to one another shall be the same as the order of their listing below:

- (1) To fix the time to which The Conference shall adjourn. (This motion is subject to amendment, or it may be laid on the table.)
- (2) To adjourn.
- (3) To take recess.
- (4) To order the Previous Question.
- (5) To lay on the table.
- (6) To limit or extend the limits of debate.
- (7) To postpone to a given time.
- (8) To commit or refer.
- (9) To amend or to substitute (one amendment being allowed to an amendment).
- (10) To postpone indefinitely.

Rule 21. Tabling Related Motions.

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

Rule 22. Referring Reports, Etc.

It shall be in order for The Conference to refer to a Committee a section or part of a Report or Resolution which is before The Conference for consideration, or any amendment offered thereto.

Rule 23. Procedure for Consideration of Substitutes.

When a Resolution or Committee Report is properly before The Conference for consideration and action even if amendments thereto are pending, a substitute therefore may be offered by any Member moving that the same be substituted for the Report or Resolution under consideration. The Conference shall then proceed first to perfect the original Report or Resolution including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute.

The question shall then be put first on the motion to substitute followed by motion to adopt the Report or Resolution, *provided*, however, that the motion for the Previous Question shall not be in order on the adoption of the Report or Recommendation or on making the proposed substitution until opportunity has been given for at least two Members to have spoken on each side of the question of substitution or adoption.

Rule 24. Previous Question (See Rules 18-5, 23, 25, 37).

When any member moves the Previous Question (that is, that the vote be now taken on the motion or motions pending) he shall indicate to what he intends it to apply, if any secondary motion or motions are also pending. If he does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds vote of those present and voting for its adoption, and if adopted the vote shall be taken on the motion or motions to which it applies without further debate except as provided in Rule 37.

Rule 25. Unlawful Motion After Speech.

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

Rule 26. Exceptions to Majority Vote.

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

- (1) One-third of those present and voting shall suffice to sustain a call for a Count Vote in case the decision of the Chair is doubted. See Rule 11. A tie vote sustains the Chair, Rule 3.

- (2) A call for a Vote by Orders shall prevail if sustained by one-third of the members of the Order from which the call came, present and voting. (See Rule 13.)
- (3) A two-thirds vote shall be required to sustain a motion to suspend (See Rule 39) or amend (See Rule 40) the Rules; to sustain a motion for the Previous Question (See Rule 24); to set aside a Special Order; to consider a Special Order before the time set therefor, or any motion whose adoption would limit debate; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person after the sixth day of The General Conference; to sustain a petition against a Ruling of the Sifting Committee.
- (4) A two-thirds vote shall be required to approve a proposal for a Constitutional amendment. (See Paragraph 10, *Discipline*.)

Rule 27. Reconsideration.

A motion to reconsider an action of The Conference shall be in order at any time if offered by a Member who voted with the prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debated.

Rule. 28. Calendar Regular: Non-Concurrence.

The Secretary shall keep a chronological record of Orders of the Day and of Reports of Committees (See Rule 32) and this record shall be called the Calendar, and the matters of business placed on it shall be considered in order, unless by a two-thirds vote of The Conference an item is taken up out of its order.

Standing Legislative Committee Reports recommending Non-Concurrence shall be kept upon a separate Calendar to be taken up when the regular Calendar is exhausted, or at the pleasure of The Conference, except when a Minority presents a Report recommending concurrence, in which case both shall be included in the regular Calendar.

Rule 29. Motion to Adjourn in Order Except—

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except

- (1) When a Delegate has the floor.
- (2) When a question is actually put, or a vote is being taken, and before it is finally decided.
- (3) When the Previous Question has been ordered and action thereunder is pending.

- (4) When a motion to adjourn has been lost, and no business or debate has intervened.
- (5) When the motion to fix the time to which The Conference shall adjourn is pending.

The foregoing does not apply to a motion to final adjournment of The Conference.

V. COMMITTEES

Rule 30. Rules of Order of Legislative Committee.

The Rules of Order of The General Conference shall be observed in meetings of Standing Legislative Committees insofar as they apply.

Rule 31. Duties and Prerogatives of Committees.

When a Memorial or Resolution or any similar item is referred to one of the several Standing Legislative Committees, it shall be understood that the whole question with which the paper has to do is referred to that Committee for such action as it may deem wise. Committees shall report to The Conference upon all matters referred to them by The Conference directly or through the Committee of Reference. Committee Reports on Resolutions, Memorials, Petitions, etc., shall cite the same, identifying them by numbers they bear respectively, in the published Reports of the Committee of Reference, or in some other suitable manner.

When a Committee ascertains that another Committee is or should, in its judgment, be considering a subject which the former is considering, it shall report the matter to the Committee of **Reference** for such adjustments as the situation may require.

Rule 32. Legislative Committees Report to Secretary.

At the close of each day's meeting the Chairmen and Secretaries of the several Standing Legislative Committees shall provide the Secretary of The Conference with copies in triplicate of all Reports adopted by their respective Committees for presentation to The Conference. The Secretary shall enter said Reports on the Calendar in the order in which they reach him, and shall furnish the Editor of *The Daily Advocate* with one copy of each of the said Reports for publication in the next day's issue. Reports from Committees (and Minority Reports) recommending proposed changes in the *Discipline* shall give Chapter Section, and Paragraph to be affected.

They shall quote the language of the part it is proposed to change, *underscoring it*, and then state the language as it will appear if adopted, with the new part only in CAPITALS, *The Daily Advocate* shall follow the same rule in printing such Reports substituting *italics* for Underscoring and Heavy Black-faced Type for CAPITALS.

Rule 33. Published Reports in Possession of Conference.

A Report of any Committee signed by the Chairman and Secretary thereof and printed in *The Daily Advocate* shall be regarded as in the possession of The Conference, and on the day following its first appearance in *The Daily Advocate*, or any time thereafter, in order for its consideration at the pleasure of The Conference. The same rule shall apply to a Report of a Minority of any Committee signed by one-tenth of the Members of the Committee or by ten Members thereof. (See Rule 17.)

Rule 34. Preparation and Printing of Reports.

All Committee Reports shall be presented to the Secretary of The Conference in triplicate on paper provided therefor and bearing at the top the name of the Committee, its total membership, the number present at the time the Report was adopted, the number voting for and the number voting against the Report respectively, and the number not voting. Reports of the Standing Legislative Committees shall be printed in *The Daily Advocate* at least one day before being presented for consideration by The Conference and they shall not be read unless by its order.

Reports of Minorities of Committees adopted by them with a view to their being offered as substitutes for Committee reports shall likewise conform to this Rule so far as it is applicable, indicating clearly to what Committee the respective Minorities belong and for what Reports by Serial Numbers, etc., they propose the respective substitutes.

Rule 35. Committee Chairman Not in Harmony with Report.

When the Chairman of a Committee is not in harmony with a Report adopted by the Committee, it shall be his duty to state the fact to the Committee, which shall elect one of its Members to represent it in the presentation and discussion of the Report in The Conference; but if, in such a case, the Committee shall fail to select a representative, the Chairman shall designate a Member to represent the Committee, and said representative shall have all the rights and privileges of the Chairman in relation to such Report.

Rule 36. Presentation of Report of Minority.

A Member selected by the signers of a Report of a Minority of a Committee to present the same, shall have the same rights and privileges in relation thereto which belong to the Chairman in the presentation of the regular (Majority) Report of the Committee, except that he may not present said Minority Report until the Majority Report has been presented, and shall then offer it as a substitute therefor, and except, further, that in closing the debate on the question of making the substitution the Member presenting the Minority Report shall speak first and the Chairman last. (See Rule 23.)

Rule 37. Speakers For and Against.

When the Report of a Committee is under consideration, it shall be the duty of the Presiding Officer to ascertain, when he recognizes a Member of The Conference, on which side he proposes to speak, and he shall not assign the floor to any Member proposing to speak on the same side of the pending question as the speaker immediately preceding if any Member desires to speak on the other side thereof.

Except for undebatable motions, no Report shall be adopted or question relating to the same decided without opportunity having been given for at least one speech for and one against the said proposal; *provided* that right is claimed before the Chairman or duly authorized member representing the Committee's Report or the Minority Report if there be such, is presented to close the debate.

When all have spoken who desire to do so or when (and after) the Previous Question has been ordered, the Chairman or/and duly authorized Member or Members presenting the Committee's Report (and the Minority Report if there be one) shall be entitled to speak before the vote is taken.

This right of the Chairman and/or other Member or Members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the Report under consideration; *provided* that this five-minute limit shall not apply to a motion to substitute a Minority Report for a Regular (Majority) Report of a Committee.

Rule 38. Legal Enactment.

All actions of The General Conference of The Methodist Church shall become effective upon the final adjournment

of the session of The General Conference at which they are enacted, unless otherwise specified, **except as provided in Paragraph 591 of the *Discipline*.**

VI. SUSPENDING, AMENDING AND SUPPLEMENTING

Rule 39. Suspension of Rules.

The operation of any of the provisions of this Plan of Organization or of these Rules of Order may be suspended at any time by a two-thirds vote of The Conference. Rule 26 (3).

Rule 40. Amending Rules.

This Plan of Organization and these Rules of Order may be amended or changed by a two-thirds vote of The Conference; provided the proposed change or amendment **HAS ORIGINATED IN THE COMMITTEE ON RULES** OR has been presented to The Conference in writing and referred to the Committee on Rules, which Committee shall report thereon not later than the following day. Rule 26 (3).

Rule 41. Robert's Rules of Order, Supplemental Authority.

In any parliamentary situation not clearly covered by this Plan of Organization or these Rules of Order, The General Conference shall be governed in its action by **the current edition of Robert's Rules of Order.**

Chairman: Stewart Clendenin (Texas—SC).

Vice-Chairman: Lester L. Roush (Ohio).

Secretary: Brunner M. Hunt (Mississippi—SE).

Reference. There shall be a Committee of Reference composed of one Ministerial and one Lay representative from each Jurisdiction, at least two of whom shall be lawyers and one Minister and one Layman from Conferences outside the United States, to be appointed by The Council of Bishops from the regularly elected Delegates to the ensuing General Conference at the winter meeting of the said Council of Bishops, preceding the session of The General Conference. Said Committee shall meet with the Secretary of the previous General Conference at the seat of The Conference on the Monday preceding the opening of said Conference. This Committee shall be convened by the Secretary of The General Conference. After ascertaining that the Memorials, Resolutions and similar communications dealing with the regular business of The Conference meet the requirements herein specified, this Committee shall refer the same to the appropriate Standing Administrative or Legislative Committees. This Committee shall be responsible for such assignment of all Memorials, which may be in the hands of the Secretary prior to the opening session, including the Episcopal Address, the Book of Printed Quadrennial Reports, and all other communications which shall come into his hands after the convening of The General Conference. The third day of The Conference shall be fixed as the deadline for the introduction of Memorials and Petitions.

The Committee of Reference may withdraw a paper after having assigned it to a Committee, either upon a request or upon its own motion. It may also withhold from reference or publication any document it shall deem improper, promptly advising the author, or authors, thereof of its action in order that an appeal may be made to The Conference if desired. The Committee shall publish as promptly as possible, in the *Daily Advocate*, lists of the communications it has referred to the several Standing Committees, identifying each by number, title, origin and destination. No Memorial or Petition shall be assigned by the Committee of Reference to any General Conference Committee unless it comes from some organization, minister, or member of The Methodist Church, and also contains information essential to the verification of the alleged facts concerning its origin.

All Memorials should be presented in triplicate. Each should deal with only one general subject, and, so far as possible, only one chapter in the *Discipline*. Not more than one Memorial should be presented on a single sheet of paper.

REPORT NO. 1. SIFTING

Adopted Wednesday, May 2, 1956. See Journal, page 455.

Whereas, The Methodist Church has always been sensitive to humanitarian need and suffering; and

Whereas, Methodists have a Denominational Responsibility in the plight of thousands of Chinese refugees who have fled in recent years their homeland; and

Whereas, the Refugee Relief Act of 1953 in its present form has not brought adequate relief to this particular group;

Therefore Be It Resolved, That, The General Conference of The Methodist Church assembled at Minneapolis, Minnesota, respectfully requests the Congress of the United States at its present session to revise the above-mentioned legislation so as to make available at least 5,000 additional United States visas under the Refugee Relief Act of 1953 for Chinese refugees residing in Hong Kong and other consular areas in the Far East.

Bishop, we have this Resolution that has come before the Committee. We present it to you and would like a second, and then I should like to ask Dr. Warfield to speak briefly to it.

The Constitution of The Methodist Church shall be amended by adding a new Article to be known as Article V of Division Two, Section VIII and to read as follows:

(a) A Local Church may transfer from one Annual Conference to another in which it is geographically located upon approval by a 2/3 vote of those present and voting in each of the following:

1. The Quarterly Conference of the Local Church.
2. A Church Conference of the Local Church.

3. Each of the two Annual Conferences involved.

The vote shall be certified by the Secretaries of the specified Conferences to the Bishops having supervision of the Annual Conferences involved, and upon their announcement of the required majorities the transfer shall immediately be effective.

(b) An Annual Conference may transfer from one Jurisdiction to another upon approval by:

1. The Annual Conference desiring transfer, by a 2/3 majority of those present and voting. The Secretary of the Conference shall certify the vote to the College of Bishops of the Jurisdiction of which the Conference has been a part.
2. The remainder of the Jurisdiction from which transfer is to be made, by a 2/3 majority of the total of ANNUAL CONFERENCE MEMBERS present and voting. The vote shall be taken in the other Annual Conferences of the Jurisdiction and certified by their Secretaries to the College of Bishops which shall determine whether 2/3 of the total vote in the Jurisdiction is favorable.
3. The Jurisdiction to which transfer is to be made, by a 2/3 majority of the total of ANNUAL CONFERENCE MEMBERS present and voting. The vote shall be taken in the various Annual Conferences of the Jurisdiction and certified by their Secretaries to the College of Bishops which shall determine whether 2/3 of the total vote in the Jurisdiction is favorable.

THE VOTE ON THE APPROVAL OF TRANSFER UNDER EITHER SUB-PARAGRAPH (A) OR (B) AND OF THE "ABOLITION OF THE CENTRAL JURISDICTION," UNDER SUB-PARAGRAPH (C), SHALL BE TAKEN BY EACH ANNUAL CONFERENCE AT ITS FIRST SESSION AFTER THE MATTER IS SUBMITTED TO IT.

Upon announcement by the two Colleges of Bishops of the required majorities the transfer shall immediately be effective. Transfers under the provisions of this Article shall not be governed or restricted by other provisions of this Constitution relating to changes of boundaries of Conferences.

WHENEVER 25% OF THE LOCAL CHURCH MEMBERSHIP OF THE CENTRAL JURISDICTION HAVE BEEN TRANSFERRED BY THIS PROCESS TO ANOTHER JURISDICTION OR JURISDICTIONS, THE BISHOP OF THE AREA FROM WHICH THE LARGEST NUMBER HAVE BEEN TRANSFERRED SHALL BE TRANS-

FERRED TO THE JURISDICTION WHICH HAS RECEIVED THE LARGEST NUMBER BY SUCH TRANSFER, AND THE REPRESENTATION OF THE CENTRAL JURISDICTION ON THE BOARDS AND AGENCIES OF THE CHURCH SHALL THEREAFTER BE PROPORTIONATELY REDUCED.

(c) ABOLITION OF THE CENTRAL JURISDICTION

ARTICLE I OF DIVISION TWO SECTION VIII OF THE CONSTITUTION OF THE METHODIST CHURCH SHALL BE AMENDED BY ADDING AT THE END THEREOF A NEW PARAGRAPH AS FOLLOWS:

ABOLITION OF THE CENTRAL JURISDICTION: THE CENTRAL JURISDICTION SHALL BE ABOLISHED WHEN ALL OF THE ANNUAL CONFERENCES NOW COMPRISING IT HAVE TRANSFERRED TO OTHER JURISDICTIONS IN ACCORDANCE WITH THE VOLUNTARY PROCEDURE OF ARTICLE V OF THIS SECTION. EACH REMAINING BISHOP OF THE CENTRAL JURISDICTION SHALL THEREUPON BE TRANSFERRED TO THE JURISDICTION TO WHICH THE MAJORITY OF THE MEMBERSHIP OF HIS AREA HAVE TRANSFERRED, AND THE CENTRAL JURISDICTION SHALL THEN BE DISSOLVED.

JAMES P. BRAWLEY (*), *Secretary*.

(NOTE: The following action was taken by The General Conference, Wednesday Morning, May 2, 1956, relative to Report No. 1 of the Standing Legislative Committee on Conferences. See Journal, page 480. Editor.)

Form of Constitutional Amendment Relating to Transfer of Churches or Annual Conferences—C. Cooper Bell—Adopted

C. Cooper Bell (Virginia—SE), Chairman of the Standing Committee on Conferences, made the following statement:—

Mr. Chairman and Members of The Conference: Just a moment before we pass to No. 2. As we have it now, this is in the form of three Amendments. It occurs to us that it will help tremendously before the Annual Conferences to expedite this, if you will give your approval by letting the three be three Divisions of one Amendment to be sent down to be voted on in the Annual Conferences.

C. Cooper Bell (Virginia—SE) then moved that the form of the proposed Amendment No. 9 to the Constitution of The Methodist Church shall consist of the three divisions

(a), (b) and (c), as set forth in Report No. 1 of the Standing Committee on Conferences, just adopt, being considered as the three divisions of one Amendment.

The motion, duly seconded, was adopted.

Just before adjournment of the morning session of Wednesday, May 2, 1956, the following announcement was made by the Secretary of The General Conference. See Journal, page 493.

Constitutional Amendments—Time of Voting—Lud H. Estes

Lud H. Estes (Memphis—SE), Secretary of The General Conference, made the following important announcement:—

“Some confusion has arisen in regard as to when the Constitutional Amendments will be available for the consideration of and action on by the Annual Conferences as many of the Annual Conferences will be meeting very shortly after the adjournment of The General Conference.

The Constitutional Amendments will be sent down in ample time and you are to take action on them after you have received the Amendments from the Secretary of The General Conference.”

AMENDED, May 2, 1956, see Journal, Pages 482; 503.

Calendar No. 44. Adopted May 2, 1956, see Journal, Pages 481-486; 497-503.

The Committee recommends the following Resolution for adoption:

In response to the numerous Memorials and Resolutions before this General Conference requesting a study of the structure of the Jurisdictional System, and to implement the recommendations contained in the Episcopal Addresses of 1952 and 1956;

“In our world, our nation, and our Church, however, racial discrimination and segregation do exist. As sincere follow-

ers of our Lord it is our business to help free our world and our nation from these evils. But it is more immediately our imperative duty to confess our failure to achieve God's will in Methodism and then resolutely to set about achieving a Christian brotherhood in the Church that will be free from racial discrimination and segregation . . .

"The Union of the three branches of Methodism has strengthened our fellowship through understanding and united devotion to a common task. We believe that within the organizational framework of the United Church ARE to be found effective procedures for the development of Christian brotherhood.

"Notable advances have been made under our present organizational structure. However, seventeen eventful years have passed since the long-to-be-remembered day when three separate bodies of Methodism dedicated themselves to be one Church. New issues have arisen and new duties confront the Church.

"The Council of Bishops, therefore, recommends that a Commission large enough to be truly representative of all our people be constituted by this General Conference for the purpose of studying the Jurisdictional Structure of the Church, its philosophy and its effectiveness and that it report its findings with recommendations to the 1960 session of The General Conference. Through this medium we believe that a way can be charted to advance the Church steadily toward the fulfillment of the Christian imperative for racial relations."

We hereby recommend that The General Conference of 1956 **AUTHORIZE THE CREATION OF** a "Commission to Study and Recommend Action Concerning the Jurisdictional System."

A. This Commission shall be composed of one Minister and one Lay person from each Jurisdiction for each 500,000 church members or major fraction thereof, with a minimum of three Ministers and three Lay persons from each Jurisdiction. Members of the Commission shall be elected by this General Conference upon nomination by The Council of Bishops after consultation between the Bishops and the Chairmen of the Annual Conference Delegations within their respective Jurisdictions. Officers of the Commission shall be elected by the Commission from the above named and elected Members. The membership shall also include twelve Bishops, two from each Jurisdiction and twelve additional Laymen, two from each Jurisdiction, nominated by The Council of Bishops and elected by The General Confer-

ence. There shall be a Convenor appointed by the Council of Bishops **WHO SHALL CONVENE THIS COMMISSION WITHIN SIX MONTHS FOLLOWING THE ADJOURNMENT OF THE GENERAL CONFERENCE.** Vacancies occurring during the Quadrennium shall be filled by the College of Bishops of the Jurisdiction in which the vacancy occurs.

B. The responsibilities and authority, of this Commission shall be as follows:

1. To make a thorough study of our Jurisdictional System, with special reference to its philosophy, its effectiveness, its weaknesses and its relationship to the future of The Methodist Church.
2. To carry on studies and conduct hearings in all the Jurisdictions on racial segregation in The Methodist Church and all other problems related to the Jurisdictional System.
3. To develop courses of action directed toward greater inter-racial brotherhood and the spirit of Christian love.
4. In the performance of its duties this Commission shall draw upon the resources of other Agencies of The Methodist Church to assist in such research.
5. To distribute to the churches such facts and information during the Quadrennium as may be deemed helpful to the work of this Commission and of value to the Church.
6. To report its findings and recommendations to The General Conference of 1960, and which Report shall be printed and distributed to the Delegates of said General Conference at least three months prior to the convening of The Conference.

C. That the Memorials and Resolutions presented to and/or adopted by this General Conference dealing with the Structure of the Jurisdictional System may be referred to this Commission.

D. It is recommended that this Legislation be referred to the Council on World Service and Finance for adequate financing for the work of this Commission during the Quadrennium of 1956-1960.

REPORT NO. 13. EDUCATION

Adopted by the Committee, May 1, 1956

SUBJECT: THE UNIVERSITY SENATE

MEMORIAL: SERIAL No. 3552

Calendar No. 95. Adopted May 7, 1956. See Journal, Page 947.

The Committee recommends the changes in Part VII, Chapter VII, Section V, 1952 "*Discipline*," Paragraphs 1382-1392, pages 347-350. In Paragraph 1382 transpose the words "in the United States" to the end of the sentence after "The Methodist Church," so that Paragraph 1382 as amended shall read:

Paragraph 1382. The University Senate shall be the accrediting and standardizing agency for all the Educational Institutions related to The Methodist Church in the United States.

Make no change in Paragraph 1383.

In the first sentence of Paragraph 1384 change the last word in the sentence, *policy*, to **Institutions**.

In the second sentence delete "*report to the Board*" and insert "**prepare and publish**"; after "a proper classification" delete "*for each*" and insert "**of all**"; change *Institution* to **Institutions**; change "*is*" to "**are**"; after "The Methodist Church" change the comma to a period. Begin a new sentence by inserting before "and on the basis" the words: "**Such classification shall comprise the Official Senate List of Educational Institutions related to the Church**"; after "basis of this" change "*report*" to "**list**"; after "Division of Educational Institutions" delete "*shall prepare its official lists*"

of *Institutions and*"; change "administration" to "work," so that Paragraph 1384 as amended shall read:

Paragraph 1384. The Senate shall establish and assist in maintaining standards for the Educational Institutions related to The Methodist Church in the United States and shall sustain an advisory relation to the General Board of Education in matters of Educational Institutions. It shall **prepare and publish** annually a proper classification of all Educational Institutions in the United States which are related to The Methodist Church. Such classification shall comprise the **Official Senate List of Educational Institutions related to the Church**, and on the basis of this list, the Division of Educational Institutions shall be governed in its work.

In Paragraph 1385 omit parenthesis enclosing the words "claiming or adjudged to be"; after "shall report to the" delete *Division its* and insert **sponsoring Board or Agency through the Division of Educational Institutions**; after "whether or not the" change *requirements* to standards.

Paragraph 1385 as amended will read:

Paragraph 1385. The Senate shall investigate, as conditions may warrant or require, the personnel, scholastic requirements, resources, and procedure of any designated Educational Institution claiming or adjudged to be related to The Methodist Church and shall report to the **sponsoring Board or Agency through the Division of Educational Institutions** decisions as to whether or not the standards and educational and religious services of the institution are such as to justify its official recognition and continued financial support by the Church.

In the first sentence of Paragraph 1386 after "as needed shall make" delete "*to them, to the Conference Boards of Education or other Boards concerned and to the General Board of Education*"; at the end of the sentence insert "**to the sponsoring Board or Agency of the Church through the Division of Educational Institutions, to the Conference Boards of Education, or to other Constituent Bodies.**"

In the second sentence after "complying with" change "*the*" to "**said**"; delete "*for the improvement of its educational and religious services*"; change "*it* to **the Institution**"; delete "*financial*"; change "*General Board of Education*" to "**Division of Educational Institutions**"; after "related Board" insert "**or Agency,**" so that Paragraph 1386 as amended shall read:

Paragraph 1386. The Senate shall act as consultant and counselor on all educational matters to all Educational Institutions related to the Church and as needed shall make recommendations leading to their improvement or accreditation to the sponsoring Board or Agency of the Church through the Division of Educational Institutions, to the Conference Boards of Education, or to other Constituent Bodies. Failure of any Educational Institution to make reasonable progress in complying with said recommendations of the Senate may render the Institution ineligible for further support by the Division of Educational Institutions, or by its related Board or Agency, Annual Conference, or Conferences.

In Paragraph 1387 after "Conference Board of Education" insert "**or Board of Trustees of an institution**" and delete "*the quality and standards of,*" so that Paragraph 1387 as amended shall read:

Paragraph 1387. The Senate as the accrediting agent for all Educational Institutions of the Church may investigate, on its own initiative or at the written request of any General Board of the Church or Conference Board of Education **or Board of Trustees of an Institution** the educational work of an Institution related to said Board, and shall report to the Board concerned its recommendations as to what specific changes or improvements should be made.

Divide the second sentence of Paragraph 1388 by changing the comma after "of the Senate" to a period. Delete "*and*" and begin a new sentence with "**He,**" so that Paragraph 1388 as amended will read:

Paragraph 1388. The Senate shall elect its own presiding Officer and may appoint such Committees and may delegate to them such powers as are incident to its work. The General Secretary of the Division of Educational Institutions shall be the General Secretary of the Senate. **He** shall convene the Senate at the beginning of each quadrennium for organization. Thereafter the Senate shall meet annually at such time and place as it may determine. Special meetings may be called on the written request of five members or at the discretion of the presiding Officer and the General Secretary of the Division of Educational Institutions.

Make no change in Paragraph 1389.

In Paragraph 1390 delete from the list of classes of Institutions number four, *Schools of religion for lay workers*, and number five, *other professional schools*, thus making

"Junior colleges" become number four, "Secondary schools" number five, and "Training Schools for religious workers" number six; insert as number seven **Other schools**. Delete the entire remainder of the Paragraph and substitute the following: **It shall be the duty of the General Secretary of the Senate to secure from each Educational Institution related to The Methodist Church such information as may be needed by the Senate for an understanding of the status, work, and progress of the Institution. This information shall be supplied on forms, approved by the Senate, so that Paragraph 1390 as amended will read:**

Paragraph 1390. Educational institutions in the United States related to The Methodist Church are classified as follows:

1. Universities
2. Colleges of liberal arts
3. Schools of theology
4. Junior colleges
5. Secondary schools
6. Training Schools for religious workers
7. Other schools

It shall be the duty of the General Secretary of the Senate to secure from each Educational Institution related to The Methodist Church such information as may be needed by the Senate for an understanding of the status, work, and progress of the institution. This information shall be supplied on forms approved by the Senate.

Delete Paragraph 1391.

*** 1391.** *The General Board of Education shall publish annually a list of all Educational Institutions related to The Methodist Church, classified by the University Senate in accordance with the provisions in * 1390. Institutions so listed are regarded as related to The Methodist Church for purposes of appropriations by the General Board of Education and Conference Boards of Education of The Methodist Church.*

Change Paragraph 1392 to Paragraph 1391. Insert as the first sentence the following: **The University Senate may, in co-operation with the Division of Educational Institutions, study population growth and trends and consider recommendations to the Annual Conferences concerning the need for new institutions of learning, and the discontinuance, re-**

location, and merger of existing institutions. Let the present Paragraph 1392 become the second sentence of the new Paragraph 1391. Insert as the third sentence the following: **In no case shall the Division aid an Institution which announces a change in its classification until the University Senate shall have approved the new classification,** so that Paragraph 1392 as amended shall read:

Paragraph 1391. **The University Senate may, in co-operation with the Division of Educational Institutions, study population growth and trends and consider recommendations to the Annual Conferences concerning the need for new institutions of learning, and the discontinuance, relocation, and merger of existing Institutions.** No Educational Institution or foundation of The Methodist Church shall hereafter be established until its plans and organization shall have been approved by the University Senate and the Division of Educational Institutions; and no Annual or Provisional Annual Conference in the United States shall acquire, or affiliate with, through any Board or Society, a school, college, university, or other Educational Institution unless the approval of the Division and the Senate shall have been previously obtained and unless, in the judgment of the Division, there is reasonable assurance of financial support sufficient to equip and maintain the Institution in the classification approved for it by the University Senate. **In no case shall the Division aid an Institution which announces a change in its classification until the University Senate shall have approved the new classification.**

The Committee recommends that the following statement, with appropriate Paragraph number, be included among the Miscellaneous Resolutions in the 1956 *Discipline*.

Church School Literature and Quadrennial Emphasis
Our Church School Literature serves the Church in ways

vital to its life and work, and therefore it should be used in every Church School.

The increasing effectiveness of our Literature is indicated by the fact that during the last quadrennium there has been an increased circulation of 780,000, so that the present average circulation is 6,800,000.

Some of the values of our Literature are as follows:

1. It nurtures the spiritual life and character.
2. It confronts men and society with the need of redemption through Christ Jesus.
3. It challenges to commitment to Christ and to the practice of His Spirit and teachings in everyday life.
4. It sets forth the historic Christian faith as understood and proclaimed by Methodism.
5. It requires extensive use of the Bible as the source of our faith and practice.
6. It undergirds all Church-wide Programs authorized by The General Conference.
7. It makes provision for every age group in every type of church.
8. Its effectiveness depends upon consecrated teachers willing to study faithfully and to seek training.

Its use will be an effective instrument in the promotion of the emphases of the coming quadrennium.

The First National Conference on Family Life was one of the most significant projects in the teaching and preaching endeavor of The Advance. The General Conference of 1952 made provision for a Committee on Family Life related administratively to the General Board of Education. The Second National Conference on Family Life, made possible by this action of The General Conference, was held in Cleveland, Ohio, in October, 1954, with nearly three thousand persons in attendance. This was a major project of this Committee. Under Bishop Werner's leadership the Committee will make its Report to The General Conference.

The Committee on Education recommends that The General Conference make provision for the continuance of this Committee, to be known as The General Committee on Family Life of The Methodist Church and related administratively to the Division of the Local Church of the Board of Education.

The Committee further recommends that it be the responsibility of the General Committee on Family Life to cooperate with the Department of the Christian Family of the General Board of Education in promoting activities of a creative nature that can be most efficiently engaged in by the Boards working together, including the planning of National, Regional, and/or Area Conferences on Family Life.

It is recommended that the General Committee on Family Life be composed as follows: four Bishops appointed by The Council of Bishops, one of whom shall be designated to serve as Chairman; three Ministers and three Laymen appointed by The Council of Bishops; and the following selected by their respective Agencies: five Staff Members from the Divi-

Whereas, The Ford Foundation has demonstrated an outstanding benevolent spirit through the gift of Special Grants to the 73 hospitals affiliated with the General Board of Hospitals and Homes of The Methodist Church, and:

Whereas, the monetary value of these gifts—in addition to the limitless intangible worth—is in the amount of \$7,462,700, and;

Whereas, in accordance with the stipulations accompanying these grants, they will be used for expansion and development of maximum services to humanity in our Methodist Hospitals, and;

Whereas, the Board of Hospitals and Homes of The

Methodist Church in 1949 established the Methodist Hall of Fame in Philanthropy in recognition of outstanding gifts or service given to Methodist hospitals, homes for aged, homes for children, and homes for youth; Now,

Therefore, Be It Resolved by the 1956 General Conference of The Methodist Church:

I. That this official body of The Methodist Church express its gratitude and sincere appreciation to the Ford Foundation for this humanitarian service, assuring the Ford Foundation that this act of philanthropic giving will serve as an impetus for extended health services of our Methodist Church.

*Calendar No. 20. Adopted May 5, 1956. See Journal,
Page 826.*

The Committee recommends the adoption of the following Resolution and the incorporation of the same in the Appendix of the *Discipline*.

"In His ministry Jesus not only taught and preached the Gospel, He exemplified it by healing the sick and helping the needy. The New Testament (Matt. 9:35) states that 'Jesus went about all the cities and villages, teaching in their synagogues and preaching the Gospel of the Kingdom and healing every sickness.' Among the instructions which He gave the seventy, as he sent them forth, were these: 'Preach the Kingdom . . . Heal the sick . . . Freely ye have received, freely give.' In the Parable of the Good Samaritan He

pointed out that one's love of God is incomplete until it finds expression in relieving human distress.

"John Wesley, founder of Methodism, insisted that our Christian faith, if it is to be vital, must include compassionate service to our needy fellowmen.

"In the light of Jesus' many admonitions and examples and their re-emphasis by John Wesley, The Methodist Church affirms that God has laid upon His people the obligation to care for the sick, the aged, and children in distress and that to accomplish this purpose, hospitals and homes should be established and supported by the Church.

"The Church has a divine mission to meet human need. As our 'brother's keeper' we have a moral obligation to ease suffering. Persons in every walk of life realize the importance of good health and welfare, and this has been strongly emphasized by the United Nations through the establishment of the World Health Organization and other departments with welfare interests and responsibilities. This alone is positive testimony that world leaders recognize that care must be given to people of all ages in all circumstances. We cannot, as a Church, neglect our responsibility to help God's children—because the health and welfare of our Nation—and our world—affects every living person."

The Committee recommends to amend the 1952 *Discipline*, Chapter XIV, **Board of Hospitals and Homes**, Par. 1569.1 as follows:

"include in its responsibility the interest and activities formerly promoted by the White Cross Society of the Methodist Episcopal Church and the Golden Cross Society of the Methodist Episcopal Church, South, and which shall"

Substitute in lines 10 and 11 **"Care for the sick, older persons, children and youth"** for *"hospitalization for the deserving poor, and for the care of the aged and children."*

"There shall be a **Golden Cross Society** of The Methodist Church, which shall promote the Hospitals and Homes Work under the direction of the Board of Hospitals and Homes and shall collect moneys and afford other material assistance in providing care for the sick, older persons, children and youth."

A bold and inspiring venture in Methodist health and welfare is indicated in the Quadrennial Report of The Board of Hospitals and Homes of The Methodist Church, which significantly and uniquely projects a 12-Point Program of Action offering a challenge and a responsibility to The Gen-

eral Conference of The Methodist Church. This is a "look-ahead" seldom seen in Quadrennial Reports, and these suggestions are a worthy extension of the Board's past achievements in the vital area of Human Welfare.

The Committee on Hospitals and Homes recognizes the importance of these 12 points, and is cognizant of the opportunity set forth in the Episcopal Address, concerning Human Welfare, which states in part: "The question of current maintenance, as well as policy of expansion in the establishment of new institutions, calls for a pronouncement and a plan for this General Conference."

The Committee on Hospitals and Homes is pleased to recommend to The General Conference for its thorough and thoughtful consideration, this 12-Point Program of "Christianity in Action":

1. Co-operate, as possible, with National Church and Public Health and Welfare Departments.
2. Develop homes for older persons to meet increasing needs.
3. Develop health and diagnostic centers in unserved rural areas.
4. Develop Centers for care of the chronically ill.
5. Extend Hospital Programs and facilities.
6. Respond to needs of present hospitals and homes of our Church.
7. Develop an adequate Golden Cross Plan.
8. Develop effective Programs of Child Care.
9. Extend rehabilitative services for unwed mothers.
10. Encourage Methodist hospitals and homes to co-operate, as possible, with Public and Private Health and Welfare Agencies.
11. Enlarge Chaplain services in Methodist Hospital and Homes.
12. Emphasize recruitment and training of quality personnel for Christian careers in health and welfare.

This is a challenge for Bishops, Pastors, Local Church Committees on Hospitals and Homes, Conference Boards of Hospitals and Homes, and individual church members to catch the vision, grasp the opportunity and move forward in Christ's name.

This Committee is impressed with the progress made by The Board of Hospitals and Homes, and its Institutions, es-

pecially during the past Quadrennium. Impressive statistics show that there are 204 Hospitals and Homes in the United States affiliated with this Board, with assets of \$325 million, annual operating cost of \$115 million, and free or part-pay services of \$10 million.

But more important than these numbers and dollars is the Christian service rendered to one and one-quarter million persons through the help of 39,000 personnel.

The Committee enthusiastically approves the proposed Quadrennial Program, with the hope that our educational institutions will, also, strengthen professional training in health and welfare.

The Nation and the world give foremost attention to health and welfare. It is the urgent duty of our Church to assume its rightful share of the healing and helping ministry.

The time is now for Methodism to recognize the importance of our Hospitals and Homes. Some are only lightly related to the Church. Neglect and oversight anywhere by the Church may mean the loss of a significant Institution to the Church and the cause of Christ.

This Committee is deeply appreciative of the advancements made in Christian health and welfare by the Board of Hospitals and Homes. The Quadrennial Report shows an unprecedented foresight and wisdom in projecting ways of meeting human need. This Board modestly admits that it will not rest on past achievements, but affirmatively intends to move out in a more effective program of Christian service.

Methodist leaders have traditionally contributed to its Staff and counsel, and The Methodist Church **MORE THAN ANY OTHER DENOMINATION TO ITS** Budget. We commend the Society for its current tasks of preparing revised texts in 66 languages with several concordances, of providing an improved Greek Testament for scholars, of publishing over 15 million copies of the Scriptures annually in 200 languages, of efficient distribution of Scriptures to the personnel of the armed services and to the blind. The Bible is the most effective tool of evangelism and we rejoice that the Society is preparing to **WORK IN** the especially ripe fields in Japan, Africa, Latin America, Korea and Southeast Asia. In its five years of life, the National Council of Churches has shown remarkable vitality in responding to the needs of its constituent Churches, ever cherishing the principle of freedom while achieving unity of action. The Greek Orthodox Church in America has become the thirtieth Communion to join its fellowship which embraces every facet of common enterprise of the Churches, from the launching of a three-year "Share Our Surplus" Program through world service, the ministry to Staff and visitors of 17 great national parks by 90 young men and women from 17 Denominations, combating threats to the freedom of American people, and institutions, promoting Bible reading which broke all publishing records in the sale of three million copies of the Revised Standard Edition within two years, to the study of America's first TV generation fed on the monotony of violence-ridden programs.

We commend the National Council's services which are the responsibility of the Church but which no Communion could do single-handed. We rejoice in the significant part The Methodist Church has played in this ecumenical movement and pledge our continued co-operation and support.

The World Methodist Council, which rooted in the first

Ecumenical Methodist Conference in London in 1881, and which was initiated by The General Conference of the Methodist Episcopal Church had its beginning as a functioning body at Springfield, Mass., in 1947; and Oxford, England, in 1951. It now represents 40 Methodist bodies in 75 countries with a membership of 18,000,000. The Methodist Church in the United States comprises Section No. 18 of the Federation of 25 sections of the World Methodist Council. The World Federation of Methodist Women and the Inter-National Methodist Historical Society are co-operating affiliates.

The notable World Mission of Evangelism under the leadership of Dr. W. E. Sangster of London was the first united program of action undertaken throughout ecumenical Methodism since the days of John Wesley. We commend also the valuable exchanges of pulpits each summer. Widely scattered Methodists have been brought closer together through this acquaintance and fellowship.

Headquarters of the World Methodist Council in the United States is now installed in its own building at Lake Junaluska North Carolina, with offices, library, reading room and museum. Here on September 1-12, 1956, the Ninth World Methodist Conference promises to be the greatest Ecumenical Meeting of Methodists ever held, with large representations of notable leaders from Great Britain, Australia, New Zealand, South Africa and other parts of the world.

This General Conference extends a hearty welcome and sends affectionate fraternal greetings to the Ninth World Methodist Conference and the World Methodist Council. We urge our people to pray for the Conference's success and to familiarize themselves with its Objectives and Program. In such a day as this, it is of the highest importance that the Wesleyan witness be re-emphasized everywhere, and that the Methodists of the world be united in fraternity and understanding. We rededicate ourselves to the ideal expressed by John Wesley when he bade his followers on this side of the Atlantic to "lose no opportunity of declaring to all men that the Methodists are one people in all the world, and are determined so to continue."

The World Federation of Methodist Women, organized in 1939, with its 4,000,000 members in 34 countries, seeks to share the abundant life of Christ with the womanhood and childhood of the world through evangelism, the healing ministries, and educational and social service. In its world-wide meetings it helps unite Methodist mothers and homes in a warm friendship and fellowship that knows no barriers. 1. Paragraph 2005 of the 1952 *Discipline* gives the authorization, composition, and basic functions of the Commission on Church Union.

The official Report of this Commission is given in the "Quadrennial Reports of the Boards and Commissions of The Methodist Church to The General Conference of 1956."

As pointed out in the Report: "The urge toward closer relationship between the Divisions of the Church is today constant and insistent. But those who are enthusiastic about the end result differ as to route."

One group urges cutting across Denominational barriers, and the forming of United Churches wherever possible. This is the pattern followed by some of the Churches in Canada, South India, and Japan.

The other group fears that while such Programs may eliminate certain Denominational barriers they may merely substitute even more difficult National barriers, and warns against using nationalism and national self-interest as a catalyst. This group, looking into the future, would rather see the World Council of Churches as a Council of World-wide Communions—Anglican, Lutheran, Presbyterian, Baptist, Methodist, etc.—than a Council of National Churches. It is the policy of your Commission to explore the various possibilities that may hold promise.

2. World Methodist Council

Many steps have been taken during the Quadrennium in strengthening the ties of the constituent Methodist bodies of the world. While this takes place constantly on many levels, it is perhaps most clearly seen in the function of the World Methodist Council. This Council met in Springfield, Massachusetts, in 1947, in Oxford, England in 1951, and is scheduled to meet at Lake Junaluska, North Carolina, August 28 to September 12, 1956. The Methodists of the world seem definitely to be drawing together.

This trend is seen not only on an Inter-National level, but on a National as well. Under the leadership of the World Methodist Council there have been several meetings with Bishops of the African Methodist Episcopal Church, the African Methodist Episcopal Zion Church, and the Christian Methodist Episcopal Church. There is apparent need for closer co-operation. The future holds promise in that direction. Also in the United States the Free Methodist Church, the Primitive Methodist Church, and the Wesleyan Methodist Church, all affiliate with the World Methodist Council. Similar circumstances prevail in numerous other lands where the different branches of Methodism are at work.

3. The Evangelical United Brethren Church

Historically, doctrinely, and organically, the Evangelical United Brethren Church, and The Methodist Church are very similar. These co-operative bonds have continued through many channels.

During the Quadrennium, friendly conversations have been held between a group of Bishops of the Evangelical United Brethren Church, and Members of the Executive Committee of the Commission on Church Union of The Methodist Church. Both groups have expressed the hope, which is reinforced by several Memorials to this General Conference, that in the not too distant future, negotiations may move in the direction of the union of these two kindred branches of Christendom.

4. Other Groups Sharing Our Tradition and Doctrine

The Methodist Church, through its Commission on Church Union is prepared to join with other groups or Churches, including all those listed above, in moving toward closer co-operation, or in moving toward possible union.

5. Protestant Episcopal Church

Friendly conversations between our Church and the Protestant Episcopal Church have continued through the years. The emphasis during this Quadrennium has centered in the possibility of establishing Inter-communion through an extension of the Orders of the Clergy in each of the two Churches. A suggested possible plan is in the early stages of consideration, and has been presented by the Commission for information and for study.

6. A United Church In U.S.A.

In response to a call by the Federal Council of Churches of Christ in America for discussion of organic union of the Churches in this country in December 1949, the following sent representatives:

Congregational Christian Churches
Disciples of Christ
Evangelical and Reformed Church
The Methodist Church
African Methodist Episcopal Zion Church
Christian Methodist Episcopal Church
National Council of Community Churches

A possible plan upon which these studies may be based, is presented in the Report of the Commission on Church Union for our information.

7. We commend our Commission on Church Union for their labors and leadership in the field of Church Union, and approve the continuation of the Commission as now constituted in Paragraph 2005 of the *Discipline*.

These steps toward closer Ecumenical co-operation are in the spirit of the Episcopal Address of 1956 which states:

"Saving the world is a task under God not for one Church but for all of the Churches working together. From the inception of the Inter-Denominational Co-operative movement, Methodism has been in the forefront of leadership and participation. Believing that the separate resources of the Denominations gain power through uniting, The Methodist Church has striven to become strong in itself and strong through co-operation. . . .

The position of the Methodists regarding ecumenicity is

clear. It was, in fact, fixed by John Wesley who has been called "the most ecumenically-minded of all the great reformers."

We rejoice in the continuing effectiveness of the World Council of Churches. This remarkable fellowship has sharpened our awareness of, and deepened our faith in, the essential unity of all Christians everywhere. Its ministry is evidenced in a most practical way.

The World Council of Churches includes 162 Denominations in 47 nations co-operating in a common Christian witness in service to human need, mainly to refugees. During 1955, over 12,000 homeless from eastern Europe were resettled, a ministry was continued to 900,000 Arab refugees in the Near East, to war sufferers in Korea, flood victims in India, Pakistan and Laos, and to the Mau Maus in Kenya. Thirteen hundred Ministerial Students have been given a year of training in another country other than their own. All this was at a total cost in excess of \$33,000,000.

Studies have been inaugurated to help Churches in the West as well as those in under-developed countries to examine their own mutual responsibilities: to the social, economic, and political conditions everywhere; to the prevention of war in an atomic age; and, to a new evaluation of Christian evangelism in relation to non-Christian religions.

One outstanding contribution to world understanding across all barriers of race, creed and nations has been the simple plan by which young people of the Churches share in mutual helpfulness in work-camp projects. Another is the training at the Ecumenical Institute at Lake Geneva, of both Laity and Ministers in their witness to Christ through

daily occupations. Still another develops a Christian mind on world issues by friendly contacts with key personnel of the United Nations.

We commend this effective witness to Christ in the world-wide ministries of the World Council of Churches. We re-affirm, as Methodists participating in this united fellowship the statements of the 1954 Assembly of the World Council of Churches, which challenged us to reach the unchurched of the world for Christ, and expressed faith in the sufficiency of Jesus Christ in meeting the needs of all men.

We re-affirm our oneness in Christ, believing that by faith and practice we can give witness in the World Fellowship to this essential position. This oneness is expressed, we believe, through a Church only partially realized, but growing in the world and moving inevitably toward a greater ministry.

We re-affirm that diversities in the Church can be understood and utilized for good only as we maintain the unity in Christ as believed and taught in the New Testament. Progress toward unity amidst disunity is being made in the historical order of our day, as we build the world fellowship of Christ, both in His spirit and upon His word.

We re-affirm our support of the World Council of Churches, and our faith in its Program, by sharing in the various phases of its responsibilities and in its Financial Budget.

REPORT NO. 1. JUDICIAL ADMINISTRATION

M, 26; P, 18; F, 18; A, 0; N, 0

Adopted by the Committee, April 30, 1956

SUBJECT: ELECTION OF ALTERNATE MEMBERS OF THE
JUDICIAL COUNCIL

MEMORIALS: SERIAL NOS. 2602, 2957

*Calendar No. 35. Adopted May 1, 1956. See Journal,
Page 395.*

The Committee recommends the following:

Amend Article 2 of Par. 901 by deleting the words "*a like number of*" and inserting in place thereof the word **six**, in the first Paragraph, and by adding to the second Paragraph the following sentence: "**Provided, however, that at the 1956 session of The General Conference two Ministerial and one Lay Alternate shall be elected for a term of four years, and three Ministerial and three Lay Alternates shall be elected for a term of eight years,**" so that said Paragraphs as amended shall read as follows:

Article 2. Alternates. There shall be six Alternates of each Class, and their qualifications shall be the same as for membership on The Judicial Council. The term of the Alternates

shall be for eight years: provided, however, that an Alternate whose 70th birthday precedes the first day of the regular session of a General Conference shall be released at the close of that General Conference from membership or responsibility in The Council regardless of the date of expiration of his term of office.

The Alternates shall be elected in the manner following: From the nominees of each Class remaining on the ballot after the election of the necessary number of Members of The Judicial Council to be elected at sessions of The General Conference. The General Conference shall by separate ballot, without discussion and by majority vote, elect the number of Alternates of each Class to be elected at such session of The General Conference. An election shall be held at each session of The General Conference for only the number of each Class whose terms expire at such session of The General Conference, or to fill vacancies: *provided, however, that at the 1956 session of The General Conference two Ministerial and one Lay Alternate shall be elected for a term of four years, and three Ministerial and three Lay Alternates shall be elected for a term of eight years.*

Amend Article 3 of Par. 901 by striking out the first two Paragraphs, which ~~reads as follows~~:

Art. 3. Vacancies.—If a vacancy or vacancies in the membership of The Judicial Council occur during the interim between sessions of The General Conference, they shall be filled by the Alternate or Alternates of the same Class or respective Classes in the order of their election as Alternates, and they shall hold office as Members of The Judicial Council for the unexpired term of the Member whom each respectively succeeds. In the event of any vacancy it shall be the duty of the President and Secretary of The Council to notify the Alternate entitled to fill it.

In the event of the enforced absence of one or more Members of The Council at or during a session of The General Conference, such temporary vacancy or vacancies may be filled for that session of The General Conference, or the remainder thereof, by an Alternate or Alternates of the same Class or respective Classes in the order of their election: provided that nothing in this provision shall affect the validity of any action of The Council so long as a quorum is present.

Vacancies. If a vacancy in the membership of The Judicial Council occurs during the interim between sessions of The General Conference, it shall be filled by an Alternate of the

same Class and from the same Jurisdiction as that of the Member whom he succeeds, if there is such an Alternate, and by the first elected if there is more than one. If there is no Alternate of the same Class and Jurisdiction the vacancy shall be filled by an Alternate of the same Class in order of election. The Alternate filling such vacancy shall hold office as a member of The Judicial Council for the unexpired term of the Member whom he succeeds. In the event of any vacancy it shall be the duty of the President and Secretary of The Council to notify the Alternate entitled to fill it.

In the event of the enforced absence of one or more Members of The Council at or during a session of The General Conference, such temporary vacancy may be filled for that session of The General Conference, or the remainder thereof, as provided in the foregoing Paragraph; *provided*, however, that nothing in this provision shall affect the validity of any action of The Council so long as a quorum is present.

Whereas, by action of the 1948 General Conference the expenses to succeeding General Conferences of Members of The Judicial Council retiring at that session were authorized to be paid; and,

REPORT NO. 8. LAY ACTIVITIES

M, 93; P, 66; F, 66; A, 0; N, 0

Adopted by the Committee, April 27, 1956

SUBJECT: REPORT OF THE SECOND ASSEMBLY OF THE WORLD COUNCIL OF CHURCHES

MEMORIAL: SERIAL NO. 2650

Calendar No. 25. Adopted May 4, 1956. See Journal, Page 676.

The Committee recommends the adoption of the following Resolution:

Whereas, The Council of Bishops has asked The General Conference to express itself on the Report from the Second Assembly of the World Council of Churches held in Evanston, Illinois, August 15-31, 1954, specifically Part VI entitled "*The Christian and His Vocation*," and

Whereas this Report points out that:

1. "Clergy and laity belong together in the Church; if the Church is to perform her mission in the world, they need each other. . . . It is the laity who draw together work and worship; it is they who bridge the gulf between the Church and the world. . . . This, and not some new order or organization, is the Ministry of the Laity."

2. "It would appear that . . . The effort to apply the Gospel to the world of work has been relatively slight."

3. "This gulf between the Church and the life of the world can be bridged by those who have a Christian view of work . . . (which is, that) all work honestly done, whether under-

taken for the sake of earning a livelihood, or for the sake of the community, or out of spontaneous joy in creative effort, has genuine value and meaning in the purpose of God."

4. "The time has come to make the Ministry of the Laity explicit, visible and active in the world. The real battles of the faith today are being fought in factories, shops, offices, and farms, in political parties and government agencies, in countless homes, in the press, radio and television, and in the relationship of nations."

5. "Many people are conscious that they are ill equipped for their task of ministry. The following suggestions are put forward:

(a) "Worship and Bible reading is the first task."

(b) "Theology is not for clergy only; it must be accessible to lay people in a form which they recognize as relevant."

(c) "The home should become a place where children grow up to regard work and occupation as a sphere of Christian vocation."

(d) "Mutual care of (Church) members by each other as well as by the clergy is needed in the Church."

(e) "Christians from the same or related occupations should have some opportunity to meet occasionally. In fellowship with Christians in similar work they can study and discuss common concerns, including problems of the structure of their occupation, in the light of Christian faith."

Therefore, Be It Resolved, That

1. We heartily endorse this emphasis on "the Ministry of the Laity," and

2. That we commend it to our churches for study and discussion.

Whereas, many Christians in the younger Churches of Methodism—the Missionary Conferences, the Central Conferences, the Provisional Annual Conferences, and the Affiliated Autonomous Methodist Churches—reflect a Living Witness of a living Faith in their lives and in their work; and

Whereas, thousands of men and women and youth, members of The Methodist Church in the United States, as well as the vast host of the uncaptured, would be persuaded to commit their lives to Christ and to live with new devotion to His cause, by contact with leaders from the younger Churches, and by their witness concerning their faith; therefore

Be It Resolved, That the Board of Missions and the Board of Evangelism be requested to co-operate in 1958 in a "Mission to America," that outstanding leaders and preachers of the younger Churches be invited to the United States to give witness to their triumphant faith, and to lead the Methodists of America toward a great spiritual awakening, and to a deeper devotion to the Gospel of Jesus Christ.

Whereas, the problems which confront humanity in this century are such that men are seeking for knowledge and assurance which will stand the test of time and experience; and

We believe that the greatest opportunity in the history of The Methodist Church lies immediately before us. The United States of America faces an era of unprecedented population growth. There will be a net gain of more than 63 million people in this country in the next 20 years (more than 3 million a year). The Christian Church must reach these people. In addition, there are already more unchurched people in this country—nearly 70 million—than was the total population in 1890.

The Methodist Church, currently the largest Protestant Denomination in the United States, must help the Local Church to motivate its members and enlarge its Plans and Program to reach these millions of new people in new communities.

Therefore, we call upon The General Conference to re-

quest its Boards and Agencies to emphasize the reaching and developing of the spiritual life of these people in expanding America. An evangelistic emphasis similar to that now being planned throughout the world by the Division of World Missions needs to be made throughout the 48 States and Territories by our Local Churches and their members.

To this end we request our Board of Evangelism to give particular attention to assisting the Local Churches in motivating their members and leading them in an Intensive and Extensive Evangelistic Program, which will result in thousands of new churches, an adequate supply of new Ministers, and the reaching of millions of unchurched persons for Christ and his Church.

This **outreach** is imperative, and our General Conference pledges itself to a dynamic program of Evangelism for Methodism.

SUBJECT: WORLD WIDE PRAYER

MEMORIAL: SERIAL NO. 4836

Calendar No. 122. Adopted May 7, 1956. See Journal, Page 966.

Under the simple guidance and consecrated direction of the General Board of Evangelism, the years 1955 and 1956, thus far, have witnessed a tremendous upsurge of voluntary and fervent prayer that has been a spiritual blessing to the whole world. We thank the Board of Evangelism for this splendid leadership. The prayer groups, prayer chains, prayer vigils, prayer circles and personal, private prayer habits that have been established need to be continued and multiplied by the voluntary participation of many millions of Christians through the world.

In 1857, a prayer movement started by a single person, and then a group, in the historic John Street Church in New York City, became one of the most vital spiritual influences of last century. Pray God that 1957, the centennial year of the beginning of that prayer movement, will find Methodists everywhere on their knees and Christians all over the world praying individually and in groups, until truly there will be a World Wide Prayer Movement that will help accomplish the will of God and establish the Kingdom of Christ on our earth.

We call upon The Methodist Church to,

1. To reaffirm its faith in the efficacy of individual prayer and in the power of united prayer of persons devoted to the will of God;

2. To urge all Methodists, individually and collectively, to cultivate the prayer habit until prayer becomes natural to them and they pray without ceasing.

3. To go on record as desiring and inviting all people throughout the world "who name the name of Christ" to co-operate in making the year 1957 the greatest year of prayer for peace, for brotherhood and for personal commitment to God that this world has ever known.

The General Conference Committee on Evangelism has received and reviewed the Report of the General Board of Evangelism as printed on pages 43 through 65 of the Quadrennial Reports of 1956. We commend the General Board of Evangelism for the very effective work it has done throughout the quadrennium in all phases of evangelism. We recommend the Projected Program in the Report to the new Board of Evangelism for the 1956-60 quadrennium.

We wish to call especial attention to

1) Church Membership Conservation noting that The General Conference of 1952 (*Discipline* Par. 119) provided the General Board of Evangelism shall act as a clearing house in an attempt to secure transfer of membership of persons who have moved to other places and where the name of the Pastor or District Superintendent is unknown.

2) The Report of the Committee on Message which Report will be entitled the "Call to Evangelism" and deals particularly with opportunities in Evangelism because of the expanding populations and vast armies of unchurched folks.

3) The fact that the whole wide world awaits the evangelistic zeal of a great Methodist Church which is devoted to Jesus Christ and inspired by an urgency to reach every person throughout the world for the One who makes new men and a new world.

SUBJECT: AUTHORIZE EVANGELISTIC MOVEMENT

MEMORIALS: SERIAL NOS. 2821; 2827

Calendar No. 124. Adopted May 7, 1956. See Journal, Page 966.

We present the following call to Evangelism and direct its publication in the Appendix of the 1956 *Discipline* of The Methodist Church pertaining to Miscellaneous Resolutions:

Evangelism is the heart of the Church. If it is sound, all that is the Body of Christ is athrob with vital power. If it is strong, every concern and activity which belongs to the body of Christ is carried forward with competence.

We believe the Church has arrived at an hour of supreme opportunity. This is true in terms of unprecedented population growth, especially in the United States of America. Present trends indicate there will be a net gain of more than 63 million in this country in the next 20 years. This of itself calls for an intensive and extensive Program in evangelism which will result in the establishment of thousands of new churches, the recruiting and training of thousands of new Ministers, and the reaching of millions of unchurched persons for Christ and His Church.

The Church's opportunity rises even more urgently from the total world and from issues of far greater import than population expansion. In this respect, when has Jesus Christ stood more tall against the skyline of past events and future needs? When have men been more willing to give Him a hearing? When has the world been more in need of Him? Where is the salvation to compare with the new men and new world which can be born through Him?

Devotees of economic and political secularism in our times, whether of the right or left, would correct evil and create justice by external law and coercion. Indeed, they ignore or deny the existence of a God who alone can do this. So even the good they would do is destroyed in the end by the evil which abides unconquered in their hearts.

Salvation gained through Christ begins within. Christianity conquers evil and creates goodness first within the heart and mind. It links men with the love, power, and wisdom of God. Then through men whose hearts God has cleansed, whose thoughts God directs, and whose deeds God empowers, Christianity conquers evil and establishes the good..

Only Christ-like people working under the empowerment and direction of a Christ-like God can create and sustain a world which can long exist in this Atomic Era.

Let it be understood, events of these turbulent times will not wait patiently for our convenience. The world has been in the forge of great travail. It now is upon the anvil, flaming hot. It is soft and malleable. Almost anything can be made of it, from Paradise beyond our dreams to hell more hideous than our worst fears. For a few fleeting years we are the man at the anvil. Soon the metal will harden and what we have made, we have made.

While strategy for wise and co-ordinated endeavor in the Local Church, a Denomination, and throughout Christendom must be a constant concern; the major responsibility for meeting this evangelistic opportunity rests upon the personal response of each Christian in his opportunity to be a witness.

People ask, "What is the answer to the menace of modern Communism, the decay of secularism, the threat of American jingoism? What is the way to sanity and hope? What can remedy the sickness now threatening civilization with death?"

For those who know Jesus Christ, there is a sane and conquering answer. For them it is not fearful withdrawals behind shrill denunciations of Communism nor cautious protests against American materialism. It is a bold and practical action which operates at the grass roots, which overcomes weeds by planting something better. It is the unending, ever-increasing, irresistible impact of every Christian doing what he can where he is as a Witness in life and word for Jesus Christ.

Without a Witness truth is impotent. It has neither feet nor voice. It may be buried under ignorance, shunned through indifference, forgotten in silence, lost in superstition, betrayed by rumor. It has no vital life, no way to reach and rule the minds of men. It is helpless, captive.

It is the Witness who sets truth free, gives it legs to stride the globe, a voice to recruit obedience. The Witness liberates truth; lets it become the incandescence of wisdom, the tool of science, a dynamic for morality, the foundation for faith, even the hand of God.

Thus the last request made by our Lord of His friends was, "Be my Witness." Even before they were first called Christians, they had another name, Witnesses! The New Testament, the Church, indeed all Christian history from that day to this is the evidence of Christians at work as Witnesses.

So the Christian Church was born in a dying world among doomed men. During centuries when the best harvest of all that mankind had achieved in millennia past sickened and perished, there emerged in the Providence of God a new and mighty mother for a new and nobler culture. Those first friends of our Lord, in obedience to His request, brought new life to doomed men. Of their Witnessing a new humanity was born, a new world established.

So the saving truth revealed by Jesus Christ has lived and grown through the centuries. Empires have risen and fallen. But that Truth has lived on. It has traversed the centuries and spanned the continents because always there were valiant hearts whose lips gave it voice, whose feet gave it transport, whose lives gave it authority. By Witnesses it came to us. By Witnesses it lives and works among us in redeeming power today.

As our Lord trusted His first friends, so He trusts us. Upon us rests even a greater debt of honor. As their Witness was needed by doomed men in a dying world, no less is ours. As obedience to their responsibility lifted their little lives into significance far beyond their imagining, so may we be lifted.

We who wish to be known as the friends of Jesus Christ have our chance now. The Church has arrived at the hour of unsurpassed opportunity. If we believe in Him and will serve Him, the time is now! "... behold, now is the accepted time; now is the day of salvation."

We hereby direct the General Board of Evangelism to publish this Call to Evangelism in pamphlet form and circulate it through the Church.

Whereas, The Methodist Church now provides for the licensing and ordaining of women who are called to preach, and

Whereas, the area of Deaconess Work, hitherto exclusively for women, seems unable to attract or recruit sufficient women to meet the demand, and

Whereas, the appointive system would impose certain hardships on the woman itinerant pastor,

Therefore, Be It Resolved, That this General Conference retain its present policy as it relates to Candidates for the Traveling Ministry, as stated in Paragraph 313. (1952 *Discipline*)

SUBSTITUTED FOR MAJORITY REPORT AND ADOPTED May 4, 1956. See Journal, Pages 749-752.

We, the undersigned, do not concur in the recommendation of the Committee on the Ministry, limiting the tenure of a Bishop in any one Area to two successive quadrenniums, becoming effective in 1960.

We call attention to the present legislation (Par. 440 of *The Discipline*) which enables the Jurisdictional Conferences to reassign their Bishops every four years where desirable.

We therefore move that the present legislation embodied in Paragraph 440 be retained unaltered and that the Minority Report be substituted for the Majority Report.

The Commission shall render such other services to these Chaplains as may be referred to it by The Council of Bishops.

After the word "elect" in line 6, of Par. 1582 delete the words: "*one advisory member from each Department of the Armed Forces, from the Veterans Administration, and from other fields of service where Methodist Chaplains are serving.*"

field in any Conference, or to a church in a foreign country outside the boundary of a Mission or Annual Conference, *provided* that the presiding Bishop and a majority of the District Superintendents recommend election to the Order of Deacon.

Add a new Section 6—Chaplains to read as follows: **“6. Chaplains—Those Preachers On Trial who in time of urgent need are to be appointed by a Bishop as a Chaplain on full time duty with the Armed Forces or other Agency related to the Commission on Chaplains, *provided* that the presiding Bishop and a majority of the District Superintendents recommend election to the Order of Deacon.**

Paragraph 402. In Section “6—Missionaries” in lines 2, 3, 4, 5, strike out the words: *“to a Chaplaincy in the Army or Navy or Air Force, or in a hospital, prison, reformatory, sanatorium, or a charitable institution, or”*

Add a new section: **“7. Chaplains”** to read as follows: **“7. Chaplains—Those who are Members of, or have been Received On Trial in, an Annual Conference and who in the time of urgent need are to be appointed as a Chaplain on full time duty with the Armed Forces or other Agencies related to the Commission on Chaplains.**

The approval shall be based on compliance with Paragraphs 304-5, 315, 675 and shall expire unless renewed on the same basis at the next regular Conference session. It does not guarantee an Appointment but merely certifies eligibility. An Appointment made thereunder may be terminated at any time during the Conference year by a majority vote of the District Superintendents.

Their Ordination Credentials may be recognized as valid in The Methodist Church while they are serving therein.*

In the first sentence, after "An Unordained" insert **Approved Supply**; after "Pastor of a Charge," change *may* to **shall**; after "within the bounds of" delete *his pastoral* and insert **the**; after "Charge" add **to which he is assigned**. 2. The Conference Board of Ministerial Training and

Qualifications shall recommend annually to the Annual Conference those who have met the requirements to become Approved Supply Pastors for the ensuing year, classifying them in one of the following categories:

(a) Approved Student Supply Pastors who are in schools, colleges or seminaries **accredited or approved by the University Senate or by the State Accrediting Agency** preparing for Conference Membership;

(b) Approved Part-time Supply Pastors other than students;

(c) Approved Full-time Supply Pastors who **have met requirements of Paragraph 320.**

3. Between sessions of the Annual Conference a Local Preacher not on the Approved Supply Pastors list **may be appointed as a Supply Pastor.** If he fails to be approved at the following Conference session, he cannot thereafter serve as a Supply Pastor **until he is approved.**

4. The Conference Board of Ministerial Training and Qualifications may recommend annually to the Annual Conference students of other Denominations enrolled in a school of theology **accredited or approved by the University Senate** to serve as Student Pastors for the ensuing year under the supervision of a District Superintendent.

(b) each succeeding year he shall be enrolled as a regular full-time student in a pre-theological or theological course in a college, university, or seminary accredited or approved by the University Senate, or by the State Accrediting

Agency, or have passed one full year of the Course of Study looking to Full Ordination. Failure to complete one full year annually shall cause suspension of this privilege. In all missionary fields abroad the conferring of such authorization shall rest with the Central Conference in which the Pastor serves.

Par. 316. Delete Paragraph 316.

¶ 316. *The approval of a Local Preacher as a Supply Pastor does not guarantee him an Appointment. The list of Approved Supply Pastors is merely an eligibility list from which Supplies can be appointed, and not a roll of those entitled to Appointment. Such listing shall not be for more than one year at a time, and an Approved Supply Pastor may be relieved of his charge at any time during the Conference year by a majority vote of the District Superintendents.*

Par. 319. In Paragraph 319 delete the last sentence beginning *Upon the discontinuance* and insert the following: **If at any time the Conference declines to renew its approval of an Unordained Supply Pastor, the District Committee on Ministerial Qualifications may renew his License to Preach for one year; further renewal shall be subject to the provisions of Paragraphs 304-5.**

The Courses shall be taken by correspondence, or part by correspondence and part in a Standard Pastor's School or Summer School for Ministerial Training, except that credits for the Courses of Study may be accepted from the schools of theology and colleges, as described in ¶¶ 326-27. Any Approved Supply Pastor who fails to observe the requirements of this Section, or who shall fail to complete two years of the Course of Study within four years and the entire Course within eight*

years, shall not be employed by a District Superintendent.

and a new Paragraph inserted which shall read as follows:

Paragraph 320. All Approved Supply Pastors shall meet the educational requirements of Paragraph 306, Sub-sections C, 1, or 2. Any Approved Supply Pastor who shall fail to meet these requirements shall not be appointed by a District Superintendent. (See Paragraph 331.)

The following changes are recommended in Part II, Chapter III, Section I, 1952 *Discipline*, Paragraphs 321-332, pages 109-113.

Paragraph 321. The first paragraph of Paragraph 321 shall be rewritten and shall include Paragraph 328. The latter part of the Paragraph comprising the five questions remains unchanged with these exceptions: change (4) to (5), change (5) to (6); insert as (4) the question if you are married, is your wife in sympathy with your ministerial calling and willing to share in the sacrifices of your vocation?

Paragraph 321 as amended will read:

Paragraph 321. The first step into the Traveling Ministry of The Methodist Church is Admission on Trial into an Annual Conference. A Member on Trial is on probation as to his character, his preaching, and his competency as a Pastor. During this period the Church determines whether he is worthy of becoming a Full Member of the Conference. A person On Trial may be discontinued without any reflection on his character.

A candidate for the Traveling Ministry may be Admitted on Trial by vote of the Ministerial Members of an Annual Conference upon recommendation of the Board of Ministerial Training and Qualifications after meeting the following conditions:

C. He must have met the educational requirements (Paragraphs 322, 324, 2044 FF.).

D. He must present a satisfactory certificate of good health, on the prescribed form, from a physician approved by the Conference Board of Ministerial Training and Qualifications. The Annual Conference may require psychological

tests to provide additional information on the candidate's fitness for the ministry.

E. He must file with the Conference Board of Ministerial Training and Qualifications, in triplicate, on the prescribed form, satisfactory written answers to such questions as the Board may ask concerning his age, health, family, religious and church experience, call to the Ministry, educational record, and plans for his service in the Church. The following questions shall be included:

(1) Are you convinced that you should enter the Ministry of the Church?

(2) Are you willing to face any sacrifices that may be involved?

(3) Are you in debt so as to interfere with your work, or have you obligations to others which will make it difficult for you to live on the salary you are to receive?

(4) If you are married, is your wife in sympathy with your ministerial calling and willing to share in the sacrifices of your vocation?

(5) Are you willing to make a complete dedication of yourself to the highest ideals of the Christian ministry and bear witness to the same by your abstinence from the use of tobacco and other indulgences which may injure your influence, consecrating yourself to purity of life in body, in mind, and in spirit?

(6) Will you keep before you as the one great objective of your life the advancement of God's Kingdom?

Paragraph 322 shall be deleted

¶ 322. *It is expected of all candidates for the ministry that they shall complete a four-year college Course of Study leading to a Bachelor of Arts degree, or its equivalent, and complete a Course leading to the Bachelor of Divinity, or an equivalent degree, in a theological school accredited or approved by the University Senate. Any Conference may designate a Bachelor of Divinity degree, or its equivalent, from a school of theology accredited by the University Senate, as the minimum educational requirement for Admission into that Conference. (See ¶ 323.) When college and seminary academic work is submitted for "equivalent credit" in subjects of the Regular Courses of Study, it shall be evaluated by the Section of Ministerial Education. The Director of an Approved Correspondence School (¶ 2041 § 5) shall send a Certificate of Credit for work completed in that Institution, in duplicate, to the Conference Board of Ministerial Training and Qualifications. Such Certificates,*

after use, must be retained in a file by the Board. In the following Paragraphs, where academic credit is allowed, the above procedure shall be observed.

A candidate for Admission on Trial in an Annual Conference must be a graduate with a Bachelor of Arts degree, or an equivalent or higher degree in liberal education, from a college accredited by the University Senate, or from a college approved by the University Senate for qualifying candidates for Admission to an Annual Conference; provided that, under special conditions, the Annual Conference may by a three-fourths vote admit a candidate in the following cases:

A copy of these statements of particulars must be filed with the Registrar of the Board as a part of the Candidate's Record of Qualifications. A candidate admitted into Full Connection under this provision, after his completion of the four-year Conference Course of Study, shall be required to pursue two years of such Graduate Study as may be prescribed by the Section

The Committee on Ministry has reviewed the Quadrennial

Report of the Commission on Chaplains, as submitted to The General Conference.

We desire to commend the Commission for its effective work in making possible the extension of the Church's ministry to many thousands of persons in the Armed Forces, in all parts of the world; and to others in various institutions and aspects of our national life.

Through Chaplains, the missionary and evangelistic work of the Church has been extended greatly.

We call upon the Church to give increased attention to and support of an increased program of institutional Chaplaincy.

With the constantly increasing populations in mental, public health and correctional institutions, we must not neglect those who so greatly need a spiritual ministry.

Whereas: It appears that the position of Cadet Chaplain at the Military Academy, West Point, New York, is filled under procedures not conforming to the provisions of the National Defense Act 1916 as amended 1920, which Act provides that Chaplains of the Army will be recommended for Appointment in the Army by the Army Chief of Chaplains.

Under the procedures indicated above Career Army Chaplains have been and are excluded from assignment to this duty,

Whereas: It appears that the corresponding positions of Chaplain in the Naval and Air Force Academies are filled by Chaplains selected from the Chaplains on duty in the U. S. Navy and the U. S. Air Force respectively,

Whereas, It appears desirable, in the absence of evidence to the contrary, that the procedure in providing for this important ministry to the Cadets in these Institutions should be the same as those applied to the Appointment of Chaplains on duty at other educational and training centers of the Armed Forces.

Whereas: The General Commission on Chaplains, com-

prised of 58 Protestant Bodies, of which body The Methodist Church is a member, has been authorized to endeavor to have the situation at West Point, as indicated above, changed whereby all Chaplains at West Point will be selected from Chaplains of the Army,

Whereas: Various other supporting Member Denominations of the General Commission on Chaplains, namely: The Presbyterian USA, The Presbyterian U.S., The American Baptist, The Congregational Evangelical, and The Disciples of Christ, together with consultative members namely the Southern Baptist, and the major Lutheran bodies, have in their respective legislative bodies, passed Resolutions, approving and supporting the efforts of the General Commission on Chaplains related to this question.

Therefore: Be It Resolved, That The Methodist Church, through its General Commission on Chaplains in its efforts to have the proper military and legislative authorities provide that all positions for Chaplains in the Army, including The Military Academy, be filled in accordance with the provisions of the National Defense Act 1916 as amended 1920.

The Committee recommends that Chapter V, Section V, Paragraph 1237.6, of the 1952 *Discipline* be amended as follows:

The Committee recommends the adoption of the following Resolution:

Whereas, Paragraph 1108 of the 1952 *Discipline* provided for at least one assembly during the 1952-56 quadrennium at which the Programs of all General Agencies should be presented;

Whereas, the Paragraph provided that the Joint Assembly should be held at the time and place of the annual meetings of the Boards and Agencies;

MEMORIAL: SERIAL No. 3429

*Calendar No. 53. Adopted May 5, 1956. See Journal,
Page 796.*

The Committee recommends adoption of the following Resolution:

Whereas, The General Conference of 1952 took notice of the population growth of our nation and the development of new communities by recommending that special attention be given to Church Extension needs during the quadrennium 1952-1956, and

Whereas, the plans developed upon an Area or Conference level as recommended by The General Conference are making possible the organization of many new churches in rapidly growing communities, and

Whereas, there are reliable studies and surveys available to indicate that these population increases and shifts in population will necessitate a continuing Program of Church Extension for years to come, as for example, the Survey of Church Needs of America by the National Association of Manufacturers, which recommends that at least 5,250 new churches be established each year for the next twenty years, and

Whereas, The Methodist Church should strive to meet its responsibility and opportunity by responding to this great challenge.

Therefore, Be It Resolved, That The General Conference give thorough consideration to Church Extension opportunities, developing a General Plan for a continuation of this emphasis and leaving the details to the Areas and Conferences to work out.

The District Superintendents, District Missionary Secretaries, the Presidents and full-time Executives of City or District Missionary Societies may be members of the Conference Board of Missions, at the discretion of the Annual Conference.

Par. 1229. 3. **The Conference Board at least quadrennially, in consultation with the Cabinet and, where advisable, with City or District Missionary Boards or Societies, shall provide for a survey of the Church-Extension needs of its several Districts, placing special emphasis upon the unchurched areas, with a view to determining in each what should be the overall financial objective. Due consideration shall be given to the responsibility of the Division of National Missions for Areas requiring missionary and Church-Extension aid beyond that which the Conference is able to provide. From this study an adequate Conference-initiated financial Program shall be formulated with a view to meeting these needs. A priority list of projects to be developed shall be prepared. Par. 1320. Change the period at the end of the Paragraph

Appendix. Include the following Paragraphs in the Appendix of the *Discipline*. (They appeared as Pars. 275-279 in the 1948 *Discipline* and are now presented in revised form.)

Church and Community Co-operation in Town and Country

It is in active participation in the life of the local community that an individual becomes a unit in our total society. Because of this, the Church should assign its pastors and plan its Program to serve the total Parish Area. The stronger town church and the adjacent rural churches should work together to meet the needs of the Area. This gives an adequate basis for Circuit, Parish and Group Ministry plans.

An effective Denominational Church serving every rural community is our primary objective. Federated and Union Churches have given good temporary service in some fields; but they should become part of a Denomination within two or three years. Mutual exchange, Denominational withdrawal, and affiliated membership are among the methods found helpful. Denominational overlapping and excessive competition in over-churched Areas should be corrected. We support allocation of Denominational responsibility in new fields, in order to avoid each Denomination establishing a church for its own constituency. We would name the State Council of Churches, wherever possible, as the Agency through which this allocation is made.

The Group Ministry is a voluntary plan of co-operation and association of churches in a natural geographic or political area to make better use of Ministerial and Lay leaders. A Council composed of Ministerial and Lay representatives from each church is the usual form of organization. This ministry may be organized either Denominationally or Inter-Denominationally.

The Larger Parish is usually organized with one Minister as Chairman. He directs the work of a Staff of specialized workers. The Parish is guided by a Council made up of representatives elected by the co-operating Churches. The purpose of the Larger Parish is to serve effectively the entire constituency of the Area through the sharing of leadership, resources and information. This sharing can greatly aid the work of the church in a given community or group of communities. The Larger Parish may be either Denominational or Inter-Denominational.

The Parish Area: A clear designation of Parish Boundaries is necessary in order that there may be pastoral responsibility for every family within a Parish, and in order to avoid duplication of effort and competition between Methodist churches.

Recommended Changes in Constitution of Board of Church Extension of the Methodist Episcopal Church, South (Enabling act).

Art. I of the Constitution now reads: "There shall be a Board of Church Extension of the Methodist Episcopal Church, South, consisting of a President, Vice President, Secretary, Treasurer, and thirteen Managers to be elected quadrennially by the Division of National Missions of the Board of Missions of The Methodist Church; the Officers and Members of the Board of Managers shall continue in office until their successors are elected and accepted. The Bishops of the Southeastern and South Central Jurisdictions shall be, *ex officio*, Members of the Board. Vacancies occurring in the interim of the regular elections shall be filled by the Board or its Executive Committee."

Amend the article by adding "Assistant Secretary" and "Assistant Treasurer," to the list of Officers, and the words "and such other Officers as this corporation may deem necessary." Before the word "Bishops" in line 5, add the word "effective"; after the word "Jurisdictions" in line 6, add the words "the principal geographical area of the former Methodist Episcopal Church, South."; in line 7, substitute the words "said Division" for the word "Board."

Art. I as amended shall read:

There shall be a Board of Church Extension of the Methodist Episcopal Church, South, consisting of a President, Vice-President, Secretary, Treasurer, Assistant Secretary, Assistant Treasurer, and such other Officers as this corporation may deem necessary, and thirteen Managers to be elected quadrennially by the Division of National Missions of the Board of Missions of The Methodist Church; the Officers and members of the Board of Managers shall continue in office until their successors are elected and accepted. The effective Bishops of the Southeastern and South Central Jurisdictions, the principal geographical area of the former Methodist Episcopal Church, South shall be, *ex officio*, Members of the Board. Vacancies occurring in the interim of regular elections shall be filled by said Division or its Executive Committee.

Art. 8 of the Constitution now reads: "The Secretary shall conduct the correspondence of the Board, under its

direction, and shall be subject to the authority and control of the Board and of the Division of National Missions of the Board of Missions of The Methodist Church, by whom his salary shall be fixed and paid. He shall reside where the Board is located."

Amend the Article by omitting the final sentence, "*He shall reside where the Board is located.*"

Art. 3 as amended shall read:

The Secretary shall conduct the correspondence of the Board, under its direction, and shall be subject to the authority and control of the Board and of the Division of National Missions of the Board of Missions of The Methodist Church, by whom his salary shall be fixed and paid.

REPORT NO. 11. MISSIONS

M, 104; P, 72; F, 63; A, 9; N, 0

Adopted by the Committee, May 1, 1956

SUBJECT: BOARD OF MISSIONS PROPOSED LEGISLATIVE CHANGES (SUPPLEMENTARY REPORT GROUPING PROPOSED CHANGES IN LEGISLATION ON CHURCH PROPERTY)

MEMORIAL: SERIAL No. 3418

Calendar No. 102. Adopted May 7, 1956. See Journal, Page 957.

The Committee recommends that the 1952 *Discipline* be amended as follows:

Par. 157, *Section 2*, change period at end of section to semicolon and add the following words: "*Provided, that the Quarterly Conference may appoint a Committee of not less than three members of such church to serve as a Building Committee to perform all the duties outlined in Par. 192.*", so that Par. 157.2, as amended shall read:

Paragraph 157.2. To direct the Board of Trustees with respect to the purchase, sale, mortgage, incumbrance, construction, repairing, remodeling, and maintenance of any and all property of the Local Church; *provided, that the Quarterly Conference may appoint a Committee of not less than three members of such church to serve as a Building Committee to perform all the duties outlined in Par. 192.*

Par. 171. *Section 1*, line 4, delete the word "*fourteen*" and substitute therefor the word "*ten*." After the word "*there-*to" add in parentheses the words "*(except as State laws*

may otherwise provide)," so that Par. 171.1, as amended shall read:

Paragraph 171.1. Notice of the proposed action and the date and time of the regular or special meeting of the Quarterly Conference at which it is to be considered shall be given at least **ten** days prior thereto (**except as State laws may otherwise provide**) from the pulpit of the Church or in its weekly bulletin.

Par. 172. *Section 1*, line 5, delete the word "fourteen" and substitute therefor the word "ten," and add following the word "thereto" the words in parentheses "**(except as State laws may otherwise provide)**," so that Par. 172.1, as amended shall read:

Paragraph 172.1. Notice of the proposed action and the date and time of the regular or special meeting of the members of the corporate body, i.e., members of the Quarterly Conference, at which it is to be considered, shall be given at least **ten** days prior thereto (**except as State laws may otherwise provide**) from the pulpit of the Church or in its weekly bulletin.

Par. 192. Delete the present Paragraph 192,

¶ 192. Any local church planning to purchase, build, or remodel a church building shall first secure the District Superintendent's written consent thereto and the Quarterly Conference's authorization after not less than ten days' notice of such proposed action shall have been given from the pulpit or published in the Church Bulletin. Thereupon the Quarterly Conference shall appoint a Committee of not less than three members of such church, who shall make an estimate of the amount required to complete such undertaking or enterprise; and such estimate, amount, and proposed undertaking shall be submitted for approval to the members of the church not less than eighteen years of age at a meeting called for that purpose. The purchase price of the lot, or lots, on which such church is to be erected shall be paid in full; and before any such building is begun or contract is entered into for the construction thereof or for the purchase or remodeling of an already erected church, it shall be the duty of the Quarterly Conference to acquire a fee simple title to such premises by deed of conveyance executed in the form and manner as in this Chapter provided ("167-70, 174), and to secure in cash and tangible assets at least one half of said estimated cost; provided that before beginning or contracting for the building or remodeling of church property, the plans, specifications, and location of such building or remodeling, and the probable cost thereof shall

be submitted to the Board of Church Location and Building of the District in which the property is located. (See ¶¶ 704-7). The purchase price paid for the lot or lots on which the church is to be erected may be credited as a tangible asset secured. The provisions of this Paragraph shall not apply to any repairs or remodeling the cost of which will not exceed ten per cent of the value of the building affected. The procedure for purchasing, building, or remodeling an education building, parish house, parsonage, or other church units shall be as set forth above for a church property. Trustees or other members of the Local Church shall not be required to guarantee personally any loan made to the particular church by any board created by or under the authority of The General Conference. The Quarterly Conference may commit to the Board of Trustees of the church concerned any building or remodeling program, or it may elect a Building Committee, as the Quarterly Conference may determine.

The new Paragraph 192 shall read:

Paragraph 192. Any Local Church planning to purchase, build, or remodel a church, educational building, or parsonage shall take the following steps (except that these provisions shall not apply in remodeling projects where the cost does not exceed ten per cent of the value of the building):

1) Secure the written consent of the District Superintendent and the Pastor.

2) The District Board of Church Location and Building shall approve the proposed site; ascertaining that such site is properly located for the community to be served and adequate in size to provide space for future expansion and parking facilities. (See Par. 705, 155 (1).)

3) Secure the authorization of the Quarterly Conference, proceeding as follows:

a) Not less than ten days' notice (except as State laws may otherwise provide) of the Quarterly Conference and proposed action shall be given from the pulpit or published in the weekly bulletin.

b) The Quarterly Conference shall appoint a Committee of not less than three members of such church to serve in the development of the project as hereunder set forth.

4) In the development of the plan for the undertaking, the Quarterly Conference Committee shall proceed as follows:

a) Estimate carefully the building facilities needed to house the program of worship, education and fellowship of the church.

b) Ascertain the cost of such property as may be required.

c) Provide for the development of preliminary sketches, which shall comply with existing building and fire codes. These sketches should clearly outline the location on the site of all proposed present and future construction. (Such preliminary sketches may be submitted to the Department of Architecture of the Division of National Missions, 1701 Arch Street, Philadelphia 3, Pennsylvania, for review without charge. (See Par. 1237 (2).))

d) Secure an estimate of the probable cost of the proposed building.

e) Develop a financial plan for defraying the proposed cost including an estimate of the amount the church membership may be able to raise in cash and pledges and the amount the church may be able to borrow (if necessary) toward meeting the proposed cost.

5) In the development of the undertaking the church shall submit to the District Board of Church Location and Building of the District in which the property is located, for its consideration and approval, the following information: the need for the proposed facilities, the preliminary sketches, an estimate of the probable cost of the proposed project, and a financial plan for defraying the proposed cost. (See Par. 706.)

6) The Pastor, with the written consent of the District Superintendent, shall issue a call for a congregational meeting of the members of the church not less than eighteen years of age. Not less than ten days' notice (except as State laws may otherwise provide) of the congregational meeting and proposed action shall be given from the pulpit or published in the weekly bulletin. At said congregational meeting, the Quarterly Conference Committee shall submit, for approval by the membership, its recommendations concerning the proposed undertaking, including the data submitted to the District Board of Church Location and Building.

7) The Quarterly Conference shall acquire a fee simple title to the lot or lots on which the building is to be erected by deed of conveyance executed in the form and manner provided in this Chapter (Pars. 167-170, 174). The purchase price of the lot or lots shall be paid in full before construction begins.

8) The Quarterly Conference Committee after approval of the preliminary sketches as herein provided (192, (5), (6)), shall proceed with the development of detailed plans

and specifications and the securing of a reliable and detailed estimate of cost. The detailed plans and cost estimate shall be presented, for approval, to the Quarterly Conference and the District Board of Church Location and Building. It shall be the duty of the District Board of Church Location and Building to ascertain if the financial plan will provide funds necessary to assure prompt payment of all proposed contractual obligations, and to report its conclusions to the church in writing. (See Par. 706.)

9) If a loan is needed, the provisions of Pars. 171-172 shall be complied with.

10) A contractual obligation for the building shall not be entered into by the church until the church has cash on hand, pledges payable during the construction period, and a loan (where necessary) or written commitment for a loan, which will provide funds necessary to assure prompt payment of all proposed contractual obligations.

11) In cases where no contractual obligation is involved, and the building is constructed on a plan for volunteer labor, the church should have cash on hand, pledges payable during the construction period, and a loan (where necessary) or written commitment for a loan, which will provide funds necessary to assure prompt payment of all accounts when due.

12) The Quarterly Conference may commit to the Board of Trustees of the church concerned any building or remodeling program. In this case, the Board of Trustees shall follow the procedure outlined in this Paragraph for the Committee of the Quarterly Conference.

Par. 705. Delete Paragraph 705,

¶ 705. *Before beginning or contracting for the building, purchase, or remodeling of church or parsonage property, the price of such purchase, the plans, specifications, and location of such building or remodeling, and the probable cost thereof shall be submitted to the Board of Church Location and Building of the District in which the property is located. The provisions of this Paragraph shall not apply to remodeling the cost of which does not exceed ten per cent of the value of the building affected.*

and substitute the following, so that this Paragraph shall read:

Par. 705. The District Board of Church Location and Building shall approve all proposed local church building

sites, ascertaining that such sites are properly located for the community to be served and adequate in size to provide space for future expansion and parking facilities. (See Par. 155 (1).)

Par. 706. Delete Paragraph 706 which reads as follows:

• 706. *It shall be the duty of this Board to study carefully the feasibility and financial soundness of said undertaking and to report its conclusions to the charge making such proposal.*

Substitute the following for Par. 706; so that this Paragraph shall read:

Par. 706. 1) Before beginning or contracting for the building, purchase or remodeling of church or parsonage property the Local Church involved shall submit to the District Board of Church Location and Building, for its consideration and approval, the following information: the need for the proposed facilities, the preliminary architectural sketches (these sketches should clearly outline the location on the site of all proposed present and future expansion), an estimate of the probable cost, and a financial plan for defraying the proposed cost. (Such architectural sketches may be submitted to the Department of Architecture of the Division of National Missions, 1701 Arch Street, Philadelphia 3, Pennsylvania, for review without charge. (See Par. 1237(2).)

2) When the Local Church has secured final architectural plans and specifications and a reliable and detailed estimate of the cost of the proposed undertaking as provided in Par. 192(8) this data shall be submitted to the District Board of Church Location and Building for consideration and approval.

3) It shall be the duty of this Board to study carefully the feasibility and financial soundness of said undertaking and to ascertain if the financial plan will provide funds necessary to assure prompt payment of all proposed contractual obligations. The Board shall report its conclusions to the church making such proposal in writing.

4) The proposals of this Paragraph shall not apply to remodeling, the cost of which does not exceed ten percent of the value of the building affected.

The Clearinghouse is hereby authorized to assign and transfer the obligation for the payment of the claims of the widow and minor children of a deceased Member of an Annual Conference to such other Annual Conference as said widow may request in writing, subject to the consent of the Conference Board of Pensions of the Annual Conference thereby obligated; *provided*, however, that the requirements of Divided Annuity Responsibility as set forth in ‘ 1636 shall be observed.

6. AN ANNUAL CONFERENCE, ON RECOMMENDATION OF ITS BOARD OF CONFERENCE CLAIMANTS, MAY, BY A TWO-THIRDS VOTE OF THOSE PRESENT AND VOTING IN THE ANNUAL CONFERENCE, GRANT ANNUITY AND OR NECESSITOUS RELIEF TO A WIFE FOR HER YEARS OF APPROVED SERVICE, WITHOUT GRANTING ANNUITY TO HUSBAND WHO MAY HAVE DISQUALIFIED HIMSELF BY SOME MORAL DERELICTION, MENTAL ILLNESS OR OTHER CAUSES BEYOND THE WIFE'S CONTROL.

Thereupon, the Clearinghouse shall request the Annual Conference concerned to deduct the unpaid amount of the Claim from the Annuity of the Conference Claimant against whose Annuity the said lien has been filed, and to remit to the

Whereas, the Board of Publication, acting under a mandate of the 1952 General Conference, has had the courage and foresight to launch this Bold Publishing Venture creating a mid-monthly Methodist family magazine *Together* and a Monthly Journal for Pastors and others closely related to the Program of the Church, *The New Christian Advocate*,

That we commend the Board of Publication, the Publishing Agents and their Staffs for their foresight and daring in launching this "Bold Venture."

"I move that this be added to it as instruction for help to the Committee in planning the paper.

That we ask The Publishing House in printing this to consider these items:—

That there is inadequate news coverage, we feel, both because of the small space allocated to news and because the monthly publication cannot present news while it is timely;

The lack of Editorial opinion as indicated in the sample copies; and inadequate discussion of issues which will be before the Church in the next few years."

Proposed General Conference legislation affecting The Methodist Publishing House, primarily for the purpose of harmonizing the *Discipline* with the new corporate structure and the recommendations of the 1952 General Conference.

We recommend that Part VII, Chapter IV, of the 1952 *Discipline*, dealing with The Methodist Publishing House, be amended as follows:

Par. 1123, line 2, change *a* to **the**; line 3, delete the words *Publishing Agents elected by the Board*, and substitute **an Executive Officer elected by the Board, who shall be the Publisher of The Methodist Church**; lines 4 and 5, delete, *find it necessary or expedient to establish* and substitute **determine**. The Paragraph will then read:

Par. 1123. The Methodist Publishing House shall be under the direction and control of **the Board of Publication, acting through an Executive Officer elected by the Board, who shall be the Publisher of The Methodist Church**, and such other Officers as the Board may **determine**.

Par. 1124, line 1, change the words *produce of* to **income from**; line 2, change the words *setting up proper* to **providing adequate**; lines 3, 4, and 5, delete the words *and necessary expansion, shall be paid into a single fund and distributed annually by the Board of Publication* and substitute the words **and allowing for reasonable growth and expansion, shall be appropriated by the Board of Publication and distributed annually**. The Paragraph will then read:

Par. 1124. The **net income** from the operations of The Methodist Publishing House, after **providing adequate reserves** for the efficient operation of the business and **allowing for reasonable growth and expansion**, shall be **appropriated by the Board of Publication and distributed annually** to the several Annual Conferences for the persons who are and shall be Conference Claimants.

Par. 1125, line 1, insert the words **net income from the operations**; line 3, delete the words *operations, and the distribution of net produce, after setting up proper reserves, as above provided*, and substitute the following: **operating requirements and the Conference Claimants as provided in Par. 1124, and Par. 9 (5).**

Par. 1126. The members of the Board of Publication, and their successors in office, are declared to be the successors of the incorporators named in the Charters of The Methodist Book Concern issued by the States of New York and Ohio, and in the Charter of the Board of Publication of the Methodist Protestant Church issued by the State of Pennsylvania. The **Executive Officer** elected from time to time under this or any subsequent *Discipline* is declared to be the successor in office of the Book Agents of the Methodist Episcopal Church, South, named in the Charter issued to the Corporation of that name by the State of Tennessee.

Par. 1127, delete section 2, as follows: *In its discretion to cause to be created and established a new Corporation to bear the name and style of The Methodist Publishing House, under the Charter of which the operations and functions of The Methodist Publishing House may be carried on and executed.*

Substitute therefor the following:

Par. 1127. 2. **The Board of Publication shall continue to exercise the powers and administer the duties and responsibilities conferred upon it as an Agency of The Methodist Church through the Board of Publication of The Methodist Church, incorporated under the laws of the State of Illinois,**

or through such other means and Agencies as the Board of Publication may from time to time determine to be expedient and necessary in order to give full effect to the purposes expressed in this Chapter.

Par. 1128. Delete entire Paragraph, which reads: *In the event of the creation and establishment of The Methodist Publishing House, Incorporated as authorized by Par. 1127, the property, produce, and income of such new Corporation shall be held by it as an Agency of The Methodist Church and shall be subject to the control and direction of The General Conference of The Methodist Church, as set forth from time to time in the Discipline. In carrying out and executing its operations and functions, such new Corporation shall be entitled to use, manage, operate, and otherwise utilize all property and assets of each of the four existing Corporations, identified in Pars. 1126-27, of every kind, character, and description (other than its corporate powers and franchises), and all income therefrom, and avails thereof, for the purposes and objects defined in Pars. 1122, 1124-25. The governing body of each of the four existing Corporations from time to time shall take all such action which the Board of Publication deems to be necessary or advisable to carry out the intent and purposes of this Paragraph. Such new Corporation shall assume all legal obligations of each of the four existing Corporations in force at the time the new Corporation commences operations. The new Corporation and the Board of Publication shall be without obligation to account for principal or income to any of the four existing Corporations or otherwise report to them, except that the new Corporation shall return to each of the four existing Corporations custody and control of the latter's real property and account for the net amount of any other assets received from such existing Corporation, if and when such return and accounting shall be directed or required by the Board of Publication or The General Conference.*

2. The property, assets and income of said Illinois Corporation shall be held by it, under the direction of the Board of Publication, as an Agency of The Methodist Church and

shall at all times be subject to the control and direction of The General Conference of The Methodist Church as set forth from time to time in the *Discipline*.

3. 4. The governing body of each of the five existing Corporations under the direction of the Board of Publication shall from time to time take all such action which the Board of Publication deems necessary or advisable to carry out the intent and purposes of this Paragraph and Chapter.

5. The Board of Publication of The Methodist Church, Incorporated, shall be liable for and shall execute and satisfy all legal obligations of each of the other four Corporations named in Paragraph 1127 of this Chapter, but neither it nor the Board of Publication shall have or be under any obligation to account for principal and income to any such other Corporation or to otherwise report to any of them: *provided*, however, that said Illinois Corporation shall return to each of the other four Corporation's custody and control of its real property and account to it for the net amount of any other assets received from such other Corporation if and when such return or accounting shall be directed or required by the Board of Publication or by any General Conference of The Methodist Church.

Membership on the Board shall be equally divided, as far as practicable, between Ministers and Laymen. It shall be the duty of **The Secretary of the General Conference** to inform the various Jurisdictional Secretaries of the number of members to be elected from their Jurisdictions, the ratio of such representation being computed on the basis of the latest official membership statistics available. The **tenure** of office of any member of the Board of Publication shall be limited to **twelve** years. The Methodist Publishing House experienced in this last quadrennium the greatest period of growth and service. This is revealed through several "measures of service" in the Quadrennial Report:

1. Measured in its financial aspects:

\$71,167,178.73 in Net Sales, \$20,250,866.33 above the preceding four years;

\$17,013,997.63 in Net Worth, \$4,314,896.45 above the Net Worth in 1951;

\$1,850,000.00 appropriated for Conference Claimants, lifting the Publishing House total support for this great cause through the years to \$15,468,198.00.

2. Measured by the circulation of Church School Literature and Church Papers:

A gain of 886,484 copies over the preceding quadrennium to a total circulation of 6,834,644 per issue as of May 31, 1955.

3. Measured in terms of publishing:

7,186,505 books produced, compared to 6,473,789 in the preceding four years;

An increase in Church School supplies from 65,974,652 units to 97,452,593;

A gain in Church Bulletin circulation from 64,110,650 copies to 247,014,900.

4. Measured in terms of printing:

85,252,259 pounds of paper used, 15,013,964 above that of four years ago; total ink and paper used in terms of carloads, 2,863 freight cars.

5. Measured in terms of retail service:

Through the 12 regional Mail-order Houses and 15 Cokesbury Book Stores unprecedented service has been rendered to the Local Churches and individual customers in meeting their needs for books, Bibles, audio-visuals, and church and Church-School supplies.

For the remarkable record indicated by the foregoing figures, and more fully stated in the Quadrennial Reports, we express profound appreciation to the Board of Publication, to the Publishing Agents, Lovick Pierce and J. Edgar Washabaugh, and to the 1,950 employees of The Methodist Publishing House. Adopted by the Committee, April 30, 1956

SUBJECT: REPORT OF THE COMMISSION ON WORSHIP AND THE FINE ARTS, PAGES 668 AND 669 OF THE 1956 QUADRENNIAL REPORTS OF THE BOARDS AND COMMISSIONS

MEMORIAL: SERIAL No. 3139

Calendar No. 107. Adopted May 7, 1956. See Journal, Page 906.

The Committee votes concurrence in the Report of the Commission on Worship and The Fine Arts pages 668 and 669 of the 1956 Quadrennial Reports of the Boards and Commissions with the following amendment:

To the last line, bottom page 668, continuing at top of page 669 reading as follows:

Since the "*Discipline*" is becoming so large the Commission expresses the hope that it will be made a Book of Law for the Church, and that all Ritual Services will be included in the Book of Worship. In that case the "Book of Worship" would become the Ritual Book and the "*Discipline*" the Book of Law.

Add the following:

with the understanding that the Rituals for Baptism, Reception into Membership, the Holy Communion, Marriage, and Burial of the Dead, be included in the "*Discipline*," the "Book of Worship," and the "Methodist Hymnal."

SUBJECT: TO ESTABLISH A COMMISSION ON WORSHIP

MEMORIAL: SERIAL No. 3141

The Committee recommends that the following be substituted for Par. 2007, page 628 of the "*Discipline*," and inserted in its proper place in Part VII as one of the Administrative Agencies of the Church:

There shall be a permanent Commission on Worship of The Methodist Church.

The Commission shall be composed of the following (nominated by The Council of Bishops and elected by each General Conference): 2 Bishops, 1 Minister and 1 Lay person from each Jurisdiction, 3 members from the Church at Large and the Book Editor *ex-officio*. Vacancies during the quadrennium shall be filled by The Council of Bishops.

The Officers of the Commission shall be a Chairman, a Vice-Chairman, and a Secretary, elected on a quadrennial basis in such manner as the Commission may determine. The Commission shall meet at least once a year and at such other time as the Commission and its Officers shall determine.

The expense of the Commission shall be borne by the General Administration fund. The Commission shall present a proposed Budget to the Council on World Service and Finance for its consideration and action.

The functions of the Commission shall be:

1. To cultivate beauty, dignity and meaning in the worship experience of the Church.

2. To encourage by means of Manuals and other Publications, by seminars, workshops, and any other media good taste and practice in the conduct of worship, church music, church architecture and the use of the arts in the church.

3. When need arises to prepare Forms of Worship and to revise existing Orders of Worship for recommendation to The General Conference.

4. To supervise all future editions of the Book of Worship as may be authorized by The General Conference.

5. To make recommendations to The General Conference concerning possible future editions of The Methodist Hymnal.

6. To advise with any of the General Agencies of the Church in the publication and circulation of any Orders of Service and other liturgical materials bearing the imprint of The Methodist Church.

7. To advise with official publications of the Church concerning material offered in the fields of worship and liturgical arts.

8. To consult with the Television, Radio and Film Commission on matters of joint concern.

9. To encourage in our theological seminaries and Pastors' Schools the best possible instruction in the meaning and conduct of worship.

10. To advise with those responsible for planning the Program of The General Conference and other General Assemblies of the Church regarding the worship services on these occasions.

11. To offer suggestions and direction to the Worship Commissions of the various Conferences and of the Local Church.

12. To relate The Methodist Church to the Department of Worship and the Arts of the National Council of Churches of Christ and to the Inter-Denominational Bureau of Architecture.

It shall be the purpose of the Commission to enrich and not to govern the devotional life of the Church, recalling our dual heritage of liturgical and free worship, and that it is not necessary "that Rites and Ceremonies instituted by man should be everywhere alike."

NOLAN B. HARMON, *Chairman*;

MRS. ARTHUR L. YOUNG (*), *Secretary*.

MEMORIAL: SERIAL NO. COMMITTEE

Calendar No. 117. Adopted May 7, 1956. See Journal, Page 908.

The Committee recommends the adoption of the following:

In the steadily growing movement clearly recognizable in our Church toward a richer and more meaningful experience of corporate worship, no one has played a more distinguished part than Bishop Ivan Lee Holt.

His devotion and labors in this field have been of long standing. He was a member of the Hymnal Commission which produced the present Methodist Hymnal. Ever since Unification he has been Chairman of successive General Conference Commissions on Worship, and as such gave leadership to the creation of the Book of Worship. Furthermore, since its publication he has been constantly on the alert to introduce it where it was not known, and to encourage its use in the congregation, the minister's study, and the homes of our people, until it has deeply enriched the devotional life of the entire Church.

In the discharge of the duties of his office Bishop Holt has through his unique gifts of mind, taste and spirit given a luminous example as to how corporate worship and the sacramental and liturgical office of the Church may be exalted with beauty and spiritual significance. Again and again at General meetings of the Church and at Ecumenical gatherings, he has prepared and conducted services of worship which have been an inspiration to many, and set a high standard for similar occasions. It is fitting that this special ministry should have been climaxed at his approaching retirement by planning and presiding at the Communion Service of this General Conference.

Therefore the Committee on Rituals and Orders of Worship wishes to join the General Conference Commission on Worship and the Fine Arts in acknowledging the great debt the entire Church owes to Bishop Holt for his contribution and leadership in this highest of all arts, the public worship of Almighty God, and in saluting him with our affection and the assurance that his influence among us will ever abide.

Adopted by the Committee, May 1, 1956

SUBJECT: AN ORDER FOR THE BREAKING OF GROUND FOR A CHURCH

MEMORIAL: SERIAL No. 3170

AMENDED May 7, 1956. See Journal, Page 909.

Calendar No. 148. Adopted May 7, 1956. See Journal, Page 909.

The Committee recommends insertion in the proper place in the *Discipline* the following **"Order for the Breaking of Ground."** This service was prepared by The Commission on Worship and The Fine Arts on referral by The General Conference of 1952.

AN ORDER FOR THE BREAKING OF GROUND

At the time appointed let the congregation assemble at the site set apart for the new church building.

HYMN 18 *"For the Beauty of the Earth," or other suitable hymn, the people standing.*

CALL TO WORSHIP

Minister: Give unto the Lord the glory due unto his name: bring an offering, and come into His courts.

People: **Praise waiteth for Thee, O God, and unto Thee shall the vow be performed.**

Minister: Our help is in the name of the Lord who made heaven and earth.

People: Except the Lord build the house, they labor in vain that build it.

(Here let the people bow in prayer.)

INVOCATION *The minister.*

Let us pray.

O Lord God, almighty and most merciful, Whom the heavens, even the heaven of heavens, cannot contain, much less temples built with hands, but Who dwellest with men, and delightest Thyself in the fellowship of Thy peoples: cleanse our hearts, we beseech Thee, from all evil thoughts and desires, and vouchsafe Thy divine presence and blessing, both that those things may please Thee which we do at this present, and also that we may at length obtain Thy favor with life everlasting in Thy heavenly kingdom; through Jesus Christ, our Lord. **Amen.**

COLLECT *Here let the people unite with the minister in prayer.*

Almighty and everlasting God, Who art ever exalted, yet always nigh, grant that we may worthily offer unto Thee, the Father, the Son and the Holy Spirit, this ground upon which we stand, to be made holy with sacred aspiration and divine purpose, as a place upon which to build a temple and a sanctuary, where Thy glory shall be manifest among us and where all people shall come to call upon Thy name through Jesus Christ our Lord. **Amen.**

PRAYER *The Minister.*

O eternal God, our Heavenly Father, Who hast committed to us the work of building a temple to Thy blessed name; grant that when Thy gospel is preached in this place it may be in demonstration of Thy spirit and with power; that when Thy Holy Sacraments are here administered, it may be that those spiritual graces which the outward signs but represent, shall flow into the hearts of Thy people. Here let men worship Thee in spirit and in truth. Here when thy people come to offer their gifts upon Thine altar, let them consider Thy Son who, though He was rich, for their sakes became poor, that they, through His poverty, might become rich. Let the fullness of Thy love fill the people, and let Thy presence be in this place; and upon the church to be builded here, let Thy spirit, O God, Descend; and within this sanctuary let Thy glory dwell, through Jesus Christ Our Lord. **Amen.**

THE LORD'S PRAYER

Our Father Who art in heaven, hallowed be Thy name;

Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

RESPONSIVE PSALM *Here let the people stand and remain standing until after the Gloria Patri.*

The earth is the LORD'S and the fullness thereof; the world, and they that dwell therein.

For He hath founded it upon the seas, and established it upon the floods.

Who shall ascend into the hill of the LORD? Or who shall stand in His holy place?

He that hath clean hands, and a pure heart: who hath not lifted up his soul unto vanity, nor sworn deceitfully.

He shall receive the blessing from the LORD, and righteousness from the God of his salvation.

This is the generation of them that seek Him, that seek Thy face.

Lift up your heads, O ye gates; and be ye lifted up, ye everlasting doors.

And the King of Glory shall come in.

Who is this King of Glory?

The Lord strong and mighty, the Lord mighty in battle.

Lift up your heads, O ye gates; even lift them up, ye everlasting doors.

And the King of Glory shall come in.

Who is this King of Glory?

The Lord of Hosts, He is the King of Glory.

GLORIA PATRI

THE SCRIPTURE LESSON

I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, with all lowliness and meekness, with long-suffering, forbearing one another in love; endeavoring to keep the unity of the spirit in the bond of peace. There is one Body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, Who is above all, and through all and in all. But unto every-

one of us is given grace according to the measure of the gift of Christ.

And He gave some, apostles; and some, prophets; and some evangelists; and some, pastors and teachers; for the perfecting of the saints, for the work of the ministry, for the edifying of the Body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ: That we may grow up into Him in all things, which is the Head, even Christ. From Whom the whole body fitly jointed together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love.

Here let the minister offer an extempore prayer which may be followed by a brief address.

DECLARATION *The Minister.*

To the glory of God and in the presence of this congregation, I now request that ground be broken for M—— Church. Upon you as members of this congregation rests the responsibility and privilege to cause a church to rise here which shall be devoted to the honor and worship of Almighty God our Father, and to the glory of His blessed Son and our Saviour, Jesus Christ.

THE BREAKING OF GROUND *Here let those selected come forward and as each turns a spadeful of earth let him repeat one of the following sentences to which the people will respond.*

That a church may rise herein which the ancient gospel of her Lord shall be proclaimed,

We break this ground today.

That a church may rise here where little children shall learn to love God and grow in the beauty of Christian grace and character,

We break this ground today.

That a church may rise here where through the years countless youth shall come to worship, pause to pray, and rise to serve,

We break this ground today.

That a church may rise here where the weary and heavy laden shall find that inner peace which the world can neither give nor take away,

We break this ground today.

That a church may rise here where the Word of God shall be so read **AND PREACHED** that it becomes the Living Word, and the Sacraments so administered that all life becomes a sacrament,

We break this ground today.

That a church may rise here where moments of meditation and hours of worship may be touched with life-giving reality,

We break this ground today.

That a church may rise here where those who seek first the Kingdom of God, may dedicate themselves to the unfinished tasks of evangelizing the whole of life,

We break this ground today.

That a church may rise here, where multitudes shall be refreshed in spirit, relieved from pain, released from bondage, redeemed from sin,

We break this ground today.

That a church may rise here where the unsearchable riches of Christ shall bear fruit in making our human loves constant, our homes Christ-like, and our families creative centers of Christian influence,

We break this ground today.

That a church may rise here where all who bow in sorrow shall rise in faith in Him, in Whom to believe is life eternal,

We break this ground today.

RESPONSIVE PRAYER

Almighty and everlasting God, in communion with the saints in all ages, and remembering the heritage that has been given to us, we offer Thee our praise and thanksgiving.

O Lord, hear our prayer.

Help us to accept the privilege and responsibility of this Thy fellowship of faith; here may we keep the unity of the spirit in the bond of peace.

So may we fulfill the law of love.

Enable us, by Thy grace, to dedicate ourselves this day to the great task which dost lay upon our heads and consciences.

In all that we do, be Thou, O Lord, our Strength and Help.

Reveal to us the beauty of Thy perfect love, the joy of our living Lord, so that with glad hearts we may move forward in paths of high devotion and great achievement.

Be Thou, O Lord, our Guide and Help for evermore. Amen.

Adopted by the Committee, May 1, 1956

SUBJECT: AN ORDER FOR THE ORGANIZING OF A CHURCH

MEMORIAL: SERIAL NO. 4354

*Calendar No. 149. Adopted May 7, 1956. See Journal,
Page 910.*

The Committee recommends insertion in the proper place in *The Discipline* the following "Order for the Organizing of a Church"—

AN ORDER FOR THE ORGANIZING OF A CHURCH

PRELUDE *The people in devout meditation.*

DECLARATION OF PURPOSE *The District Superintendent (or Pastor authorized by him).*

Dearly beloved, we are met on this occasion to establish a new congregation of The Methodist Church, which is a part of the Body of Christ: and to that end we dedicate ourselves and this hour.

The Church is of God, and will be preserved to the end of time, for the promotion of His worship and the due administration of His word and ordinances, the maintenance of Christian fellowship and discipline, the edification of believers, and the conversion of the world. All, of every age and station, stand in need of the means of grace which it alone supplies.

HYMN 379 *"I love thy kingdom, Lord," the people standing.*

THE LESSON FROM THE OLD TESTAMENT

Behold, I will gather them out of all countries: and I will bring them again unto this place: and they shall be My people, and I will be their God. And I will give them one heart, and one way, that they fear me for ever, for the good of them, and of their children after them: and I will make an everlasting covenant with them, that I will turn away from them to do them good; but I will put My fear in their hearts, that they shall not depart from Me. Yea, I will rejoice over them to do them good, and I will plant them in this land

assuredly with My whole Heart, and with My whole Soul.

LITANY

For the revelation of Thy Word to humankind as it has come through patriarchs, prophets, and sages,

We praise Thy name, O Lord.

For salvation from sin, for redeeming love, and for all the ministry of the Gospel as it has blessed the seeking souls of men,

We praise Thy name, O Lord.

For the glorious hope of immortality, and the life of eternal fellowship.

We praise Thy name, O Lord.

For the high and holy privilege of knowing our lives redeemed, of following the way and spirit of Jesus Christ, and of accepting responsibility in the Church of Christ,

We praise Thy name, O Lord.

For the purpose of establishing this church, and in the full hope that it will render a complete ministry of redemption, education, worship, fellowship, and service,

We pledge ourselves, O God, to Thee this day. Amen.

RECEPTION OF MEMBERS AND ORGANIZATION *The District Superintendent shall give opportunity for those in attendance to present themselves for membership by Certificates of Transfer and on Profession of Faith and, when he is satisfied as to the genuineness of their faith and purpose, shall receive those who present themselves, using the regular forms in the Ritual. After this he shall complete the organization of the church as prescribed in the Discipline.*

DECLARATION OF ORGANIZATION

The District Superintendent shall say:

By what name shall this church henceforth be known?

To which the Pastor, Chairman of the Official Board or Other Official shall answer:

It shall be called the N.— Methodist Church.

Then shall the District Superintendent say:

In accordance with the laws and the *Discipline* of The Methodist Church, I hereby declare that N.— Methodist Church is duly constituted and organized for the Glory of God, the proclamation of the Gospel, and the service of humanity.

THE LESSON FROM THE NEW TESTAMENT

Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, according as His divine power hath given unto us all things that pertain unto life and Godliness, through the knowledge of Him that hath called us to glory and virtue: whereby are given unto us exceeding great and precious promises; that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust. And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; and to knowledge temperance; and to temperance patience; and to patience Godliness; and to Godliness brotherly kindness; and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren, nor unfaithful in the knowledge of our Lord Jesus Christ. But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins. Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall.

The teaching of our Lord is that all men are brothers. The Master permits no discrimination because of race, color, or national origin.

The position of The Methodist Church, long held and frequently declared, is an amplification of our Lord's teaching. "To discriminate against a person solely upon the basis

of his race is both unfair and unchristian. Every child of God is entitled to that place in society which he has won by his industry and his character. To deny that position of honor because of the accident of his birth is neither honest democracy nor good religion." (The Episcopal Address, 1952 and 1956).

There must be no place in The Methodist Church for racial discrimination or enforced segregation. **RECOGNIZING THAT WE HAVE NOT ATTAINED THIS GOAL, YET REJOICING IN THE PROGRESS MADE, WE RECOMMEND THAT DISCRIMINATION OR SEGREGATION BY ANY METHOD OR PRACTICE, WHETHER BY CONFERENCE STRUCTURE OR OTHERWISE IN THE METHODIST CHURCH, BE ABOLISHED WITH REASONABLE SPEED.** The growing spirit of brotherhood throughout the Church strengthens our confidence that, under the leadership of the Holy Spirit, we will continue to go forward.

There is a changing racial climate in our world, largely growing out of the teachings of the Christian Church. The conscience of society has become increasingly sensitive regarding racial discrimination and injustice. Methodists unite with people of all lands and all faiths in a determined effort to eliminate these unchristian practices. We look to the ultimate establishment of a truly Christian society.

The Decisions of the Supreme Court of the United States relative to segregation make necessary far-reaching and often difficult community readjustments throughout the nation. We call upon our people to effect these adjustments in all good faith, with brotherliness and patience. In doing this all racial groups must be willing to admit their imperfections and seek to correct them. Let these things, however, be done in love lest the cause of Christ suffer at our hands.

It is our desire to accomplish the realization of Christian brotherhood and full participation by all in every aspect of the Church's life. We join other people of good will around the world in moving toward the day when all races shall share richly without discrimination or segregation in the good things of life. Therefore we resolutely go forward with the work begun with respect to race relations in the Church and in our world.

In this spirit, we recommend the following:

1. That the Institutions of the Church, Local Churches, colleges, universities, theological schools, publishing agencies, hospitals, and homes carefully restudy their policies

and practices as they relate to race, making certain that these policies and practices are Christian.

2. That Methodists in their homes, in their work, in their churches and in their communities actively work to eliminate discrimination on the basis of race, color, or national origin. That parents, teachers and others who work with children and youth help create attitudes which make it easy to live in harmony with those of other races.

3. That Methodist churches in changing neighborhoods, rather than seeking new locations, early prepare their people to welcome into their fellowship all races as they become a part of their community.

That our Pastors, upon whom rests the responsibility of receiving individuals into church membership, discharge that responsibility without regard to race, color, or national origin.

4. That Bishops, District Superintendents, Pastors and Lay Leaders seek ways for the implementation of better fraternal relations between the Central Jurisdiction and other Jurisdictions where they are adjacent, by closer co-operation at Annual and District Conferences and at Local Church levels.

5. That Methodists at National and Inter-National meetings of the Church make provision for equality of accommodations for all races without discrimination or segregation.

6. That the many racial and national groups which make up our Methodist world fellowship be afforded the opportunity without discrimination to enjoy full participation in all the activities of the church.

THE METHODIST SOCIAL CREED

I. Our Heritage. The interest of The Methodist Church in social welfare springs from the gospel and from the labors of John Wesley, who ministered to the physical, intellectual, and social needs of the people to whom he preached the gospel of personal redemption.

In our historic position we have sought to follow Christ in bringing the whole of life, with its activities, possessions, and relationships, into conformity with the will of God.

As Methodists we have an obligation to affirm our position on social and economic questions.

II. Our Theological Basis. The Methodist Church must view the perplexing times and problems which we face today in the light of the teachings of Jesus. Jesus taught us to love our neighbors, and seek justice for them. To be silent in the face of need, injustice, and exploitation is to deny Him.

We believe that God is Father of all peoples and races, that Jesus Christ is His Son, that all men are brothers, and that man is of infinite worth as a child of God.

We believe that "the earth is the Lord's, and the fulness thereof." Our own capacities and all we possess are gifts of the Creator, and should be held and used in stewardship to Him.

We believe that a Christian society is essential to the full nurture of a Christian person.

We believe that sin, both individual and social, stands under the judgment of God, and that the grace of God in Christ is available for redemption in all areas of life as we seek in penitence and obedience to do His holy will.

We believe that all persons have supreme value in the sight of God, and ought to be so regarded by us. We test all Institutions and practices by their effect upon persons. Personality is oppressed in many parts of the world, and we seek its emancipation and those things which will enrich and redeem it. Since Jesus died for the redemption of human life we believe we should live to help save man from sin and from every influence which would harm or destroy him.

III. Our Declaration of Social Concern. Applying the foregoing principles The Methodist Church declares itself as follows:

(A) **The Family.** We seek equal rights and justice for all men; protection of the individual and the family by high standards of morality; Christian education for marriage, parenthood and the home; adequate housing, proper regulation of marriage, and uniform divorce laws.

We stand for regulation of working conditions for women, especially mothers, and safeguards for their physical and moral environment; for the abolition of injurious child labor; for the protection, education, spiritual nurture, and wholesome recreation of every child; and for religious and educational programs which will secure these ends.

(B) **Economic Life.** 1. Christianity and the Economic Order. With full acknowledgment of Stewardship under God and accountability to Him, we stand for the acquisition of property by Christian processes and the right of private ownership thereof. We refuse to identify Christianity with any economic system. We test every economic order by the commands of our Christ and judge its practices by the Christian gospel. We believe that it is our duty not only to bring Christ to the individual, but also to bring the society within which we live more nearly into conformity with the teachings of Christ. We believe that the free democratic way of life ruled by Christian principles can bring to mankind a society in which liberty is preserved, justice established, and brotherhood achieved. We therefore pledge ourselves to sustain these values and to implement the teachings of Christ by voting our Christian convictions in all elections, by participating in political action as party members or independents and by offering and supporting candidates who will translate our social ideas into social reality.

2. **Poverty and Unemployment.** We believe that the eco-

conomic development which makes possible material plenty for all, places upon us great moral responsibility in that the physical and spiritual development of millions of persons throughout the world is now needlessly hindered by poverty. We therefore stand for the abatement and prevention of poverty everywhere.

We believe that it is our Christian duty to provide for all men opportunity to earn an adequate livelihood. Since lack of significant employment tends to destroy human self-respect, we believe that workers must be safeguarded from enforced unemployment.

3. Wealth. We recognize the perils of prosperity. Our Lord has told us that we cannot serve God and mammon. As Christians we must examine earnestly before God both our personal and business practices, lest we **UNWITTINGLY** adopt the standards and assumptions of a materialistic society to the exclusion of our Christian stewardship.

Since Churches and their Institutions as well as individuals own property, invest funds, and employ labor, care must be exercised that all such relationships conform to the highest Christian standards. Any judgment upon society must "begin at the house of God."

4. Working Conditions. We oppose all forms of social, economic, and moral waste. We urge the protection of the worker from dangerous and unsanitary working conditions, and from occupational diseases.

We stand for reasonable hours of labor, for just wages, for a fair day's work for a fair day's wage, for fair working conditions, for periods of leisure, and for an equitable division of the product of industry.

5. Social Benefits for Workers. We stand for security for old age, for insurance against injury to the worker, and for increased protection against those preventable conditions which produce want.

6. The Right to Organize for Collective Bargaining. We stand for the right of employees and employers alike to organize for collective bargaining; protection of both in the exercise of their right; the obligation of both to work for the public good.

7. Rural Life. We recognize the basic significance of rural areas in relation to population supply, natural resources, community life, and Christian culture. Methodism, because of its large rural membership and world-wide impact must lead in developing an adequate Christian program in rural areas everywhere. This should pertain to people in their re-

lationship to God, to the soil and all natural resources, and to family, Church, and community welfare. We believe the farmer should have opportunity to earn a fair income.

8. Urban Life. Our society is becoming increasingly urban. The city is a center of power for good or ill, and its shifting multitudes desperately need the guiding and healing power of religion. The Church must recognize that the city exhibits great needs and offers amazing opportunities for Kingdom building.

9. Christian Vocation. We believe that every adult should be engaged, so far as possible, in some vocation productive of common good. Every such vocation should be viewed as a Christian calling, and our daily work as a sphere of service to God for the advancement of His Kingdom.

(C) Intoxicants and Narcotics. Total abstinence is the historic position of our Church. We seek to protect the individual, the home and society from the social, economic and moral waste of any traffic in intoxicants and habit-forming drugs and from the invasion of the home by the advertising of alcoholic beverages. We urge objective and scientific study of the effects of alcoholic beverages and narcotics, and the use and support of educational processes in teaching abstinence through knowledge of these effects. The Church should also seek to understand the causes of alcoholism and drug addiction, and to give help to their victims in a healing and redemptive ministry and fellowship.

(D) Treatment of Crime. We stand for the application of the redemptive principle to the treatment of offenders against the law, to reform of penal and correctional methods, and to criminal court procedure. For this reason we deplore the use of capital punishment.

We recognize that crime, and in particular juvenile delinquency leading to crime, is often a result of bad social conditions. Christian citizens and Churches have a special opportunity and responsibility for creating those conditions of family life, wholesome recreation, vocational training, personal counseling and social adjustment by which crime may be reduced.

(E) Freedom from Discrimination. We stand for the rights of racial groups and insist that the social, economic, and spiritual principles set forth in this Creed apply to all races alike. We urge individual Christians and churches to make a serious and prayerful examination of their own attitudes and practices in regard to racial equality and fellowship with the determination to bring our practices into conformity with Christian ideals.

(F) War and Peace. 1. Principles. We stand for these propositions: Christianity cannot be nationalistic; it must be universal in its outlook and appeal. War makes its appeal to force and hate, Christianity to reason and love. The influence of the Church must therefore always be on the side of every effort seeking to remove animosities and prejudices which are contrary to the spirit and teaching of Christ. It does not satisfy the Christian conscience to be told that war is inevitable. It staggers the imagination to contemplate another war with its unspeakable horrors in which modern science will make possible the destruction of whole populations. The methods of Jesus and the methods of war move in different directions.

It is not enough to declare the evil of war: we must actively and constantly create the conditions of peace. Among these are the promotion of understanding, reconciliation, and good will; the relief of suffering, the lifting of living standards around the world; concern for the freedom and welfare of dependent and subject peoples; the removal of racial tensions, the taking of all available steps toward disarmament; the giving of encouragement and support to patient negotiation by our leaders. These efforts must be viewed as a personal Christian responsibility and steadfastly undergirded with prayer.

2. Inter-National Co-operation. We believe that the United Nations as the agency and symbol of International Co-operation, should be given our support. The issues before it merit our careful and continuous study. In the realm of Inter-National affairs, the United Nations is our best hope for peace.

We believe that world peace is advanced by the United Nations and other Inter-National organizations and by more social use of our national resources. To missionary work as in the past, we need to add new forms of Inter-National social Co-operation.

3. The Christian Conscience and War. The Methodist Church, true to the principles of the New Testament, teaches respect for properly constituted civil authority. It encourages both love of country and love of all men. Believing that government rests upon the support of its conscientious citizens, it holds within its fellowship those who sincerely differ as to the Christian's duty in regard to war. We ask and claim exemption by legal processes from all forms of military preparation or service for all religious conscientious objectors, as for those of the historic peace Churches. We also recognize the right of the individual to answer the call of his government according to the dictates of his

Christian conscience. In both of these situations members of The Methodist Church have the authority and support of this Church.

(G) **Civil Liberties and Civil Rights.** We stand for the recognition and maintenance of the rights and responsibilities of free speech, free assembly, and a free press, and for the encouragement of free communications of ideas essential to the discovery of truth.

We stand for the right of all individuals and groups to advocate any peaceful and constitutional method for the solution of problems that may confront society.

We stand upon the principle of testing every such proposal in the light of the teachings of Jesus.

IV. Our Mandate—Read, Study, Apply. We recommend that this Social Creed be presented to our congregations orally or in printed form at least once a year, and that frequent references be made to it. We further recommend that in every Local Church a Committee shall encourage the study of our Social Creed and seek in every possible way to apply its principles.

REPORT NO. 4. STATE OF THE CHURCH

M. 80; P. 44; F. 44; A. 0; N. 0

Adopted by the Committee, May 3, 1956

SUBJECT: CHRISTIAN FAMILY

MEMORIALS: SERIAL NOS. 3258, 4518

Calendar No. 178. Adopted May 5, 1956. See Journal, Page 860.

THE CHRISTIAN FAMILY

The modern family is struggling against great difficulties; the tensions created by the world situation; uncertainties due to the present military demands on youth; inadequate housing; uprooting of families due to unprecedented population shifts; and the coarsening influence of many mass media on the lives of children.

The end result of these difficulties is evidenced by the high rate of divorce, juvenile delinquency, broken lives, and a general laxity of moral standards. It is only when the family fulfills its highest functions and is truly Christian that its members rise above these difficulties and thus aid in halting the trends threatening the home.

The home is the place where emotional weaknesses of the members of the family come to light; where children ex-

press their innate hunger to be secure, to belong, to be needed, to be recognized.

Religion and the family naturally belong together. What religion is to accomplish it can do best in the family. What the family must do, it cannot do without religion. Religion and the family are natural allies. Religion is inseparable from the family. Family life at its best is a matter of living life at the deepest level, which is a level of relationship to God.

I. What Is a Christian Family?

A Christian family is one in which parents so live the Christian life and practice the presence of God that children come to accept God as the greatest reality of life.

A Christian family is one in which each member is accepted and respected as a person having sacred worth.

A Christian family is one that seeks to bring every member into the Christian way of living.

A Christian family is one that accepts the responsibility of worship and instruction to the end of developing the spiritual life of each person.

A Christian family is one that manifests a faith in God, observes daily prayer and grace at meals; is committed to behavior in keeping with Christian ideals for family relations, community life, and national and world citizenship.

II. Religion and the Family

The undergirding love of God, as taught by Christian parents, by word and example, is one of the greatest sources of emotional and spiritual security for the growing life. Where the awareness of God is present, families will find opportunities for informal experience of prayer in many situations of life. The beauties of nature, the joys of comradeship, the tragedies of bereavement, the elation that comes with good fortune, the facing of common problems—all these can be shared with God in the simple words of prayer.

In addition to these moments of informal religious expression, the Christian family will provide for planned periods of worship. This will include the participation in leadership by children as well as by adults. There is no substitute for the Bible as a central aid to worship when parents read it with appreciation for the growing needs of children. We recommend the use of such resources for worship as *The Christian Home*, *The Upper Room*, and the devotional materials in the Church-School Literature.

III. Marriage Relations

Marriage is an achievement. It doesn't just happen. It comprises a growing oneness in which emotional adjustments from time to time are affected by an understanding of right ways of living together. We believe that planned parenthood, practiced in Christian conscience, may fulfill rather than violate the will of God.

1. **Preparation.** It is increasingly obvious that if marriage is to succeed, there must be adequate preparation. Therefore, it is recommended that a regular course of instruction for youth on the Christian ideals of friendship, courtship, and marriage be given in each Local Church, using the available materials. In our Youth Assemblies, Camps, and Institutes, qualified persons should give counsel on personal problems, social relations, duties and privileges of Christian marriage. Suitable books, pamphlets and audio-visual resources should be made available for young people. It is further recommended that Courses of Instruction for young married couples on home building, income budgeting, child training, life adjustments, and personality problems be given by each Local Church.

The time has come when every person planning marriage should have the opportunity for skilled and careful counseling by Ministers or Staff Workers who are prepared in this field. If this is to be done, Pastors must be trained to guide young people through pre-marital and post-marital counseling.

2. **Mixed Marriages.** Religious convictions should be a strong tie in marriage. Recent research has emphasized the importance of common cultural and religious backgrounds as the foundations of successful marriage. It is, therefore, strongly urged that each young person consider carefully before becoming engaged to anyone who does not have a similar religious background. It is important that Protestant youth discuss this problem with their Ministers before it is too late. Ministers are urged to discuss with both youth and parents the likelihood of failure in mixed marriages.

3. **Divorce.** Divorce is not the answer to the problems that cause it. It is symptomatic of deeper difficulties. The Church must stand ready to point out these basic problems to couples contemplating divorce, and help them to discover and, if possible, to overcome such difficulties. In addition, the Church must stand ready to depict the unhappy circumstances that are to await the divorced person. As a Christian Church and as Ministers, we are obligated to aid, by counsel, persons who have experienced broken marriage, and to

guide them so that they may make satisfactory adjustments.

IV. Relationships in the Home

It is living together within the family that is the final test of religious living. The highest qualities are found in the life and character of Jesus Christ; these must be manifest in daily family living.

If we want to help the children in our homes develop there must be an inner acceptance of each child. He must be loved for himself with all the limitations he may possess. In each instance he must be treated as an individual.

1. Parent-child relations. We recognize that parents are constantly teaching in the home in unrecognized ways as well as in their conscious effort. Parents, in co-operation with the Church-School Teacher, should make possible the Christian education of their child throughout the week. There is great need for parents to interpret to their children in a Christian way the present world issues and needs, the politics of National and Inter-National Relationships, the efforts of the people of the world through the United Nations to do those things which make for peace and more abundant life, the complex problems created by the use of beverage alcohol and narcotics, and the need for adhering to Christian moral standards amid the tensions and pressures of our present-day living. There is also need for parents to guide their children in learning how to evaluate the propaganda to which they are constantly subjected through newspapers, magazines, radio, television and movies. At these points the Church and the family can support and strengthen each other in their ideals of personal conduct and social righteousness.

2. Co-operation. We recommend that our churches co-operate with other Agencies in the community that are working for the improvement of family life and for the strengthening of Christian character. The National Conference on Family Life has demonstrated one way in which the Boards and Agencies of the Church can work together for the promotion of Christian family living.

3. Sex education. Parents must assume the responsibility of interpreting to each child, before his adolescence, the facts regarding the origin of life. If properly instructed, parents are best fitted to educate their children in regard to sex, but if they have been negligent, then qualified persons in the Church should reverently teach the beautiful truths of life. We recognize that sex education is not mere information. It includes also the formation of attitudes and habits.

4. Mass media. Parents must also help their children

evaluate literature, radio, and television programs which come into the home and counteract the undesirable publicity brought into the home through these mass media in terms of Christian and wholesome attitudes, to the end that their children will develop a taste for the best.

5. **Three-generation families.** In the family there must be a recognition of the older adult. Medical science is making life increasingly longer. Older adults need and should have a significant place of recognition as members of the family circle.

V. The Church and the Family

The Church and the family need each other. Through their support of the Church, parents teach by example the importance of the Church in the life of the nation. When they neglect the Church, they teach their children that the Church is of little importance in the lives of people.

To help parents understand the importance of teaching in the home, and the best methods for guiding their children, it is recommended that Local Churches make provision for study classes and discussion groups on child development, family relationships, and the teaching of religion in the home, using the helpful materials provided through the regular publications of the Church.

There is value in all the members of the family worshipping together both in the home and the Church. It is expected that Local Churches will provide resources and help for the family worship experiences. Churches are encouraged to hold occasional special services at which the entire family can worship together, and the service will be planned for the participation of all age groups.

It is important for the churches to focus attention on the family at frequent intervals during the year. Especially do we recommend the observance of National Family Week as provided in The Methodist "*Discipline*" (par. 233, section 5).

Parents and teachers are urged to meet together frequently to discuss the Christian nurture of children and ways in which they can work together for better teaching. Parents are urged to read together with their children the lesson materials provided by the Church. Teachers are urged to keep parents informed regarding the objectives of the lesson materials and to point out ways in which parents can further these objectives through home participation.

VI. Legislation

To protect both the individual and society from hasty

marriages we favor legislation requiring a period of days or weeks between the application for a marriage license and the granting of it. This will allow sufficient time for consideration on the part of the two persons concerned. We also favor a longer interval between application for and granting of divorce.

We recommend laws requiring a medical examination of both contracting parties, and the refusal of a license to those unfitted physically or mentally by heredity or otherwise for the responsible state of matrimony.

We further favor uniform marriage and divorce laws.

The Committee views with favor the many Memorials indicating a desire on the part of the Church that the Board of Temperance, the Board of World Peace and the Board of Social and Economic Relations become a single Board which would continue all the work being done by these separate Agencies.

We recommend:

1. That to further this desire there be established where desired, on the Local Church level a Commission on Christian Social Relations, whose duties will comprise those previously assigned to the Committee on World Peace, the Committee on Social and Economic Relations and the Committee on Temperance.

AN ANNUAL CONFERENCE MAY, IF IT SO DESIRES, UNIFY INTO ONE BOARD OF CHRISTIAN SOCIAL RELATIONS THE FUNCTIONS AND CONCERNS OF ANY TWO OR ALL OF THE FOLLOWING BOARDS:—BOARD OF WORLD PEACE, BOARD OF TEMPERANCE, AND BOARD OF SOCIAL AND ECONOMIC RELATIONS.

3. That the Co-ordinating Council continue its studies on the General and Jurisdictional levels in co-operation with

representatives of the Board of Temperance, Board of World Peace and Board of Social and Economic Relations looking forward to the presenting of a plan for uniting those agencies at The General Conference of 1960.

WORLD ORDER AND INTER-NATIONAL PEACE

The role of the Church in today's world situation is clear. Its task is to help mankind attain freedom, human rights, justice, adequate living standards, self-government and the co-operation of all nations for the maintenance of peace.

With the development of increasingly horrible weapons of mass destruction, mankind stands at the threshold of possible extinction. In the face of this situation, Christians everywhere are confronted with a definite challenge.

Motivated and mobilized by the spirit of Christ and challenged by world conditions, Christians are in a strategic position to make the Gospel articulate in world affairs to the end that peace may become real and dynamic.

The Individual and Peace:

From the Episcopal Address of The General Conference in 1956 we read:

"The attainment of enduring peace is primarily a matter of knowledge and spirit. Wars continue not because they are inevitable but because the people 'do not know the ways of peace' and therefore have not aimed at 'whatever makes for peace.' We have educated society to live in a world of war and not in a world of peace which explains why, when wars are won, the peace is so quickly lost."

The Methodist Church is in accord with the following expression of the Second Assembly of the World Council of Churches of 1954 on the Church and Inter-National Relations:

"Christians everywhere are committed to world peace as a goal. However, for them 'peace' means far more than mere 'absence of war'; it is characterized positively by freedom, justice, truth and love. For such peace the Church must labor and pray."

We call upon individual Methodists to hold fast to the Gospel of the Christ of peace. One of the foundations of a warless world finds its origin within the thinking of the individual Christian. Hatred and prejudice must be overcome by love as the cementing bond of brotherhood. When the teachings of Jesus are fully accepted and implemented by virile, vigorous action, war as a means of settling Inter-National disputes, will die. As war disappears, thereby setting the world free from the tyranny of destruction, man will be able to build anew, within a truly Christian structure, an environment of lasting freedom and peace.

Moral and Spiritual Aspects of Peace:

The primary conditions of peace lie in the attitudes of men. Since it holds in its keeping the moral and spiritual forces for a peaceful world, the Church has a unique and God-given responsibility. The position of our Church is made clear in the Social Creed, Par. 2024, page 716, 1956 *Discipline*.

Certainly the Church can be an Agency of great power for the establishment of a world community, as has been demonstrated by the Missionary and Ecumenial Movements. That the bonds of brotherhood among Christians have held so firm during the recent years of war and Inter-National tension is occasion for humble thanksgiving to God. From the beginnings already made, a wider world community must be fashioned through co-operation with persons of all religious faiths. To this ideal we dedicate ourselves unflinchingly.

Man's Struggle Toward Self-Government:

Since World War II there has been a surge toward self-government and self-determination on the part of subject peoples. Old imperialisms are breaking up. Colonial and dependent territories are seeking freedom and political independence. These affected peoples are struggling for the knowledge, the tools and the skills necessary to provide themselves with a standard of living designed to alleviate hunger, disease, exposure and ignorance. They are seeking, and many have already gained, a new status in the family of Nations.

We re-affirm the Christian's undying interest in freedom

and self-government for all people. We urge all governments to support the aspirations of non-self-governing peoples through such educational, medical and technical aid as may assist them to gain independence and to set up stable Democratic governments and Christian social practices for themselves.

Mankind Comprises One Family :

We believe that all peoples, irrespective of color, race, caste, creed or national origin, are one family of God's creation. Differences within this family may exist according to individual circumstances, but we commend to all of us, as children of God, diligence in understanding the conditions confronting our brothers of all lands and dedicated earnestness in applying ourselves toward helping them achieve and maintain harmony and understanding one of the other.

Opposition to Materialistic Ideologies :

The Christian Religion stands in direct opposition to Materialistic Ideologies prevalent in many places in the world. These Ideologies, with their disregard for human rights, their scorn for the dignity of the individual and their failure to acknowledge the Fatherhood of God and the Brotherhood of Man, are abhorrent to basic Christian principles.

We believe the best defense against these Materialistic Ideologies is found in the preservation and growth of Christian Democratic Institutions and in the daily practice of the Christian way of life. We believe that such growth and practice provide powerful stimulus to the elimination, as rapidly as possible of :

- (a) Racial and class distinction;
- (b) Economic conditions which cause hunger, disease and ignorance for large segments of the human race and;
- (c) The political suppression of human rights.

We believe that Christian concern for the physical and spiritual welfare of all people will promote unselfish sharing of essential goods and the values of life which God has so lavishly provided. Such sharing will give great impetus to the elimination of the basic causes of war.

Implementing World Peace :

Peace is the gift of God but it is appropriated by man only through the practice of love and co-operation. The peace of God cannot be contained within any one Nation, Economic System or Religion. To be a stable and lasting reality it must become Universal.

No one Nation or group of Nations, pitted against other Nations, can initiate or maintain world peace. It can only be the result of understanding, forbearance and co-operation on the part of **all Nations**.

We give thanks to God for the United Nations and its Agencies, and their continued efforts to create peace in the world. Particularly do we commend the United Nations for its direct approach, exploration and action on crucial problems that arise periodically throughout the world which pose a direct threat to the peace of the world. We are extremely grateful, too, for the enlightened political leaders and representatives of various individual Nations who so courageously share their part of the responsibility for world peace.

We believe there is continuing and urgent need to use more fully the various Agencies of Inter-National understanding and co-operation which are presently available in the United Nations. We believe the United Nations and its Agencies should be supported, strengthened and improved. Moreover, if these facilities are to become most effective, the United Nations with membership open to all Nations, must be given sufficient authority to enact, interpret and enforce world law against aggression and war.

We call upon the government of the United States to expand its leadership in an effort to bring about such Charter Revisions as are necessary to facilitate the work of the United Nations in maintaining Inter-National order and in preventing the outbreak of war.

We recognize, however, that it is upon the Church that the major responsibility for guiding the world toward lasting peace rests. The Church can, and should, reach directly into the hearts of individuals of all Nations. Political leaders are often blind to the fears of insecurity, poverty, destruction and war with which so much of mankind is enshrouded.

We believe that the Church, through its genuine concern for every man regardless of race, color or national origin and through the compassionate love of the Lord Jesus Christ, can effectively disintegrate these man-made barriers to understanding and brotherhood so essential to world peace.

Universal Disarmament:

The necessity for universal disarmament is urgently apparent.

Jesus said, "They that take the sword shall perish by the sword." Translated into terms of the current world problem,

a continued program of competitive armaments by the major blocs of world powers leads toward financial bankruptcy and the irrecoverable dissolution of material and power, if not to the abyss of mutual annihilation.

The menace of the arms race is recognized by the disarmament proposals made by the United States in terms of a system of aerial inspection and by Russia in terms of strategically located inspection teams. The fact that the proposals of one Nation may not be satisfactory to the other, must not discourage us from insisting on the continuous search for mutually satisfactory bases for universal disarmament and the hearty approval of all efforts made in the Councils of the Nations toward that end. Nor need it deter **any** Nation from creating and announcing to the world a definite plan for progressive disarmament as an invitation for other Nations to participate in it.

The vision of what can be done constructively to lift the level of the life of the world with the money now being expended for stock piles of military preparations in men and materiel, should we find the way to alleviate this military financial burden, is a further incentive for our untiring effort.

An even greater cost of war is represented by the tragic sacrifice of human life. This, indeed, is the greatest cost of all. We cannot estimate the leadership in the arts, sciences and humanities which has been lost to our civilization through the grim toll of conflict. War, indeed, must cease and universal disarmament is the prime and potent factor toward that end.

Of this we are sure, that we cannot achieve any permanent disarmament apart from a fundamental agreement among the nations subject to enforceable Inter-National authority.

We, therefore, affirm as the imperative goal for the effort of all Nations a universal disarmament through the United Nations. We urge all Methodists to keep themselves informed on the progress of the nations toward this gateway to peace and to let their representatives in government know of their determination that a solution to this universal problem must be found.

Because of possible deleterious hereditary effects of atomic radiation and the reported miscalculations on a previous hydrogen bomb test, we urge discontinuance of nuclear explosions by all Nations and recommend, instead, the further development of atomic energy for peaceful uses.

The Individual and Military Training:

We believe our task to be the revelation of the message of

Jesus of Nazareth; a message of love, of healing, of reconciliation and of the removal of prejudice and hatred. We find the utilization of war as a method of settling Inter-National Issues unacceptable in theory and practice.

We believe it is the task of every Nation to develop and utilize existing processes for the attainment of a peaceful settlement of Inter-National disputes. The Church dedicates itself to lend every assistance to government for the attainment of this goal.

We reaffirm traditional Methodist opposition to any system of peacetime universal military training. We appeal to the United States to give bold leadership looking toward the universal abolition of peacetime conscription by or through the United Nations.

REGARDING THE DUTY OF THE INDIVIDUAL CHRISTIAN, OPINIONS SINCERELY DIFFER. FACED BY THE DILEMMA OF PARTICIPATION IN WAR, HE MUST DECIDE PRAYERFULLY BEFORE GOD WHAT IS TO BE HIS COURSE OF ACTION IN RELATION THERETO. WHAT THE CHRISTIAN CITIZEN MAY NOT DO IS TO OBEY MEN RATHER THAN GOD, OR OVERLOOK THE DEGREE OF COMPROMISE IN OUR BEST ACTS, OR GLOSS OVER THE SINFULNESS OF WAR. THE CHURCH MUST HOLD WITHIN ITS FELLOWSHIP PERSONS WHO SINCERELY DIFFER AT THIS POINT OF CRITICAL DECISION, CALL ALL TO REPENTANCE, MEDITATE TO ALL GOD'S MERCY, MINISTER TO ALL IN CHRIST'S NAME.

We believe it is our obligation to render every assistance to the individual who conscientiously objects to service in the military forces. He should receive counsel concerning his rights in this respect; assistance in bringing his claim before the proper authorities; and support in securing recognition thereof.

Thousands of our sons and daughters have, with sincere Christian conscience, responded to the call for service in the military forces. We are obligated to provide pre-induction counselling and educational material prepared by the related Agencies of the Church; such as the Board of Education, the Methodist Youth Fellowship, et cetera. This material should be directed toward the wise use of leisure time and the challenge to Christ-like living during their military service. We believe particular emphasis should be directed to the service man's bearing a good witness for Christ, the Church and the Nation while on duty outside his country.

In meeting these obligations, we reiterate our unswerving

opposition to the principle of militarism and any dependence for security upon the sword alone.

We call upon local Methodist churches to enlist the interest of, and to offer hospitality to, the men and women of the Armed Services who are stationed in or near their communities. We further recommend that the home Pastors of those young people who have entered military service, urge them to continue their active church affiliation and participation in the Methodist churches nearest the points they may be assigned.

Technical Assistance and Foreign Aid:

We sincerely acknowledge the liberal contribution of the United States and other countries for food and other material resources together with technical assistance to benefit the under-developed areas of the world.

We believe that economic assistance, which seeks to make the benefits of scientific advance and industrial progress available for the improvement of under-developed areas is both an example of Christian love and practical Inter-National Brotherhood.

We urge that the United Nations Program of Technical Assistance and the United States Program of Foreign Aid (Point IV) be supported hereafter on a long-range rather than an annual basis. Necessary safeguards to insure against such aid being used for either military or political expediency should be provided. Study should be continued to determine the Areas of greatest need for distribution, and the Agencies through which the distribution should be made (with consideration given to the Special United Nations Fund for Economic Development).

Personnel employed in these projects should be of the highest character and should ever seek, through the implementation of the aid program, to develop better human relations as well as better economic conditions.

We also commend and urge increased support of technical assistance by Denominational and Inter-Denominational Programs as well as by private Foundations and Agencies.

Civil Liberties

The American Declaration of Independence declares that life, liberty, and the pursuit of happiness are the inalienable rights of every human being. This implies that these rights are not the gifts of governments, but the gifts of God. Civil governments exist, not to confer these rights, but to guarantee them to all men alike and to protect all men in the fullest

possible enjoyment of them. The right to be free implies not only the freedom of the body but the freedom of the mind.

In this time of fear, areas of freedom of speech and thought are being narrowed all over the world. Everywhere there is increasing limitation of the expression of variant ideas and opinions, and even of factual information. Thought control uses the techniques of absolute censorship, surveillance by secret police, torture, imprisonment and death. The techniques are those of social rejection, calling of names, demands for "loyalty oaths," denial of employment, irresponsible accusations and assertion of "guilt by association."

In any of these cases the results are false and inadequate information, degradation of the human mind and shackling of the human spirit. In such an atmosphere suspicion becomes fear, fear becomes hatred, and hatred becomes war. Our role is not to suppress ideas, but to open channels of communication so that men can come to know the thoughts of their neighbors, and so that the best thoughts of all men can come to be possessions of all mankind.

We who are Christians profess that Christ came to demonstrate the character of God and reveal that God is love. Love is the power of God at work in human relations. Against such power no earthly barriers can stand, no earthly armies ultimately can prevail. This power can be ours. We need only dare to use it.

Recommendation on Conscientious Objectors From the Central Committee of the World Council of Churches

We submit the following statement of principles on Conscientious Objection, formulated by the Central Committee of the World Council of Churches, with recommendation that it be ratified by The General Conference of The Methodist Church, assembled at Minneapolis, Minnesota, April 25, 1956 to May 8, 1956:

1. Conscientious objection shall be recognized as objection to performing military training or service, and to performing combatant duties or activities in support of war, with the understanding that every conscientious objector has the duty to render equivalent service toward the safeguarding of the community.

2. In countries where legislation provides for the recognition of conscientious objection, conscientious objectors should make use of such provisions, including registration and other arrangements for an orderly witness to conscience.

3. In every country a conscientious objector shall be entitled to appeal to an impartially constituted Civilian Tribunal established to deal with cases of conscientious objection.

4. The proceedings of all Civilian Tribunals for conscientious objectors shall be open to the public.

5. In no country shall the death penalty be imposed, in peace or war, upon any civilian for conscientious objection. The conscientious objector as such shall suffer no derogation of human rights.

6. A conscientious objector shall be entitled to exemption from the normal requirements of the laws of military training and service, it being understood that provision shall be made for exemption in one of the following ways:

a) Exemption without conditions;

b) Exemption conditional upon the acceptance of work of a civilian nature under civilian control, such work to be specified by a Civilian Tribunal;

c) Exemption conditional upon the performance of non-combatant duties only.

7. Every conscientious objector granted exemption shall receive a certificate of status and exemption for purposes of identification.

8. An applicant for registration as a conscientious objector who is aggrieved by any order of a Civilian Tribunal for conscientious objectors shall be entitled to appeal to a higher Civilian Tribunal.

9. A conscientious objector shall be entitled at any time to request a Civilian Tribunal to change the classification of his exemption.

10. With due recognition of the sacrifices demanded of all citizens in time of crisis, the conditions of alternative non-military service to which a conscientious objector is directed shall not be different from current conditions of similar non-military employment.

11. A conscientious objector performing alternative service of a non-military character shall be entitled to appeal to the Tribunal if required to perform work which he deems to be of a **military** nature.

12. A conscientious objector shall be in the same position as a person in military service in respect to reinstatement in his previous occupation after this period of service.

13. The "non-combatant" conscientious objector shall be

entitled to receive an official assurance that he will not be called upon at any time to bear arms.

NOTE: In every case these rights should be taken to apply equally to women as to men.

The Committee recommends the adoption of the following General Resolution on Temperance and Public Morals and asks that it be printed in the Appendix of the 1956 Methodist *Discipline*.

Beverage Alcohol

The Methodist Church reasserts its long established conviction that intoxicating liquor cannot be legalized without

sin, and continues its unceasing battle against intoxicating liquors. Our Church, from its very nature, stands at variance with the liquor traffic. For it to be silent in its opposition would be to be disloyal in its function. Therefore, to be true to itself, The Methodist Church must be militant in opposition to the liquor traffic.

Against the confused moral judgments of our age with respect to drinking and the liquor traffic, The Methodist Church lifts the clear voice of the Christian conscience. The teaching of Christ emphasizes, as one of its basic principles, the sacredness of each human personality. The use of alcoholic beverages impairs the functions of the body and mind. It slows perception and judgment. It delays reaction.

It not only impairs physical health but, more important, impairs the tenderness of conscience. It deteriorates character. We are stewards of our bodies. We are stewards of an ability to think straight. Anything which blights and destroys human personality is fundamentally opposed to the gospel of Christ. We therefore stand for the Christian principle of total abstinence from the use of alcoholic beverages of any kind. Our people should regard abstinence as an essential part of witness to the faith we profess and as evidence of loyalty to the high ideals for which our Church stands.

The use of alcoholic beverages violates the Christian principle that we are each our brother's keeper. We are stewards of our influence upon others. He who uses alcoholic beverages may by his example lay a stumbling block in the path of a brother and thus contribute to the destruction of another human personality. The influence of personal example is a sacred trust. For a Christian the use of intoxicating liquors is a fundamental moral issue which must be determined in the light of the gospel of Jesus Christ.

The drinking of alcoholic beverages is increasingly responsible for the disintegration of the home as witnessed by social service records and those of divorce court proceedings. It is a major cause of public disorder, disaster, and traffic injuries and fatalities. It causes poverty and produces economic waste in industry and commerce. It is a corrupting influence upon the conduct of public affairs. It is a most formidable obstacle to the good life.

Since human welfare decreases as the drinking of alcohol increases, we stand opposed to the continuation of the organized liquor traffic. The Church must be vigorous in its op-

position to it. The truth concerning the personal and social evils of alcohol has been clouded by the falsehoods cleverly presented in liquor advertising and propaganda.

We denounce the continued invasion of the American home by liquor advertisers who seek to indoctrinate even our children in the use of alcoholic beverages, through magazines, newspapers, radio, television and other media. We deplore governmental toleration of this practice, and call on the Congress of the United States to enact legislation to prevent the use of radio, television and other Inter-State means of advertising for such purposes.

We are deeply concerned over the growing practice of permitting the sale of alcoholic beverages through drug and grocery stores in a deliberate attempt to win the housewife as a customer. This practice also makes these beverages more accessible to minors.

We commend the Secretary of Defense for his action in prohibiting the sale of package liquors on most armed services installations. We urge the extension of this policy to include the outlawing of beer and liquor by the drink on all armed forces installations.

WE COMMEND THOSE AIRLINES THAT REFUSE TO SERVE ALCOHOLIC BEVERAGES ON THEIR AIRPLANES, AND REQUEST EACH OF THE OTHER AIRLINES TO JOIN IN THIS VOLUNTARY POLICY. WE ALSO CALL ON THE CIVIL AERONAUTICS BOARD AND THE CONGRESS TO ENACT LEGISLATION TO PROHIBIT THE SERVING OF ALCOHOLIC BEVERAGES ON AIRPLANES. WE REQUEST THE RAILROADS AND ALL OTHER PUBLIC CARRIERS LIKEWISE TO STOP THE SERVING OF ALCOHOLIC BEVERAGES ON THEIR METHODS OF TRANSPORTATION.

Knowledge must always precede conviction, and without conviction there can be no successful social reform. We, therefore, as a matter of major importance, call upon our churches vigorously to declare and teach the truth concerning the personal and social evils resulting from the use of alcoholic beverages. To do this, we ask them to use and support the best methods of educational procedure in every Agency of our Church.

We urge and support education in our public schools regarding the harmful effects of the use of alcoholic beverages.

WE RECOMMEND THAT ORGANIZATIONS AND INSTITUTIONS RELATED TO THE METHODIST CHURCH REFRAIN FROM ACCEPTING AND PRINTING ADVERTISEMENTS FOR ALCOHOLIC BEVERAGES OR TOBACCO.

The Methodist Church takes the position that laws should be enacted controlling and prohibiting the traffic in alcohol. The right of the people to enact such legislation to protect their homes and communities is a fundamental legal and moral right. Adequate relief can come only through total abstinence for the individual, and effective prohibition for the State.

We give our unqualified endorsement to the Program of our Board of Temperance which now centers around these four major emphases:

1. Positive Education for a life free from beverage alcohol. This is the heart of the Board's total effort. It is a broad and comprehensive educational program designed to reach all Methodists and without which there can be no consistent and effective action for abstinence.

2. Commitment to Abstinence is a natural and logical outgrowth of commitment to Christ. The Board of Temperance encourages individuals to commit their lives to sobriety as an essential manifestation of their Christian faith.

3. Rehabilitation of those who suffer because of beverage alcohol is clearly the obligation of all Christians. The Board gives guidance to thousands of Pastors and Laymen who deal person-to-person with individuals and families seeking their help.

4. Legislation as an effective means to outlaw beverage alcohol is a natural outgrowth of the concern of informed citizens. The Board stimulates Local, State and National Legislation to protect individuals, families and communities from the pressures of the organized traffic in beverage alcohol.

Corruption in Politics

We call attention to the fact that distressing corruption in the administration of public affairs is closely related to moral evil. The crimes of vice finance crimes of violence and institutionalize them. Our citizens should demand the most rigid integrity upon the part of public servants and should support this demand by full participation in public affairs.

The great majority of public servants are not corrupt, but corruption to any degree must be regarded as a menace to political freedom.

Narcotic Drugs

While alcohol is the narcotic drug most far-reaching in its evil effects upon our people, traffic in the opiates such as heroin and marijuana has caused profound concern to all humane people. The distribution of the drugs ordinarily known as narcotics has recently become much more prevalent, with destructive results to the body, mind and soul of many people, particularly those still in their formative years. We commend the efficiency of the Federal Bureau of Narcotics, the State Legislatures and the various City Police Departments which have taken effective action, and we rejoice in the improvement which has resulted. This, however, gives no cause for complacency; Christian compassion demands a continuing and intelligent concern.

Gambling

Gambling is a menace to business integrity; it breeds crime and is destructive of the interests of good government; it is in intimate relationship with vice and governmental corruption. As has been stated in the 1956 Episcopal Address, "The passion to get something for nothing inflamed by widely publicized gambling schemes has resulted in the undermining of the basic moral and economic laws of life." Constructive measures taken to disorganize this traffic in evil deserve warm approval and support from Christian citizens.

The dubious gains of petty gambling are neither needed nor wanted in financing the work of the Church. All Methodist churches **SHALL** abstain from the use of raffles, lotteries, and other forms of games of chance in the raising of money for the purposes of the Church and should protest similar gambling practices by secular organizations in their communities.

Tobacco

In the 1956 Episcopal Address the Bishops of Methodism stated that the widespread use of tobacco now "confronts society with a serious health problem, but is also becoming an increasing danger as a fire hazard. Social amenities and personal courtesies often suffer through the thoughtlessness resulting from the dominant demands for the satisfaction

of this habit-forming practice regardless of the comfort and rights of others."

We are deeply concerned over the increase in the use of tobacco, especially among youth, and we protest against the misleading and suggestive advertisements for the promotion of its sale.

In the interest of a larger Christian influence and service we issue our solemn warning to youth against all such deceptive propaganda and urge them to abstain **from the use of tobacco in all its forms**. We remind our adult membership that the principle of right example must be considered in regard to the use of tobacco.

¹ The General Conference of 1952 approved, in connection with this legislation, the following:

This includes the recommendation regarding the merging of certain periodicals. This Journal shall contain Program and Resource Materials for use in the planning and carrying out of a Unified Program in the Local Church. The Commission may employ a Secretary to serve as Editor of the Program Journal and such other literature as it may decide upon. The objectives, policies, and content of the Program Journal shall be determined by the Commission in consultation with the General Agencies. The initial plans of the Commission regarding the merging of these periodicals into a Local-Church Program Journal shall be referred to the Co-ordinating Council for consideration and approval.

Correlation and representation shall be equitable in so far as the Agencies are concerned.

"Bulletins and leaflets now being issued by General Boards and Agencies separately shall be incorporated in this monthly. Local Churches shall report their respective contributions as Conference Advance Specials.

And with the remainder of present Article 4 to be renumbered Article 6, deleting the present wording:

It is recommended that each Conference undertaking such Conference-wide appeal for Church Extension within its bounds set aside ten per cent of the amount received for the weaker and more urgent situations outside the Conference, such funds to be remitted to the Division of National Missions and administered by it as a General Special.

And substituting as Article 6.

6. It is recommended that each Annual Conference or District Administering Conference Advance Specials set aside each year ten per cent of the amount received for that purpose for aid to the weaker and more urgent situations outside the Conference, and that such amount be remitted to the Division of National Missions, the same to be administered by it as a General Advance Special.

Add the following as Article 4:

4. Unless the Annual Conference directs otherwise, a District within the Conference may authorize and promote Conference Advance Specials for Church Extension and Missionary needs within the District, such funds to be administered by a District Missionary Society organized for that

purpose, or by a similar body set up by the District Conference. Conference Specials that are secured and administered on a District level shall be reported by each Local Church to the Annual Conference as Conference Advance Specials.

Add as Article 7 the following:

7. The Conference Board of Missions, in co-operation with the General Board of Missions, and The General Conference Commissions on Promotion and Cultivation shall promote General Advance Specials, the Week of Dedication, and Conference Advance Specials in each Annual Conference through District Missionary Secretaries, Conference and District Missionary Institutes, and by other effective means as it may determine.

Par. 762. Opening sentence, no change.

Article 1. No change.

Article 2. No change.

Article 3. No change.

Article 4. The only change recommended is in line 5 where, near the close of the article, where the words **the Joint Section of Education and Cultivation** and are to be added.

So the amended Article 4 shall read:

4. The appeal for Advance Specials shall be channeled through Bishops, District Superintendents, and Pastors, the details of the procedure to be determined by the Commission on Promotion and Cultivation in consultation with the **Joint Section of Education and Cultivation** and the Advance committee.

Article 5. In lines 1 and 2, delete the words: *this entire plan* and substitute the words: **the structure and the administration of the Advance**, so that the Article shall read:

5. Should a clear emergency arise, any feature of **the structure and administration of the Advance** may be altered by the Advance Committee on the approval of a majority of The Council of Bishops and of the Council on World Service and Finance.

Par. 763. Delete the entire Paragraph, which reads as follows:—

Conference Advance Committee, constituted as follows: the Bishop, the District Superintendents, the Conference Missionary Secretary and the President of the Board of Missions, the President of the Board of Lay Activities, the Chairman of the Board of Ministerial Training and Qualifications, the President and Executive Secretary of the

Board of Evangelism, the President and Executive Secretary of the Board of Education, the President of the Board of Hospitals and Homes, and six Lay Members, three of whom shall be women, to be selected by the Bishop and District Superintendents; *provided* that the Conference may enlarge its Advance Committee as it may determine. Calendar No. 201. Adopted May 7, 1956. See Journal, Page 898.

The Committee on Temporal Economy concurs by Resolution in the following:

Whereas, under the gracious providence of God, America enjoys the greatest prosperity of any nation in history; and,

Whereas, Methodist people are enjoying a generous share of these material blessings; and,

Whereas, our Methodist people truly love God and have a sincere desire to follow Christ in compassionate service and to express their Christian love in action as demonstrated by the support given to the Bishops' Appeal for Korea, by annual increases in Advance Special giving, and by going beyond the goals of every missionary appeal of recent years; and,

Whereas, present world needs, physical and spiritual, are far beyond the resources now anticipated in Quadrennial financial plans—and hence can only be met, even partially, by additional giving—

Therefore Be It Resolved by this General Conference—That we urge all our churches to not only co-operate in all phases of the Quadrennial Program and the financial plans outlined by our Council on World Service and Finance, but also to greatly increase their Advance Special giving through the next Quadrennium in order that our Division of World Missions and our Division of National Missions, and our Committee on Overseas Relief may be better able to respond to the needs of the world with a Program of Love in Action which will represent our Christian concern.

ADVANCE COMMITTEE

Adopted April 28, 1956. See Journal, Pages 333-338.

(See Paragraphs 758-763, 1952 Discipline)

The *Discipline* of 1952 commits to the Advance Committee general leadership and oversight of the Advance, and directs that the Committee shall make a Report of its stewardship to The General Conference. Your Committee accordingly submits, for the consideration of this Conference, an account of its labors and a summary of the Church's generous response to the Advance appeal during the quadrennium now ending.

Your Committee has exercised all care and diligence to pursue its work in accordance with the directives written in the law of the Church. We have labored to the end that every local church may have opportunity for larger participation in the Church's ever-expanding missionary program in America and Overseas. No quotas or goals have been set. We have sought only to open doors of opportunity, and our people have responded to a degree far beyond our most sanguine expectations. These voluntary gifts, coming from our local churches through Advance Specials and the Week of Dedication, now supply approximately one-half the income of the Board of Missions (exclusive of the Woman's Division) and approximately one-half the income of the Methodist Commission on Overseas Relief. This fact is eloquent proof that the missionary passion still burns in the hearts of our people, and that they will not fail in the support of the Church's far-flung ministry, when the story of a great need and a great opportunity is told them.

The Advance Committee presents in this Report only a composite picture of the gifts of our people during the past quadrennium. A more detailed accounting appears in the Report of the Executive Secretary of the Council on World Service and Finance, who serves also as Treasurer of the Advance. The participating Agencies have received from the Advance during this quadrennium to March 31, 1956 (a period of three years and ten months) the following amounts:

Division of World Missions

Advance Specials

\$11,795,908

1764 *Journal of the 1956 General Conference*

Week of Dedication	\$ 828,847	
		\$12,624,755

Division of National Missions

Advance Specials	\$ 1,888,078	
Week of Dedication	480,851	
		\$ 2,368,929

M.C.O.R.

Advance Specials	\$ 1,492,734	
Week of Dedication	293,132	
		\$ 1,785,866

Crusade Scholarship Fund

Week of Dedication	\$ 300,000	\$ 300,000
GRAND TOTAL		\$17,079,550

Our estimate is that at the end of the quadrennium, May 31, 1956, the total for General Advance Specials and Week of Dedication offerings will approximate eighteen and one-half million dollars.

These figures become the more impressive when we observe that, on an average during this quadrennium, an amount considerably in excess of \$13,000 has been contributed each day through Advance Specials and Week of Dedication offerings to the missionary work of the Church. The expense of promoting the Week of Dedication is a prior claim on the Week of Dedication Fund, and it has averaged 9.36% of receipts. It must be remembered, however, that the promotion includes the spiritual as well as the financial emphasis, and this has at least doubled the cost. The cost of promotion and administration for Advance Specials is paid out of the operating funds of the respective participating Agencies. This means that every Advance Special, to the last dime, is invested in the cause for which it is contributed with no deduction for overhead of any kind.

Advance Specials have climbed steadily upward during the entire period. This indicates that our people do not think of the Advance as an Emergency Missionary Appeal, but as a continuing opportunity for participation in the Church's unending task. The year ending May 31, 1955, was our banner year with more than four and a quarter

million dollars contributed to General Advance Specials. It is encouraging to note that contributions through the first ten months of the current year exceed by 10.61% the contributions through the corresponding period of last year.

The above figures do not take into account the amount raised for Conference Advance Specials and administered on the Conference level. Conference Advance Specials, as reported to the Central Treasurer, total \$13,696,001 for three years and six months. We have not been able to secure regular Reports from Conference Treasurers of the amounts thus raised and administered by the several Conferences. We are persuaded that the actual total is considerably in excess of the amount reported. When Conference Advance Specials, as reported, are added to the General Advance Specials and Week of Dedication offerings, the total amount brought into the treasury of the Church through the Advance for Missionary and Church Extension enterprises during three years and ten months of this quadrennium is not less than \$30,695,557, not including \$1,654,934 for the Bishops' Appeal for Korea. This we judge to be a phenomenal achievement in our Church-wide Missionary Program. Let it be observed that this amount is over and above the support received through World Service and Conference Benevolences. The Regular Apportionments continue to be the basic support of the Church's manifold ministry, without which our entire Program would collapse.

In the administration of these funds the Advance has had no responsibility except to insist, as the *Discipline* requires, that Advance Specials and Week of Dedication projects be properly approved and that all Advance funds be used for the specific objects for which they were contributed. In every instance we have had the complete and unqualified co-operation of the participating Agencies. The only function of your Committee has been to support and undergird the Boards and Agencies, which the Church has constituted to plan and administer its Missionary Program. It is our conviction that the Advance has been productive not only in the funds raised, but in materially quickening the missionary spirit in our local churches, and thus advancing the Kingdom on every front.

Our Pastors and people have been our indispensable allies in all that has been achieved. To them we express our abiding gratitude. The Commission on Promotion and Cultivation and the Joint Section of Education and Cultivation deserve in this connection especial mention. Acting in close and understanding co-operation, they have been our Agencies of Promotion, and the success of our endeavors is in

large measure the result of their devotion and efficiency. The District Superintendents of the Church have rendered yeoman service in the entire Advance Movement. Through them the appeal is transmitted to every Quarterly Conference. No movement or appeal is truly effective until it reaches the local congregation. These faithful men have been representatives of the Missionary Advance in forty thousand local churches, and the results are attested by the achievements of these four years.

The cost of promoting General Advance Specials is a feature worthy of especial note. In promoting these Specials throughout the entire Church the Commission on Promotion and Cultivation has expended an amount equal to only 1.05% of the total actually received. When to that is added the cost of cultivation as reported by the Joint Section of Education and Cultivation, Board of Missions, the total cost of promotion and cultivation by both Agencies is equal to an amount considerably less than 5% of receipts.

Your Advance Committee has met annually, and the Executive Committee has met as the need required. No new organization has been set up. The appeal has been made through the regular channels of the Church. The work of the Committee has been done without expense to the Church. We have had no office or employed secretariat. The expense of meeting has been provided out of profits remaining from the sale of literature during the quadrennium 1948-1952. Neither do we come to The General Conference asking for an appropriation of any kind. We have funds on hand sufficient to take care of the expense of the Advance Committee for another quadrennium—and more. We are grateful to The General Conference and to the Church for this opportunity to serve in a great cause.

Respectfully submitted,

THE ADVANCE COMMITTEE:

COSTEN J. HARRELL, *Chairman*;

HAZEN G. WERNER, *Vice-Chairman*;

FRANK E. BAKER, *Recording Secretary*.

CHURCH UNION, COMMISSION ON

Adopted April 27, 1956. See Journal, Page 300.

(See Paragraph 2005, 1952 Discipline)

The Commission on Church Union was established by the 1948 General Conference. Its duties were:

(1) To consider specific overtures or proposals for Organic Union with other Denominations and to report to The General Conference,

(2) To initiate studies looking toward Organic Union,

(3) To confer with representatives of other Denominations in any general discussion of Church Union,

(4) To encourage Inter-Denominational Co-operation throughout the Church and to have responsibility for any Inter-Denominational activities not specifically cared for by other Agencies.

The 1952 General Conference continued the Commission and elected the following as members:

<i>Juris.</i>	<i>Bishop</i>	<i>Clergy</i>	<i>Lay</i>
N.E.	Lloyd C. Wicke	Daniel L. Marsh	Chares C. Parlin
S.E.	Wm. T. Watkins	Nolan B. Harmon	C. E. Jordan
C	Willis J. King	M. LaF. Harris	V. E. Daniel
N.C.	Edwin E. Voigt	John M. Versteeg	Rockwell F. Clancy
S.C.	Ivan Lee Holt	Umphrey Lee	Walter W. Parker
W.	A. R. Grant	Rufus C. Baker	Donald A. Odell

Bishop Holt was elected Chairman, Dr. Harmon, Vice-Chairman and Mr. Parlin (*), Secretary.

During the quadrennium, the Commission, or its Executive Committee, met five times. Its work has been in the following areas:

The Conference on a United Church in U. S. A.

Pursuant to a call by the Federal Council of Churches of Christ in America for discussion of Organic Union of Churches in this country, the following in December, 1949, sent representatives:

Congregational Christian Churches
Disciples of Christ
Evangelical and Reformed Church

Methodist Church

Presbyterian Church in the U. S. A.

African Methodist Episcopal Zion Church

Christian Methodist Episcopal Church

National Council of Community Churches

The Protestant Episcopal Church sent observers. Bishop Holt was elected Chairman of the group. The Presbyterians withdrew after the work was under way because of involvement in their own merger plans.

Work has continued, however, and a draft of "The Plan of Union" follows at the end of this Report. The representatives have worked on the theory that the call for unity is a divine imperative. Among the participating Churches, there is mutual recognition of the ministries and sacraments but they are accustomed to operate under different forms of organization—Episcopal, Presbyterian or Congregational. Careful study indicates that the differences are more of form and terminology than substance. Meanwhile, over the years these Churches have come closer together in fraternal fellowship, mutual co-operation and spirit of unity. Has the time come for the Denominations to seriously discuss organic unity?

The attached Plan gives a possible basis. To each Church there are certain forms and customs from which it is difficult to part. In this Plan each Church would make certain concessions—for example, the Congregationists and Presbyterians would except administration by Bishops. There would be preserved within a unified structure the possibility of individual churches and individual ministers maintaining the form of relationship of their selection. This Plan is presented to The General Conference for its information. For those who feel that our steps toward unity should take the form of a United Church in the U.S.A., the Plan will indicate one way in which the differing forms and traditions can be brought together. Many hope that The Methodist Church will take the initiative and leadership in work for a United Church.

The Protestant Episcopal Church

Some years before the Uniting Conference of Methodism in 1939 there were informal conversations between the Methodist Episcopal Church, the Presbyterian Church, U.S.A. and the Protestant Episcopal Church, looking toward Union. The Methodist Episcopal Church withdrew

from these discussions to consummate Methodist Union. In 1942 representatives of The Methodist Church and the Protestant Episcopal Church met in joint session in Cleveland. Then at the 1948 General Conference in Boston a proposal came from the Commission of the Protestant Episcopal Church for further discussions and this proposal had hearty endorsement from two Bishops of the Protestant Episcopal Church who spoke to us. Bishop Sherrill, the Presiding Bishop, and Bishop Nash, the Bishop of Massachusetts. The discussions in which your Commission is now engaged mark the third effort in a generation to bring these two Churches together.

No Plan of Union has been drafted. Your Commission feels that before this is attempted, study must be given to the prospects of establishing Inter-communion through an extension of the Orders of the Clergy in each of the two Churches along the lines suggested by the Archbishop of Canterbury in his now famous "Cambridge Sermon." With problems of ministries and sacraments solved, it seems likely that their common history and heritages will inevitably draw these two great Denominations together.

Study is being given to a proposal for extension of Orders through reciprocal, supplemental consecration of such of the Bishops of the two Denominations as would voluntarily accept such. Such supplemental consecration of a Methodist Bishop by the Episcopal Bishops would bring the Methodist Bishop and any minister subsequently ordained by him into the apostolic succession as understood by the Church of England and the many Denominations which share this concept and are now on a basis of Inter-communion. Any such Bishop and any such minister would then be qualified to administer the sacraments in an Episcopal Church, and presumably in Churches of other related Denominations, and today there are many places where new opportunities for wider Christian service would be opened to our ministers in this manner. We are advised that some, at least, of the Episcopal Bishops would welcome such supplemental consecration by our Methodist Bishops, feeling that by such act they would come into the line and the heritage of the dynamic evangelism of John Wesley and his followers and that there was being restored to the ministry of their Church something which the Church of England and its ministry lost when they lost "the people called Methodists."

This has been a major effort of the Commission during the quadrennium. During the period, a group of Methodist Bishops and Protestant Episcopal Bishops met for dis-

cussion of the problems involved. Since, specific proposals have been made and are under discussion in the two Commissions. In the Christian world today, the failure to achieve Inter-communion is one of deepest concern. There is reason to hope that in this country the Methodists and the Protestant Episcopalians may lead the way and find a solution.

The Evangelical and United Brethren Church

We are conscious that this devoted Church has close affinities with our Church. A meeting was arranged at Dayton, Ohio, between a group of their Bishops and members of the Executive Committee of the Commission on Church Union of our Church. Their Bishops feel that they still have problems arising out of their recent Union which they must first solve. They are hopeful, as are we, that in the not too distant future we may open negotiations that may lead to a union of our Churches. Let us all pray God for His leadership in bringing that consummation of our hopes.

The Independent Methodist Churches

There are independent Methodist Churches in America which do not belong to our Church but which do belong to our fellowship.

Under the leadership of the World Methodist Council there have been several meetings with Bishops of the American Methodist Episcopal Church, the American Methodist Episcopal Zion Church, and the Christian Methodist Episcopal Church. From these conferences it is apparent that the pressures from the Roman Catholic Church and the many Sects are felt by our Negro Methodists. There is apparent the need of more co-operation and it may be possible to establish a Methodist Federation with the solving of some comity problems. We are not ready yet for the uniting of all Methodist Churches, but this must be kept in mind as an objective.

The Free Methodist Church, the Primitive Methodist Church and the Wesleyan Methodist Church go their separate ways, but they all affiliate with the World Methodist Council. Every effort must be made, in spite of differences in size and theological emphasis, to bring them ever closer to our Church.

World Methodist Council

This Council met in Springfield, Massachusetts, in 1947 and in Oxford in 1951 and is scheduled to meet at Lake

Junaluska, North Carolina, August 28 to September 12, 1956.

There is much interest in strengthening the ties of the constituent Methodist bodies of the world. This seems to be the current trend of the ecumenical movement. The Anglicans, the Lutherans, the Baptists and the Presbyterian-Reform groups all give indication of stronger affiliations on a world-wide communion basis. British Methodism finds itself far removed from the established Church of England—much further than we are removed from the Protestant Episcopal group in this country. British Methodism views with some concern our conversations with the Protestant Episcopal group and with the other United States Churches and urges us toward a strengthening of our world-wide Methodist communion in the World Methodist Council.

Which Way Toward Union?

The urge toward closer relationships between the divisions of the Church is today constant and insistent. But those who are enthusiastic about the end result differ as to route.

One group urges cutting across Denominational barriers and the forming of United Churches wherever possible. This is the pattern of South India, of Canada, and of Japan. This thinking in the United States is exemplified by the Conference on Union and the "Plan" which is part of this Report.

The other group fears that while such Programs may eliminate Denominational barriers they may merely substitute even more difficult national barriers and warns against using nationalism and national self-interest as a catalyst. This group, looking into the future, would rather see the World Council of Churches as a Council of World-wide Communion—Anglicans, Lutherans, Presbyterians, Baptists, Methodists, etc.—than a Council of National Churches—United Church of Canada, United Church of Japan, United Church of Great Britain, United Church of United States, etc.

The World Methodist Council meeting in 1956 will probably be important in shaping policy as to how far the Methodist bodies of the world will go in forming a really cohesive organization and thus veer away from the theory of separate, National Churches in the respective countries.

Meanwhile, the work will continue within the spirit of the Episcopal Address of 1948 in which it was said:

"The Churches must become the Church. We must move from the exploration of the possibilities of Union to the creation of the spirit and structure of Union. We believe Union must be achieved. We believe our laity and our clergy desire Union. We believe our Lord is calling upon us to unite."

Respectfully submitted,

IVAN LEE HOLT, *Chairman*;
CHARLES C. PARLIN (*), *Secretary*.

Revised Draft of 22 May 1953

PLAN OF UNION FOR A UNITED CHURCH

TO THE CHURCHES OF CHRIST OF THE UNITED STATES OF AMERICA:

Greetings in the name of our Lord Jesus Christ, the Head of the Church, whose body the Church is:

INTRODUCTION

The following Plan of Church Union received its initial

inspiration at the biennial meeting of the Congregational Christian General Council held at Grinnell, Iowa, in June, 1946. A Resolution was there unanimously adopted requesting the Federal Council of Churches to invite those Denominations which "recognize one another's ministers and sacraments" to send officially appointed representatives to a plenary conference to explore the possibility of a closer union. This proposal was seconded in the following August by the Inter-National Convention of the Disciples of Christ, which somewhat broadened the invitation to include "those Communion which are in sufficient accord in essentials of Christian faith and order to give promise that such a conference would result in further and effectual achievement of Christian unity."

Whereupon, the invitation was formally transmitted to each of the 24 constituent Denominations of the Federal Council, and others not affiliated with it. Nine Denominations responded favorably as follows: Methodist, Presbyterian U.S.A., Presbyterian U.S., Congregational Christian, Disciples of Christ, Evangelical and Reformed, African Methodist Episcopal, Christian Methodist Episcopal, and the Association of Community Churches. These bodies represent about 16 million members, or nearly 40 per cent of American Protestantism.

Their appointed Representatives met at Greenwich, Connecticut, in December, 1949. During three days of deliberation it was unanimously decided that they should seek for nothing less than "an Organic Union" of their several bodies, "a fellowship and organization of the Church which will enable it to act as one body under Jesus Christ who is the Head of the Church." The Conference organized itself as a continuing body, to be called, simply, "The Conference on Church Union." Bishop Ivan Lee Holt of The Methodist Church was elected President; Rev. Dr. William B. Pugh, Stated Clerk of the General Assembly of the Presbyterian Church U.S.A., Vice-President; Rev. Dr. John Lentz, of the Evangelical Reformed Church, Treasurer. Rev. Dr. Douglas Horton, minister of the Congregational Christian General Council, accepted the task of acting Secretary. A Drafting Committee was appointed to draw up a Plan of Union. Two members from each participating Denomination were named to constitute such a Committee, together with members of the Executive Committee, as *ex-officio*.

The first meeting of the Drafting Committee was held at Randolph, New Hampshire, in July, 1950. During four days of intensive deliberations, a Plan of Union was drawn up which received the approval of the entire Committee.

Rev. Dr. Pugh contributed largely to the drafting of the Plan. His tragic death two months later removed from the undertaking one of its wisest and most ardent advocates. A second meeting of the Drafting Committee reviewed the Plan and presented it to a plenary session of the Conference on Church Union in New York, in October, 1950, where, with minor changes, it was approved for advisory submission to a joint convocation of the Conference on Church Union and the several Commissions on Inter-Church Relations of the nine Denominations.

This Convocation, consisting of 75 representatives of the nine Denominations, was held in Cincinnati, Ohio, in January, 1951. The Plan was thoroughly discussed. No formal action was taken or requested, though the sentiment was strongly favorable and hopeful. Three Denominational groups—Methodist, Congregational and Disciples of Christ—met separately and presented to the Convocation memoranda containing assurances of hearty approval of the Plan, together with certain suggestions for its improvement. Rev. Dr. Gaines M. Cook, Executive Secretary of the International Convention of Disciples of Christ, was elected Secretary of the Conference on Church Union. Since his resignation Rev. Kenneth Bath, of the Community Churches, is Secretary.

A meeting of the Drafting Committee was held in New York in March, 1951, at which all the suggestions for amendment proposed at Cincinnati were earnestly considered. Some of these were incorporated in the Plan, others were included with modifications, still others were felt to be either unnecessary or inconsistent with the Plan. A further meeting of the Drafting Committee was held in New York in November, 1952. After intensive consideration of the text of the Plan of Union resulting in numerous minor revisions, it was deemed ready to submit to a plenary session of the Conference on Church Union. This session was held at Greenwich in May, 1953. Two days were devoted to a critical examination and interpretation of the Plan and discussion of methods for securing a similar consideration from a widely representative cross-section of the Churches. For this purpose the Plan is now submitted to the Commissions on Christian Unity of the several Churches and other Church organizations and groups, including theological seminaries, for study and recommendation.

The Approach

In considering the Plan of Union it is important that it be taken, not as a final, comprehensive or adequate plan,

but as a kind of line drawing of a possible United Church. The fundamental problem which it seeks to solve is that of bringing into one body three types of Churches which already recognize one another's ministries and sacraments but are accustomed to operate under somewhat different forms of organization. These forms are usually designated as Congregational, Episcopal and Presbyterian. Previous Plans for Union have largely attempted to merge these polities by compromising or eliminating their differences. The distinctive characteristic of the present plan is that the essential features of these polities are preserved and maintained simultaneously within the one Church.

In our many conferences together we have reached the heartening conclusion that, in their functioning, quite aside from traditional theory, these three types of organization are more similar than is commonly assumed. The Congregational group of Churches is more like the non-Congregational, the Episcopal more like the non-Episcopal and the Presbyterian more like the non-Presbyterian groups than any of them has supposed the others to be. The recognition of this fact has made it possible to bring the three types of organization together in a Plan of Union which provides for the continuance of all three.

This Plan is offered to the Churches, not with the expectation that they will at once commit themselves to Union under it, but in the hope that they may be able to adopt it "in principle" with whatever recommendations they may suggest for its improvement and completion. It is conceived as a minimum structure upon which, if its essential principles are favorably received, further action may be undertaken to consummate the Union here envisaged.

Question will, no doubt, arise concerning matters of procedure within the framework of this Plan. Many such questions have arisen in our deliberations, but they have been put aside in the interest of presenting as simply as possible an over-all picture of what a United Church might be. We ask that the Plan be given careful study and that both official and informal groups will crystallize their opinions as to (1) the desirability and (2) the practicability of Union on the principles embodied in the Plan. Such expressions of opinion will guide the Conference on Church Union in its further deliberations.

I.

THE DIVINE IMPERATIVE

We, the Conference on Church Union, consisting of of-

ficially appointed Representatives of our several Churches, gratefully recognize the initiative and guidance of God in the movement among Christian people for a United Church. The call for unity is a divine imperative and we believe that Union is an indispensable means to that end.

We have long known that in essentials of faith we are already one. We now rejoice in the growing realization that the practical operations of our several polities are strikingly similar. Over many years there has been a steady growth of fraternal fellowship, mutual co-operation, and the spirit of unity among us. This has prompted us earnestly and prayerfully to inquire what may be the next step in the development of our responsibility for one another. Through our common faith in Jesus Christ as Lord and Savior we are made one body in Him and in penitence for our present unhappy separation from one another, we believe that our Master now calls us to transcend those barriers which divide us into various and often competing Denominations and Churches.

Today, Christians confront a world situation which demands that the Churches shall make common cause. In our own and many other sections of the world, secularism, atheism, and religious indifference are strongly entrenched and militant. These evil forces stand sharply over against the Christian Church with its eternal gospel of redemption. They cannot be effectively resisted and overcome by separate Churches, but only by the corporate witness and the concerted action of Christians united. In the broad perspective of the world scene, and in view of our great common convictions and concerns, our Denominational differences appear relatively inconsequential.

In our meetings together, in prayer and prolonged deliberations, we have reached a common conviction that the time has now come when all the Churches must take with profound seriousness both the divine mandate and the practical need for a United Church. Even though this Union of Churches may mean some adjustment of Denominational traditions and emphases, yet all will be enriched by the varying practices brought into the Union. If at any point we must decrease that the Cause of Christ may increase, we shall count our loss as gain.

We look forward in faith and hope to a more comprehensive Union than that envisaged by our present undertaking. Holding this faith and this larger hope, but not waiting for its full realization, we are convinced that we should now form ourselves into an Organic Union; and

that our Union must be so truly ecumenical in spirit and structure that it may be not only a Church united in itself but so manifestly inspired with a fervent desire and intention to be used of God that it will bring about a more comprehensive Union. To this end, we offer a statement of the ecumenical evangelical faith to which such a United Church should bear witness, and propose a Plan of Union.

THE PLAN OF UNION

A COVENANT OF UNION

We the Churches hereto assenting, believing that we are acting under the guidance of the Holy Spirit, seeking union in Christ with that Christian liberty of conscience and organization, which we now enjoy do hereby unite for the furtherance of the redemptive work of Christ in the world in a visible body to be known as The United Church of Christ. The Churches hereto assenting do mutually covenant and agree upon the following Plan of Union.

I.

THE LOCAL CHURCH

1. Organization.

The Universal Church is the fellowship which God creates by his Holy Spirit through those who experience His grace in Jesus Christ. The local church is the ecumenical Church manifested in a particular place. The United Church of Christ recognizes and respects the freedom of each local church in the discharge of its local responsibilities, and it also provides for an orderly exercise of the mutual responsibilities of the local churches in relation to their sister Churches in The United Church. The local church brings into The United Church of Christ, without essential change, all the present structure and procedure.

The form of local church organization naturally varies in some respects with the needs of the particular church and its community. But there exist in the Churches of each of the participating Denominations a Board of Officers responsible for fostering and guiding the spiritual life and the general welfare of the congregation, and a Board of Trustees who are responsible for the church property. The essential inner structure of the local church is preserved in The United Church of Christ.

2. Union in the Local Community.

The United Church of Christ is deeply concerned about

communities where there are too many churches and others where there are too few and knows that either situation results from the failure of Protestant churches to face together their task and carry on their work in a spirit of co-operation. This means loss in human and spiritual resources.

Without the pressure that overrides local freedom, The United Church of Christ constantly holds before its constituency the ideal of such unity and relocation of churches in rural and urban areas as will enable every church member with his contribution of interest and time and money to serve his Master and his community most fully.

The United Church of Christ responds to calls from the countryside and from centers of population for aid in carrying out this idea with plans and suggestions for definite local needs.

3. Classification.

The United Church of Christ, being catholic and inclusive in purpose and form, embraces the three historic polities of Protestantism: Congregational, Episcopal, and Presbyterian. At the time of organization of The United Church of Christ each Denomination in its own way shall declare to which of the three categories its local churches shall be regarded as belonging. Local churches subsequently may change from one classification to another but only after announcement two years in advance.

4. Worship and the Sacraments.

Each local church determines its mode of worship and of administering Baptism and the Lord's Supper.

5. Admission to Membership.

In accordance with the practice of all the Churches participating in The United Church of Christ, new members are received on profession of faith in Jesus Christ as divine Lord and Saviour. Letters of transfer from other local churches are honored in accordance with the practice of the receiving local church, though we look forward to the time when all letters of transfer will be freely received.

6. Property.

In the case of a local church which holds title to its own property, the church retains the title. In the case of a local church where the property is held in trust, the trust may be transferred to The United Church of Christ.

II.

THE MINISTRY

1. Ordination.

Ordination in The United Church of Christ is ordination to the ministry of the Church Universal. The act of Ordination is performed by the Presbytery on the recommendation of the local church of which the candidate is a member and of the proper examining committee of the Presbytery. The Bishop participates in the laying on of hands and ordinarily presides at the Service of Ordination.

2. Classification.

At the time of organization of The United Church of Christ each Denomination in its own way shall declare to which of the three categories, Congregational, Episcopal or Presbyterian, its ministers shall be regarded as belonging. Ministers subsequently may change from one category to another at their own request with the approval of the Bishop, but only after announcement two years in advance.

3. Standing of the Ministry.

The minister shall be a member of the Presbytery where he serves, which shall hold his standing and be responsible for the passing of his character.

4. Placement of Ministers.

Ministers are called by or assigned to local churches in their own category, according to the method appropriate to that category.

5. Installations.

Installation or recognition of a minister assuming a pastoral relation to a local church is by the Presbytery at the request and with the participation of the church.

6. The Episcopate.

The Bishop is the spiritual Counsellor and guide of the churches and ministers in the Conference in which he is the Administrative Superintendent. His relation to the churches and ministers of the Congregational category is that of an Advisor. His relation to the churches and ministers of the Presbyterian category is comparable to that of an Executive of a Presbytery and Synod. His relation to the churches and ministers of the Episcopal category is that of a Bishop in historic American Methodism.
